that you get the maximum return for your money when you buy Zam-Buk, because Zam-Buk is all medicine—not 5% medicine and 95% animal fat as ordinary ointments are.

The herbal extracts and vegetable oils of which Zam-Buk is composed are so wonderfully blended and refined that Zam-Buk possesses unusual power of penetration. Instead of remaining on the surface skin, as ordinary ointments do (owing to the amount of coarse animal fat they contain), Zam-Buk literally soaks through until it reaches the "root" of the disease, which is always in the underlying tissues. Then it cures from the "root" up, which is the only thorough and permanent way of curing skin troubles, and is why Zam-Buk succeeds when other treatments fail.

Zam-Buk is best for eczema, pimples, blotches, psoriasis, chronic sores, blood-poisoning, teething rash, boils, piles, cuts, burns and scalds. All dealers or Zam-Buk Co., Toronto. 50c. box, 3 for $1.25.

RE-UNION OF LANE FAMILY

On Saturday afternoon, Aug. 30th, 1919, the home of Mr. Harry Matheson, Coningsby, was the scene of a pleasant event when the homecoming in glad re-union of the Lane family was celebrated.

Out of a family of ten, scattered far and wide, nine were present on this happy occasion, who were privileged to spend the afternoon together, living in retrospect the days agone but cherished in memory.

There were present of the immediate family: Dr. R. J. Lane, Sault Ste. Marie; Mrs. E. Paisley, Grand View, Man.; Mrs. S. McKee, Benalt, Alta.; Mrs. N. F. Moore, Acton; Miss Ella Lane, Leamington; Mrs. N. Smart, Beamsville; Mrs. Jno. Matheson, Coningsby; Mr. John Lane, Garafraxa; Mr. Henry Lane, on the old homestead, Erin Tp.; Mrs. Geo. Lane and family, St. Williams; Mr. B. Wright, Leamington; Mrs. R. J. Liddell, was the only member of the family un-

Mr. Robt. Lang, an old and esteemed neighbor of the family was the only one privileged to be present outside the family circle.

After lunch had been served on the lawn, Mr. R. W. Tarzwell was called to the chair and a pleasant hour was spent in reviewing in song and story, the memories of the past.

The eventful afternoon was fittingly brought to a close by the singing "God Be With You," and "Auld Lang Syne."—Erin Advocate.

Ancient Furnace Discovered.

A lady member of the Cumberland and Westmoreland Antiquarian Society of England has had the good fortune to discover what is believed to be a Roman bloomery, or ancient smelting furnace. Her attention was drawn to the place by the work of moles, which recently exposed some of the remains, and again later by the burning of the whins formerly concealing the hearth and other features of the bloomery, near Forest How.

By some exploration with a spade, she traced the foundations of a large hearth, twelve yards in diameter, and a number of heaps of cinders, slag and ore; and she also turned up specimens of Roman tiles, with pottery, slag and hematite. The size of the hearth of the Forest How bloomery marks it as quite different from the ordinary north-country mediaeval iron furnaces, which run from seven to nine or ten feet in diameter, for the one just found is twelve yards across. This site appears to be worth further explorations and probably money for that purpose will be found.

ICELAND.

Has Been Called the "Greece of the Far North."

The recognition of the full sovereignty of Iceland recently accorded by Denmark, by which the island enters the Danish federation on equal terms with Denmark, draws attention to this remarkable northern island.

Geographically and geologically Iceland is a part of — a continuation of — the British Isles, for it is situated on the same submarine mountain ridge, stretching from the southeast to northeast across the North Atlantic.

Iceland is not a bleak, Arctic region, embedded in thick-ribbed ice, though its northernmost peninsula, Rifstangi, projects a mile north of the Arctic Circle.

No country on earth of equal size contains so varied and wonderful phenomena. The glaciers of Switzerland; the fjords, salmon rivers, and midnight sun of Norway; the volcanoes, grottoes and solfataras of Italy, on a grander scale; the mineral springs of Germany; the geysers of New Zealand; the largest waterfall, next to Niagara, in the world—all are here. Nowhere has nature been so spendthrift in giving a geological lesson to man. If there be sermons in stone, volumes lie unread here. Here we see her titanic forces at work building up a country. Nowhere is it possible to study so well the geological conditions prevailing toward the close of the Glacial Epoch in Europe.

Iceland has another and greater claim to one's interest. It is, as William Morris said: 'the Greece of the North.' It produced in the twelfth and Thirteenth centuries a literature unparalleled after Rome before the golden age of England and France, in character drawing, in passionate dramatic power, in severe, noble simplicity, in grim humor.

"Yet this literary people still live in a pastoral and Homeric civilization which is a modern lesson of the healthfulness of human life in close contact with the free, wild life of nature, such as would have delighted the heart of Rousseau or Thoreau.

For 400 years Iceland was an aristocratic republic, ruled by the great families of the early settlers, among whom was a Norse queen of Dublin. A fourteen days' open parliament of all Iceland met annually in June at Thingvellir, and the speaker of the law (logsoguman) used to recite from memory the whole of the unwritten, elaborate laws of the country to the assembly. In 1262-1264 Iceland was united to Norway, and in 1380, with Norway to Denmark. The Danish rule ruined the Island economically, but since the granting of self-government and the re-establishment of the old Parliament, in 1874 at Reykjavik, great progress has been made.

Got Ideas from Beasts and Birds.

The dwellers in a big city are always mourning over the artificiality of it all. That is really only a left-handed way of congratulating themselves that they have become so differentiated from the lower animals that they have totally lost sight of the origin of things they consider conventional evidences of civilization. As a matter of fact, man got most of his ideas originally from the beasts and birds.

Cave-dwelling creatures taught him the advantages of a lair, and burrowing beasts probably gave him the first notion of building one for himself. He learned the art of plastering from the birds—the swallow is particularly adept. He got his primal lessons in mechanics from nature. Has any inventor improved on the screw pattern of the shark's egg case?

Someone has claimed that the art of dancing is the very epitome of civilization. Absurd. We got our latest popular steps from tribal dances of the people who learned them direct from the birds. The lady oriole was an expert skirt dancer before woman had draperies with which to imitate her vibrant plumes. Remember the stately minuets of the whooping crane.

Like the birds, too, man has a singing voice in mating time. It is merely a product of this mechanical age that now, instead of trusting to it, he is more apt to buy his sweetheart the phonograph record of some song he feels more perfect than his own; the primary intention is all the same—to please her fancy. Does he take her out to dine? I have seen the towhee offer the bird of his choice a particularly luscious morsel to the same end.

The most unnatural appearing product of civilization is clothes. I took a puritanical exception to the raiment of a pretty, sweet-voiced girl in a garment she would have hesitated to don if it were offered her to wear at a fancy dress ball instead of on the streets as an exposition of the current styles. Perhaps the uniformity of the feathered clans was in my inmost mind. "Why does she attract attention to herself that way?" I thoughtlessly demanded.

Her employer had a twinkle in his eye. "Stupid," he said, "this is no place for her, in an arid office, caged behind a desk; she wants a nest."

Cramp it by economic pressures, deny it for any consideration you can name, beneath our surface veneer, beneath the very barriers we set up to blind your tantalized eyes, lies the big reality we share with all living things, the need of our own nest.

Burgundy at Its Best.

Burgundy wines of 1915 are reported by the most eminent connaisseurs of Paris to be the best since 1865. In fact, their verdict is "perfect."

The summer of 1915 was hot, so was the autumn, with light rains now and again at exactly the right intervals. M. Mathieu, celebrated savant on the subject of wines, writes: "Since 1865 there has been no Burgundy like that of 1915 in delicacy or strength. The 1915 vintage is a remarkable synthesis of bouquet, aroma, body and flavor."

But, of course, all this is of merely academic interest to us.

American Millionaire Now a British Subject As Result of Great War

IT will be remembered that during the early days of the Great War, several prominent citizens of the United States became British subjects to show their disapproval of the attitude of their native country in remaining neutral and prosperous while other nations were fighting the battle of democracy. Probably the best known of the men who declared in this practical manner their admiration for the stand taken by Great Britain against the Germans was Henry James, the famous novelist who has since died, but there were many others as well. One influential American who took a similar step was Charles Garland, a young millionaire. He did not come out with a written declaration of his views, as did Henry James, but he showed how he felt regarding the war in a very practical manner. Early in the struggle, Charles Garland, who was a good horseman, having always had plenty of leisure for riding, entered the British cavalry. He served with distinction throughout the struggle, and was honorably discharged at the end when he decided to go back into civilian life. It is evident that Mr. Garland found the British officers very congenial company, as he has decided to remain in England and has secured a beautiful home in Warwick. He became a naturalized Britisher, and at the request of the discharged soldiers he has taken charge of the affairs of these men in his own neighborhood. He looks forward also to entering public life, and will probably be a candidate for the House of Commons in the next British election, with a soldiers' backing. In short, the former American millionaire is now every inch a British subject.

The First Watches.

The first watches ever made were as big as soup-plates and as heavy as they were cumbersome.

The Emperor Charles V., for instance, had one which weighed 27 lbs. The watches of that day were very much like ordinary clocks. They were cylindrical in shape, finely chased, and had a hinged lid on one side to expose the dial.

A costly and elaborate watch was made for Sultan Abdul-Medjid by Messrs. Hart & Son, of Cornhill, in 1844. It was made of 22 carat gold and was 5 inches in diameter. It chimed the hours and quarters, but was without a bell, the striking parts being made up of wires. It possessed a powerful and resonant tone, was exceptionally harmonious, and sounded like a cathedral clock. Twelve hundred guineas was its cost.—Tit-Bits.

Dentistry and Engineering.

It does not require much imagination to realize that pulling an elephant's tooth is something of an engineering as well as a dental job.

An example of this was when Albert, one of the biggest elephants in the Ringling herd at Madison Square Gardens, New York, had refused to eat, and the circus veterinary found a great tooth cavity which was beyond remedy by filling.

The tooth that was giving Albert so much discomfort was as large as a man's fist. After a liberal dose of cocaine had been injected, forceps as big as ice tongs were clamped to the tooth, a rope attached to the forceps, and a squad of trainers made ready to supply the pulling power.

At a given signal the trainers gave a tremendous pull, and out came the huge tooth.

In this part of dental work the unknown quantity lies in what the elephant will do. Albert had been taken out of the menagerie to prevent panic among the rest of the herd in case he developed an inclination to object to the process. However, he underwent the ordeal calmly, and as soon as his jaw was dressed he was conducted back to his stall.—Tit-Bits.

Traveling Fingers.

Typists' fingers are the most amazing travelers in creation, and are capable of going tremendous distances without the fatigue that would come to the feet and legs in performing a similar journey, says an exchange. In ordinary typewriting the hand may travel, according to an expert, 10,000 miles a year and not indicate any impairment in efficiency. This refers, of course, to the average typist in an office.

You May Be Skeptical

About What Dr. Chase's Nerve Food Will Do for You, But Here is the Evidence.

When the blood gets thin and watery, when the nerves become weak and exhausted, when your vitality is run down and you feel weak and tired it is because nourishment is lacking.

You may be eating as usual but your digestive system fails to obtain from the food you eat the elements from which new blood and nerve force is created.

Because Dr. Chase's Nerve Food supplies this element to the blood and nerves it is the most successful of restoratives.

While personal experience with a medical treatment is the only absolute proof that it will benefit you, still we are all similarly constituted and what will help one will help another under similar conditions.

This is why it is so interesting to read the experience of other people, and many will find in this letter their own conditions described.

Mrs. Thomas Williamson, Picton, Ont., writes: "For the last twenty years I have had trouble with my nerves. I suffered from sleeplessness, and, of course, my system was often in a run-down condition from nervousness. At different times when I would have severe attacks, I was under the doctor's care, but this only gave me temporary relief. Twice I was to a sanitarium in Toronto, where I secured some relief at the time. This past summer I suffered from another nervous breakdown, and it was then that I commenced using Dr. Chase's Nerve Food. I took a treatment of this medicine and can now get up in the morning and do my work, which was something I could not do previously, because I used to get strangely confused. My appetite is good, and I can sleep well, too. Generally speaking, I am so much better that I am proud of my improvement. I cannot speak too highly of the splendid results I have secured through the use of Dr. Chase's Nerve Food."

THE HISTORY OF FIUME

CITIZENS HOLD FAST TO THEIR ITALIAN BIRTHRIGHT.

City Which Almost Caused a Split Among the Allies at the Peace Conference Has Known Many Rulers, But Persecution Could Never Kill Its National Inclinations.

NOW that the flurry of international policy and internal politics over Fiume has begun to subside it is worth while to review the fascinating story of that ancient port. Some settlement was there in Roman times. Early in 1914, while a couple of houses were being torn down, there came to light some Roman masonry, hidden under the wreckage of a great fire, which the local antiquaries at once suspected to be the burning of Fiume by the Venetians in 1509. Coins of Valentinian and other fourth century Roman emperors were found in the debris, and in another spot still others were picked up, going back to the end of the Roman Republic.

Whether this Roman town was the Tharsactica, which the geographer Ptolemy sets at the mouth of the river, or the Phanas, which the seventh century cosmographer of Ravenna says was "near Tharsactica, at the point where the Julian Alps come down to the sea and form the last bound of Italy," has been long debated. At any rate, there was a thriving little town here before Venice had risen from her lagoons. The Franks, who drove the Venetians out to found their new city at Rialto, destroyed Tharsactica in 800—Charlemagne's vengeance on the inhabitants for their murder of Henry of Frioul; and the name of Fiume appears, in its Latin form—"Terra quæ dicitur Flumen," or "Terra Flumen," or "Terra Fluminis Sancti Viti"—for the River of St. Vitus gave its name to the town, which has preserved the Italian form.

When the Slav wave of about 650 flowed over all this region, there began the struggle between the Latin-Italian and Serbo-Croat languages, which has lasted ever since. Probably nowhere else does the local Italian dialect contain so many Slav words, or the speech of the Slav peasants show so large an Italian vocabulary. Elsewhere on the eastern Adriatic shore, Venice was dominant, and the constant presence of Venetian functionaries kept the dialect of Rialto itself both fashionable and necessary; but Fiume and Venice were always hostile. In 1291 Venice declared war on Fiume and notified all Venetian traders to leave the city; in 1309, in 1509 and in 1511 Fiume was sacked by the Venetians, who never held it, however, but the one year 1508-09.

Latin remained the language of the municipality till well into Renaissance times; the communal code was not translated into Italian until 1530, although we have an official price list of fish in Italian from 1475. From then on, it is a constant fight to maintain Italian, but that is so closely interwoven with the political vicissitudes of Fiume that we must examine them first.

In the feudal period the city was subject to the bishops of Pola and the lords of Duino, beyond Trieste; a century later than Trieste it was handed over to the House of Austria, and in 1522 was definitely assigned to the Province of Carniola; but even then it maintained an almost complete autonomy, and was soon erected into a tiny independent state. Charles VI sent a special invitation to Fiume to ratify the Pragmatic Sanction. That, however, availed them nothing. Maria Theresa, in her gratitude to her Hungarian supporters against Prussia, made them a present of Fiume in 1776. The original edict lumped Fiume with Croatia; the Town Council protested, and in 1779 the Empress issued a rescript annexing Fiume to Hungary as an independent unit—"separatum sacræ regni coronæ annexum corpus."

This precious document was Fiume's Bill of Rights against the annexationist tendencies of the Croats, who looked longingly at the city and its harbor from across the little stream which still forms the boundary. In 1848 their efforts were crowned with temporary success. Kossuth's Hungarian revolution had been stifled by Hapsburg troops, ably seconded by the famous Ban of Croatia, Jellachich, who came to the rescue of despotism with his Croatian legions. On August 31 his subordinate, Joseph Bunjevatz, occupied Fiume with Croatian soldiers, after promising to respect the municipal institutions and the use of Italian. But the Croats were hardly established when they began a Slavizing campaign. In vain the Town Council appealed to Francis Joseph against the supplanting of Italian in the schools by Croatian. The editor of the Gazzetta di Fiume had to go to prison in 1862 for a year for his defence of the rights of Italian. Nevertheless the citizens kept up their use of their native tongue, and feeling ran so high that when Bishop Strossmayer, the great protagonist of Serbo-Croat literary unity, entered the city once at the head of a procession he was met with showers of stones. The citizens likewise refused to take advantage of the offer of representation in the Croatian Diet at Agram. At the first election, out of a list of 1,222 qualified voters 870 cast their ballots, but 840 of these were marked "Nessuno"—"Nobody." Finally, in 1877, a legal election took place; 135 voters designated Deputies for Fiume, but every ballot added the words: "To protest against any annexation to Croatia or any dependence upon her."

Under these circumstances the Italians of Fiume looked to distant Budapest for salvation; better remote Hungary than Croatia next door! But Hungarian domination proved worse than Slav; the Magyars used even severer methods of denationalization in Fiume than did the Austrians in Trieste. In 1880 there were only 739 Hungarians in Fiume; the official census of 1910 made them 6,000 in number (15,000 Croats, Slovenes, Slovaks, etc.! 27,000 Italian residents of Fiume, 4,000 Italian subjects of Italy, 2,000 Germans, etc.); but that was not the worst. The Budapest authorities manipulated the voting lists after the most approved Hapsburg fashion. The 700 employes of the Hungarian State Railways and the 400 Government officials and clerks were all given the ballot, and against them the rest of the townspeople 44,000—had only 1,200 votes! Their terrorism of the local Italians reminds one of the Austrian excesses in Lombardy. If one applauded the chorus of "Ernani," with its "Siamo tutti una sola famila (We Italians are all a single family"; if one wore a daisy in his buttonhole, if one's hat were the broad-brimmed Calabrian style, if one read a Rome paper—the police notified him that he was under suspicion of disloyalty. An excursion of young Fiumans was organized to Dante's tomb at Ravenna; on their return they were accused of treason! Teachers of Italian language and literature in the local high schools were notified that their diplomas would be cancelled if they did not go up to Budapest and pass creditable examinations in Hungarian language and literature; Hungarian was substituted for Italian in the high schools and naval academy; the authorities even hired a criminal to explode a couple of bombs in the Governor's palace so that they could accuse the Italians of doing it—thus taking a leaf out of the Austrian Foreign Office book, as revealed by the Friedjung trial of 1909.

But still deeper than the Croatian or Hungarian danger was the German menace. Germany had for years been considering Trieste as her natural port to the south, but as it became clearer that Trieste would some day be Italian, she turned her attention to Fiume. It is a little-known fact that Fiume is three miles nearer Vienna than is Trieste, and her harbor has great possibilities. Fiume is, therefore, the closest outlet not only to Hungary but also to German Austria and Germany itself! Berlin had no need to act directly; Budapest could be counted on to support German imperialism, and so could the Croats, who have been the staunchest supporters of the Hapsburgs, even during the war.

So Fiume was marked out as Germany's eventual prize, under Croatian sovereignty if necessary, when the war began. At once the Hungarian Government put into effect the severest measures—arrest and deportation—and openly boasted that by the close of the war Fiume would not have a single Italian left, but would be purely Magyar and Croat. It is quite likely that they did succeed in making the population previlingly Croatian, though the Italian Town Council still holds control.

It remains to be seen further whether Fiume will not inevitably decline owing to the development of Trieste and the Jugo-Slav ports and the discontinuance of the low freight rates given by the Hungarian State Railways to encourage export through Fiume; even so, it was cheaper before the war to ship Hungarian grain down the Danube and out by the Black Sea, or up the Danube, or even by the State Railways into Germany than by Fiume. Who can foretell what economic changes will not be brought about by the new grouping in southeastern Europe? What wonder that the citizens of Fiume, who have held fast to their Italian birthright all these centuries, are now reasserting their own independence as against their oppressors of the past, the Croats and the Hungarians, and see their only comfort in the Italy to which Mazzini declared that they belong?

TRAINED NURSE GAINED 22 POUNDS

"Tanlac Is A Perfectly Wonderful Medicine," Says Mrs. Josephine Freeman.

Mrs. Josephine Freeman, of 647 Towne Ave., Los Angeles, Cal., a graduate nurse who has practiced her profession for seventeen years, recently made the statement that she has not only been relieved of a case of stomach trouble of ten years standing by the use of Tanlac, but that she had also gained twenty-two lbs. in weight.

"I feel that I would be doing anyone a good turn by getting them to take Tanlac," said Mrs. Freeman. "For ten years I had been having trouble with my stomach. I suffered intense pains after eating and would block up with gas so the pressure around my heart would almost make me faint. I was so nervous I could hardly sleep and became so weak and rundown that I could hardly keep up my work as a nurse. I tried all kinds of medicines but nothing would relieve me.

"Finally a friend of my husband's who had been relieved of the same trouble by taking Tanlac advised him to get me a bottle. Soon after starting on it my appetite returned and my nerves became quiet. Now I can eat anything I want and never have the least bit of trouble afterwards, I sleep like a child and feel rested and refreshed on getting up in the mornings. I have gained twenty-two pounds on four bottles of Tanlac and feel strong and well again.'

DAYLIGHT THROUGH THE PLANT

YOU flood the factory with the most brilliant artificial light when you use HYDRO Gas Filled Lamps. The worker in the middle of the room, away from all windows, turns out as good work and as much of it as the worker right by a window.

HYDRO Gas Filled Lamps are as great an improvement over vacuum lamps, for factory light, as the tungsten is over the carbon filament lamp. That's why factory hands work so efficiently by the light of HYDRO.

The guarantee and endorsement of the Hydro-Electric Power Commission of Ontario are behind every HYDRO Gas Filled Lamp. Every shipment is tested by experts in the laboratories of the Commission. The tests are for brilliancy, current consumption, life and mechanical perfection.

Will you call at the Hydro Shop and let us give you a practical demonstration of the HYDRO Gas Filled Lamp?

You Should be as Loyal to Your Community as to your Name

The Orangeville concerns listed here, conscious of the fact that thousands of dollars are being sent out of this territory for merchandise that can be bought at home, have launched a campaign in the hope that it will create a stronger feeling of community interest—a sentiment most vital for the prosperity of the entire community. In bold type you therefore read the slogan that they propose to popularize—"BUY IN YOUR HOME TOWN."

It is the purpose of the concerns whose names appear on this page, to present arguments of such convincing nature that the people of this community will respond thereto, with the result that they will make a solemn pledge to first endeavor to get what they need from home merchants before sending their money out of the town.

The time for consideration of this question could not be more opportune than the present. "Preparedness," the watchword of Canada, should begin at home and can be exemplified in no more far-reaching manner than by real co-operation in this vitally important "BUY AT HOME" movement. It is a thought that should be taken to heart and given consideration by every person who earns their living in, or owes their success, to this community.

This campaign is launched in the firm belief that the people of this community will follow the dictates of their good sense, and bring the "BUY AT HOME CAMPAIGN." to an actuality that will be of vast benefit to the entire territory.

This movement is no selfish propaganda of the concerns mentioned, who have combined in co-operative community appeal. They urge that you read the brief message they will give you each week through the columns of The Banner. They invite you to give careful consideration to the facts which will be presented, to talk this matter over with your friends and neighbors. Results are sure to follow.

The firm resolve to "BUY AT HOME" will not only help the retail merchants, but the manufacturer and jobber, the farmers adjacent to our town, and it will also help in every line of business. It will either directly or indirectly benefit every individual of this section.

WE SPECIALIZE IN JEWELLERY and can offer you a splendid selection of Diamonds, Jewellery, Watches and Silverware to choose from. It costs you nothing to inspect our stock and we invite price comparisons.

ANSWERS LAST CALL.

John Wallace, Former Orangeville Man, Passes Away at Cartwright, Man.

There came to a close on Friday morning, September the 5th, 1919, a marked career when Mr. John Wallace passed to his eternal reward at the age of 76 years and 7 months.

On Monday morning of last week Mr. Wallace had occasion to take a drive and while he was returning home a dog bounded at his horse catching it by the front leg thus scaring it. The animal got beyond control and Mr. Wallace was thrown from the buggy. In the fall he suffered a broken rib and also internal injuries. He was picked up in an unconscious state and taken home. Dr. Davidson was called in at once and rendered medical aid. It was hoped that his injuries would not prove serious and for a time it was thought he would soon recover. However, as time went on the patient showed signs of heart weakness and he gradually sank until the end came quite peacefully on Friday morning. Mr. Wallace remained conscious almost to the last and showed his warm appreciation of the visits his many friends paid his bedside.

Rev. E. J. Springett assisted by the Rev. Geo. L. Waite conducted a largely attended religious service at the home on Friday evening and on Saturday morning the mortal remains of the deceased left on the passenger train for Shelburne, Ont., where interment was made in Honeywood cemetery on Tuesday. The body was accompanied east by the widow of the deceased, his brother, Mr. James Wallace, and a life-long friend in the person of Capt. Hugh Brewster.

The late John Wallace was born at County Caven, Ireland, in January, 1842. When John was 9 years old his father and mother came to Canada with their family and settled in the township of Caledon. In the next few years they made further removals as opportunity offered and finally settled at Melville, Ont. About this time, then about 16 years of age, young Wallace started out for himself and for many years he travelled extensively in United States and Canada and had a varied career. Full of ambition he followed many walks of life and made quite a success as he went along. While yet quite young he entered the undertaking business and building trade in partnership with Peter McNab, at Orangeville, Ont., and the reputation which the deceased enjoyed there leaves no doubt as to the popularity and success he made of his sojourn there.

About the year 1879 Mr. Wallace heard the call of the West and made a couple of visits to the then quite undeveloped country before finally as a place for his future activities. He built the first house in Cartwright townsite and when the railroad came along the townsite was located on his farm. Mr. Wallace gave the people of this district their first hotel, he and Capt. Brewster erected what was known as the "Wallace House". It was a welcome lodging for the travellers and settlers for many years. Later this hotel was sold to Mr. J. H. Askew.

The late John Wallace was an extensive farmer and breeder of pure bred Hereford cattle. On two different ocasions he shipped cattle to London, England, and on his last trip across was accompanied by his brother, Mr. Jas. Wallace. He was active right up to the end and at the time of his death was farming some three sections of land and owned over one hundred head of cattle and a large number of horses.

In Mr. Wallace's demise, not only this community but the province suffers a distinct loss. He was a financial success in life and was known the province over as a progressive and worthy citizen.—Southern Manitoba Review.

Deceased was a member of Harris Lodge A.F. & A.M., Orangeville, and his funeral was under Masonic auspices. The interment took place from the home of his brother, James Wallace, lot 18, 2nd line, Melancthon, to Honeywood Cemetery, on Tuesday afternoon of last week.

RIDLEY–RITCHIE.

A quiet wedding took place on Wednesday, Sept. 3rd, at the home of Mrs. M. E. Ritchie, Dundalk, when her daughter, Nina Gertrude, was united in marriage to Matthew White Ridley, also of Dundalk. The Rev. T. W. F. G. Andrews officiated, assisted by Rev. W. J. Tribble, of Shelburne. The bride was given away by her mother, and little Ruth Ridley was flower girl. The wedding music was played by Mrs. W. L. Wallace of Guelph, sister of the bride. After a dainty luncheon Mr. and Mrs. Ridley left by motor to visit eastern points.

SHEPHERDSON–MERCER.

An autumn wedding of much interest took place on September 3rd, at the home of Mr. and Mrs. Thomas L. Mercer, Markdale, when their eldest daughter, Viola, became the bride of Dr. J. Stanley Shepherdson, son of Mr. and Mrs. W. J. Shepherdson, of Walter's Falls. While Miss Mary Mercer, sister of the bride, played the wedding music, little Miss Isobel Plewes, in white frock with lace, and Master Allen New, in a white suit, entered the drawing-room, carrying long white satin streamers from the reception hall, forming an aisle, up which the bride, unattended, was led by her father, wearing a suit of navy blue tricotine with a smart blue plush hat and corsage bouquet of Ophelia roses and orchids. After the ceremony, which was conducted by Rev. A. P. Stanley, Mr. J. H. Dundas sang "All Joy Be Thine," while the register was being signed. The dining-room, where the wedding breakfast was served, was lovely with pink and white flowers and autumn foliage. Dr. and Mrs. Shepherdson left for Toronto and Muskoka. On their return they will take up residence in Markdale.

THE MAPLES.

The Maples Women's Institute will hold their next meeting at the home of Mrs. W. H. Brown on Thursday afternoon, Sept. 18th. The Mono College Institute will provide the programme.

JUBILEE OF SERVICES.

It is interesting to note that this year the Salvation Army celebrates its Jubilee of Services to the world. It is rather a far cry back to the days when the founder, the late Rev. William Booth, decided in his own mind that the masses could not be most effectively reached by the orthodox methods and started out on his "Open Air" mission, which has resulted in the organizing of that great world-service Army. The Christian Mission of the early days took its stand as a champion of the oppressed and off-cast. The Salvation Army of to-day, or, as we would call it for its very practical services, The "Salvaging" Army, (for it has salvaged many a human wreck) still rings true to the great Call which brought it into being. The main great reason why none would care to scoff at the Army these days is because, having long since passed the experimental stage, it has now become a recognized factor, in truth, a leader in social endeavors.

Everybody will be glad to wish the Salvation Army many Jubilees of love labor.

HOCKLEY HARVEST HOME.

The Harvest Home Anniversary services of Hockley Methodist church will be held on Sunday, Sept. 28th, at 2.30 p.m. and 7 p.m. The special preacher for the services will be the Rev. Alfred Laycock, of Mono Mills. 2t.

RELESSEY.

The annual Harvest Home services of Ebenezer Methodist church, Relessey, will be held next Sunday, Sept. 21st, when a former pastor, Rev. Dr. J. A. Long, M.A., of Riverdale Methodist church, Toronto, will preach at 2.30 p.m. and again at 7 p.m.

—You may procure the new Presbyterian hymnals at The Banner book store.

THROWN FROM WAGON.

John McKibben, a son of Mr. and Mrs. Ed. McKibben, was severely injured in a runaway accident near the C.P.R. station on Saturday morning. McKibben was driving a team belonging to Wm. Hunter of Orangeville when he was injured. While crossing the railway tracks going east the team took fright and started to run away. McKibben was getting them under control again, when a board in the bottom of the wagon slipped forward, striking one of the horses and causing the now thoroughly frightened team to plunge wildly forward. In the resultant mix-up the driver was thrown headforemost to the ground and one of the wheels passed over his right arm at the elbow bruising and crushing the elbow in a serious manner. He also suffered a scalp wound six or eight inches in length, where his head struck the hard roadway. Dr. T. H. Henry dressed his wounds and the injured man is getting along nicely. After making their getaway the team galloped east to Purple Hill, where they were stopped. Horses and wagon came through undamaged.

Taught the Hohenzollerns.

Lieut. Louis Cons, who was delegated by the French Government as tutor in French to the family of the former German Emperor before the war, has been appointed assistant professor of French in Princeton University. After the outbreak of the war Lieut. Cons was assigned to the intelligence department of the French army. At one time he was a member of the faculty at Bryn Mawr College.

No More Royalties.

By a decree of the Government, the Korean mining ordinance has been amended so as to eliminate the royalty on gold, silver, lead and iron ores or alluvial gold and alluvial iron. The exemption of royalty will not apply, however, to special mining concessions that were granted before the date of the mining ordinance.

The Woman's Way.

Willard is fond of playing with several girls in the neighborhood and, on being questioned regarding preference for girls, remarked: "Well, the girls never fight like the boys do, they only argue."

CARD OF THANKS.

Mr. and Mrs. A. S. Bremner wish to tender their heartfelt thanks to their friends and neighbors, both in Orangeville and at Camilla, for the great kindness and sympathy shown them in their bereavement through the death of their little daughter. They also wish to express their thanks and gratitude to the Nursing Staff of Lord Dufferin Hospital for their kindness and the care given their child during her last hours here.

HOSPITAL NOTES

The Daughters of the Empire wish to thank the Orangeville Branch of the Navy League for a cheque amounting to $22.45, representing the proceeds of the Peter Wright lecture.

The following donations to the Hospital have been received and are thankfully acknowledged: — Pears, Miss Caldwell; bag of apples, Mrs. Eades; vegetables, Mrs. Aiken; five patient's gowns from Mono Centre Women's Institute.

The envelope subscriptions to the Red Cross have been discontinued.

Returned soldiers belonging to the County of Dufferin are asked to return as soon as possible the Historical Records, which have been distributed to them. If there are any personal questions on the Records, which any returned men object to answering, they may be left unanswered, as it is the war work and war record of the soldiers that it is desired to preserve.

LOCAL NEWS

—There was the usual large crowd in town on Saturday night.

—An immense crowd was in town for the Fall Fair yesterday.

—Newest styles in Overcoats at J. D. Torrie's.

—There was a brisk horse trade at Orangeville monthly fair last Thursday.

—Wednesday afternoon of last week was the last of the Wednesday half-holidays for this year.

—A good 8-ft. glass show case for sale, cheap. Apply at Jeffers Drug Store.

—Grand Valley Lawn Bowling Club will hold its Scotch Doubles Tournament on Tuesday next, Sept. 23rd.

—The Ladies' Aid of Knox Church, Caledon, will serve lunch on the Fair Grounds on the second day of Caledon Fall Fair.

—Rev. E. R. Young will conduct Anniversary Services in Mitchell's Methodist church, Mono, next Sunday, afternoon and evening.

—See J. D. Torrie's Big Stock of Fall Suits and Hats.

—Orangeville taxpayers are cogitating on their tax slips these days. These important "scraps of paper" were distributed last week.

—Owen Sound and The Toronto Beaches are to play off for the Junior O.A.L.A. championship on Idylwyld Part at 3 o'clock this (Thursday) afternoon.

—Roch Marien, the widely known Montreal horse buyer, attended the monthly fair last Thursday. This is the first time Roch has been in Orangeville for a number of years.

—Remember the Guaranteed Serges at J. D. Torrie's.

—Threshing is in full blast in the townships. Reports of the turn out vary. In some cases a light crop is reported, while other sections report a yield running from average to considerably above average.

—Pay your out-of-town accounts by Dominion Express Money Orders. Five Dollars costs three cents.

—Hugh Simpson, a son of Mr. A. J. Simpson, of East Garafraxa, arrived home from overseas on Monday night. Simpson, who is a V.S., was with the Veterinary Deartment at the front for three years or longer. He is looking fine. Orangeville Citizens Band and the local Reception Committee met him at the depot and gave him a rousing reception.

—All kinds of Public School supplies for sale at The Banner Bookstore.

—The exhibition lacrosse match between the Dufferins and The Beaches on Idylwyld Park on Saturday afternoon did not begin until shortly after 6 o'clock. The delay was caused by the visitors having a number of blowouts on the way to Orangeville. The patience of the spectators was rewarded by seeing a fast, well contested game. The Dufferins won out by a score of 7 to 6.

—Aaron L. O. L. Hall on West Broadway, which was sold by public auction last Thursday afternoon, was knocked down to Mr. Walter Smith, of The Maples, who intends to convert the building into a dwelling house. Mr. Smith bid the property up to $610. Auctioneer Jas. A. Patterson, who had charge of the sale, succeeded in receiving a good fair price for the property. The brethren are now negotiating for a hall downtown.

—Sittings of the Revising Officers on the Referendum Voters Lists will take place on Friday. Persons who wish to have their names added to the Lists should enter their appeals before that date. Appeals must be in writing and must be lodged with the Clerk of the Revising Officer for the particular municipality in which the voter happens to live. The proper Appeal Forms and other information may be obtained from the Clerk of the Revising Officer.

THE WESTON GAMES.

The first of the home and home games between the Dufferins and Weston lacrosse teams will be played in Weston on Saturday afternoon. The second game will take place on Idylwyld Park on Wednesday afternoon, Sept. 24th. The winners of the round will then meet Bracebridge in a sudden game for the O.A.L.A. intermediate championship.

Abyssinians' Gifts.

A delegation from Abyssinia bearing rich gifts of ivory and silks for the announced purpose of congratulating France on her recent victory, appeared at the Peace Conference in Paris. This is in strict accordance with the ancient Oriental procedure. The real purpose of a visit is not disclosed until preliminary ceremonies are concluded. These native Africans —claiming descent from Solomon and the Queen of Sheba—wished to be in on the carving up of the world, for they have interests which seem vital to them, although little known to the rest of the world. Seated in that natural bastion of Africa, the Abyssinians have lived in greater or less security for unknown centuries. They are not negroes, but a mixture of Hamitic and Semitic races, with a culture of their own and professing the Christian religion, being a branch of the Coptic Church of Egypt. Until recently they have been unmolested save by native tribes.

ECZEMA ON BABY'S EAR.

Mrs. F. Clarke, Belmont, Man., writes:—"My baby had eczema on her ear. The sore was very bad and nothing seemed to do her much good. Hearing of the remarkable cure Dr. Chase's Ointment was making, we sent for some, and after the third application the sore began to heal. I am glad to say that it is quite well now and we give the credit to Dr. Chase's Ointment. We cannot recommend this preparation too highly."

Must Answer for Crimes

NOTICE was given to Germany before the Peace Treaty was signed that she would be required to surrender to the allies some of her officers and statesmen for trial on charges of violating articles of war and for offences against humanity. The most important of these is, of course, William Hohenzollern, although it is not known that any names were mentioned to the German plenipotentiaries at the time. Nor have any names but his been officially mentioned since, although it is easy to guess some of them at least. For instance, the Crown Prince is sure to be asked to answer to his name in a London court. He might be charged with wholesale robbery and the rape of a countryside, or, as is more probable, an effort might be made to determine his responsibility for the war and the violation of treaties. Equally sure is it that the Crown Prince Rupprecht of Bavaria will be put on trial. He was the strongest hater of the British among the German generals, and is reported in an official document to have ordered his men to take no British prisoners. He is held responsible for the execution of British prisoners that were taken by his army and was responsible for the deportation of the population of Lille, Turcoing and Roubaix.

Rupprecht was perhaps the best general, the most competent, if also the most ruthless, soldier among the German royalties who fought or directed in the war. Between him and the Crown Prince of Prussia there appears to have been constant ill-feeling, and it has been reported that on more than one occasion when they held different views of military operations, Hindenburg preferred the judgment of Rupprecht. This is not surprising, since the Bavarian is a man ten years older than the Prussian, was a more serious-minded soldier, and on several occasions had to supply his young kinsman with reserves when the Prussians had got themselves into difficult positions. His character seems to have a streak of calculated cruelty which is not conspicuous in the character of the former heir to the German Crown, who was rather immoral and callous than savage and vindictive. Therefore, Rupprecht will be among the ex-royalties who may be expected to have the opportunity to show cause why the sentence of the court should not be carried out.

It is taken for granted that Hindenburg, Ludendorff, Tirpitz and Bethmann von Hollweg will be called. There can be no doubt that they had a certain responsibility for the conduct of the war, and perhaps for the events leading up to the invasion of Belgium. Another Cabinet Minister who is likely to be demanded by the allies is Von Capello, who followed Von Tirpitz as Minister of Marine. He pinned his hopes on the success of the submarine campaign, which was carried out with renewed vigor under his auspices. There will also be several submarine commanders summoned to the bar, and among them will certainly be Von Forstner and Wilhelm Wernher, both of whom were decorated by the Hohenzollern for some atrocity. Several of the submarine commanders, perhaps most of them, are no longer within the jurisdiction of any earthly court. Commander Max Valentiner is supposed to have commanded the U-boat which sank the Lusitania, but whether he is living is uncertain.

Mackensen, the man who did so much to break the heart of Russia, and who conquered Serbia and Roumania is also to be extradited. He will be charged with the monstrous crimes which accompanied the invasion of Roumania in 1916, when the country was stripped of the necessities of life and hundreds of prisoners were executed. After the war he was interned in Hungary with his army for attempting to violate the terms of the armistice. He is now in the hands of the allies, it is believed, and can be produced on a few days' notice. He and Hindenburg are the only holders of the Grand Cross of the Iron Cross, and it may be that his age will save him as it may protect Hindenburg and Tirpitz from capital punishment. Another German general against whom a long score has been run up is Otto von Below, the most prominent item being the burning of Ardenne and the execution of one hundred people. Gen. Liman von Sanders, in command of the Turkish campaign in Mesopotamia, will be accused of ordering or sanctioning the massacres in Armenia and Syria. Baron Oscar von der Lancken is held partly accountable for the execution of Miss Cavell and Capt. Fryatt.

It will be remembered that after the armistice von der Lancken was appointed with Dr. Reith, who had been prominent in the German occupation of Belgium to confer with Mr. Hoover about food supplies for Germany, and that Mr. Hoover sent back the brief message that they could "go to hell," and that if he had to deal with Germans it would not be with that pair. Another commander who is to be held partly responsible for the murder of Miss Cavell is Baron Kurt von Manteuffell, military commander of Louvain. Gen. von Schroeder was the military officer immediately responsible for the shooting of Capt. Fryatt. There will be several officers tried for brutalities to prisoners, among them Gen. Olsen and Gen. von Cassel, who were in charge at Doberitz. Lt. Rudiger was in charge at Ruhleben, Major von Goerts at Madgeburg and the brothers Niemeyer at Holzminden and Clausthal. One of the latter was a German-American and was particularly brutal to British prisoners.

PAINFUL RHEUMATISM

May be Driven Out of the System by Enriching the Blood.

In the days of our fathers and our grandfathers rheumatism was tho't to be the unavoidable penalty of middle life and old age. Almost every elderly person had rheumatism, as well as many young people. Medical science did not understand the trouble—did not know that it was rooted in the blood. It was thought that rheumatism was the mere effect of exposure to cold and damp, and it was treated with liniments and hot applications, which sometimes gave temporary relief, but did not cure the trouble. In those days there were thousands of rheumatic cripples. Now, medical science understands that rheumatism is a disease of the blood, and that with good, rich, red blood any man or woman of any age can defy rheumatism, and can be cured by killing the poison in the blood which causes it. There are many elderly people who have never felt a twinge of rheumatism, and many who have conquered it by simply keeping their blood rich and pure. The blood making, blood enriching qualities of Dr. Williams' Pink Pills is becoming every year more widely known, and it is the more general use of these pills that has robbed rheumatism of its terrors. At the first sign of poor blood, which is shown by loss of appetite, palpitations, dull skin and dim eyes, protect yourself against the further ravages of disease by taking Dr. Williams' Pink Pills. They have cured thousands of people—if you give them a fair trial they will not disappoint you.

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

BURN BOULETS.

A Cheaper Fuel That Gives Better Results Than Coal.

Boulets is the name of a cheaper Fuel that gives better results than the best Hard Coal. It is made from the fine Screenings of the best Anthracite Coal and about Five per cent of Fuel Oil pressed into lumps a little larger than Chestnut Coal.

There is no Clinker or Slate when burning this Fuel, and consequently no trouble with the Grate, as Boulets burn into dust. It can be used with the best of satisfaction in Ranges, Direct Draft Heaters or Furnaces.

From the best information I can get from the mines, coal is going to be very hard to get this winter. Be wise and put in a supply of this Fuel while it can be had.

I have also hard and soft Coal, Cannel Coal and Wood at reasonable prices.

Highest prices paid for Grain and Potatoes.

AN ADJALA ASSAULT CASE

An instance of the belligerent temper existing among Englishmen and Irishmen just now was seen in police court on Tuesday morning in a case of assault laid by George Hilton of Adjala against Jos. McElroy of the same township. Mr. D. A. Lee, J. P., who chanced to be in town, sat on the bench with Mr. J. E. Addis, J. P. The evidence of the plaintiff went to show that he had been struck by the defendant who further threatened him to such an extent that he was afraid of McElroy. The defendant testified that Hilton was an aggressor and when he became so savage that McElroy's life was in danger the latter took Hilton in hand. A couple of witnesses were on hand but their evidence was not admitted. Hilton, who is a powerful looking Englishman, claimed to be afraid of McElroy, who is a burly Irishman. The evidence went to show that each had been inclined to lambast the other so the magistrates dismissed the case assessing the costs, $7.75, equally between them.—Alliston Herald.

Since Taking Tanlac Mrs. Rollins Feels Better Than In Twenty Years.

"I am seventy years old and have been in poor health for a good many years, but since taking Tanlac I feel better in every way than I have in twenty years," said Mrs. M. B. Rollins, of 110 West 39th street, Seattle, Wash., recently.

"For twelve years," she continued, "I suffered constantly from stomach trouble and what I ate caused me so much misery that I dreaded to see meal time come. I suffered terribly from rheumatism and sometimes my feet and legs were so badly swollen that I couldn't use them at all. My nerves were in such an awful condition that the slightest noise would upset me and I could never get a good night's sleep. I became so weak and rundown that I gave up and went to bed where I lay for five long weeks.

"I heard so much about Tanlac that I asked my son to get me a bottle and after taking a course of the medicine I am perfectly well again. I feel twenty years younger and am strong enough to do all my housework without any trouble. My appetite is fine, I eat anything I want and never suffer any pain afterwards. The rheumatism has entirely gone, my nerves are all right and I sleep like a baby every night. The way Tanlac has overcome my trouble and built me up is like a miracle and any medicine that will do that much for a person of my age is worth its weight in gold."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

While the remains of the last Mrs. Keating, of Arthur, were being conveyed to Fergus, a rather unfortunate automobile mix up occurred on the O.S.R. about three miles from Fergus. The remains were in E. W. Brocklebank's auto bus and following this was Mr. John Heffernan's car. Mr. John Mulhall, of Proton, met the cortege and passed the bus but in some way collided with Mr. Heffernan's car which remained on the road while Mr. Mulhall's car plunged across the ditch into the fence. Both automobiles were considerably damaged. The cortege was delayed for some twenty or twenty-five minutes while Mr. Heffernan's car was put in shape to proceed. He will, we understand, take legal measures to recover damages for the injuries to his car which had its running board, mud guard and the rim of one wheel broken.

THE FARMER SHOULD KEEP HIS NAME ON HIS MAIL BOX

The Government at Ottawa decided several years ago that the rural population of Canada were entitled to receive better mail service than they had been getting and, at great expense, inaugurated free delivery all through the settled portions of the Provinces. Boxes and fittings were forwarded to all the people living on rural lines, who desired them, at cost prices. The name of each patron was printed on the box and a cut of his name enclosed with the furnishings so that as soon as the name showed signs of fading a little fresh paint could be applied and the name could always be read easily by any person driving on the public highway. That was the mail carrier's guide to make delivery. The people, or a great majority of them, have grown careless in the matter. They look for their mail to be delivered correctly and yet eight out of every ten boxes haven't the sign of a name on them now. The mail carrier is neither steel or cast-iron and is liable to all the diseases of the human race. Some day he will have to send a stranger over the route and the new man will find what he is up against when he gets to the box. No name; can't deliver. Gets to a crossection of the line where several boxes are at the corner. This time he runs into greater difficulties; a whole group of boxes and not a name, and the owner of the boxes agreed with the Government that they would maintain and keep in order the line, shovel away the snow from around the boxes and assist in keeping the road open in winter. They are a favored people; mail delivered three hundred and thirteen days in the year, right to the gate, free. The mail carrier goes every day; no holidays, not even Christmas or New Years Day. As the Frenchman says: "Every day, every day, every day, every day." Are you trying to make the delivery of mail-matter as perfect as possible? We hear a lot about the Government breaking faith with the farmer; has the farmer done what he agreed to with the Government? Ask the mail carrier; or, better still, look at your mail box and see how a new man could deliver your mail correctly. This is a matter that concerns the farmer even more than it does the mail carrier, so straighten up your posts and get your name repainted on your mail boxes so that a man—any man—who drives the road may see where you live and do business.—St. Marys Journal.

One day recently one of the men engaged by the log-pickers Association succeeded in capturing a large eagle near Manitoulin Island. The bird was secured alive and brought down to the Royal, Honey Harbor, and from there to Midland where it was placed in a large cage at Briston's butcher shop. From tip to tip of its wings it measured 6 feet 8 in.

T. K. SLACK IS THE U. F. O. CHOICE.

As Candidate for the Provincial Legislature.—Candidate for Dominion House to be Chosen.

There was a "full house" Saturday afternoon last, at 2.15 o'clock, when the U.F.O. convention opened in Shelburne town hall, with Mr. R. J. Woods, of Corbetton, County Director, in the chair. Every seat was occupied and many had to stand, and considerable enthusiasm was manifested at different stages of the proceedings.

Near the close of the meeting a motion was made that R. J. Woods be made the unanimous choice as candidate for the House of Commons, but at Mr. Woods' own suggestion the selection of a candidate for the Dominion House was left till a later date.

Mr. Thos. K. Slack, for the past eight years Clerk of the Township of Melancthon, was the choice as candidate for the Provincial House, winning out on the second ballot by 178 to 155 against Warden Hilborn, of East Luther.

President R. H. Halbert of the U. F.O. was the first speaker.

Mr. Halbert was glad to be in his own town and own county again. At present he was having a hard fight of his own in the Federal by-election in North Ontario against a Unionist and an Independent Liberal. A lot of sticks were being thrown against him but if you go into an orchard you find the most sticks under the best apples. The U.F.O. had been organized five years ago as result of observation of the good work being carried on by farmers' organization in the West. Good success had been theirs on the cattle market and they might eventually have to go into the handling of cheese and milk. Hartley Dewart had said speaker was a paid agitator. When he became President of the U.F.O. there was only $52.75 in the treasury, so there wasn't much room for boodling. The farmers had to get into politics, or the science of government. Partyism is only the abuse of the science of government. Let's have all the politics you like, but steer clear of partyism. The farmers only want proper representation for their industry. Farmers have a right to representation at both Toronto and Ottawa. It had been said that the farmers were against good roads. They were not. What they were against was a Provincial highway as an automobile highway. The farmers didn't want all the representation. They only wanted their share. The lawyers have 222lawyers representing 5,000 lawyers. The farmers have only one representative to every 20,000 farmers. We are facing one of the most serious times this country has ever had. We must have more legislation in the interests of the common people. There is not enough of the brotherhood of man. There will be no true democracy until there is the brotherhood of man. Eternal vigilance is the only price of our liberty.

Before proceeding to the real business of the meeting, the nomination of candidates, Chairman Woods spoke strongly on the Temperance question and the polling of a big vote on Oct. 20th in favor of Prohibition, with a "No" to every question on the ballot. The farmers have an organization that is growing and that will continue to grow, said he.

Mr. Halbert again took the platform and spoke of the tariff.

Mr. J. Albert Hand, Assistant Secretary of the Grain Growers Limited, Winnipeg, an old Stanton boy who has been East on a holiday, spoke briefly.

Nominations for the Provincial House were first made, the meeting being thrown open to the audience for choice irrespective of whether those present were members of the U.F.O. or not, with the provision that candidates must be bona fide farmers and members of the U.F.O. and prepared to take the U.F.O. platform complete, including the recall. The nominations were as follows: Howard Hilborn, East Luther; Isaac Scott, Creemore; Josiah Marshall, Mono; T. K. Slack, Melancthon; J. M. McNaughton, Orangeville; R. J. Woods, Melancthon; Wm. A. Henry, Mono; Wm. Gillespie, Amaranth; S. C. McKee, East Luther.

Howard Hilborn, Warden of the County, was pleased to see so large a turnout of agriculturalists. The farmers are getting their eyes opened. They are throwing away partyism. If choice of convention he would do his best to further the interests of the farmers and the common people.

Isaac Scott was not a resident of the constituency and never had been. He would not be a candidate. He had refused a U.F.O. nomination in West Simcoe two weeks ago. He spoke in favor of clean elections free of dirt.

Josiah Marshall, who is an ex-Warden of the County, thought the meeting was right in making the decision that candidates must be bona fide farmers and members of the U.F.O. He told of his experience in municipal life, leading up to the Wardenship.

J. M. McNaughton had not sought the office but had been spoken to repeatedly in favor of coming out as a candidate. If he was the candidate he would do his best, and if another man was the choice he would take off his coat and get behind him.

R. J. Woods said, "a burned child dreads the fire." He had gone thro' the campaign three times for the Provincial House and been defeated and it seemed like a hint that he was not wanted. He would not be a candidate.

Wm. A. Henry, Clerk of Mono, thought the people were at fault if they had not had proper representation in the past. He did not agree with Mr. Halbert in referring to the farmers as the common people. The people in the cities were the common people.

T. K. Slack, Clerk of Melancthon, read a motion expressing the confidence of the meeting in the President of the U.F.O., Mr. R. H. Halbert, and recommending him to the people of North Ontario. This motion was received with cheers and hand clapping. Mr. Slack had several good things to say about Mr. Halbert. For himself, he had never been a candidate for office in the past, but had considerable experience with municipal administration in his eight years as township clerk.

Wm. Gillespie announced that he would not allow his name to go before the convention.

S. C. McKee spoke of the bad position to which things political had come in the last five years. He had not asked anybody to support him at this convention. He would take off his coat and work for the nominee of the convention.

The ballot was then taken. The first ballot was: Hilborn, 107; Marshall, 51; Slack, 114; McNaughton, 32; McKee, 45.

McNaughton then droped out automatically, and Marshall and McKee also withdrew, leaving only the names of Hilborn and Slack for the second ballot.

The second ballot was: Hilborn, 155; Slack, 173. Mr. Slack was named the nominee of the convention, and on motion of Mr. Hilborn the nomination was made unanimous. Mr. Hilborn said he would take off his coat and work for Mr. Slack.

Mr. Slack thanked the people for their confidence and promised if elected to be a faithful servant of the people.

There was considerable discussion as to whether a Federal candidate should be chosen now or that choice left to a future date. A motion was tendered that Mr. Woods be made the unanimous choice of the convention as a candidate for the Dominion House.

Mr. Woods asked that this motion be withdrawn.

A motion was made and carried that an adjournment be made to a future date to choose the candidate for the Dominion House.—Economist

We congratulate the Women's Institutes of Dufferin County on the splendid collection of fruit, flowers and vegetables exhibited at the Orangeville Fall Fair. The entire collection, we understand, was donated to Lord Dufferin Hospital. This is the first time in the history of our Fair that prizes have been awarded to the Women's Institutes of our community, and the ladies of the Maples, Mono College and Orangeville branches deserve great credit for their artistic display and for their generous and patriotic spirit in contributing to the success of our Fair and of our hospital. Next year we hope all the branches of the Womens Institute will join the competition.

VICTORY LOAN CAMPAIGN.

Preparations for the 1919 Victory Loan campaign in Dufferin County are already under way. Messrs. H. J. Birkett and F. E. Hall, who will organize and have charge of the canvass in this County, arrived in town this week and have opened County Headquarters in the vacant rooms north of the Bank of Hamilton building. These are the rooms that were used last year. The campaign this year will be even more vigorous than last year's as the Organizers desire to exceed if possible the amount subscribed in Dufferin a year ago.

Information as to the class of bonds that will be offered is not yet available, but it is expected that they will bear 5½ per cent. payable half yearly and will be for terms of five and fifteen years.

A VERY SUDDEN DEATH.

The death of Mr. John Mills, formerly a well-known Amaranth farmer, took place very suddenly at his home on Church St. between 7 and 8 o'clock on Monday morning. Mrs. Mills was preparing to do the weekly washing and her husband went out to the woodshed to cut some wood for the fire. His wife heard him using the saw, but noticing a moment later that he had ceased sawing she went out to see if everything was alright and upon entering the woodshed was horrified to discover Mr. Mills lying prostrate upon the floor. Examination revealed the sad fact that the vital spark had already fled its earthly tenement. The deceased had been troubled for a number of years with neuralgia of the heart. Recently the attacks had been becoming more frequent and it was undoubtedly one of these seizures that caused his death under such startling circumstances.

The late Mr. Mills, who was 62 years of age, was the oldest son of the late Mr. and Mrs. John Mills, early residents of Mono. He was born and spent his boyhood on lot 20 on the Mono-Adjala townline. Shortly after his marriage to Miss Elizabeth Ryall nearly 35 years ago he moved to lot 6, con. 2, Amaranth, where he farmed until last December, when he and his wife gave up farm life and came to live in Orangeville. Mr. Mills bought the old Kennedy homestead on Church St. and had made a number of improvements to the house and property since coming to live there. Deceased was a successful farmer and a man who took pride in keeping everything neat and trim about his place. He was an honest, straightforward man and an excellent neighbor. His demise will be keenly regretted by many friends here and in his old neighborhood in Amaranth and all extend sincere sympathy to the bereaved wife and brothers and sisters. The latter are Messrs. Samuel R. Mills, living in the United States, Robt. J. Mills, of Alliston, Geo. H. Mills, of Orangeville, Mrs. Thos. Bennett, of Stevenson, B.C., and Mrs. Jos. M. Island, of Mono. Deceased was a consistent member of the Methodist church and a regular attendant at the Sunday services in Orangeville Methodist church. There was a large attendance of friends and former neighbors at the funeral, which was held to the Forest Lawn Cemetery yesterday afternoon. The services were conducted by Rev. E. R. Young, the family pastor, assisted by Rev. W. M. Morris.

"A Joan of Arc Machine"

"SHE withstood everything in the field and above all was, and still is, the last and only car to survive until the cessation of hostilities"—Extract from letter received by Ford Motor Company from a British Soldier, in Africa.

Over shell-torn roads, through water-soaked fields, second only to the tanks in its power to climb debris and crater holes, the Ford car made a world famous record in the fighting area of the great war. In press despatches, in field reports, in letters, in rhyme and song the praises of the Ford were sounded.

In France	700 cars out of 1,000 were Fords
In Italy	850 cars out of 1,000 were Fords
In Egypt	996 cars out of 1,000 were Fords
In Mesopotamia	999 cars out of 1,000 were Fords

The Ford power plant that established this world-wide record in every theatre of the war remains the same. It will be in the Ford you buy.

CANE MOLA

Not a prepared stock feed, but a selected, pure sugar-cane molasses. Very reasonable cost. Superior to corn. Endorsed by Government Experiment Stations. Successful dairymen and farmers are continually re-ordering in ever-increasing quantities. They realize how good and economical Cane Mola is.

Use Cane Mola with old hay, straw, shredded corn stover, fodder, ensilage, screenings, etc. Also with grains in the feed box. Dry unpalatable and digestible, because of the sugar and natural salts. Your animals will be in prime condition always. Roughage is eaten up to the last atom. No waste. Cane Mola is the best conditioner you could possibly have. Use it for cows, hogs, horses, sheep, etc.

Feeding Costs Reduced to a Minimum

You save the cost of expensive prepared feeds, thus practicing real conservation. You will experience a rapid, healthy growth of stock. Cows yield 15% to 25% more milk.

Car load of "Cane Mola" is now en route. Place your orders with our distributor.

MARIE MORRISEY.

PERHAPS YOU CAN HELP MISS MORRISEY.

Marie Morrisey, who will give a concert in Orangeville on Monday night, has a special mission in life. Anyone who can sing in the wonderful way Miss Morrisey sings has a mission in life, you think?

But this is a very special mission and it may be that somebody in Orangeville can help her.

It seems that shortly after the battle of Belleau Wood Miss Morrisey received a message, blood-stained and scrawled in pencil, and enclosed in a letter from a soldier overseas. This soldier said that as he was advancing on Belleau Wood he found a Marine dying in a shell hole. The Marine called him over, gave him this little poem, and told him it was intended for a woman back home, and for him to send it on to Miss Morrisey, whom he had heard sing the "songs of home" so many times, and she would deliver the message. Just at that moment a shell exploded and killed the Marine.

So the soldier sent the message on to Miss Morrisey, and she is still trying to justify the Marine's faith in her and find the woman.

The following is a copy of the poem:

MY GIRL.

Her eyes ain't eyes of violet blue,
Nor her hair a golden brown,
But the violets they ain't always true,
Nor is gold the noblest crown.
She never goes to evening teas,
Nor tries the social whirl,
But we love some, her and me,
Me and her—My Girl.

Her smile ain't just a lovin' smile,
Nor her kiss a moment's bliss,
But smiles don't make life worth while,
And bliss ain't happiness.
You dream of autos, trips by sea,
And diamonds, rubies, beryls,
Put I dream her, and she dreams me,
Me and her—My Girl.

She never says "Good-bye old man,"
When luck slips me the mit,
"You were the grandest baby grand;
No money? Oh, Lord, we're quit!"
But she works and toils until I'm free
Of Mammon's daily whirl,
Gee we love some, her and me,
Me and her—My Girl.

And when I'm sick with the fever's flush,
And my thoughts are of the past,
Her hand brings faith in the death-room's hush,
And her faith brings hope to the last.
And how I worship her snow-white hair,
The white of my Mother's curls,
Gee, we love some—her and me,
Mother—she's my girl.

A genuine and loving tribute is it not? And so Miss Morrisey is searching everywhere for the mother who is anxiously waiting, as are so many mothers who have sons overseas that will never come back, for this last message from her hero.

Appearing with Miss Morrisey on Thursday night will be Mr. William Reddick, the noted pianist.

MONO MILLS.

Harvest Home services will be held in the Anglican church here on Sunday next, Sept. 28th. Morning service will be at 11 a.m. and evening service at 7 p.m., standard time. Rev. Dr. O'Meara, Principal of Wycliffe College, will conduct both services. Services have been withdrawn in the Methodist and Presbyterian churches for the day. On Monday evening following the services, a concert will be given in the Hall in connection with the church under the auspices of the Women's Auxiliary. A splendid programme of vocal and instrumental music, readings, etc. will be presented. The Committee has been exceedingly fortunate in securing the services of Miss Laura I. Miller, of Hamilton, who will be one of the principal entertainers. The Campbell orchestra, of Inglewood, has also been secured for the occasion. The visiting entertainers will have the assistance of local talent. Admission 35 and 20 cts. See posters for full particulars.

Anniversary services will be held in Mono East Presbyterian church on Sunday, Oct. 5th, and in Adjala Presbyterian church on Sunday, Oct. 12th. Rev. Geo. Kendall, of Dundalk, will conduct the former and Rev. Dr. Spence, of Claude, will have charge of the latter. Services in both churches at 11 a.m. and 7 p.m.

Mr. Jno. E. Jackson made a splendid sale of yearling Hampshire Down lambs last week to Messrs. Paulin and Barber, of Quebec. The sale included ten fine animals and good prices were realized. Mr. Barbour is one of the District Representatives from Quebec and is endeavoring to improve sheep breeding conditions in that province by establishing a uniform type of sheep.

Harvest Home services will be held in Mono Mills Methodist church on October 12th, afternoon at 2.30 and evening at 7. Rev. F. M. Bellsmith, of Mono Road, will preach. Special decorations, appropriate music by the choir and vocal solos by Rev. Mr. Bellsmith at each service.

The Harvest Home services in Mitchell's Methodist church last Sunday were fairly well attended both afternoon and evening. The addresses by Rev. E. R. Young, of Orangeville, were very appropriate and also forcible. The evening discourse was especially well delivered and created a deep impression. The choir furnished good music and the quartettes by Mrs. McEwan, Mrs. Allen, Mr. Jackson, of Whittington, and the pastor were very acceptable indeed.

The Rev. Garnet Lynd, of Rosemont, will preach in Raney's Methodist church at 3 p.m. on Sunday, Sept. 28th.

CALEDON.

The Caledon Women's Institute will hold their monthly meeting in the Town Hall on Wednesday, October 1st, at 2.30 p.m. Mrs. Mosk, of Alton, will give an address. All members are requested to be present. All ladies welcome.

TWO GOAL LEAD.

Dufferins Defeated Weston by 5 to 3 on Latter's Grounds in Saturday Afternoon Game.

Weston intermediate lacrosse team suffered their first defeat this season on Saturday afternoon, when they were beaten by The Dufferins in the first of home and home games in the semi-final round for the O. A. L. A. intermediate championship. It was the first time for a number of years that the Weston team were beaten on their home grounds. The game attracted an immense crowd, there being probably 3000 spectators on the grounds. Dufferins won by a score of 5 to 3 and have therefore a two goal lead for the second game on Idylwyld Park.

The score is indicative of the game, which was a hard fought contest all the way through. The teams were very evenly matched and both defences checked closely, giving the opposing homes few chances for close in shots. The Dufferins had a shade on their opponents in speed and combination work. This Weston offset to some extent by the weight and strength of the players. The first quarter was a ding-dong affair with both teams playing hard and first one and then the other on the offensive. Orangeville tallied the solitary counter of the period. Neither team was able to score in the second quarter. Dufferins got another in the third quarter and Weston broke the ice shortly after the last quarter began. The Dufferins tallied which made it 4 to 1 early in the final period and then Weston got two in succession and were going so strongly that they bade fair to tie up the score. Clever play by the Dufferin defence broke up two successive attacks and then the green shirts' home got a chance, which they converted into a goal, making the score 5 to 3. Although both teams tried hard in the few minutes playing time that remained, neither managed to score again.

On the whole the game was clean as well as fast, Referee Smith was firm in his decisions and kept the players well in hand. An exception occurred in the last quarter, when Dickin lost his head and slashed Joe Cushing across the face. Cushing went down and a lengthy delay occurred while he was being revived. An injured back and a severe gash across the cheek put him out of the game for good. Dickin was roundly hissed as he made his way reluctantly to the penalty bench after a couple of ineffectual attempts to remonstrate with the referee. The Weston man was in an ugly mood and hurled his lacrosse stick and playing gloves ahead of him as he walked to the bench. Keith and Stevenson were laid out temporarily and a couple of Weston men were checked so hard that they had to have a little time to regain their wind. Their injuries were sustained accidentally and the Dickin performance was the only untoward incident of the game. Altogether Smith handed out eight penalties, four in the first and four in the last period.

The Dufferins had a really good day. It is doubtful if the team has performed as well in any other game this season. The players were all putting up their best game and there was not a weak spot from goal to goal. Keith and Vanwyck alternated on the home, the former playing the first and last quarters and the latter during the two middle periods. The players were:—

Orangeville—B. Booth, goal; Joe Cushing, point; S. Cranston, cover; A. Black, R. Scott, defence; E. Stevenson, centre; W. Ewing, H. Keith, (W. Vanwyck), home; Blythe Brown, outside home; Bert Brown, inside home; V. Dedrick, J. Dawson, H. Firth, W. H. Hunter, spares.

Weston—F. Rowntree, goal; L. McEwan, point; E. Holley, cover; P. Laceby, L. Ramshaw, defence; N. Riley, centre; H. Coulter, G. Coulter, home; G. Dickin, outside home; A. E. Smith, inside home; T. Clayton, G. Laceby, D. Holley, spares.

Referee—Leonard Smith, Toronto.

Judge of Play—Eddie Sullivan.

The Dufferins had a large and enthusiastic following. Nearly 400 supporters went down from the town and vicinity, the great majority of whom made the journey by auto. Some hundreds of former Orangevilleites were out from Toronto for the game and supported the green and white in enthusiastic manner. The playing field was completely surrounded by spectators, who lined the enclosure in most places three and four deep. Weston Citizens Band provided excellent music between playing periods.

AN ENEMY OF MANKIND

A Subtle Foe to Deal With

The subtle, unsuspected enemy, which, taking hold on the kidneys, saps them of their strength and vitality, rendering them inactive and unable to remove the poisons and waste substances from the blood, should immediately be dealt with. All who suffer from backache, pains in the sides, sciatica, rheumatism, neuralgia, constant headaches, constipation, that helpless feeling of lassitude; stiff, swollen joints, hands and ankles, sore muscles, sleeplessness, floating specks before the eyes, irritability, should at once begin treating the kidneys with Gin Pills, which are by far the most effective remedy for diseases of this vital organ.

The first sign of pain in the back or side is warning enough. Do not delay. Once the kidneys and bladder get out of order, most serious, and often fatal consequences are likely to follow in quick sequence. Get a box of Gin Pills today, and correct the derangement before it is too late. At all druggists or dealers, 50c. Money refunded if not satisfied. Free sample on request.

BEACHES WON.

Toronto Ten Too Strong for Owen Sound in O.A.L.A. Junior Final.

Toronto Beaches defeated Owen Sound in decisive style in the final game for the O.A.L.A. junior championship on Idylwyld Park last Thursday afternoon. Owen Sound players performed like a bunch of juveniles in the opening quarter, allowing their opponents to run up a score of 6 to 0 in the first half. They made a much better showing during the rest of the game, but were hardly clever enough for the Toronto boys, who have a steady, close-checking defence and a speedy home, which served up some clever combination play. The final score was 11 to 4. Robinson, Stewart and Belfry starred on The Beaches home and Sewell, Nichol and Armstrong were perhaps the best of the Northerners. Bert Booth handled the game in a satisfactory manner. A fair-sized crowd witnessed the contest. The players were: —

Beaches—Coutie, Martin, McLean, Hutchison, Haskings, Tait, Kay, Stewart, Belfry, Pimm, Pocock, Robinson.

Owen Sound— Whinfield, Silverthorn, McMillan, Harris, Young, McCharty, Nichol, Sewell, Sewell, Armstrong.

W. A. CONCERT.

A Concert will be given in St. John's Parish Hall, Mono Mills, on Monday evening, Sept. 29th, under the auspices of the Woman's Auxiliary of St. John's church. Miss Laura I. Miller, elocutionist and dramatic reader from Hamilton, has been secured for the evening. The Campbell Orchestra from Inglewood will furnish music, and local talent will contribute vocal solos and quartettes. There will also be short addresses by the local clergymen. Programme at 8 o'clock, standard time. Adults 35c., Children 20c. Proceeds in aid of Missions.

BLOUNT.

The Blount Women's Institute held their last regular monthly meeting at the home of Mrs. George Crozier. There were nine members and four visitors present. The meeting opened with the singing of the Maple Leaf. A very interesting talk was given on the Referendum, after which a dainty lunch was served. The meeting then closed with the singing of the National Anthem. Next meeting will be held at the home of Mrs. Alex. Still, on Sept. 30th, at 2.30 p.m.

BIBLE SOCIETY MEETING.

A most entertaining and instructive talk, "From Cape to Cairo," was given by Rev. Jesse Gibson, General Secretary of the Upper Canada Bible Society, at the Annual Public Meeting of the Orangeville Branch of this Society held on Monday evening last, in St. Andrew's church. Rev. E. R. Young, President elected for 1918-19, occupied the chair and filled in between the items of the programme, remarks that were helpful, and right to the point. The singing of the united church choirs, under Mr. Jessop's leadership, was a real treat, the solos rendered and the hearty congregational singing all tended to enthuse those who heard with a more sincere desire for the spread of the Gospel, and the splendid lantern views impressed the greatness of the opportunity for service. Why do I support the Bible Society? Because I am to hand on this Universal message to those who do not possess it. Because it provides nearly all our Foreign Missions with Scriptures in the languages which they need, and because it does this practically without cost to the Missions themselves. Because hundreds of millions of the inhabitants of the world still have no Gospel in their own tongue. Because its editions penetrate into countries where no Missionary can enter. Because it forms the chief bond which unites Christians of many communities, and countries in this sacred task. Because it never had such wide opportunities before it, or such imperious chims upon it, as it has today.

The Orangeville Branch Bible Society officers appointed for 1919-20 are:—

President—Capt. (Rev.) J. Hudson Stewart.

Rec. Secy.—Mrs. W. J. Gordon.

Treasurer—Mr. W. C. McMillan.

Church Representatives:— Dr. R. N. Kyles, Dr. Price, Col. Preston, Mr. Nightingale.

The Executive wish to thank those who cheerfully helped make the meeting a success. About $2500 was realized as an additional sum over the annual contribution. The Collectors have been appointed, and it is hoped that instead of $300 received last year, the funds may increase to at least $500 from Orangeville, for this year.

INSTITUTE MEETING.

The members of the Mono College Women's Institute were the guests of the ladies of The Maples Institute at a delightful meeting at the home of Mrs. Wm. Brown on Thursday afternoon last. The visitors provided an entertaining and instructive programme, comprising a Paper by Mrs. W. J. McKitrick on "How to Keep Well," a Paper by Mrs. I. J. Murphy on "The Home," a Reading by Mrs. Endacott on Prayer, a vocal duet by Mrs. F. C. Island and Mrs. Harry Sloan, and solos by Mrs. Endacott, and Mrs. R. E. Jackson. Lunch was served and was followed by a pleasant social time.

CAMILLA

The Camilla Branch of the Dufferin Women's Institute will meet at the home of Mrs. T. J. Brett, on Thursday afternoon, Sept. 30th, at 2.30 p.m. Members, who have not sent in pillows and pillow cases, are asked to bring them in at this meeting. Please note the change in the date of the meeting on account of the Rural School Fair.

WHITTINGTON.

The Rally Day service of Whittington Methodist church will be held on Sunday, Sept. 28th at 1.30 p.m. This service will be conducted by Rev. W. J. Tribble, of Shelburne. At 7 p.m. the annual Harvest Home service will be conducted by the pastor, Rev. T. Scott, M.A.

MONO COLLEGE.

The regular monthly meeting of the Mono College Women's Institute will be held at the home of Mrs. M. Cruikshank, Second line, west, Mono, on Thursday afternoon, October 2. Members are requested to consult their programmes, and come prepared to take part in the discussions thereon.

A $100 RAM.

At Orangeville Fall Fair last week Mr. Elwood Sutton, a Caledon farmer, paid Mr. W. W. Young, of Binkham, $100 for a purebred shearling Oxford ram, which Mr. Young was exhibiting here. The ram is a very fine animal and has never been beaten in the show ring.

BORN.

SMITH—On Tuesday, Sept. 2nd, 1919, to Mr. and Mrs. J. G. Smith, Caledon, a son.

WARD—At General Hospital, Saturday, Sept. 13th, to Mr. and Mrs. James Ward, of Mono Road, a son.

HOLMES—At Lord Dufferin Hospital, on Wednesday, September 17, 1919, to Mr. and Mrs. Elgin Holmes, of Mono, a daughter.

MARRIED.

DOWLING-GILBERT — At the Presbyterian Church, Mansfield, on Wednesday, Sept. 17, 1919, by Rev. F. M. Cree, of Allliston, Lois, daughter of Mr. and Mrs. H. Gilbert, of Mansfield, to Harold Dowling, elder son of Mr. and Mrs. W. A. Dowling, of Mono Mills, Ont.

DIED.

BAILEY—At 13 Auburn Avenue, Toronto, on Saturday, September 20, 1919, Sarah A. Bailey, eldest daughter of the late George Bailey, of Shrigley.

Interment took place at Badjeron Cemetery on Monday.

IN MEMORIAM.

CANADA'S LARGEST ENGINEERING PROJECT

Hydro-Electric Power Commission Carrying on Wonderful Power Development Work at Niagara Falls—A Second Panama Canal

Operating the largest shovels in the world, and reversing the flow of a river, the Hydro Electric Power Commission of Ontario is carrying on an enormous engineering project at Niagara Falls, practically without the use of steam.

There are many startling phases to this work, which is the largest engineering feat attempted in the Dominion of Canada, and the biggest engineering job at present being carried on in the North American continent.

In order to get water to the new power house which will be erected just above Queenston, the Commission will utilize four and a quarter miles of the Welland River, causing this sluggish stream to flow backward and to take water from the Niagara River instead of emptying into it above the Falls. Connecting with the Welland River is a power canal, stretching from Queenston and encircling the city of Niagara Falls, Ont., which will be eight and a quarter miles long when completed.

The original survey for the Niagara development was made in 1914, and the construction work begun in May, 1917. The commission expects to have the new plant in working order in 1922. War conditions handicapped the engineers, but this year's operations were begun on a gigantic scale. A trip over the right of way will impress the observer with the vast scope of the undertaking which, in its completed state, will cost approximately $27,000,000.00.

Two miles above the brink of Niagara Falls a steam dredge is gnawing away at the channel of the Welland River, removing in generous chunks the river bottom and a portion of Hog Island, which guards the entrance to this historic creek. The lone dredge and its attendant tugs are the only pieces of equipment engaged on the entire Niagara development which are not owned by the Hydro-Electric Power Commission. They, with six or seven switch engines, are the only apparatus in use on the development which require steam in their operation.

Even the drills employed on the rock deposits of the canal right of way are operated by air, electrically compressed. A mile or two inland a huge clamshell swung from an aerial cableway, drops into the river and then emerges, bringing with it generous bites from the river bottom, which are deposited on the river bank at the foot of the tower from where the operator directs the activities of the clamshell. Deposits of earth and clay along the north bank of the river reveal the effectiveness of the clamshell in this particular portion of the development.

A short ride from Niagara Falls over new roadways built by the commission from crushed limestone removed from its right of way, brings one to the canal proper, where the activities of huge electric shovels, electric trains and gangs of men present a striking picture. The weary householder painfully feeding the furnace, shovel by shovel, from the ton or two of coal, his winter's supply, will marvel at the enormity of the electric shovels which pick up from eight to ten tons of material, lift it 70 feet into the air and deposit it into waiting cars, all within the short space of 40 seconds.

Trains, hauled by electric locomotives, convey the mud and clay to the dump at St. David's. The boulders and rock from the canal are borne away to the stone crusher on the cliff above Queenston, and converted into material for roadways, railroad roadbed and riprap which will line the shores of the canal.

The stone crusher, which has a capacity of 4,000 cubic yards, is well worth a visit. The rocks from the excavations are cast into a trough opening into gigantic steel jaws which grind and munch, breaking the largest pieces into smaller bits that are carried away on a belt conveyor. A series of crushers reduce the rocks to a form where they may be utilized for building purposes and stored for future use.

Fifty-five miles of railway, all electrified, and tapping five trunk lines, are required in the construction work on the development. On this railway the commission has in operation more electric locomotives than any railway system in Canada. At present 2,000 men are employed on the big job. These men are housed and fed by the commission. A surgeon, an ambulance and a hospital maintained by the commission are at the disposal of the employees in case of accident. The adoption of the newest safety devices has minimized the danger of accident on the development, and the commission has devoted a great deal of time to safety first propaganda in order to safeguard the men in its employ. About 2,500 acres, or 50 per cent. of the lands acquired by the commission for its right of way, have been converted into farms, and the produce from the farms is sold to the employees of the commission. The commission maintains its own telephone system on the development, and it has connections throughout the province. Garages, machine shops and office buildings line the right of way.

By establishing its power house at Queenston the Hydro-Electric Power Commission is enabled to take advantage of the full drop of both Niagara Falls and the Gorge, a total drop of 305 feet, affording 100 per cent. more electric power from the same amount of water. The largest electric units in the world, 55,000 horsepower generators, will be installed in the power house, to produce electrical energy for distribution throughout the Province of Ontario.

This great work is a striking example of the big vision and initiative of Sir Adam Beck, under whose direction the commission carries on its functions. This work is one which gives the people of Ontario just cause for pride in achievement.

IT REALLY DOES

end pain, prevent festering and heal. This is why those who have once used Zam-Buk will never use any other ointment.

Miss Viola Hubley, of Upper Goshen, N.B., writes: "My sister had sores on her foot that commenced like boils and then discharged. She suffered such intense pain that she could not wear her shoes and had to remain in the house. We commenced using Zam-Buk and the pain soon disappeared. Then the sores stopped discharging and before long the places were entirely healed over. We shall never be without Zam-Buk again."

For eczema, blood-poisoning and piles, cuts and burns Zam-Buk is equally good. All dealers, 50c box.

ARE THE DAYS OF MIRACLES OVER?

IS SUPERSTITION AND FALSE BELIEF TO OVERSHADOW FACTS ANY LONGER?

When a woman who has been sick for years becomes well after taking a certain scientific preparation—can you deny that the remedy must be good?

Read these extracts taken from a letter written to us by Mrs. H. Cross, of 382 King Street West, Toronto:—

"I suffered for several years with inflammatory Rheumatism and could hardly get up or down stairs. My husband bought me a box of Templeton's Rheumatic Capsules, and almost immediately I felt relief. The swellings started to go down and the stiffness left my knees. I might say that previously to using T.R.C.'s I had tried almost everything under the sun without success. I am a happier and wiser woman now, and I cannot thank you enough for the aid T.R.C.'s have given me."

It's the same story from hundreds of other Rheumatic sufferers. They tried T.R.C.'s and T.R.C.'s fixed them up. If you suffer, try them.

Ask your Druggist or write us for our new booklet; it is interesting and costs you nothing (Templetons, 140 King West, Toronto). We mail T.R.C.'s anywhere on receipt of $1.00.

Some Strange Coincidences

SOME marvellous things happen in this world of ours, things that seem to set at defiance all ordinary rules for the calculation of chances. Here are several instances, warranted to be true in every respect, only the names and locations in certain cases being changed:

A young business man who had called at a lawyer's office on business, was asked if he knew a certain officer in the army, one Lieut. Styles, who was on trial for some trivial offence against discipline. He replied that he did.

"Well," said the lawyer, "I have just been reading his history. I asked you about him because I remembered that you spent a year or two at West Point when you were a lad. Had he a brother named J. Simpson Styles?"

"Not that I have ever heard of," replied the young man.

"I have never heard of him either, but this account says he has. I think the writer of the narrative must have got two families mixed."

After some conversation on other matters, the caller took his leave.

In the afternoon of the same day he went out with his wife "house-hunting." The first flat they visited suited them so well that they closed a bargain for it at once. It was in a large apartment house. When they were about to take their leave the young man's wife said:

"Let's see who our next door neighbor is to be."

Whereupon they looked at the card tacked upon the door next to the one that led to their own apartment. It read:

"J. SIMPSON STYLES."

Investigation proved that he was the brother of Lieut. Styles.

Another instance has to do with a newspaper reporter who had been detailed to go to a city a hundred miles distant to write up a political meeting. His work being done, he was waiting at the station for the train that was to take him home, when he saw the principal orator of the meeting walking up and down the platform.

Obeying a sudden impulse he approached him and introduced himself as a reporter for the Globe, but without giving his name.

"Glad to meet you, sir," said the orator. "Your home is in ———, I presume?"

"Only temporary," said the reporter. "I am from Hartford, Connecticut."

"Well," rejoined the other, "I knew just two persons in Hartford, and that was thirty years ago. One of them was Col. Thompson, with whom I became acquainted while making a trip out West one summer, and the other was Miss Barbara Jones, an exceedingly bright young woman, whom I happened to meet at a reception in Washington once. Ever know them?"

"Yes, sir," said the reporter, "They are my father and mother."

Perhaps some may think that the most singular thing about these two coincidences is that they happened to the same young man, at intervals of only a few months apart. Others, possibly, may consider that the most wonderful of the whole story is that a man and his wife were suited with the first flat at which they looked.

Lord Acton for many years kept a record of coincidences. A strange one occurred within his own experience. A rumor has spread that his wife had drowned herself. She had done nothing of the kind, but it was quite true that a Baroness Acton had drowned herself at Tegernsee, where Lord and Lady Aacton was staying, and had drowned herself under their very window.

The strangest of all coincidences noted by Lord Acton concerned Sir Edmund Berry Godfrey, who was murdered at the bottom of what is now Primrose Hill, but was then known as Greenberry Hill, in London. Three men were hanged for the murder. Their names, respectively, were Green, Berry and Hill.

In the list of coincidences pertaining to accidents a number of interesting examples are of authentic record. It has been pointed out that very often persons have been surprised by events occurring, as it seemed, at the immediate suggestion of the victims. In the excitement of the moment they have offered "fate" or some unknown law of association of power of mind over matter as suitable explanations, but when all is said calm reason may classify such phenomena as pure coincidence.

Some years ago a well-known business man who was accustomed to making weekly trips between an eastern city and Chicago had the uncomfortable experience of having a wheel break immediately under his seat while the train was going at full speed. It was only by the most fortunate of leaps that he was able to escape losing his life. Naturally this experience made a very deep impression upon him.

It was almost a year later that he took the same train, and by a strange chance was assigned the same chair. During a chat with a friend whom he had just met he glanced out of the window and recognized the landscape and the very spot of his narrow escape. He told the story of the broken wheel. Just as he reached the climax of his recital, saying: "The cold shivers go down my back at the mere thought of it. There it is again!" Incredible as it may seem, the identical accident happened on the same train, almost between the same two fields adjoining the track and the victim of this oddest of coincidence barely escaped the same way as before.

Such weird coincidences are always difficult of credence, but no less an authority than Darwin, the naturalist, mentions one of the same kind, though different in degree.

INSURANCE.

Curious "Risks" Accepted By the Underwriters.

There is an institution in London which insures against everything—from the loss of Atlantic liners to the birth of triplets. That institution is Lloyd's, and the underwriters there are men of the greatest power and influence. There is scarcely a thing under the sun that cannot be insured, and the underwriters at Lloyd's will accommodate people in almost any direction so long as the transaction is a legitimate risk and not a gamble.

Curious "risks" are continually being accepted by the underwriters, and it is by no means an uncommon thing for people to cover by insurance possible losses through earthquake, hurricanes and war. Men and women have protected themselves against loss through invasion, bombardment, and bombs dropped from Zeppelins. The bombardment of our unfortified coast towns by German vessels placed a lot of work into the hands of underwriters.

For years people took out policies against risks connected with the fear of war breaking out between certain Great Powers. Before the average man ever dreamed that we should be bound to take up arms against Germany the underwriters at Lloyd's quoted eight per cent. on the risk of an outbreak of hostilities between France, Germany and Great Britain occurring within six months from the taking out of the policy, and for twelve months 15 per cent. was quoted.

Some years ago the underwriters at Lloyd's received a curious inquiry from an undertaker in business in one of the poor districts of London, who wished to know at what price underwriters would relieve him from any liability for shocks which were caused to private persons by his coffins being taken inadvertently to the wrong houses at night.

It was stated at the time that the underwriters were willing to consider the proposition, provided details were supplied to them, such as the undertaker's annual turnover and the number of such shocks known to have been given.

The great "Cullinan" diamond was once taken from a bank vault, in which it was being safeguarded, and shown to the King of Spain. For that special "show" it was insured for half a million pounds. The rate was only sixpence per cent., yet the underwriters shared £250 among them on the transaction.

Actors and actresses frequently insure themselves for large sums. Parisian actresses and English actresses have insured their eyes, hair, and shoulders; Paderewski, the famous pianist, insured his fingers; while that famous dancer, Mademoiselle Napierskonwski, has insured her feet for £10,000.—Family Herald.

The Allies' Casualties.

Comparisons are odious, and when all have done magnificently one does not wish to institute them, but it is, I confess, a little irritating to see it constantly assumed in foreign newspapers that the British losses of men in the war were less than those of the continental allies. This is by no means the case, for, as is pointed out in a very careful statistical article in the current number of the "Round Table," the British Empire actually heads the list of casualties with 4.51 per cent. of its total white population (3,782,779 out of 61,607,320) killed and wounded. France comes very near with 4.32 per cent. (1,730,000 out of 40,000,000). Serbia comes next with 3.58 per cent., and Belgium next with 0.78 per cent. The United States paid its full toll in the last months of the war, and had 230,419 casualties, but its percentage of 0.32 to total population naturally does not come into this comparison.

The System is Poisoned

By Failure of the Liver and Kidneys to Purify the Blood Relief Obtained by Use of Dr. Chase's Kidney-Liver Pills.

Too much eating of heavy, highly-seasoned foods and too little outdoor exercise are the most frequent causes. The liver is upset, becomes torpid and inactive, the bowels are constipated, the kidneys are overworked in an effort to get rid of the accumulating poisons and breakdown. Headache, backache, aching limbs sound a warning note, and when this is not heeded the natural development is rheumatism, lumbago, and painful and fatal forms of kidney disease.

To best overcome this condition Dr. Chase worked out in his private practice a prescription which has come to be known as Dr. Chase's Kidney-Liver Pills, because of their combined action on these filtering organs. No treatment has ever proven so successful in awakening the action of the kidneys, liver and bowels, and thereby cleansing the system of all impurities. For this reason Dr. Chase's Kidney-Liver Pills have a world-wide reputation as the most thorough cure for rheumatism, lumbago, chronic indigestion and constipation.

Mrs. Alex. Gordon, Walkerton, Ont., writes: "A few years ago I suffered from kidney and liver trouble, with pains in my back. I had heard of Dr. Chase's Kidney-Liver Pills being good for this, so I commenced taking them. I had only taken a couple of boxes when the trouble was all removed."

Mrs. M. Nickels, 192 Milton street, Barrie, writes: "I have found Dr. Chase's Kidney-Liver Pills an excellent remedy. I suffered considerably with kidney trouble and backache, but after I had taken five boxes of the Kidney-Liver Pills they gave me relief. Since then, which was about five years ago, I keep them on hand, and use them whenever I feel the need of them."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto. Substitutes will only disappoint. Insist on getting what you ask for.

WHEN WIVES WERE BOUGHT.

Proceeding Was Universal Many Centuries Ago.

Among far older civilizations than that of the Anglo-Saxon the system of wife-purchase had ceased before Britain was a real country. The Indian law-giver, Manu, strictly forbade it, and, said: "A man who through avarice, takes a gratuity, is a seller of his offspring." In the historical times of the Greeks they no longer bought wives. In Rome "coemptio" was only a symbol of the ancient custom. In the Jewish Talmud the purchase is also symbolic, as is frequently the Mohammedan "mahr." Withal, the bride price, "foster leans" and marriage gifts, when returned, were converted into dowry and became at first the bride's property. Thus marriage portions chiefly derived their origin from the habit of purchase and dowry often became, as with the Hebrews, a religious duty. Not less than the tenth of the father's property was considered a just dowry. In Aristotle's time nearly two-fifths of all Sparta belonged from this cause to the women. Sir Henry Maine considers that the amazing thrift of the French is also owing to this custom, which probably descended to them from the marriage law of Augustus Caesar. It was only by an anchronism that Euripedes made Medea lament that women were obliged to purchase husbands at a great price. And it is often as true to-day as when the Latin poet sang.

When marriage ceremonies first did arise it was by degrees and in many ways, and customs such as capture when superseded became by symbolism a part of the succeeding legal form of contract. To eat maize pudding from the same plate or to eat in any way together is a widely distributed marriage ceremony. In Brazil a couple may be married by drinking brandy together; in Japan by so many cups of wine; in Russia and Scandinavia it used to be one cup for both. The joining of hands among Romans and Hindus is common in many parts of the world. In Scotland it is called "hand fasting," and couples live together after. To sit on one seat while receiving friends or to have the hands of each tied together with grass or to smear with each other's blood, or for the woman to tie a cord of her own twisting around the naked waist of the man constitutes a marriage in one place or another. In Australia a woman carries fire to her lover's hut and make a fire for him. A Loango negress cooks two dishes for him in his own hut. In Croatia the bridegroom boxes the brides' ears, and in Russia the father formerly struck his daughter gently with a new whip—for the last time—and then gave the weapon to her husband.

Strange Dogs.

The smallest of all recognised breeds of dogs is the Chihuahua, pronounced "She-wah-wah," which is also one of the most intelligent of all the canine family. This breed is a product of Mexico, and is named after a northern province of that country where there are thousands of these little dogs running wild and multiplying each year. It seems a remarkable thing that, in spite of the fact that they have never had any dog shows in Mexico, one only has to visit that country and try to purchase a really good, typical little Chihuhua from a native to realize that the Mexicans know the worth of this dog of his own country. How these dogs were bred probably never will be known. Some authorities have intimated that they were bred some generations back from large squirrels, and this view is borne out by the fact that at one time these dogs ran wild in the woods and that the Chihuahua is nearly as proficient in running up trees as the squirrel.—Family Herald.

Music as a Business Stimulus.

With the introduction of music into the business comes the probable development of a company band, a company chorus or glee club, a company concert party or minstrel show.

We hear a good deal about recreation for employes. We are convinced that picnics and even books are good for them, and will return their cost to the employers, but this music idea is dealing with some thing deeper and more fundamental than anything which has ever been tried before. It may require longer vision than the other ideas, but it will go farther.

No matter how small your organization the use of music as a business stimulus is surely possible, and will pay a profit for you. Outside of the spiritual benefit to your employes this is getting under their skins and getting loyalty by winning them through the most important part of the human system—the heart!—Forbes' Magazine.

A Veteran War Horse.

San Toy, a veteran war horse, 28 years old, was recently retired to the Home of Rest for Horses, Westcroft Farm, Cricklewood, England. He served throughout the Boer War and the world war without missing a day's duty, and his story attracted the attention of three women, who generously provided for his old age.

Now San Toy is destined to spend the remainder of his days in ease, far beyond the sound of the guns. To him it is peace.

Linen for Airplanes.

The British Government had in stock, when the war ended, about 40,000,000 yards of fine linen for airplanes, or about three years' supply.

Says the Ashtabula S. and B.: "A Sandusky woman, demented by the heat, tried to kill herself twice but was unsuccessful." It's not surprising. We have no record of anyone's ever having been able to do it.

BURN BOULETS.

A Cheaper Fuel That Gives Better Results Than Coal.

Boulets is the name of a cheaper Fuel that gives better results than the best Hard Coal. It is made from the fine Screenings of the best Anthracite Coal and about Five per cent of Fuel Oil pressed into lumps a little larger than Chestnut Coal.

There is no Clinker or Slate when burning this Fuel, and consequently no trouble with the Grate, as Boulets burn into dust. It can be used with the best of satisfaction in Ranges, Direct Draft Heaters or Furnaces.

From the best information I can get from the mines, coal is going to be very hard to get this winter. Be wise and put in a supply of this Fuel while it can be had.

I have also hard and soft Coal, Cannel Coal and Wood at reasonable prices.

Booze Costs Years of Life

Insurance Records Prove Moderate Drinking Increases Death-rate 35%

LIFE Insurance figures prove that the excess of deaths among moderate drinkers over abstainers runs from 11% to 74%. It is the business of Life Insurance Companies to know the risks a man takes when he uses liquor. These Insurance men have no theories to prove and no doctrine to preach. Their figures are as cold as ice, and they make you pay for the risks you run. To them it is simply business—a matter of dollars and cents. But to you it is a matter of life and death.

Actuarial Comparison of Death Records

Ages	Total Abstainers	Moderate Drinkers	Excess Deaths Among Moderate Drinkers
20-30	4,221	4,617	11%
30-40	4,201	7,041	68%
40-50	6,246	10,861	74%
50-60	13,056	18,524	42%
60-70	29,078	34,568	19%

From tables prepared by R. H. Moore, Actuary of the United Kingdom Temperance and General Insurance Company, based on Records of over 60 years' experience.

Are You Willing to Die Before Your Time for Sake of Booze?

THE number of deaths among moderate drinkers averages 35% higher than among abstainers.

If you have habitually taken two glasses of whiskey per day or the alcoholic equivalent in beer, your chances of dying before your time are double those of total abstainers.

It has been costing total abstainers yearly millions of dollars in premiums to help to pay for excessive deaths among drinkers! Can we afford such waste of life and money in the face of the war losses of money and men?

FAIR A HUMMER.

Record Attendance at Orangeville Fall Show Last Wednesday.

Splendid Weather, a Successful Exhibition and a Fine Concert In the Evening.

Orangeville Fall Fair smashed all former attendance records this year. Never in the history of The Dufferin Agricultural Society have as many people passed through the Exhibition Ground gates as last Wednesday. At times in the early afternoon there was a veritable crush at the ticket booths and around the entrances. The line of waiting autos extended south more than half way to Fourth Ave. Most of the visitors from outside points came by auto and the array of cars was impressive. East of the Main Hall the space south of the speeding ring was literally covered with autos, parked closely together in lines, six and eight deep. Right around the south end of the grounds the cars were lined up two or three deep in a crescent shaped formation. Not all the cars were on the grounds either. Many motorists parked their conveyances down town, along the 2nd St. approach to the grounds and at favorable points on 4th Ave. and other nearby streets. If the number of cars in Orangeville last Wednesday is any index to the wealth and prosperity of the people this section of Ontario is indeed wealthy and prosperous. The growing popularity of the Orangeville Fair was reflected in the large number of visitors present from a distance. Shelburne, Brampton, Tottenham, Beeton, Arthur and other neighboring towns and villages were all well represented in the big gathering. Many Torontonians were also on the grounds, evidence of the fact that the fame of the Orangeville Fair is attracting the notice of the citizens of Ontario's chief metropolis. Estimates of the size of the crowd of course vary, but it is quite safe to say that there were upwards of 6000 people on the grounds.

Taken as a whole the Fair itself was worthy of the generous patronage it received. The exhibit in a couple of departments was disappointing, but the other classes made ample compensation for any shortcomings in this respect. The most noticeable falling off was in the Ladies' work, where entries were light owing to a feeling of dissatisfaction over the requirements of the Prize List. The lack of entries here was more than offset by the really fine exhibits in the school children's department. These included vegetables, home baking, paper articles, manual training workmanship, flowers, weeds and weed seed collections, art, modelling and penmanship. Most of the exhibits were made by the pupils of the Orangeville public school and their extent, variety and the attractive manner in which they were grouped and arranged reflects great credit upon the interest, energy and enterprise of the teachers and pupils of that institution.

The special exhibits by the Women's Institutes formed another decidedly attractive and popular feature of the main hall display. These included home baking, dairy products, fruits, flowers, etc. Special prizes were awarded and the honor of winning the first went to the women of The Maples Institute.

The Mono College ladies captured the second prize and Orangeville Institute was given third place. The prize-winning exhibits were all really fine and went far to add to the attractiveness of the hall exhibit.

There was an unusually fine display of fruit, vegetables, potatoes and field roots. The excellence of the display in these departments was surprising considering the dry season.

Attractive special displays were made by J. E. Smith & Co., William Fildes, Gourlay, Winter & Leeming, piano agents, The Dominion Experimental Farms, J. C. Kentner, E. A. Parsons, Geo. A. Moore, T. S. Parkinson & Co., The McMillan Clothing Co. and other firms.

The exhibits of cattle, sheep, swine and poultry were exceptionally good, all four departments showing a marked advance over former years. There were perhaps hardly as many horses shown as at some former Fairs, but most classes were well filled and there were a number of very fine animals on the grounds. The superior quality of the live stock shown was the subject of much favorable comment. It is evident that the farmers in this section of Ontario are paying a good deal of attention to the breeding of improved stock.

The speeding events attracted the usual interest and were followed closely by many of the Fair visitors. The results follow:—

FALL FAIR NOTES.

A display which attracted much favorably comment was that of T. S. Parkinson & Co. This firm featured a particularly smart suit of seal brown Broadcloth with chenille stitching and seal trimmings. They are showing a splendid array of suits this season. A Northway brown velour Coat was also much admired. Special attention was given to a Fur display consisting of Hudson Seal, Black Wolf, Fox and Thibet in this season's prevailing styles. The display was graced by a pretty Georgette blouse in covert shade with Peacock beading. The Millinery Department displayed a pretty picture hat of taupe and French blue. This Department has been reopened this autumn with a full range of ladies' headwear.

An exhibit that attracted much attention was made by the Central Experimental Farm at Ottawa. The exhibit comprised a number of models of chicken houses, self feeders, pig pens etc., sheaves of oats, barley, wheat, timothy, alfalfa, red top, Kentucky blue grass etc., samples in bottles of Marquis wheat, O.A.C. 21, barley, Banner oats and also a new oat named "Victory," which is hulless and should prove of great benefit to farmers. The exhibit, which was attractively arranged, was in charge of Mr. J. W. Scannell, who spent a busy afternoon explaining features of the exhibit and answering the many questions with which he was plied by farmers and other Fair visitors.

Mrs. Isaac May, of East Garafraxa, was one of the successful exhibitors at the Fair. Mrs. May won 1st for pumpkin pie, 2nd for apple pie, 1st for maple syrup, 1st for best brown eggs and 2nd for the best squash. Her daughter, Miss Gertrude May, was awarded 2nd for the best layer cake.

A capacity house attended the Fair Night concert in the Opera House on Wednesday night. A fine programme was provided by the Maple Leaf Quartette from Galt, Miss Dorothea Browne acting as accompanist. The Quartette is one of the finest ever heard in angeville and all who heard them hope this will not be their last visit to this town. The latter part of the programme was "The Unpardonable Sin" an impressive motion picture war story, staged by Mr. C. A. Pownall. Delightful music was provided by Mr. Will Haslam on the violin, Miss Hogg acting as pianiste. The concert proceeds were slightly over $300.

The gate receipts were $1068.15, booths, $66.00, grand stand, $35.60 and concert, $300.25, making a total of $1470.00.

INSTITUTE MEETING.

Orangeville Women's Institute will hold its next meeting at the home of Mrs. (Dr.) Bowles, West Broadway, at 3 o'clock on Tuesday afternoon, Sept. 30th. Mr. W. R. Liddy, Public School Inspector, will address the meeting. A good musical programme and a social time will also be provided. Will every member kindly make an effort to be present as business of importance is to be transacted.

BABY WELFARE EXHIBIT.

Under the direction of the Provincial Board of Health the Orangeville Women's Institute will hold a special Baby Welfare Exhibit and Demonstration in the Auditorium of the Public Library on Thursday and Friday, Oct. 2nd and 3rd, from 3 to 5 p.m. A special Medical Clinic will be held each afternoon with medical doctors and graduate nurses in attendance. This is an opportunity to secure for baby most valuable information and advice. Admission, free.

FIRE PREVENTION DAY, OCTOBER THE 9th.

PREVENT FIRES

In Your Home

By removing all Rubbish and Litter. Have your furnace and stove pipes in proper condition. Properly installed Lightning Rods are more than 99 p.c. efficient.

In Your Factory and Shop

By removing oily waste and other fire menaces. Prohibit smoking on the premises. Cleanliness, order and forethought are important factors in reducing fire waste. Provide better and more systematic inspection and watchman service and also more efficient fire-fighting equipment.

In Your Office

Do not leave lighted cigars or cigarettes where they may start a fire. Do not throw a lighted match into the waste-paper basket.

In Your School

By teaching the children the danger of Fire. Before leaving each night see that there can be no overheated stoves or furnace. Teach the children not to play with matches.

In Your Church

Have chimneys properly cleaned out before starting your furnace. Never put on an extra fire except when someone is on hand to attend to it.

FREDERICK M'BRIEN.

The death of Mr. Frederick McBrien, a well-known farmer, occurred at his late home, lot 2, 3rd line, east, Mono, on Thursday last after a short illness from pneumonia. Deceased was only taken ill about a week prior to his death and the news of his fatal illness came as a profound shock to his numerous friends and acquaintances. The late Mr. McBrien, who was 48 years of age and unmarried, was born and had spent his lifetime in Mono. He was a hard-working and a successful farmer, who was held in general esteem in his home community as a good neighbor and an honorable law respecting citizen. The surviving brothers and sisters are Mrs. Jas. Woodland, of Mono, Mrs. Thos. Bennett, of Bowling Green, Will McBrien, living in the West, Miss Maria, Albert and John on the homestead in Mono, and Miss Alice, a school teacher in Toronto. Deceased was a member of L.O.L. No. 259, an Anglican and a staunch Conservative. The funeral, which was largely attended, was held under Orange auspices to the Forest Lawn cemetery on Saturday afternoon, Rev. P. C. Howard, of Cardwell, had charge of the services at the house and grave and W. Bro. Chas. Crombie and Bro. Lorne White read the beautiful burial service of the Orange Order over the open grave. The pallbearers were Messrs: Jackson Holmes, Eddie Holmes, Lorne White, Alex. Anderson, John and J. E. Woodland.

AN ADJALA PIONEER.

Another pioneer of Adjala township passed away on Thursday of last week in the person of Mrs. E. Raney, at the ripe old age of nearly ninety-nine years. Deceased was born in the township of Mono in 1830, and was married to John Livingstone in 1853, moving to lot 6, con. 5, Adjala, a bush farm with only a small clearing and a log shanty without either floors, doors or windows. Here, together, they undertook to hew out a home. Ten years later her husband was killed, leaving her with five small children, two of whom survive her, Mrs. Robt. Sloan, of Adjala, with whom she resided in late years, and G. D. Livingstone, of Toronto. Deceased was widely known for her genial disposition and kindly nature. It was always said of her no person, rich or poor, ever went away from her place hungry. In religion she was a Presbyterian and was one of the most active workers in all church affairs during her life. A large number of relatives and friends attended her funeral on Saturday to Adjala Presbyterian cemetery, when a touching funeral service was conducted by the Rev. Mr. McCuaig, assisted by the Rev. Mr. Matheson.—Tottenham Sentinel.

CALLED TO YORKTON.

At a recent meeting the congregation of St. Andrew's Church, Yorkton, Sask., decided to extend a unanimous call to Rev. J. E. Thompson, B.D., of Wiarton, formerly pastor of Cheltenham and Mt. A special invitation is extended to the ladies.

BOUGHT BUSINESS.

Mr. Robert Clark, of Alton, has bought the stock and undertaking business belonging to the estate of the late Stephen Wallace and will continue the business under the management of Mr. Joyce McConnell, an Alton young man who will move to town shortly. Mr. Clark will continue his Alton business, but will give funerals in Orangeville his personal supervision. He has just added a fine motor hearse to his funeral equipment and this will be available for funerals here as well as in Alton.

PERSONALS.

Miss Flora Armstrong, of Kerrisdale, B.C., is visiting friends in town and vicinity.

Mrs. W. E. Braden, of Toronto, is visiting her parents, Mr. and Mrs. J. R. Lathwell.

Mr. and Mrs. T. W. Chapman, of Toronto, were visitors at the Fall Fair last week.

Mr. and Mrs. Thos. R. Fleming are visiting the former's brother, Mr. J. M. Fleming, of Orton.

Mrs. Fred Knaus, and son, Master Wilson, are spending a few days at her home in Owen Sound.

Mr. J. J. White is leaving to-day on another trip to the West. He expects to be away for four weeks.

Mrs. E. J. Ellis was the Judge of ladies' work at Brussels and Mount Forest Fall Fairs last week.

Dr. and Mrs. H. J. Culp, of Toronto, motored up for the Fall Fair on Wednesday of last week.

Mr. John A. Leighton, of Rochester, N.Y., is visiting his brothers, Messrs. M. J. and G. A. Leighton.

Miss Lillian DeLany, a professional nurse of New York City, is visiting her sister, Miss Edith DeLany.

Mr. W. J. Henry, of Hornby, and Mrs. C. F. Smythe, of Toronto, took in the sights at the Fall Fair last week.

Mr. and Mrs. Walter Lehrbass and family motored from Detroit and are visiting the former's sister, Mrs. S. Wild.

Miss Sparrow, who has been spending a couple of weeks with her sister, Mrs. Geo. Leader, has returned to the city.

Mrs. Geo. Brown, of Toronto, has returned home after a two weeks' visit with Mrs. A. McKinnon, Wellington St.

Dr. Geo. McCluskey, Mrs. McCluskey and their son, Edmond, of Alliston, were visitors at the Fall Fair last week.

Mrs. Jas. A. Glover, of Brandon, Man., has been visiting Mr. and Mrs. Thos. Dawson and other friends here and in Toronto.

Mr. and Mrs. Chas. Donaldson, of Orangeville, spent the week-end at the home of the former's parents near Southampton.

Mr. and Mrs. Johnston, Mrs. E. J. Darraugh and Mrs. Herbert Patterson of Brampton, motored to town for the Fall Fair last week.

Mr. and Mrs. T. J. Lang, of Montreal, have returned home after spending a few weeks with the former's brother, Mr. Ed. Lang, and other friends, near Laurel.

Mr. and Mrs. Cleve Conley, of Toronto, who are visiting relatives in Orangeville and vicinity for a couple of weeks, took in the sights at the Fall Fair last Wednesday.

Mr. and Mrs. W. G. Mimms and children and Mr. Clifford Fisher, of Toronto, motored to town last Sunday and were the guests of Mr. and Mrs. B. McGuire for the day.

Mr. and Mrs. Oliver Dynes, of Toronto, and Mr. Fletcher Ryall, of Alliston, were in town Tuesday and yesterday for the purpose of attending the funeral of the late Mr. Jno. Mills.

Mrs. John A. Rayburn and little daughter, Reta, returned home on Wednesday of last week, after a pleasant two months visit with relatives in Port Huron, Dayison, Flint, Dresden and Thamesville.

Mr. and Mrs. W. Hull, Erin, Ont., announce the engagement of their daughter, Ella M., to Mr. Harry T. Frankum, Phm. B., son of Mr. and Mrs. H. J. Frankum, Harriston, Ont., the marriage to take place early in October.

Mr. Rich Kelly, Zina St., arrived home on Friday after a three weeks' visit with his brother, Mr. Thos. W. Kelly, of Brantford. Mr. Kelly took in the sights at the Canadian National and also visited the Western Fair, London, while away.

Mrs. C. Puterbaugh, and three children, of Medicine Hat, are visiting the former's parents, Mr. and Mrs. W. J. Smith, of Alton. Mrs. Smith, who has been visiting in the West for the last two months, returned home at the same time.

Mr. John Bradley arrived home from the West on Tuesday of last week. Mr. Bradley, who spent the summer with his son, Mr. Ernest Bradley, of Verwood, Sask., reports a very dry season and light crops in the Western provinces this year.

Mr. Grant Wylie, oldest son of Mr. J. H. Wylie and the late Mrs. Wylie, formerly of Orangeville, is visiting his sister, Mrs. E. H. Delaney, of Melville, and his aunt, Mrs. Alex. Huston, Centre Road, Caledon. Mr. Wylie has lately returned from overseas.

Mr. and Mrs. S. Barber, Mr. Lorne Barber and Miss M. Barber, of Rosemont, accompanied by Mrs. (Rev.) Robt. Halbert, of Huttonville, spent one day last week with their old friend and neighbor, Mr. A. G. McNabb, of Hornby. The party made the trip by auto.

Mr. Percival Harding, clerk in R. H. Robinson's grocery store for a number of years, has gone to Brampton to take charge of the grocery department in Anderson Bros. new general store. Mr. Harding was a first-class musician and will be greatly missed in local musical circles. He was a valued member of the Citizens' Band.

Mr. John H. Lanktree, of Camilla, arrived home last week after an absence of six weeks in the West. Mr. Lanktree spent most of his time at Souris, Virden and other points in Western Manitoba. He reports a heavy yield of straw in that district, but states that the wheat crop was seriously damaged by rust. Mr. Lanktree had a delightful trip, but thinks the Ontario farmer who is comfortably circumstanced is just as well off here and can get along about as rapidly as on the prairies.

HEAVY GAS FLOW.

In the drilling operations on what is known as the Henderson and Midland well, on the McTavish farm within the village limits, a heavy flow of natural gas was struck the fore part of last week, as well as a small quantity of oil. The flow of gas is quite heavy, but the pressure has not been guaged. A pipe risees some 30 feet from the ground and when The Advance man visited the well the roar of the gas from this pipe reminded one of an aeroplane passing over, and the gas as it left the pipe could be distinctly seen by the eye, or perhaps, to be more accurate, the disturbance of the air at the point of exit could be distinctly seen. The flow of gas was struck at a depth of about 1850 feet.

Drilling operations are being continued this week.— Flesherton Advocate.

A MOTHER'S TRIALS

Care of Home and Children Often Causes a Breakdown.

The woman at home, deep in household duties and the cares of motherhood, needs occasional help to keep her in good health. The demands upon a mother's health are many and severe. Her own health trials and her children's welfare exact heavy tolls, while hurried meals, broken rest and much indoor living tend to weaken her constitution. No wonder that the woman at home is often indisposed through weakness, headaches, backaches and nervousness. Too many women have grown to accept these visitations as a part of the lot of motherhood. But many and varied as her health troubles are, the cause is simple and the cure at hand. When well, it is the woman's good blood that keeps her well; when ill she must make her blood rich to renew her health. The nursing mother more than any other woman in the world needs rich blood and plenty of it. There is one always unfailing way to get this good blood so necessary to perfect health, and that is through the use of Dr. Williams' Pink Pills. These pills make new blood abundantly, and through their use thousands of weak, ailing wives and mothers have been made bright, cheerful and strong. If you are ailing, easily tired, or depressed, it is a duty you owe yourself and your family to give Dr. Williams' Pink Pills a fair trial. What this medicine has done for others it will surely do for you.

LATE JOHN LANG.

The death of John Lang on the 8th inst., removed a well known resident of Amaranth. A native of Erin Tp. he came to Amaranth about 35 years ago, settling first on the farm owned by Mr. R. H. Wansbrough, and later acquiring the homestead now occupied by his son Robert. Always a bright, congenial nature, he had many friends, and always enjoyed their company. His health failed some years since necessitating his giving up active work, but his last illness was only of a few hours. The remains were interred in Shelburne cemetery on Thursday. His aged widow and six daughters, five in the West and one in Orangeville and two sons, Robert and John in Amaranth, survive.—Star and Vidette.

TIRED AND DISCOURAGED

Mrs. Warren Randies, Rothesay, Kings County, N. B., writes: "I have three small children and had to stay in the house all winter. So when the spring came I was all run down doing all my work and looking after the children. Felt all tired out, and looked on the gloomy side all the time. I decided to try Dr. Chase's Nerve Food and the results were most satisfactory. I feel fine now, and am recom-

Candid Teutonic Writer Left Some War Memoirs That Told Too Much Truth

THE late Gen. Helmuth von Moltke of the very late imperial German army left behind him a batch of memoirs when he departed hence and the German Republic doesn't believe it is advisable to let his estate print them—at this time.

Von Moltke was nothing if not abrupt, and it is hinted that he so logically places the blame for the war that it would be best for at least one nation concerned if nothing was printed until—well, until it is not possible for the Allies to exact larger penalties every time they secure fresh

GEN. VON MOLTKE.

proof of Germany's guilt. He was, indeed, abrupt and penetrating.

Von Moltke was not the son, but the nephew, of the "organizer of victory" and when the war broke out in 1914 the Kaiser made him chief of the General Staff. It was he who knitted together and organized the first 5,000,000 men that Germany flung against Belgium and France.

While the world knows that Gen. von Moltke came a cropper he, at least, fared as well as a number of his successors who also came very croppy croppers.

Von Moltke was the gentleman who eliminated much of the fireworks from the German soldier's training. The Kaiser liked to witness bold cavalry charges (at a mythical enemy) across level fields. It looked nice. But it would have lost a division or two in real battle. So von Moltke cut it out.

Muscular Power.

According to excellent authority, the muscles, in common with all organs of the human body, have perious of development and decline, our physical strength increasing up to a certain age and then decreasing. Tests of the strength of several thousand individuals have been made, and the following figures are given as the averages derived from such tests —The lifting power of a youth of 17 years is 280 pounds; in his 20th year this increases to 320 pounds; and in the 30 and 31st years respectively it reaches its height—365 pounds. At the expiration of the 31st year the strength begins to decline, very gradually at first. By the 40th year it has decreased eight pounds, and such diminuations continue at a slightly-increasing rate until the 50th year is reached, when the figure is 330 pounds. Subsequent to this period the strength fails more and more rapidly, until the weakness of old age is reached. It is found impossible to obtain trustworthy statistics of the 50th year.—Family Herald.

Prince George of Bavaria.

In 1912 the newspapers had much to say of the petition of the Princess George of Bavaria for an annulment of her marriage. Princess George, who was Archduchess Isabella Maria of Austria, and who is a daughter of Archduke Frederick, after ten months of marriage declared that she had made a mistake. It was recalled that her husband and she had quarrelled on their honeymoon. In the end the marriage was dissolved by papal decree.

Recently an announcement from Munich was to the effect that Prince George, who is now thirty-nine years old, had entered a Jesuit monastery at Innsbruck. His name was not conspicuous during the war.

"Mizpah."

Mizpah is a word from the Hebrew and its frequent use as an inscription on rings is based upon the words voiced by Laban in the twenty-third chapter of Genesis in connection with the setting up of the heap of stones by Jacob and his brethren as follows: "The Lord watch between me and thee when we are absent one from another."

A Problem.

This advertisement from a daily paper gives the reader an unlooked-for glimpse into the inner life of a family: Wanted—Housework, to run small household in country place; must know how to care for boy five and girl twelve and be tactful enough to get along with their grandmother.

His Reason.

"I wish I had been able to go into the army," said Mr. Cumrox. "A noble ambition." "Not exactly. It's mostly selfish. If I were a soldier maybe mother and the girls would collect funds to buy tobacco for me instead of ordering me out of the house every time I light a cigar."

The GUARANTEE that covers the PAINT that covers the SURFACE

THERE are plenty of reasons why you should use B-H Paint—but the one outstanding reason is told in the B-H Guarantee.

This is not like ordinary guarantees—it is a very definite and far-reaching one. It is a "hard and fast" commitment on the part of the well-known manufacturers of this product; by it they bind themselves to the use of a pure white lead and pure zinc in correct proportions.

It is these important basic ingredients that give to B-H Paint its remarkable covering capacity. These ingredients in proper proportion—when mixed with pure refined linseed oil and turpentine—ensure that your house will be properly painted with a smaller quantity of B-H Paint than you would have to use if you contented yourself with a paint of lesser quality. Do not, then, permit your desire to be economical to lead you on the "false economy trail" of cheap paints. That way lies extravagance. Only by using a high-quality paint, such as the B-H guarantee ensures, can you be certain of real economy which comes from the use of a paint that covers well and lasts wonderfully.

Coburn and when descending the winding hill a couple of miles west of Loretto the brake in Mr. Coburn's car refused to respond and the car rapidly gathered speed. Mr. Coburn guided it round the turns and kept it in the centre of the good gravel road till the bottom was reached when it took a shot to one side and collided with a post. Mr. Storey was thrown against the wind shield and striking his nose on the edge of the shattered glass scraped and cut it badly. The other occupants of the car escaped with insignificant injuries. The car was not badly damaged considering the force of the impact.

A WORD FOR THE FAIR.

Caledon East, Sept. 20th, 1919.
Editor of The Banner,

Dear Sir,—Will you kindly allow me a little space in your valuable paper to make some comment on our Fall Show. I spent two days at Toronto Exhibition, and no doubt saw some fine stock, but after all, Orangeville is not too far out to compete with Toronto. In some lines of stock, especially the Shorthorns, there were some fine calves and heifers, and the two fine bulls shown would compare favorably with any that were shown in Toronto. I think most men and women will agree with me that Orangeville is as good a Stock Show as any in the Province. Some of my neighbors have good stock, and I would like to see them exhibit next year, and do their part to make the Fair a hummer. After all, the Show is an opportunity for a pleasant gathering. It gives the people a chance to bring their exhibits together, to have them compared one with another, that all may derive benefit from the comparison. I think any man or woman, who attended Orangeville Show this year, had a good time. Even if they did not care for stock, there were plenty of other things to interest them. I congratulate the officers of the Dufferin Agricultural Society on the success of their Show. It is a good education to see the judges in the different departments giving their decisions, and their reason there for. Let us all try and improve our live stock as there is nothing that will do more to increase the prosperity of our country than horses, calves, sheep and swine.

Yours truly,
JAS. HAFFEY.

TO LOOK AFTER HYDRO

Mr. W. W. Marshall, of Fergus, has been engaged by the local Hydro Commission to take charge of the Orangeville Hydro system, and is expected in Orangeville shortly to assume his new duties. He will succeed Mr. A. Doerr, who resigned a few weeks ago. The Fergus News-Record says, "The people of Orangeville will find in Mr. Marshall a careful and conscientious worker and a good citizen. He will be relieved as soon as the town gets a man to fill the vacancy."

WANTED LADY CANDIDATE.

In reporting the recent Conservative convention for North Norfolk, the Toronto dailies stated:— "The nomination of Mrs. T. E. Langford proved a sensation and was received with such persistent applause that the lady was obliged to go to the platform for the second time before the convention finally accepted her withdrawal. "My both hands were up for that lady," said a man from Waterford. "We could have made it a walkover with at least 500 majority had Mrs. Langford accepted."

Mrs. Langford is well known in Orangeville and Shelburne. Her husband was at one time principal of Shelburne school and as a young man wielded the editorial pen in The Banner sanctum for a time.

----and neither could you have told the difference!

Why Monday's audience at the Opera House was so completely mystified. Marie Morrisey was inside the phonograph in all excepting physical presence

At first reading, the story of the New Edison's performance last Monday night at the Opera House seems fraught with mystery.

But the explanation is simple enough.

First, get a picture of what happened. Miss Morrisey sang Happy Days. She stopped after the first few lines, but her voice flowed on without a break. No one even noticed she had stopped—until some eyes, keener than the rest, saw her lips were still. It was only then that realization dawned. The audience found it had been listening to the New Edison.

To every ear, the two voices, living and RE-CREATED, had been without a shade of difference.

That was what so mystified the audience. They had expected the RE-CREATED art to betray its phonographic origin. It was a step too advanced for their comprehension that this instrument should be all that Miss Morrisey is, excepting her physical presence.

The NEW EDISON

"The Phonograph With a Soul"

This extraordinary proof is the only means through which people learn to appreciate the true powers of the New Edison. If you are interested in music, it is indeed unfortunate that you were not present.

Yet, you know this is a test which no other phonograph dares to attempt. It is proof that no one can evade or deny. The New Edison is the only phonograph which RE-CREATES music and the soul of music.

Come in and hear it for yourself.

The instrument used in Monday's Tone-Test is the regular model which sells for $[illegible]1 in Canada. It is an exact duplicate of the Laboratory Model which Mr. Edison perfected after spending Three Million Dollars in experiments.

ALTON.

The Epworth League of Alton Methodist Church will hold a special meeting on Monday evening, October 6th, in the school room of the church. Mr. Jas. Barber and others will address the young people. An invitation has been extended to The Guild of the Presbyterian church to be present. The subject will be in connection with the Referendum, etc.

A banquet and entertainment in the Town Hall on Friday evening, Sept. 26th, 1919, was the form of expression the Mothers' Club of Alton used to welcome the boys home. Boys and their friends to the number of 120 sat down to the three long tables laden with such as would please the most fastidious, Needless to say that part of the evening was a great success, but, much more so was the entertainment which followed. It is some time since Alton enjoyed such a rare treat as the mothers had in store for us that night. The program was provided by Albert and Percy David, of Toronto, and the Mason Orchestra. The latter played during the banquet and in the program Mr. A. Mason was heard in cornet solos and the Misses Mason in duets. The singing of Albert David, tenor, and Percy David, comedian, was the finest ever heard in these parts, and for those who were not fortunate enough to be present, is to be given another opportunity of hearing these famous artists. They are to come to Alton again under the auspices of the Women's Institute on October 17th. Watch for particulars next week. After the banquet and entertainment the orchestra furnished the music for a dance which was much enjoyed by the younger people.

CAMILLA

Miss Lizzie McNaughton has returned from Orangeville where she has been for the past month.

Mr. Robert Pratt, of Orangeville, spent Sunday with his friend, Harold Marshall.

Mr. and Mrs. Albert Curtis were in Toronto attending the marriage of their niece last week.

Mrs. Joseph Rayfield and two sons, Jack and Cecil, of Bowling Green, spent Sunday with Mr. G. W. Rayfield.

Rev. Stewart Cole, M.A., of Chicago, and Rev. Will Bremner, of Galt, spent last week at the latter's home here.

Miss Victoria Parks, of Streetsville, was home for the week-end.

Mrs. Neil, Mrs. Alexander and Miss Elsie Bell spent Sunday with Primrose friends.

Mr. and Mrs. Elmer Patterson and son, of Fergus, are the guests of Mr. and Mrs. Robert South.

Mrs. (Dr.) A. E. Kyles has returned to her home in Saskatoon.

Mrs. Berry, of Melancthon, is the guest of Mrs. John Manley.

Everyone has been delighted to welcome back on his vacation our former pastor, Rev. A. J. Fowlie, B. A., of Hampton, N.J.

Miss Olive Gallaugher is attending Normal School in Hamilton.

Miss Florence Curtis has returned home from a pleasant visit with Galt friends.

Mr. and Mrs. John Bradley spent Sunday with Councillor John and the Misses McNaughton.

Marked improvement in the general organization of church work is noticeable with the induction of our new pastor, Rev. Wm. Coutts, B.A. The Young People have organized and are conducting very interesting and helpful meetings every Friday evening in the basement of the church. The following are the officers,—President, Elsie Curtis; Vice President, Harold Marshall; Secretary, Allen Marshall. The last meeting was taken by Miss Lillian Rayfield who spoke on "The Other Wise Man." Instead of the regular meeting this week a corn roast will be held. Friday evening, October 10th, Clifford Marshall will speak on "Preachers of the Plow." The Junior Girls have organized a Sunbeam Circle with the following officers:—President, Annie South; Vice President, Annie Parks; Secretary, Lena Gallaugher; Treasurer, Minnie South; Organist, Elizabeth Mann; Superintendent, Helen Bremner. Meetings are held each Friday evening. Rally Day Service was held in the Sunday School Sunday afternoon when Rev. Mr. Coutts addressed the children afterwards preaching a very heart searching and able sermon to a large congregation.

The Manse is being thoroughly renovated by Mr. Arthur McLean, of Orangeville.

The members of the Ladies' Aid are arranging for a splendid Concert to be given Thanksgiving Night. Special Anniversary Services will be held the preceding Sunday.

Rev. Mr. Coutts will speak on the Referendum next Sunday afternoon.

YULE-GAVILLER.

At the Methodist church, Clinton St., Toronto, on September 27, 1919, Florence M. Gaviller, of Markham St., Toronto, formerly of Grand Valley, was married to John T. Yule, dispensing chemist at the Military Hospital, Spadina Ave. Rev. G. R. Strangway, brother of the bride, conducted the ceremony. Mr. and Mrs. Yule left afterwards for Hamilton.

BOULTON-SEMPLE.

A very pretty wedding took place on Wednesday evening at 7 o'clock, at the home of Mr. and Mrs. Semple, when their older daughter, Evelyn Alice, was united in marriage to Mr. Howard Boulton, of Scotsguard, Sask., Rev. W. L. Rowand officiating

The bride, who was unattended, was becomingly dressed in her travelling suit of taupe satin crepette, with beaver hat to match and wore a corsage bouquet of sweet peas. The wedding march was played by her sister, Miss Marjorie.

The groom's gift to the bride was an onyx and pearl dinner ring and to the pianist a cameo ring. The happy couple left on the evening train for Winnipeg, where their honeymoon will be spent. The newly wedded couple will reside in Moose Jaw.—Moose Jaw Evening Times.

Weston Tied Dufferins in Second Home and Home Game.

Locals Win Round by 10 to 8, After Great Contest.

Weston made a game effort to win the round in the second game with The Dufferins on Idylwyld Park on Wednesday afternoon of last week. Although defeated by a score of 5 to 3 in the game on their home grounds the previous Saturday the visitors came to Orangeville for Wednesday's game quite confident of their ability to win the round. They did not win, but they did succeed in holding the Dufferins to a 5-5 score. More than that the Weston team actually tied up the round on two occasions and for a time in the third quarter and early in the last period looked very much like winners. The green-shirts have always been strong finishers this season and Wednesday's game was no exception to the rule in this respect. The final rally came about the middle of the last period, Bert Booth, the Dufferin goalkeeper, starting the fireworks with a great stop and a run down the field, passing the ball safely to Stevenson, who in turn transferred to Bert Brown, the latter scoring in sensational fashion. A few minutes later Blythe Brown got an opening and netted another making the score 5-5 on the game and 10-8 on the round. Weston home tried hard in the few minutes playing time that remained, but the Dufferin defence held them safe until time was called. It was a great game and the spectators were kept on tiptoe with excitement as first one and then the other team secured a momentary advantage in the play. Dufferins have the speedier team, but Weston has the advantage in weight and this counted for more in Wednesday's game, when the weather conditions were more to the liking of the heavy Weston men. The visitors were also accurate in their passing and the home seemed to have the knack of holding the ball, while trying to get an opening for a shot on goal. In this respect their tactics were altogether different from those employed by the Dufferin home, who generally bored right in and shot much oftener than their opponents. Weston has undoubtedly a strong team and their victory over such formidable opponents is convincing proof of the skill and prowess of the Dufferins.

The game was called for 4 o'clock, but it was 4.30 or later when play actually commenced. The delay was caused by the special which was carrying the Weston team and their supporters getting stuck on the Caledan mountain. The special was a heavy one, having about 700 people aboard. The majority of these were enthusiastic Weston supporters, although the special carried a number of Toronto spectators, whose sympathies were pretty well divided between the two teams. It is estimated that about 3,500 people witnessed the game. The gate receipts are said to have been the largest in the history of lacrosse in Orangeville. The total receipts were about $760, of which perhaps $40 was collected at the grand stand. Orangeville Citizens Band met the Weston train at the depot and played the visitors to the grounds. The Band also served up a number of selections during the rest periods.

Orangeville secured the ball on the face-off and rushed down the field. After some quick passing Keith secured possession and scored the first counter after a little over one minute's play. Play was fast and very even in the second game. After a couple of rushes by Weston, the Orangeville home combined in great style and Brown sent in a shot that looked like a sure score, but Rowntree made a marvellous stop. Stevenson and his check did a little love-making not provided for by the rules of the game and the referee sent them both to the fence. After seven minutes keen play Laceby got a shot and evened the score. A minute later H. Coulter repeated the performance, putting Weston one goal to the good on the game and only one goal behind on the round. After four more minutes play Ewing made a quick pass to Bert Brown, who tipped the ball to his brother, Blythe, the latter doing the needful and evening the score. Vanwyck took Keith's place

the second period, which opened with the Orangeville home on the aggressive. Time and again the opposing homes attacked fiercely, but the defence were playing stonewall lacrosse and the period ended without any change in the score. Weston supporters were transported to the seventh heaven of delight when their team ran in two counters in the third quarter, thereby tieing up the round. The game grew rougher and the referee got busy, sending one of the Weston men to the fence for using his stick too vigorously. Shortly before the quarter ended Keith subdued the buoyant spirits of the Weston crowd by scoring on a long, low shot that Rowntree failed to stop. Excitement ran high when Smith scored almost from the face-off in the last period and again tied the two teams on the round. At this stage the visitors worked feverishly to improve their advantage, but the Dufferin defence handled their attacks in clever and vigorous fashion, although the tricky Weston home tried to get at Booth's citadel from almost every angle. One of Smith's favorite methods was to get behind the flags and then try to dodge in and either score from behind or else pass the sphere over to one of the Weston men in front. Eventually Booth made the run up field already referred to and when Brown scored the Dufferins were once more to the fore. Brown got another seven minutes later and the supporters of the home team breathed more freely, realizing that the round was now as good as won let the game go as it would.

Every man on the field played fine lacrosse. There was not a weak place on either team. Where all did so well it is unnecessary to single out any of the players for special mention, although an exception might perhaps be made in the case of Booth, the Dufferin goalkeeper, who played a remarkably cool and clever game right through. Some of the men were far from over the effects of the hard checking in the Weston game, but they all played fine lacrosse and there was no let up at any stage of the game. The rally in the final quarter was worth seeing and showed the pluck and spirit of the players as perhaps nothing else all season has done. For an important game the match was remarkably clean. Only six penalties were imposed and the offences were for the most part unintentional. A word of praise is due the referee and judge of play, both of whom knew their work and did their duty impartially. Teams and officials were:

Orangeville:—B. Booth, goal; J. Cushing, point; S. Cranston, cover; O. Black, R. Scott, defence; E. Stevenson, centre; W. Ewing, H. Keith, (W. Vanwyck), home; Blythe Brown, outside home; Bert Brown, inside home; W. Vanwyck, V. Dedrick, J. Dawson, A. Firth, W. H. Hunter, spares.

Weston—F. Rowntree, goal; L. McEwan, point; E. Holley, cover; P. Laceby, L. Ramshaw, defence; N. Riley, centre; H. Coulter, G. Coulter, home; G. Dickin, outside home; A. R. Smith, inside home; T. Clayton, D. Atcheson, G. Laceby, D. Riley, spares.

Referee—Leonard Smith, Toronto.
Judge of Play—Eddie Sullivan.

DREADED INFLUENZA.

Medical Men Believe it Will Again Visit Canada This Autumn and Winter.

There is a widespread belief among medical men that the epidemic of la grippe, or influenza, which swept over the world last year, will again appear in Canada during this autumn and coming winter. This dangerous trouble spares neither age nor sex, but it naturally finds its easiest victims among those who are run down in health, or those whose blood is weak and watery, and it is among the latter class in which the greatest number of fatalities occur. The surest way to prevent an attack of this dreaded trouble is to keep the blood rich and pure, and the safest and best way to do this is through the use of Dr. Williams' Pink Pills.

No reasonable precaution to avert an attack of influenza or la grippe should be spared. The disease itself is deadly, but its after-effects, among those who are spared, make the life of the victim one of constant misery. Ask almost any of those who have been attacked by influenza what their present condition of health is and most of them will answer: "Since I had the influenza I have never been fully well." This trouble leaves behind it a persistent weakness of the limbs, shortness of breath, bad digestion, palpitation of the heart, and a tired feeling after even slight exertion. This is due to the thin-blooded condition in which la grippe almost always leaves its victims after the fever and influenza have subsided. They are at the mercy of relapses and complications, often very serious. This condition will continue until the blood is built up again, and for the purpose of building up the blood and strengthening the nerves nothing can equal a fair treatment with Dr. Williams Pink Pills. From first to last dose these pills make new, rich blood, which reaches every organ and nerve in the body. Thus the lingering germs are driven out, and the weak, despondent victims of influenza are transformed into cheerful, healthy, happy men and women.

But better still, you can put yourself in a condition to resist an attack of influenza by enriching the blood through the use of Dr. Williams Pink Pills, and this, it seems, is the sensible thing to do at once.

Dr. Williams' Pink Pills are sold by all dealers in medicine or will be sent by mail at 50 cents a box, or six boxes for $2.50, by The Dr. Williams Medicine Co., Brockville, Ont.

CALEDON.

Dr. J. T. Thomas, Secretary of the Citizens Welcome Committee, has received the following letters in connection with the presentation of medals to the returned soldiers:—

Matheson Stn., Sept. 19, 1919.

Dear Sir,—

I beg to acknowledge receipt of medals presented by the citizens of Caledon for services in the Great War. I cannot express my feelings very well on paper, but must say that it touches me very much to find that what little service I may have rendered to Canada during the late conflict was appreciated and I would like to thank the citizens through you for the mark of their appreciation that I have just received. I shall always treasure it, more so as it comes from people the majority of whom are strangers to me. Caledon was the first place I worked in when I came to Canada in 1907, and the homelike spirit of the people and the way I was made welcome in every home will always remain one of my best recollections in after years. I always think of Caledon as my Canadian home although it is several years since I lived there. Wishing everyone the best of everything, I remain

Yours truly,
Philip E. Down,
late Sapper Can. Engineers.

Trenton,
Woodland Rd.,
Colwyn Bay, N. Wales,
Sept. 6th, 1919.

Dear Sir,—

Please accept my grateful acknowledgment of your letter and parcel. The gold medal to the memory of my dear son is great and is much treasured by myself and family as a memento that will be handed down to generations to come and it has been a great consolation, to us to know that he had been associated with such kind and thoughtful people during his sojourn in Canada. Again thanking you and your Committee for their beautiful gift and your kind letter of sympathy, I am

Yours Very Sincerely,
William H. Jones.

INVESTED BY PRINCE.

Miss Carson Receives Military Cross Awarded Her Brother, the late Lieut. Carson.

Miss M. A. Carson leaves to-morrow for Calgary to be present at the investiture by H.R.H. the Prince of Wales on Monday morning, when she will receive the Military Cross awarded her brother, the late Lieut. J. H. Carson, notice of which appeared in the London Gazette, Sept. 24, 1918. The action for which Lieut. Carson was commended is stated as follows:

"For conspicuous gallantry and devotion to duty in a raid. He led his platoon with great dash and gallantry capturing six prisoners and one machine gun. He killed three of the enemy himself. At the final objective, which he successfully gained, he was severely wounded. He set a fine example of courage and good leadership."

As a result of his wounds the gallant young officer was admitted to Casualty Clearing Station on June 25, but died on July 1, 1918.

Dr. G. M. Carson, formerly in France, is now in Calgary.—Medicine Hat News.

Miss Carson was one of about thirty who were presented with medals by the Prince at Calgary.

POPULAR SALESMAN IS CONGRATULATED.

This Traveling Man's Customers All Have Noticed His Great Improvement.

"Many of my customers on the road have congratulated me on my great improvement since I started taking Tanlac," said William Goulding, a well-known travelling salesman residing at 173 Macdonell street, Toronto, Ontario.

"My stomach had been giving me trouble for a long time," he continued, "and I was getting worse. My appetite was poor and I was greatly distressed with gas on my stomach. I had a tight, uncomfortable feeling after eating and would suffer from awful dizzy spells. My nerves were shattered and I was unable to rest well at all and I finally felt so miserable that I just had to stop work and go away for a rest.

"While I was visiting my sister at Galt, she persuaded me to try Tanlac and the way it has helped me is simply wonderful. I feel better today than I have in years. I am never troubled with indigestion and that tired, fagged out feeling is all gone. Tanlac has ended my stomach trouble and put my nerves in good shape, my appetite is fine. I sleep well and have considerably more energy than I had before taking Tanlac.

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

It Took Years To Learn

That in Dr. Chase's Ointment There is Positive Cure for Piles or Hemorrhoids.

Reports come to us almost daily from persons who have suffered 10, 20, 30 years or more from piles or hemorrhoids before finding out that Dr. Chase's Ointment affords immediate relief and ultimate cure for this annoying and distressing ailment.

This is not a trouble about which people care to speak, but if you ask your friends about Dr. Chase's Ointment you will be surprised to hear how many have been cured of piles by its use. It is the one treatment for piles on which you can depend absolutely for prompt relief.

Mr. B. F. Tracy, Minesing, Ont., writes: "For about thirty-five years I was troubled with itching piles, which kept me from sleep until I was completely worn out. Then at length I would drop off to sleep and rub myself raw. I tried every kind of ointment made without any permanent good. I also tried a homeopathic doctor, but only had momentary relief from his treatments. Three years ago I tried Dr. Chase's Ointment, and about half a box completely cured me. I have never been troubled with piles since, and can heartily recommend Dr. Chase's Ointment to anyone suffering from this terrible agony or from any other skin disease."

("This is to certify that the above statement is correct in every particular."—Rev. H. Barry, pastor Methodist Church.)

Mr. H. B. MacDonald, Walkerton, Ont., writes: "Having suffered from piles for some time, I finally tried Dr. Chase's Ointment, which afforded almost instant relief, and in time, cure. I have great faith in Dr. Chase's Ointment, and think it superior to any ointment on the market. I would advise anyone suffering from piles to give it a trial."

Many continue to suffer from piles in the belief that a surgical operation is the only cure. Fortunately, Dr. Chase's Ointment is available, and has saved many thousands from the risk and expense of the doctor's knife. 60 cents a box, all dealers, or by mail postpaid, from Edmanson, Bates & Co., Limited, Toronto.

GALBRAITH-KIRBY.

A quiet and pretty wedding took place at the home of Mr. and Mrs. Charles W. Kirby, Angus, Ont., at three o'clock, on Sept. 10th, when their daughter, L. Emma, was united in marriage to Mr. William B. Galbraith, of Shelburne, by the Rev. F. Bowes, B.A., D.D. The bride, who was unattended, was dressed in white silk crepe de chine and wore a corsage bouquet of pink sweet peas and maidenhair fern. The bride entered the room on the arm of her father and took her place under an arch of ferns. Miss Mary Kirby, sister of the bride, played the wedding march. The groom's gift to the bride was a crescent of pearls and to the organist a bar pin set with pearls. After luncheon, amid showers of confetti and good wishes, the happy couple left for their home, the bride traveling in a suit of violet blue with taupe plush hat.—Economist.

How to say "No!"

Mark Your Ballot with an X after Each Question under the word "No"

Above is an exact reproduction of the Referendum ballot, showing the correct way to Vote in order to sustain the Ontario Temperance Act as it stands.

Everybody should study the four questions and realize exactly what they mean. Do not be misled by the insidious demand for "light" beer.

The beer of the ballot is 118% stronger than the Ontario Temperance Act now allows, and over five times as strong as the limit allowed for beer defined as non-intoxicating in Great Britain and the United States.

Answer Each Question

1. Unless you vote on every question your ballot is spoiled.
2. You must mark your answer to each question with an "X" only. Anything else would spoil your ballot.
3. Unless a majority vote "No" on question 1 the bars will be restored and the sale of all kinds of intoxicants permitted.
4. Unless a majority vote "No" on questions 2, 3 and 4 the Ontario Temperance Act will become almost worthless.
5. The only SAFE course is to mark your ballot as shown above.

"No!"—Four Times—"No!"

No repeal; No government beer shops; No beer saloons; No government whiskey shops.—Four X's, each under the word "No."

REV. S. LUNDIE INDUCTED.

On Tuesday evening Rev. S. Lundie was inducted into the pastoral charges of Grand Valley and South Luther, a large representation from both congregations being present. Rev. W. M. Morris, of Orangeville, interim-moderator, presided; Rev. Mr. Coutts, of Camilla, preached; Rev. J. Lindsay, of Erin, addressed the minister, and Mr. Morris, in the unavoidable absence of Rev. J. A. Ross, of Waldemar, offered a few words of wisdom and admonition to the people. Following the services refreshments were served in the basement. Mr. Lundie begins his active pastoral work with the good wishes and warm support of the congregations, who recognized his ability and faithfulness during the year in which he acted as stated supply while Capt. (Rev.) D. J. Lane was overseas.—Star and Vidette.

Keep Your Home Looking Young!

It is a mistake to allow your home to get "run down at the heel." When the floors and woodwork show signs of wear, and your furniture has lost its newness and is showing scratches and bruises, it is time to restore the original freshness and attractiveness by using

China-Lac

The Perfect Household Finish

This wonderful little home-brightener is put up in three different styles:—As a Varnish Stain, it is invaluable for doing over old furniture. It stains and varnishes in one operation, giving the effect of oak, walnut, cherry, rosewood or mahogany, as desired. As an Enamel, it produces an easily-cleaned glossy surface on interior woodwork, bedsteads, ironwork, porch furniture, etc. Besides white, it can be secured in 6 different colors. As a Graining Compound, with China-Lac graining tools it permits the close imitation of hardwood on floors, cupboards, etc.

Come in and let us tell you how many things you can do with a few cans of China-Lac.

Many Put Trust In the Unknown

NEVER SATISFIED WITH THOSE THINGS WITH WHICH THEY ARE FAMILIAR.

INCLINED TO TAKE CHANCE.

Curious Traits in Human Nature Have Made Possible Growth and Development of the Great Mail Order Houses.

(Copyright, 1917, Western Newspaper Union.)

A curious trait in human nature makes itself apparent very frequently. That is an inclination to trust in the unknown rather than in that with which one is familiar. A person is very apt to take a chance, even though he may know that the odds are 100 to one against him, instead of being satisfied with lesser rewards about which there is no possibility of doubt.

It is, possibly, the flaring up of the ever-present gambling instinct but there is something more in it than that. There is in it the unexplained tendency on the part of most people to reach for the chimerical and ignore the tangible and substantial thing which is near at hand. Man is seldom satisfied with those things that are within his grasp but is reaching always for the unattainable. Too often, he loses that which he might easily gain by blindly pursuing that which is always just out of his reach.

Why "Con" Man Thrives.

Coupled in a way with his faith in the unknown is the tendency on the part of so many people to place confidence in a stranger in preference to one who is known and has been tried and proven. It is this tendency which makes possible the operations of the "con" man, the get-rich-quick artist, the unscrupulous promoter and the salesman of worthless mining stocks. The man who would not think of trusting Bill Jones, his next-door neighbor and fellow church member, will confidingly turn over his life's savings to a stranger who unfolds a tale of riches to be won. Bill Jones might talk his head off in behalf of a legitimate proposition without getting a dollar where the slick stranger with the worthless proposition can get thousands.

It is these two tendencies which, apparently, are so widely prevalent among all classes of people that have made possible the success of the great mail order houses in the big cities. A knowledge of psychology is as important to the mail order man as a knowledge of business practices. He plays upon these tendencies of man to take a chance, to trust in the unknown rather than the known, to place confidence in the stranger rather than the friend.

Hope to Draw Prize.

Those who buy merchandise from a mail order house are moved partly, whether they realize it or not, by that trait in their nature which prompts them to trust in the unknown rather than in that with which they are familiar. They are hoping, it may be unconsciously, that they will draw a prize. They do not know what they will get, for it is impossible for one to know what he is going to get when he orders merchandise from a picture and a highly colored description in a catalogue. He is taking a chance on the unknown.

Buying merchandise from the local merchant, on the other hand, contains none of these elements of chance that enter into the dealings with the mail order house. When one buys a stove from the hardware store in his home town, he may get none of the thrills that come from taking a chance but he will get a stove that will last longer and keep him warmer than the one that he might get from the mail order house and to the average individual, these things are likely to be more important than the thrills.

Using Your Eyes.

When you buy from the local merchant you see the thing that you are buying, you inspect it carefully, examine the workmanship and the quality of the material of which it is made and in many cases you have the privilege of testing it before paying for it. You have not only your own eyes and knowledge of value to rely upon, but you have the advantage of the advice of the merchant who has an expert knowledge of the merchandise which he is selling and who, in 99 cases out of 100, can be relied upon to tell the truth about it. Then you have the guarantee that is backed not only by the retail merchant, but in many cases by the manufacturer. If the article which you buy does not prove satisfactory after it is given a fair test, you can take it back to the store where you bought it, in most cases, and get your money back. The retailer may get his money back from the manufacturer but if he doesn't, he stands the loss. In any event, you are protected.

Why a person will place his confidence in a stranger rather than a friend or will trust in the unknown rather than in that which is tangible, is something that is hard to understand. Even the mail order house does not pretend to know why it is so but it accepts conditions as it finds them and makes the most of the opportunities that they offer.

ORGANIZE PLANT COUNCIL.

On September 29th, 1919, a meeting of all the Plant Employees (about 20 in number and under the supervision of E. Schnurr) was held in the local Plant Office to consider the advisability of forming a Plant Council. This Plant Council is an organization of the workmen of the Company to take up with the local Management Committee, which consists of E. Schnurr, R. Robinson and G. Rispin, any disputes which may arise in connection with the working conditions and salary disputes. It might be stated here that in the past the Company has been endeavoring to deal fairly with the men as will be seen from the following statements: On April 16th, 1917, the standard working day was reduced from 10 hrs to 9 hrs. with no reduction in wages. After one year's service all employees receive 9 hrs pay for 8 statutory holidays without working. Straight time is paid in addition for all time worked. This means double pay if working on a legal holiday. Monthly rated employees receive two weeks vacation with pay after two years continuous service while hourly rated employees receive one weeks vacation annually with pay after two years' service. In addition to the above, voluntary increases were granted Sept. 1st, 1918, and June 1, 1919, which were general while the regular increases were also allowed. Since July 1, 1917, an Employees Benefit Fund has been in operation.

Benefits paid in 1918:—Accidents 227, Benefits and Expenses Paid $12,067.98; Sickness 2188, Benefits paid $102,962.67; Sickness and Death 27, Benefits and Expenses paid $26,308.79. Total payments from Benefit Fund, 1918, $147,265.26. About 24 p.c. of the Company's employees participated in Benefits under the Plant during 1918.

"The gift of silver candlesticks lights the highway of friendship"

SINCE the days of our Grandmother there has been a positive charm in the use of silver candlesticks. They add to the decorative scheme of the boudoir, the living room, or the library. A pair of them form a pleasing gift to the bride or a later anniversary memento.

TEMPERANCE MEETING.

A public meeting was held in the Opera House on Friday night under the auspices of the Orangeville Referendum Committee. A fairly good audience was present. Excellent addresses were given by C. R. McKeown, who dealt very clearly with the four questions on the ballot and the results that would follow should any of them be answered in the affirmative and Rev. Capt. Duncan, of Port Credit, who discussed the temperance question in its general aspect. Both speakers emphasized the good the Ontario Temperance Act had done as a war measure and the importance of having it continue in force during the difficult and dangerous period of reconstruction that has followed the war. Misses Brown and Wright contributed a piano duet and Miss Bernice Leighton a vocal solo, Mrs. Liddy acting as accompanist. Mr. A. D. McKitrick occupied the chair.

We have Victory, but it is not paid for yet.

BAPTIST CHURCH.

Special Evangelistic services will be held in the Baptist church on Sunday, Oct. 5th, at 11 a.m. and 7 p.m. The Evangelistic Band of Stanley Ave. Baptist church, Hamilton, will sing and preach. Come and hear the Quartette and also Dr. Chappison, the pianist and preacher. Everyone welcome.

CHURCH ENTERTAINMENT.

The Ladies' Aid Society of St. Andrew's church, Camilla, will hold their annual Thanksgiving entertainment in the church on Thanksgiving Night, Monday, Oct. 13th. The programme will be supplied by an entertainer from Toronto who will have the assistance of some of the best local talent available. Watch for further particulars in next issue.

DOWLING-GILBERT.

The marriage took place in the Presbyterian church, Mansfield, on Sept. 17th, of Lois, only daughter of H. Gilbert, to Harold Dowling, elder son of Mr. and Mrs. W. A. Dowling, of Mono Mills. The ceremony was conducted by Rev. M. F. Cree, of Alliston, a large number of friends and acquaintances witnessing the ceremony. The church was beautifully decorated for the occasion. The bride, who was given away by her father, looked charming in white georgette crepe embroidered, her veil being arranged with orange blossoms. She carried a shower bouquet of Sweetheart roses. Miss Mary Dowling, sister of the groom, was bridesmaid, gowned in yellow silk crepe de chine with mauve trimming, and carried a bouquet of American Beauty roses. Little Ruth Yvone Gilbert, niece of the bride, was flower girl and carried a basket of flowers and wore a beautiful gown of corn colored silk georgette crepe. The groomsman was C. S. Gilbert, brother of the bride. Miss Lila Waite, of Toronto, cousin of the bride, rendered appropriate music during the ceremony and signing of the register. After returning to the bride's home and partaking of a wedding breakfast, the bride and groom motored to the C.P.R. and took the steamer Athabasca for Sault Ste. Marie, the bride travelling in a beautiful navy tailored suit with hat to match. On their return they will reside near Mono Mills.

LETTER FROM THE WEST.

Wadena, Sask., Aug. 29, 1919.

Mr. R. A. Speers,

Dear Son,—Just a few lines to let you know how things are going around here at present. I will try to give you some idea how Jean is doing. You are aware she is paying big wages to three men. Well these three men have over three hundred acres of grain to their credit for the summer's work. They have used 816 lbs. of twine. That will give you some idea of the crop they have to handle. Jean has just finished threshing this morning. She threshed 1900 bush. of wheat and 1200 bush. of rye and it all went to the Wadena elevators as it was threshed. Will left at noon with the last load of rye. Each man drove two loads at a time. The figures I have given you are the elevator figures.

I said she had finished threshing, but she has just finished the wheat and rye. She has 200 acres of oats to thresh yet and she has 45 acres of oats cut for green feed. The oats are all a good crop. They should yield around $10,000 bushels. Jean told me the wheat would yield over $3,000 clear of threshing and shipping expenses and that the rye would bring over $1,000. They charge 13 cts. per bush. for threshing wheat. They have eight stock teams and one water team. Will had twelve grain wagons on the road. Each wagon would draw 65 bush. and each man would handle two wagons. The neighbors here turn out with their teams to draw grain. Some of them will be at the elevator eight miles away at seven in the morning. There is no eight-hour day here. They had one load of wheat threshed at 6 o'clock in the morning.

We go to Neil Campbell's on Sunday. He and wife and Willie Campbell and wife and Mrs. Riel and child were here on Sunday. With best respects to all, I am,

Your Affectionate Father,
A. M. Speers.

The Why? of Another Victory Loan

WHEN, on the morning of November 11th, 1918, the guns were hushed and glad tidings flashed across the world, there followed with the Nation's Prayer of Thanksgiving, one yearning query, which found echo in the faster beating hearts of wives, mothers, fathers, brothers, sisters and sweethearts. That query was, "How soon will our boy be home?" And, from France and Flanders, from Italy and Egypt, from Palestine and from far-off Siberia, there came an answering echo, "How soon, how soon, may we go home?"

CANADA caught the spirit of these longings, and at once resolved to satisfy them. It was an appalling task. Shipping was tragically scarce. The composition of the Army of Occupation had not then been settled. And other parts of the Empire as well as Canada were looking for the speedy return of their men.

THE problem was this. The half-million men that Canada had overseas had taken more than four years to transport to the field of battle. To bring them home in a few months was a gigantic undertaking—one to tax all Canada's ingenuity and resources. Canada solved the problem, but it meant crowding into a few short months, an expense for demobilization which it was impossible to foresee.

THEN, too, besides the sentimental aspect of the necessity for bringing the men home quickly the economic side could not be overlooked. That was, to transform efficiently and speedily the nation's army of fighters into a national army of workers.

✦ ✦ ✦ ✦ ✦

Need Divides Itself in Two Parts The answer to the question "Why does Canada need another Victory Loan?" divides itself into two parts. (a) To finish paying the expenses of demobilization, and the obligations we still owe to our soldiers. (b) To provide national working capital.

Obligations to Soldiers The obligations to soldiers include:
That already incurred cost of bringing home troops from overseas.
The payment of all soldiers still undemobilized. This includes more than 20,000 sick and wounded who are still in hospital, and who of course remain on the Army payroll till discharged.
The upkeep of hospitals, and their medical and nursing staffs, until the need for them is ended.
These three items alone will use up at least $200,000,000 of the Victory Loan 1919.

Gratuities There is also the gratuity which has been authorized, and has been and is being paid to assist soldiers to tide over the period between discharge and their re-adjustment to civil life. For this purpose alone, $61,000,000 must be provided out of the Victory Loan 1919, in addition to the $59,000,000 already paid out of the proceeds of the Victory Loan 1918.

Land Settlement Furthermore, soldiers who desire to become farmers may, under the Soldiers' Land Settlement Act, be loaned money by Canada with which to purchase land, stock and implements. The money so advanced will be paid back; meantime each loan is secured by a first mortgage. Up to August 15th, 29,495 soldiers had applied for land under the terms of this Act; and 22,281 applications had been investigated, and the qualifications of the applicant approved. For this purpose Canada this year requires $24,000,000.

Vocational Training For this work which, with the Vocational Training and Soldiers' Service Departments, embraces the major activities of the Department of Soldiers' Civil Re-establishment, an appropriation of $57,000,000 is necessary.

These national expenditures are war expenses. They will be accepted readily by every citizen who gives thought to the task which Canada faced following the Armistice, and to the success with which she has met it.

National Working Capital Canada needs national working capital, so that she may be able to sell on credit to Great Britain and our Allies the products of our farms, forests, fisheries, mines and factories.
You may ask "Why sell to them if they can't pay cash?" The answer is, "Their orders are absolutely essential to the continuance of our agricultural and industrial prosperity."
The magnitude of these orders and the amount of employment thus created, will depend upon the success of the Victory Loan 1919.

The "Why" of Credit Loans Farmers and manufacturers (and that includes the workers on these orders) must be paid cash for their products. Therefore, Canada must borrow money from her citizens to give credit, temporarily, to Great Britain and our Allies. Actually, no money will pass out of Canada. If Canada does not give credit, other countries will; and they will get the trade, and have the employment that should be ours, to distribute amongst their workers. And remember, we absolutely need these orders to maintain employment. If we don't finance them business will feel the depression, employment will not be as plentiful, and conditions everywhere will be adversely affected.

For Transportation Money must also be available to carry on the nation's shipbuilding programme, and other transportation development work.
For loans to Provincial Housing Commissions who are building moderate priced houses.
These, then, are some of the things for which Canada needs national working capital. She is in the position of a great trading company, and her citizens who buy Victory Bonds are the shareholders.

Those who give thought to our outstanding obligations to soldiers, and to our need for national working capital, cannot fail to be impressed with the absolute necessity for the

BAD CUT HEALED BY Zam-Buk

Mr. S. R. McClure of Ballinafad, Ont., writing to the proprietors of Zam-Buk, says: "I cut my hand very badly between my thumb and first finger, with a saw. The place became very painful and swollen, and before I realized it blood-poisoning had set in. Having heard that Zam-Buk is the best thing for blood-poisoning, I got some at once, and it was really wonderful how the first few applications stopped the pain. Soon the poison was all drawn out and continued use of Zam-Buk entirely healed the cut."

Zam-Buk should be kept handy by everyone, and applied immediately an injury is sustained. By doing so, not only can pain and soreness be almost immediately ended, and healing effected in the shortest time possible, but Zam-Buk being antiseptic, prevents any danger of festering or blood-poisoning. Get a box to-day and be ready for emergencies. Owing to its herbal composition Zam-Buk will keep for an indefinite period and still retain its strength and purity. It is best for cuts, burns, scalds, eczema, salt rheum, boils, pimples, ulcers, abscesses, blood-poisoning and piles. 50c. all dealers.

W.C.T.U. NOTES.

The monthly meeting of the W.C.T.U. was held on Thursday, the 18th, (instead of the fourth Thursday as) usual) in the Prayer Meeting room of the Presbyterian Church. The President, Mrs. Young, was in the chair.

The business consisted for the main part in discussing the best manner of bringing before the women of the town the necessity of coming out to vote on the Referendum question. It is not thought, of course, that there are many in this town who would try to overthrow Prohibition after we have all noted the marked improvement that has taken place under the Temperance Act, but therein lies a danger. It is feared there will be some who will be careless about voting because they may think their votes are not necessary, forgetful of the fact that in other places there may be a majority in favor of the repeal of the O.T.A. The W.C.T.U. therefore earnestly urge the women of the town, who are eligible to vote, to not fail to mark their ballot against the repeal of the O.T.A. in order that we may safeguard our children against the dangers that will most surely arise should there again be the open bar. Can any thoughtful person consider, without a shudder of apprehension, what would be the state of things in these days of car driving if the drivers who require to be on the alert and watchful at all times, were to sit at the steering wheel with brain and senses befuddled with drink. There would then be no safety for our little children on the streets! No! nor for man or beast! The workers on the Referendum committee will shortly visit all homes to see that no one is left in ignorance as to the proper way to mark his or her ballot. Let us all do our part willingly and cheerfully that this may end forever all attempts to overthrow Prohibition in this Province.

U.F.O. CANDIDATE HAS NO VOTE.

The Tories have played a mean trick on the U.F.O. candidate, Mr. Manning Doherty, who not many months ago was one of their most admired young men. Mr. Doherty is the owner of a farm in Toronto Tp. which has been in the family a hundred years and on which he was born. Some time ago he sold an adjoining farm on which he lived and having no house went to Oakville to sojourn until a new house could be constructed on the old homestead. His name duly appeared on Toronto Tp. voters' list put there by one of the ward enumerators. The Conservative candidate, Mr. Kennedy, appealed against Mr. Doherty having a vote and had his name stricken off the list because he was a non-resident. We understand that Mr. Doherty will not even have a vote in Oakville.—Peel Banner.

SLEEPLESS NIGHTS WITH ECZEMA

Mrs. Link, 12 Walker street, Halifax, N.S., states—"After three years of miserable torture and sleepless nights with terrible eczema, and after trying over a dozen remedies without obtaining anything but temporary relief, I have been perfectly and entirely cured by using Dr. Chase's Ointment. After the third or fourth application of this grand ointment I obtained relief, and a few boxes were sufficient to make a thorough cure.

Caledon East football team cleaned up at the recent football tournament in Bolton, winning first money.

Mr. and Mrs. Lundy and son, of Mono Centre, accompanied by Miss Henry, Miss Rawn, Mr. and Mrs. Jas. Henry, and the Misses Henry, of Orangeville, with Mr. Holmes, all motored down on a recent Sunday and spent the day with Mr. and Mrs. John Rawn.

Business has been quite brisk in Caledon East this fall. The three new houses in course of erection on Parson Ave. are fast nearing completion. Mr. Hisey's new dwelling has received the finishing touches and is now practically completed. Mr. Berney is making good headway with the alterations and improvements to his place. Mr. Weir and Mr. Whaley are also getting along well with their improvements.

A four foot cement pavement has been laid down from Hanton's corner up past the Anglican church as far as Mr. Thos. Coulter's. The work was done under the supervision of Mr. J. C. Proctor.

Mr. and Mrs. J. A. Donaldson, Mrs. P. McCaffrey, Mrs. John Perdue and Mrs. John Rawn, of this place, motored to Orangeville and took in the big fair last week.

Mr. John Rawn, of Alliston, spent a few days with his nephew, Mr. Jno. Rawn, of this place.

Far more effective than Sticky Fly Catchers. Clean to handle. Sold by Druggists and Grocers everywhere.

BURN BOULETS.

A Cheaper Fuel That Gives Better Results Than Coal.

Boulets is the name of a cheaper Fuel that gives better results than the best Hard Coal. It is made from the fine Screenings of the best Anthracite Coal and about Five per cent of Fuel Oil pressed into lumps a little larger than Chestnut Coal.

There is no Clinker or Slate when burning this Fuel, and consequently no trouble with the Grate, as Boulets burn into dust. It can be used with the best of satisfaction in Ranges, Direct Draft Heaters or Furnaces.

From the best information I can get from the mines, coal is going to be very hard to get this winter. Be wise and put in a supply of this Fuel while it can be had.

I have also hard and soft Coal, Cannel Coal and Wood at reasonable prices.

Highest prices paid for Grain and Potatoes.

McClary's Pandora

THE Boiler doesn't crowd the dinner off the Pandora on wash-days. You can set the boiler either way, across or lengthwise of the top.

There is no guess-work baking either. The oven has a glass door which keeps the baking in full view. The thermometer tells whether the oven is hot enough or not. The oven, as you must have heard, is very evenly heated.

This dependable range has easy-working grates; porcelain enameled reservoir, which may be removed for cleaning.

The Pandora is the sort of range you have always wanted. See it.

VOL. XXVII. ORANGEVILLE, ONTARIO, CANADA, THURSDAY, OCTOBER 9, 1919. No. 15

The Expenditure of $610,000,000

How the last Victory Loan was spent

BEFORE buying Victory Bonds again you may want to know how Canada used the money you loaned her last year.

Canada borrowed the money to carry on the war and to provide credits for Great Britain and our Allies.

CONSIDERABLY more than one-half of the Victory Loan 1918 was spent on our soldiers. This included $312,900,000, for paying them, feeding them, bringing them home, separation allowances to their dependents, maintenance of medical services and vocational training schools.

For Demobilization

$59,000,000 of the Victory Loan 1918 was paid on account of authorized Soldiers' gratuities.

$9,000,000 was spent at Halifax for relief and reconstruction after the disaster.

+ + + + + + +

Other disbursements were not, strictly speaking, expenditures, but National Re-investments.

For Trade Extension

To Great Britain for example:

$173,500,000 was loaned for the purchase of our wheat and cereals.
$9,000,000 for our fish.
$30,000,000 for other Foodstuffs.
$2,900,000 for Canadian built ships.
$5,500,000 to pay other British obligations in Canada.

Making in all $220,900,000 advanced to Great Britain.

To our Allies, we loaned $8,200,000 for the purchase of Canadian foodstuffs, raw material and manufactured products.

The Re-investments will be paid back to Canada in due time, with interest.

These credits were absolutely necessary to secure the orders for Canada because cash purchases were impossible.

They have had the effect of tremendously helping agricultural and industrial workers to tide over the depression that would have followed the Armistice, had we not made these credit loans.

As far as money is concerned, 1919 has been, and is still—just as much a war year as 1918. Our main expenditures for war cannot be completed until well on into 1920. Thus another Victory Loan is necessary—*Get ready to buy.*

He sustained a nasty cut in his head requiring ten stitches to close it up.

NO CHANCE FOR THE GERMS.

Disease germs cannot live in rich, red blood. It is people in low vitality that fall victims to germ diseases. ONE MORE EFFORT.

Far beyond the expectation of the Empire and the world, Canada fought and strove and paid gallantly for five years. Indeed it may be doubted if any native Canadian witnessed the notable effort of the Dominion without amazement. The true spirit of the people was not understood until the guns began to speak in Belgium.

It rose, month by month, to greater, and still greater heights. The double climax came in the autumn of 1918 when the Canadian Corps marched from Cambrai to Mons, and when the nation subscribed $610,000,000 for Victory Bonds.

In the war Canada found herself. The name "Canadian" is respected the world over; not only in the nations allied with the British Empire in the defence of liberty, but in Germany itself.

The fighting is over. The great task of dearticulating the organization built by four years of ardent effort is almost complete. The work of maintaining the Army until it is fully repatriated, and of fulfilling completely the national obligations to the soldiers has added much to Canadian War expenditure.

For that reason there is instant need of a new Victory Loan. The patriotic people whose ardor and energy brought Canada into the sunlight are asked to keep the Dominion there by buying Bonds. The honor of the nation is involved in the success of the Loan. The people who supported the soldiers constantly while they were in Flanders will not fail in one particular to continue that support until the men are re-established in profitable civilian occupations.

Considering the achievements of this proud people, there is reason for the belief that the success of this latest Victory Loan will be instant and overwhelming. But all citizens must have a part in it. It is not a task to be half-done by the whole people, or wholly done by half the people. Let every citizen subscribe!

CARRIES CANADA'S NAME THROUGHOUT THE WORLD.

Remarkable Achievement for Purely Canadian Concern.

As evidence of the way in which one enterprising Canadian firm has pushed the sale of its product into the corners of the earth, it is interesting to know that the "Salada" Tea Company sell their product not only thro' the United States, but in France, Belgium, Spain, Portugal, Canary Islands, Algeria, Morocco, The Gold Coast, every British West India Island, Mexico, Cuba, British Honduras, the Guianas, Colombia, Venezula, Brazil, Paraguay, Chile and the Argentine.

They have lately made a large shipment to Iceland, and have received inquiries from Egypt, Bulgaria, Turkey, Czecho-Slovakia, Norway, Alsace, Switzerland, Peru, Denmark, Sweden, etc., etc.

The teas shipped to these countries are exactly the same quality as you buy under the same familiar labels in any part of Canada or the United States. The popularity of this tea during the past century has made "Salada" a household word in America.

PHOTO OF THE PRINCE.

The Family Herald and Weekly Star of Montreal has secured the exclusive rights for all Canada for a really good photo, 16 by 22 inches, of the Prince of Wales. The photo is by VanDyke, the celebrated photographer of London, England, and was taken on the eve of the Prince's departure for Canada. The Banner has made arrangements with the Family Herald and Weekly Star to include this photo of the Prince as a premium in a clubbing offer. $2.25 will pay for one year's subscription to The Banner and The Family Herald and Weekly Star and will also secure the subscriber a copy of this fine photo. This offer is only good until Dec. 31, 1919, after which it is announced that the price of the Family Herald and Weekly Star will be advanced to $1.50 a year.

GUARD THE CHILDREN FROM AUTUMN COLDS.

The Fall is the most severe season of the year for colds—one day is warm, the next is wet and cold and unless the mother is on her guard the little ones are seized with colds that may hang on all winter. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

REFERENDUM MEETING.

A meeting will be held in the English Church Hall, in Mono Mills, on Tuesday evening, Oct. 14th, in the interests of the Ontario Temperance Act. The meeting has been called by the local ministers, and will be addressed by Rev. A. P. Brace, of Toronto. Mr. C. R. McKeown is also expected to speak. Meeting will commence at 8 o'clock. The Women's Institute will provide a lady speaker. Good musical programme.

YOUNG PEOPLE'S MEETING.

The Young People of St. Andrew's church held a very interesting meeting on Monday evening last. The topic "Becoming a Christian" was ably taken by Miss Annie Lane, and was admirably illustrated by views on the life of Moses. The programme also included a duet by Misses Browne and Fleming and a reading by Miss Mildred Hanna, entitled "The Legend of Felix." The young people of the town are cordially invited to attend the next meeting at which both sides of the Temperance Question will be fully discussed.

The Navy League of Canada

Its Vital Work for Canada

THE Navy League of Canada fosters the splendid spirit that made the British the greatest of maritime nations. It organizes loyal Canadians so that practical work may be accomplished for the development of Canada's direct interests at sea.

The human side of Canada's Mercantile Marine is the League's especial interest—training Canadian boys to become the sturdy type of British manhood that won its laurels again and again in the great war—relieving distress among victims of the submarine warfare—and giving the sailor ashore an alternative place for rest and recreation to the places of doubtful entertainment that abound in port.

Why the $500,000 is needed

On Nelson Day, October 21st, starts a 3-day campaign throughout the Dominion to raise $500,000 necessary to finance the coming year's work of the Navy League of Canada. Help the work by giving liberally. As a nation whose expanding trade will depend on exports, we must educate our boys to the highest type of seamanship so that they will be equipped to man our ships to carry our exports to foreign markets.

You will do your part in this work by contributing liberally to the support of the Boy's Navy Brigades, the organizations by which the Navy League trains boys for our merchant marine.

Every dollar subscribed will be used to further the work of the Navy League in Canada—the work in which you are personally interested as a patriotic citizen. Help by giving.

ELECTORAL ADDRESS OF

JOHN REBURN

Liberal-Conservative Candidate for Dufferin

LADIES AND GENTLEMEN,—

At a largely attended convention of the Liberal - Conservative Association held at Shelburne on Thursday, the 2nd inst., I received the nomination to contest the approaching election. This convention was composed very largely of farmers and, being a practical farmer, I was chosen as the candidate. Having accepted the nomination I respectfully solicit the votes of the electors of Dufferin and trust my platform will appeal to you. In the first place I may say that I have been a practical farmer all my life and it therefore follows that I am thoroughly familiar with the requirements of the agricultural class and if you honor me with your confidence on the 20th day of October, you may rest assured that I will put forth every effort possible both in and out of the Legislative Assembly to promote the interests of the people of the County of Dufferin. I will give a general and generous support to the Administration of Sir William Hearst, but reserve my independence regarding any question that I may consider not to be in the best interests of the electors of Dufferin.

For the information of those who may not know me personally I wish to say that I have served my fellow-citizens of Mulmur as Councillor and Reeve and served the people of Dufferin as Warden of the County in 1915, and my record as a public servant speaks for itself.

It will be impossible for me to see every elector before the date of polling, much as I would like to, but I shall endeavor to see as many as I can.

Again appealing to you for your support in this contest and thanking you in anticipation of being elected your representative and promising to do my very best to advance and safeguard your interests, I remain

Yours truly,

JOHN REBURN.

Result of Conservative Convention at Shelburne a Big Surprise.

John Reburn, a Mulmur Farmer, Selected as the Party Standard Bearer.

Mr. C. R. McKeown, who has represented the County of Dufferin in the Ontario Legislature for the last twelve years, failed to obtain renomination at the Liberal-Conservative convention in Shelburne last Thursday. McKeown was called to win the Convention and had a big lead on the first ballot, but, when he was finally pitted against John Reburn, enough of the farmer delegates from Melancthon transferred their votes to the latter to give him the Convention by a vote of 109 to 103. Reburn secured the nomination on the third ballot. His selection was subsequently made unanimous on motion of Mr. McKeown, seconded by Mr. W. A. Wansbrough, another of the unsuccessful candidates. The nominee of the Convention is a Mulmur farmer, an ex-Reeve of his township and a former Warden of the County of Dufferin. His selection was undoubtedly largely due to the prevalent feeling in favor of farmer candidates.

The Convention was not so largely attended as usual. Several polling divisions were unrepresented and others were short their full representation. Quite a number of electors dropped in after the meeting got under way and there were probably 300 people in the hall when the time arrived for the nominees to present their claims. About a score of ladies were present. Four of the delegates from Grand Valley were members of the gentler sex and they evinced just as much interest in the proceedings as the men.

Mr. Harry White, of Shelburne, President of the Dufferin County Liberal-Conservative Association, presided, and Mr. R. E. Mortimer, of Honeywood, the Secretary, kept the record of the proceedings.

In his introductory address Mr. White thanked the ladies for their attendance and alluded with pleasure to the fact that they were to be an important factor in the coming election. He also extended a welcome to any Liberals and members of the U.F.O., who might happen to be present, championed the Convention method of selecting a candidate and eulogized the Hearst Government, which he said was patriotic in policy and progressive in legislation.

Twenty minutes were allowed for making nominations. During this time John Best M.P. addressed the Convention. Mr. Best also complimented the ladies upon their attendance and welcomed them to the Convention. He expressed his conviction that the great majority of the people of Canada were loyal, but was sorry to be compelled to add that there were some who did not appear to want to be loyal. He had been a member of the Patrons of Industry, an organization that did a useful work for the farmers until it got into politics and was led astray by selfish and self-seeking leaders. The U.F.O. was also doing, and if guided wisely would continue to do, a useful work in promoting co-operation among the farmers. Mr. Best declared that the Hearst government was clearly entitled to the support of temperance electors and reminded the Convention that if the people of Dufferin opposed a Hearst candidate they were opposing the Hearst government. The statement had been circulated that he was opposed to prohibition, but this Mr. Best emphatically denied, declaring that he had always supported temperance measures and would do so on October 20th. The speaker instanced farm drainage surveys, the appointment of Agricultural Representatives and the great increase in the grants to rural schools to illustrate the manner in which the Ontario Government was considering the interests of the farmers and legislating to further those interests. He deprecated class legislation and argued that our laws should be framed to promote harmony and a better understanding between classes. Dealing with the Halbert charge that he had sold the County of Dufferin for a seat in the Senate, Mr. Best declared that statement unfounded in fact and added that even if he had sold Dufferin as charged he did not have to give back any money as Mr. Halbert had been obliged to give back money while he was a member of the Melancthon township council. Mr. Best reminded the Convention that 75 per cent. of the delegates present were farmers, so that any candidate who might be brought out would be a farmers' candidate even should he be a lawyer or a doctor. He questioned the good faith of the leaders of the U.F.O. movement, because they had allowed U.F.O. candidates to oppose farmer representatives in a number of constituencies. Mr. Best declared he did not believe there was a man or woman in Canada who was not willing to do everything possible for the returned soldiers, but emphasized the importance of encouraging the men to save their money and to resume their places in civil life. The member for Dufferin closed by expressing the hope that the Ontario Temperance Act would be sustained on October 20th and appealing for support of the Hearst Government at the polls.

Messrs. T. S. Parkinson, of Orangeville, Dr. Berwick, of Grand Valley, and R. A. Riky, of Shelburne, were appointed a Credential Committee. This Committee subsequently reported that the Convention as constituted was entitled to record 216 votes out of a possible vote of 231. Before proceeding with nominations the Convention followed the customary procedure of pledging its support to the candidate nominated. This was done by a standing vote.

The candidates placed in nomination were Messrs. C. R. McKeown, Alex. Macdonald, John Reburn, W. A. Wansbrough, Dr. M. W. Berwick, Dr. G. H. Campbell, Alfred Menary and Harry White.

Mr. McKeown, who was the first speaker, stated that this was the first time in our history that candidates had the privilege of saying "ladies and gentlemen" upon an occasion of this kind. This was the first election in which the women of Ontario would have the right to vote just the same as the men. They had the right to vote on the referendum and also to say who they wished to represent them in the Legislature. The present was a vital time in the history of Canada. The country had just come through a most serious and trying time and had emerged from the crisis with honor and with the old flag still flying proudly. Dealing with the record of the Hearst Government Mr. McKeown pointed out that the present Administration had extended the rural school system and increased rural school grants to such an extent that the rural schools of Dufferin county now received over $5,000 a year in grants as compared with $1,700 a few years ago. The Ontario Administration aimed at an educated rural population. Discussing the subject of rural depopulation, which some critics charged up to the fault of the Government Mr. McKeown made the point that rural depopulation was taking place in the United States and even in Europe. It was not a condition peculiar to Ontario alone. Mr. McKeown gave the Conservative Government credit for breaking the school book ring and giving the people of Ontario the boon of cheap text books, praised the good roads policy of the Administration, and pointed out benefits that had resulted from the appointment of District Representatives and the inauguration of short courses in agriculture and stock judging. He stated that at the present time the Minister of Education had under consideration the question of establishing advanced agricultural courses in the High Schools and Collegiate Institutes of the province. There had never been a suggestion emanating from a farmer's organization that had not received every consideration from the Hearst Government. The speaker did not want to say a word against co-operation amongst the farmers and pointed out that the Government had assisted in the formation of 400 farmers' co-operative societies. Now that the farmers' movement had grown strong there had arisen a number of men who were attempting to swing the organization to suit their personal and selfish ends and to use it in a way that it was not intended that it should be used. Mr. McKeown reviewed the Government's war record and related the circumstances attending the introduction and passing of the Ontario Temperance Act as a war measure. Premier Hearst had declared that he was in favor of the retention of the Ontario Temperance Act, which was now an integral part of the policy of the Conservative Government in this province. Mr. McKeown criticized the recall system under which a U.F.O. member is compelled to resign if asked by the executive of the constituency he represents. According to Mr. Halbert a man could not stand on the U. F. O. platform if he retained a recollection of the fact that he had been a Grit or a Tory. What Mr. Halbert was virtually asking Conservatives to do was to forget Sir James Whitney and Sir John A. Macdonald and to erect a shrine to R. H. Halbert. Mr. McKeown declared that Mr. Slack had been a supporter of Sir Wilfrid Laurier's accredited representative, Mr. Dryden, in the last Federal election. He did not think Mr. Slack would need to worry about having to place his resignation in the hands of the U. F. O. executive, for in his opinion Mr. Slack would never get where his resignation would be asked for in good, honest, loyal Conservative Dufferin.

Alex. Macdonald remarked humorously that things had not been going right since his revered namesake and former chieftain, Sir John Macdonald, had passed away, and he thought the people had concluded that another man of the name was needed to put things right again. If he were only fifteen years younger he would be right in the fight. Mr. Macdonald pleaded earnestly for greater economy, declaring that the country could not stand the present pace of expenditure.

W. A. Wansbrough described the Hearst Government as the cleanest and most progressive Ontario had had in a long time. He would feel very badly indeed if the county of Dufferin should be handed over to a man who had supported Laurier at the last election. Every Wansbrough in Canada of military age was in khaki during the war and all except one who was under age had gone to France.

Dr. G. H. Campbell told of his descent from three generations of Conservative Campbells and said he was more proud and more satisfied to be a member of the great Conservative party than ever before. Dr. Campbell spoke at some length of the good roads policy of the present Administration, and when questioned as to his attitude on prohibition stated that he had not favored local option, but was in favor of prohibition because he did not think the people of Ontario should mix alcohol with their gasoline.

John Reburn felt highly honored to have his name come before the Convention as a possible candidate for the Legislature. He had climbed the municipal ladder and had been Warden of the County in 1915. He did not intend to make a political speech as he felt that the issues of the day had ben pretty well covered by the previous speakers. He was a farmer who lived on and worked his farm. If the Convention felt he would make an instrument to work out its purposes then take and use him. If it felt one of the other men would make a stronger candidate it should select him and the speaker would be right in behind the successful candidate. He was strongly in favor of temperance and had helped to carry the banner from Dufferin when the Committee of One Hundred presented its petition to the Government in Toronto.

Alfred Menary confessed that it had been his ambition for twenty years to represent his native constituency. He was going to let his name go before the Convention and get the nomination or else get the bee out of his bonnet, now and forever. He had been a farmer for 27 years, was now in the auto and hay business and had a chance to get out among the farmers the same as any of the other guys.

Dr. Berwick stated briefly that he was not a candidate.

Harry White told his hearers that he was the best Tory in the hall. He was a grandson of old Tory White of Mulmur. He could qualify for the nomination so far as his Conservative principles were concerned and was very sorry that business ties would not permit him to allow his name to go to the convention.

Messrs. McKeown, Dr. Campbell, Wansbrough, Reburn and Menary allowed their names to go to the ballot. The first vote was:—McKeown, 90, Reburn 73, Wansbrough 19, Dr. Campbell 14, Menary 13.

Dr. Campbell then withdrew and a second ballot was taken with the following result:— McKeown 104, Reburn 90, Menary 12, Wansbrough 8. Messrs. Menary and Wansbrough then pulled out and a third ballot was taken between McKeown and Reburn. The result of this we have already stated.

After the nomination had been made unanimous Mr. Reburn spoke briefly stating that he was very grateful for the support he had received from the delegates. He would do everything possible to secure his election, but reminded the Convention that he could not do all himself. He hoped that when the 20th of October came around the Conservative party would be successful in Dufferin and in the Province.

Farmers Buy Ford Trucks Because

they save labor, save time, save money.

The Ford Truck is the most general-purpose implement on the farm.

The farmer can get his breakfast at home, take his produce to market, and be home again for dinner.

He can command the highest prices for his vegetables and fruit because he gets them to market while the dew is still on them.

He can take his hogs, sheep and other stock to market, as well as haul roots, potatoes and apples from the field.

The Ford Truck brings the city to the farmer's door.

It solves the problem of the shortage of labor.

ELECTORS OF THE COUNTY OF PEEL

LADIES AND GENTLEMEN,---

The election of a person to represent you in the parliament of the province during the next four years will be held on Monday, October 20.

At the request of many friends, and with the unanimous nomination of the Liberal-Conservatives of the County, I am in the field as a candidate. I had hoped to be able to call upon the electors personally, but owing to the very short time between now and the date of the election, that is impossible. I therefore beg to solicit your votes and influence in the coming contest.

As I am not known personally to the large number who recently became citizens of Peel, I do not think it out of place that I should state the following facts: I was born in the County of Peel; I have been a farmer all my life, and am now working my 100-acre farm on Dundas Street, Township of Toronto; for five years I represented the people in the township and county councils, and was never beaten in an election. As Major of the Governor-General's Body Guard I went to Camp from year to year. When war broke out I organized the Cycle Corps, 250 strong, and took them to France, where they had a part in some of the great battles. After 11 months with the forces in France, I was sent to hospital incapacitated for further service.

I am a supporter of the Hearst Government, which has honestly and economically administered the affairs of the province.

The War is over. We are entering upon the reconstruction period. With my varied experience as a farmer, a councillor, and a soldier, I believe I can serve your interests well and if elected I will honestly endeavor to do my duty to the province whose sons did such valiant service for liberty and justice in the Great War.

Thanking you in anticipation, and with every good wish,

I am

Your Obedient Servant,

Thos. L. Kennedy

RHEUMATIC PEOPLE

Can Only Find Relief by Enriching the Blood.

Rheumatism is a disorder of the blood. It attacks people when the blood is overcharged with acid and impurities, thus setting up inflammation in the muscles and joints. Wet weather or cold weather of autumn may start the tortures of rheumatism, but is not the cause. The cause is in the blood and the blood only. Victims of this malady have every reason to fear the first dull ache in the limbs and joints, followed by sharp pains through the flesh and muscles; these are the symptoms of poison in the blood which may shortly leave the victim painracked and helpless.

There is only one way to cure rheumatism, and that is through the blood. Liniments, hot applications, and rubbing may give temporary ease, but cannot possibly root the trouble out of the system. That can only be done by the rich, red blood which Dr. Williams' Pink Pills actually make. This new blood drives out the poisonous acids and impurities, and the rheumatism disappears. If you are a sufferer from this painful malady begin curing yourself to-day by the use of Dr. Williams' Pink Pills, and see how soon the pains and stiffness of the joints fade away, leaving behind new energy and new health.

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

IT'S QUITE DIFFERENT

from ordinary ointments. That's why Zam-Buk succeeds when ordinary ointments fail. Mr. Theodore Ledey of Harrowby, Man., speaking of Zam-Buk says: "There is certainly nothing equal to Zam-Buk for skin injuries. I burned my leg very badly, and although I tried everything I knew of the sore refused to heal until I used Zam-Buk. Regular applications of the balm completely healed the place in a comparatively short time."

The reason for the wonderful healing power of Zam-Buk is that in addition to its antiseptic qualities, it is so refined as to be unusually penetrating. It is thus able to reach and destroy all germs deeply embedded in the sore, and to medicinally cleanse it. Until this is done, a sore either refuses to heal, or heals only to break out again. Then Zam-Buk's healing essences grow new skin, and the wound or sore is healed.

Not only for cuts, burns and scalds is Zam-Buk indispensable, but also for eczema, ulcers, scalp sores, salt rheum, ringworm, boils, pimples, blood-poisoning and piles. 50c. box.

TORTURED BY RHEUMATISM

"FRUIT-A-TIVES" Brought Quick and Permanent Relief

MR. P. H. McHUGH
108 Church Street, Montreal.

December 10th, 1917.

"I was a great sufferer from *Rheumatism for over 16 years*, I consulted specialists, took medicines, used lotions; but nothing did me good.

Then, I began to use "Fruit-a-tives"; and in 15 days, the pain was easier and the Rheumatism was better. Gradually, *"Fruit-a-tives" overcame my Rheumatism;* and now, for five years, I have had no return of the trouble. Also, I had severe *Eczema and Constipation*, and "Fruit-a-tives" relieved me of these complaints; and gave me a good appetite; and in every way restored me to health". P. H. McHUGH.

Sound, announce the engagement of their only daughter, Sarah Lousanna, to Mr. George William James, youngest son of Mr. and Mrs. M. A. James, Bowmanville, the marriage to take place quietly in October.

Mr. John Kennedy has sold the old Kennedy homestead on the O.S.R. Arthur Township, to Mr. Ferrier Bailey. The farm contains one hundred acres and was taken up by Mr. Kennedy's father from the Crown Lands, many years ago.

Something in the nature of a new record in land values was set for Arthur vicinity, when Messrs. John P. Kennedy, and Jas. B. Kennedy, of Bentinck Twp., purchased Mr. Wm. Johnston's 150-acre farm in Arthur Township for $12,000.

Rev. W. J. Taylor, who for the past four or five years has been the much esteemed pastor of Metz and Dracon Presbyterian Churches, has tendered his resignation to his boards of management. Mr. Taylor intends taking a postgraduate course in Toronto.

Work on the construction of the Provincial County Roadway between Owen Sound and Meaford came to a sudden stop when the men employed on the work east of Bothwell's Corners, about 30 in number, struck for a nine hour day at the same pay as they were receiving for 10 hours.

FREED AFTER SERVING 10 YEARS PUNISHMENT

MAN CONVICTED OF NEGLECT IS EMANCIPATED AFTER NEW TRIAL.

A case which deserves much thoughtful consideration is that of Wm. H. Barron, 103 Morgan Street, Bennington. For ten years Mr. Barron suffered the agonies caused by Rheumatism. At times he was bound hand and foot by the grip of Rheumatic pains. On the advice of a friend he stood for a new trial and used T.R.C.'s.

Read what he has to say:—

"I have been a sufferer from Rheumatism for ten years. Have been so bad at times I could not move hand or foot for months. A friend advised me to try Templeton's Rheumatic Capsules, and I have been thankful ever since. They worked wonders for me, and I have never felt any return of the disease."

It's practically impossible to obtain evidence stronger than this testimonial, and a word to the wise is always sufficient. If you suffer, have a new trial—use T.R.C.'s.

Ask your Druggist or write us for our new booklet; it is interesting and costs you nothing (Templetons, 142 King West, Toronto). We mail T.R.C.'s anywhere on receipt of $1.00.

GUARDING YOUR HYDRO SUPPLY

AT midnight the same as at noon; in January the same as in July, Nature's tireless force generates Hydro Power and places it at your command.

The Hydro-Electric Power Commission of Ontario has made possible its transmission. Regular inspections are made of transmission and feeder lines to prevent interruptions in service from avoidable causes. At the generating plants, and in this community itself the most modern appliances have been installed to prevent breaks in the circuit. But should some unavoidable occurrence impair the service, provisions have been made to restore it in the quickest possible time. The Commission, in its endeavor to aid the users of Hydro Power to secure the most satisfactory service, recommends the use of HYDRO Quality Lamps for home illumination.

HYDRO Quality Lamps are tested in the laboratories of the Commission for brilliancy, current consumption and durability. These vital features are assured to users of HYDRO Quality Lamps.

Paying Tell for Neglect

Needless exposure to damp and cold frequently result in a derangement of the Kidneys and Bladder.

When these important organs fail to do their duty, various evils arise, such as rheumatism, swollen hands and ankles, stiff joints, lumbago, sciatic neuralgia, stone in the bladder or gravel, excruciating pains in the back and sides, constant headaches, dizziness, specks floating before the eyes, uneasiness of mind without reason, and general debility.

These are signs of serious kidney and bladder trouble, which require immediate attention. The most dependable remedy is found in Gin Pills. They often prevent the operations which constant neglect may render necessary. They quickly and safely relieve congested kidneys, passing stone and gravel, healing and soothing inflamed organs and restoring them to normal. Thousands of letters from people who have been relieved are continually coming to us. Their writers often beg us to spread the good news to other sufferers that Gin Pills certainly and surely will bring the help they need. Send for free sample or go direct to your druggist or dealer 50c a box. Money refunded if relief not given.

It Helps Others Will Help Me

With This Belief Many Thousands Have Learned the Exceptional Value of Dr. Chase's Nerve Food.

You hear people talking about Dr. Chase's Nerve Food. You read about it in the newspapers. You wonder if it would benefit you. And while you are hesitating others are using it to great advantage.

This treatment for the restoration of the blood and nerves is so different to most medicines that you may not realize why you can be so certain of benefit from its use.

In order to maintain the vigor of the nervous system an abundance of pure, rich blood is necessary. When the nervous system becomes exhausted and you are easily tired and suffer from headaches, sleeplessness, irritability or indigestion, it is because the blood is failing to supply proper nutrition to the nervous system.

By forming new, rich blood, Dr. Chase's Nerve Food naturally and certainly restores the vigor of the nerves. Since it works hand-in-hand with nature, it cannot fail to be of benefit, and there is no reason why it will not help you just as it has the writer of this letter.

Mrs. Stephen G. Thwaites, Box 205, Jordan, Ont., writes: "For about a year I was troubled with nervousness, and took doctors' medicine, but it did not seem to relieve me. I could not sleep nor content myself to do anything. I had severe headaches, was tired all the time, and afraid to stay alone. I also tried several nerve medicines until almost discouraged. At last I discovered Dr. Chase's Nerve Food, and found relief in this. I had only taken one box when I began to feel better. I continued using this treatment until my nerves were restored to perfect health. I think the Nerve Food splendid for nervous troubles of any kind, and cannot recommend it too highly."

(Rev. S. F. Coffman, Vineland, Ont., states: "This is to certify that I know Mrs. Thwaites, and her statements are correct.")

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for $2.75, at all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

IN MEMORIAM.

In loving memory of my dear husband, George James McPherson, who passed away March 16th, 1919, at Regina Hospital, interred in Wadena cemetery:

"Thus saith the Lord; refrain thine eyes from weeping, and thine eyes from tears; for thy work shall be rewarded."—Jer. 31 : 15.

In health and strength you left your home,
Not thinking death so near,
It pleased the Lord to let you go,
And on His might appear.

The shock was great, the loss severe,
I little thought the end so near,
You were a husband, true and kind,
Your equal here is hard to find.

No loved ones stood around you
To bid a last farewell;
No word of comfort could you leave
To those you loved so well.

Oft, I think of you, dear husband,
And my heart is sad with pain,
All this world would seem a heaven
Could I hear your voice again.

Oh, dear husband, how I miss you
And my grief cannot be told;
But with joy I do remember,
You are safe within the fold.

The silent grief that's in my soul,
No human eye can trace;
For there's a broken heart lies hid
Behind my smiling face.

Time is kind and will soften our sorrow,
For the life that has heard the 'well done'
And I'll carry the cross all the braver
For the joy of the crown he has won.

Not now, but in the coming years,
It may be in the better land
I'll read the meaning of my tears
Some time, some day, I'll understand.

Farewell, Husband, thou did'st leave me,
Peaceful be thy silent rest,
Thou art only gone before me,
Thou will meet me with the blest.

His Sorrowing Wife.

Has Done Good Work

Ontario Temperance Act A Great Benefit to Province

THE Ontario Temperance Act has reduced crime by over one-third and drunkenness in public has practically disappeared.

Alcoholic insanity has disappeared.

Gold cures and alcoholic institutes for treating alcoholism have been closed for lack of patients.

Ontario has been saved an annual drink bill of $36,000,000, enough to pay our share of interest on the War Debt.

Many victims of alcohol three years ago, thank God to-day for the Ontario Temperance Act.

Abraham Lincoln

"The Liquor traffic is a cancer in society, eating out the vitals and threatening destruction, and all attempts to regulate it will not only prove abortive but will aggravate the evil. It must be eradicated—not a root must be left behind."

To repeal the Ontario Temperance Act would be a calamity. The amendments would make it practically worthless. To every question on the Referendum vote NO.

Drink is a Cancer

Doctors, Alienists, Criminologists, Insurance Actuaries, Statesmen, Generals, Big Business Men, and Social Workers agree that alcohol as a beverage is a racial poison and a national curse.

British Columbia, Alberta, Saskatchewan, Manitoba, Quebec (excepting beer and wine), New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland have enacted prohibition.

The United States is permanently "dry."

France has abolished absinthe. Scotland has now a local option law, England is initiating a great campaign for temperance reform. The movement is world wide.

Ontario must go forward, or be left behind, but be careful

ELECTORAL ADDRESS OF

THOS. K. SLACK

THE DUFFERIN FARMERS' CANDIDATE

WHO BELIEVES IN AND STANDS FOR

A Square Deal for All

Cutting Down Profiteering — Abolishing All Patronage

Civil Service Reform — Direct Legislation

Public Ownership and Operation of Public Utilities

TO THE ELECTORS OF DUFFERIN

LADIES AND GENTLEMEN,—

Selected by a representative and well attended convention of the Farmers and Others, Electors of the Riding of Dufferin, I come to you as their candidate to represent this Electoral District in the Legislative Assembly of Ontario, where there are at present only 17 Farmers in a total of 111 Members. I am a Farmer, and I wish it to be thoroughly understood that I am an Independent Farmers' Candidate, with a free hand to support any measure that I may deem to be in the interest of the Farmer, the Laborer, or any Industry, or Class, or Person in the Constituency.

I have had considerable experience in Municipal life, having been Clerk of the Township of Melancthon for the past eight years.

While there are measures that should be enacted in the interests of Agriculture, we claim that through their enactment the whole country will benefit. But I prefer to present to you, as my platform, measures which are of direct interest to every citizen.

I SHALL SUPPORT AND ADVOCATE

1. The Public Ownership and Operation of Railways, Telephones, and other Public Utilities. The principle of Government ownership of all public utilities will destroy combines which now fatten the few and impoverish the many. It will remove the most prolific source of corruption from our body politic. It will assure a more equitable distribution of wealth. It will prevent the idle living in luxury while the man who labors in whatever branch of industry will receive the full reward of his efforts.

2. That no more natural resources be alienated by the Government, but that the same be preserved and developed under public control for the benefit of the whole people.

3. Direct Legislation upon all important questions through the Initiative and Referendum with the right to Recall any Member of Parliament who ceases to represent the wishes of the Electors.

4. Such a complete Reform in the Civil Service system as will free it from the debasing influence of party patronage, and make both appointment to, and promotion in, the service dependent alone upon merit; and the abolition of the whole Patronage System in all expenditures of Provincial monies.

5. On the question of Temperance, at present the burning question of the day, I stand firmly on the U.F.O. pronouncement on this issue, which goes further than any declaration yet made by either of the old parties.

6. To provide equal educational opportunities through the Consolidated Schools for all the children of all the people by greatly extending and improving educational facilities in the rural districts.

Upon the principles and platform above set forth I appeal for your cordial support.

I will endeavor before election day to see as many of you as possible, but in this Constituency it will not be possible to see all. Come out to the meetings and discuss the public questions of the day.

THOS. K. SLACK

DUFFERINS DEFEATED.

Bracebridge won from Orangeville in the final game for the Ontario Amateur Lacrosse Association intermediate championship at Scarboro' Beach on Wednesday afternoon of last week. For the Dufferins the game was a hard one to lose. They had play very much in their favor in the opening quarter, more than held their own in the two succeeding periods and then allowed their opponents to snatch the victory away from them in the final twenty minutes. At three quarters time the Dufferins were leading by a score of 5 to 4 and looked the stronger team of the two, but in the last playing period the greenshirts seemed to go to pieces and were only able to get a single goal while their opponents ran in no less than five, making the score at full time 9 to 6 in favor of Bracebridge. The winners were in better condition to stand the hard, gruelling pace, and it was probably their form more than anything else that enabled them to play the Dufferins almost to a standstill in the closing minutes of the game. Cushing had the hard luck to get ruled off in the final period and it was while the husky and clever defense man was on the fence that the Bracebridge home got in its deadly work.

The game was a great struggle between two clever and evenly matched teams. It attracted an immense crowd, the majority of whom were there to cheer for the Dufferins. Enthusiasm was at fever height and the cheering from the crowded stands was terrific at times. Many supporters of the Dufferins made the journey to the city by auto and a large contingent went down by special train, which left here about 11.15 a.m. The story of the game is well told by the Mail & Empire as follows:—

"If anyone thinks that lacrosse is not going to come back they would have been disillusioned by the splendid crowd that attended the fray. Orangeville brought a special train load of fans to cheer their team, and the Bracebridge team was also well supported, together with many fans from Toronto, Weston, Brampton and other interested points. Bracebridge have not had nearly as many games as Orangeville this season, and in the early stages of the contest their wildness was very noticeable, but they gradually straightened away and when the final tussle came their old fighting spirit which has carried them through to many lacrosse honors did not desert them. Orangeville reached the final by winning their group, defeating St. Mary's in the second round, and Weston in the semi-finals. Bracebridge won from Orillia in their group, eliminated Aurora in the second round, and through a bye in the semi-finals reached the final.

The game opened at a very fast pace and two minutes after they got under way, Bert Brown passed across to his brother, Blythe, and he bulged the net. For some time then the game settled away and both goals were in danger time and time again, but Orangeville took a big lead when Bert Brown combined with Keith for another goal. In the closing minutes of the period, Orangeville were unfortunate not to tally a couple of times, but erratic marksmanship and good goal-tending prevented. Therefore on commencing the second quarter, Orangeville were two goals to the good, but H. Boyer regained one of these on a long shot. Two minutes later Anderson cutting in front of the goal took a pass and slammed the ball into the net tying the score. For the next five minutes the battle waged from one end of the field to the other, until finally Jack McDonald broke loose and put Bracebridge in front. The joy of the northerners knew no bounds at this stage, but just before the period ended Keith and Blythe Brown combined and a long shot tied the score.

That Tying Goal.

Soon after the third quarter started Blythe Brown put his team in front once more after a nice piece of work, but it took Jack McDonald fully eight minutes to equalize on a long shot from well outside the defence. This put both teams on their mettle again, but there was no withstanding the Brown Bros.' combination, and when brother Bert slipped one across to brother Blythe the answer was seen in the goal judges ruling, leaving the score 5 to 4 in favor of Orangeville.

Everything pointed to Orangeville winning out at this stage, but really the issue hung on the team to score the first goal. Bracebridge did that when P. Joque beat Booth with as pretty a shot as one would wish to see finding the net as he knelt on the ground, after toppling over from a body check in front of the net. This success was the turning point in the game, and there was no stopping his team-mates from there on. A few minutes later after several narrow escapes, a nice piece of combination saw Paisett put Bracebridge in front, and a minute later P. Joque hit the top bar of the net, but it went over the bar. The Orangeville defence kept crowding back under the attack, and soon Booth was trying to save a storm of shots, but finally from a scramble in front of the net B. Bastedo secured and tallied. Then P. Joque came through again and tricked his check for a nice shot, which was successful. Stevenson was tearing up and down like a wild man at this stage, trying to stem the tide, and his efforts were rewarded eventually with a goal. Keyed up by a chance to come back, Orangeville redoubled their attack, but the Bracebridge goalie proved too good, and just before the final whistle P. Joque was through again for the concluding tally. The teams and officials were:

Bracebridge — Goal, J. Joque; point, S. Boyer; cover, C. Bailey; 1st defence, B. McDonald; 2nd defence, H. Parlett; centre field, P. Joque; home field, J. McDonald, F. Anderson; outside home, B. Bastedo; inside home, W. Bastedo; spares, H. Boyer, C. Arnot, D. Joque, R. Joque.

Orangeville—Goal, B. Booth; point, J. Cushing; cover, S. Cranston; 1st defence, A. Black; 2nd defence, R. Scott; centre field, E. Stevenson; home field, W. Ewing, H. Keith; outside home, Blythe Brown; inside, Bert Brown; spares, W. Vanwyck, V. Dedrick, H. Firth.

Referee—Leonard Smith, Toronto. Umpire—Jas. Labbatt, Toronto.

A REFERENDUM RALLY.

The temperance people of Orangeville and district will hold a big Referendum Rally in the Orangeville Opera House on Wednesday night, October 15th. Mr. John C. Miller, of Orillia, one of the most effective temperance speakers in Ontario, will be the chief speaker. Mr. Miller spoke here during the local option campaign and made a profound impression on his audience. He should have a crowded house when he comes next week. Opposition speakers are invited and will be given a fair share of the time. Musical programme is being arranged. Orangeville Citizens Band will play before the meeting.

LOCAL NEWS

—This is the second day of Erin **Fall Fair.**

—It is always safe to send a Dominion Express Money Order. Five Dollars costs three cents.

—Auction Sale of Choice Holstein cows on Mr. Herbert Taylor's farm, lot 24, 3rd line, west, Chinguacousy, on Friday.

—The safe and sane course for every temperance voter is to vote "No" on each of the four questions on the referendum ballot.

COMING SOON — "MICKEY." Watch for it. One night only.

Mrs. J. A. M. Alley, of Toronto, and Miss Mary Sheppard, of Elora, were visitors of Mr. and Mrs. F. Marshall, 1st Ave., this week.

—Mrs. Walker has sold her brick dwelling house on Second St. to Mr. S. A. McCartney. The sale was made by Auctioneer J. B. Irwin.

—Manning W. Doherty, U. F. O. candidate in Peel, will hold a public meeting in the English church hall in Mono Mills on Friday night.

—Mrs. C. R. Clarke has sold her property on Zina St. to Mr. Angus Norris. We understand the deal was made through T. G. Legate.

—Interest in the referendum vote is growing keen. Dufferin County is well organized and should give a splendid account of itself on the 20th.

—Mr. Jas. Kinsley, of Beeton, formerly of Mono, sold the alsike seed off 25 acres of land to Mr. H. J. Law, a Beeton seed buyer, for $4,306.75.

—Mrs. C. R. Clark has sold her property on Zina St. to Mr. Angus Norris, who will get possession about Nov. 1st. The sale was made thro' T. G. Legate.

—The Baby Welfare Exhibit held in the Library Auditorium last Thursday and Friday under the auspices of the Women's Institute created a good deal of interest.

—Meetings in the interests of Maj. Kennedy, the Conservative candidate in Peel, will be held in Mono Mills on Saturday night and in Caledon on Monday night.

—If the Ontario Temperance Act was necessary as a war measure, it is just as necessary during the troubled and difficult reconstruction period through which we are now passing.

—Every woman voter should exercise her right to vote on the referendum on the 20th. Vote "No" on all four questions and help to make Ontario a better and cleaner place to live in.

—The Bracebridge-Orangeville lacrosse match will be shown in the Gem Theatre on Monday and Tuesday nights next. The pictures show the players in action and give the full story of the game in detail.

—Dufferin nomination meeting will take place in the Orangeville Opera House on Monday next from 12 o'clock noon until 2 p.m. Nominations will be received by the Returning Officer, Mr. Jack Aiken.

—Mr. D. Sawyer, West Broadway, had a couple of the fingers of his left hand severely crushed in one of the machines in the Dods Knitting Mill one day last week.

—Mrs. Geo. Young, Centre Road, Caledon, who was operated on in Lord Dufferin Hospital last Thursday, is making satisfactory progress under the care of her physician, Dr. Thomas.

—Mr. Herbert Taylor will hold an Auction Sale of 30 Holstein Cows on lot 24, 3rd line, west, Chinguacousy, near Cheltenham, on Friday, October 10th. See advt. elsewhere in this issue.

—To bring back the bar-room or countenance a return of the liquor traffic in any form would be a long step backward. The people of Ontario are too progressive to make a backward move on this all important question.

—Mr. Jos. Chambers has sold his fine farm, the e½ lot 24 and part of lot 23, con. 2, east, Caledon, to Mr. A. Coles, who will get possession next spring. The deal was put through by Geo. Wilkins, Real Estate and Insurance Agent.

—Mr. John Johnston has sold his 175 acre farm near The Maples to Mr. W. H. Martin, who will get possession next March. Price $8500. The sale was made by Mr. J. B. Irwin. Mr. and Mrs. Johnston are coming to Orangeville to live.

—Mr. John Curry, Prince of Wales St., had the misfortune to have the back of his left hand severely gashed in a power cutting box on Tuesday. Twelve stitches were required to close the wound. Fortunately the bone of the hand was only scraped.

—Mr. T. H. Coulter, one of our real estate agents, has bought the McFarland property on East Broadway and expects to move across the street to his new premises about the New Year. Mr. Coulter will be pleased to have his old friends and customers call on him in his new place of business.

—Mr. M. H. Reid, 2nd line, west, Mono, has sold the north half of his farm to Mr. John Ledlow and the south half to Mr. William Jackson. The sale gives each of the purchasers a 150 acre farm. The deal was put through by Mr. J. B. Irwin. We understand that Mr. Reid intends to retire.

—Mr. Chas. Scott, Melville Cross, an old and widely known resident of Caledon, passed away about noon yesterday. Deceased was 77 years of age. Funeral from the house of his son-in-law, Mr. J. E. Adams, lot 24, 2nd line, west, Caledon, to the Forest Lawn Cemetery at 2 o'clock Friday afternoon.

Miss Ella Matthews, who returned to Canada from overseas about three weeks ago, has been spending a week with her uncle and aunt, Mr. Jos. Matthews, of Mono, and Mrs. S. Mossop, John St. Miss Matthews, who is a daughter of Mr. John Matthews, of Maple Creek, Sask., was nursing in England and France from March, 1917, until a short time before she sailed for Canada. She did much of her work behind the fighting line and was as close to the front as Nursing Sisters were allowed to go. The young lady left for Toronto on Friday night and will leave for her home in the West shortly.

TEMPERANCE MEETING.

A meeting of the County of Dufferin Referendum Committee and of all temperance workers who can make it convenient to attend will be held in the Auditorium of the Orangeville Public Library at 10 o'clock a.m. on Monday next, October 13th. An effort is being made to have Rev. Capt. Harper, the District Organizer, present to address the meeting. Members of local committees and all other workers throughout the county are specially invited to be present. A good representation of the ladies is also hoped for.

"MICKEY", A COMEDY.

There are thrills, laughs and tears in "Mickey," the great comedy, which will be given in the Orangeville Opera House on November 3rd. Every one knows "Mickey." She is fast becoming a household word. She is on the lips of the whole world. You'll be singing, dancing and playing "Mickey". Powerful, smashing, gripping, that's "Mickey" a great triumph of the screen. Thrill upon thrill and every thrill in these suspense incidents is just a little better than the last. There are climaxes that fairly bring you to your feet with sheer enthusiasm. You'll laugh, you'll cry. There is not a dull moment in the entire production. You will forget all your business worries and troubles as "Mickey" carries you through her wild and lovable career. "Mickey" will be shown in Orangeville for one night only with special matinee. Plan open at Banner Office on Saturday, October 25th.

MRS. CLARK FEELS 10 YEARS YOUNGER.

Before Taking Tanlac She Often Cried Over Her Condition, She Says.

"I dont beligve I could have kept up much longer if it hadn't been for Tanlac," said Mrs. Henrietta Clark, of 278 Weburn Avenue, Bedford Park, North Toronto, Ontario.

"My trouble began when I lost my appetite," she continued, "and I just had to force down what little I did eat, and after eating I would be in great distress for hours. My nerves were in a dreadful state and my system became terribly run-down. I could hardly sleep at night and would get up feeling so weak and exhausted that I could hardly go up and down the stairs, and I would become so despondent at times over my condition that I would just break down and cry. I was on the verge of a breakdown and felt miserable all the time.

"I had not taken Tanlac but for a short time before I became so much better that I actually feel ten years younger. My appetite is fine now. I eat heartily of every thing and nothing hurts me at all. I am well and strong enough now to do all my housework and going up and down stairs never bothers me at all."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

A valuable mare belonging to Mr. John Skelding, of Shelburne, got tangled up in some way in the stable the other morning and hanged herself.

The home of Mr. and Mrs. George Prentice, Con. 9, West Luther, was the scene of a pretty wedding on Wednesday, September 24th, when their daughter, Anna Beatrice, was united in marriage to Mr. John Elgie son of Mr. and Mrs. James Elgie, of Amaranth. The ceremony was performed by Rev. W. G. Richardson, in the presence of about thirty relatives and friends.

CALEDON FAIR.

Good Attendance Despite Numerous Counter Attractions.

Names of Prize Winners in the Various Classes.

Considering the number of counter attractions, which included Acton and Shelburne Fall Fairs and the Orangeville-Weston lacrosse match in Orangeville, the attendance at Caledon Fall Fair on Wednesday, September the 24, was very satisfactory indeed. The number of people on the grounds was actually a little larger than last year, when the Fair management did not have the hard luck to run up against any counter attractions, such as the ones to which allusion has just been made.

Entries in the main hall were not so numerous as usual, but the exhibits were nearly all of superior quality. Lack of time in which to get exhibits ready for the Show was the chief cause for the falling off in the number of entries. The McMillan Clothing Co., of Orangeville, made an attractive special display of men's and boys' ready-to-wear clothing, overcoats and fur and fur-lined coats. J. C. Kentner, of Orangeville, had a fine display of musical instruments and was also the exhibitor of an interesting collection of photographs. Mr. Martin, the Brampton piano dealer, was on hand as usual with a showing of pianos, and had the satisfaction of selling one of his instruments during the Fair.

The Tractor demonstration proved very interesting and was one of the appreciated features of the Fair. There were two tractors, a Fordson and a Chase, actually at work plowing on the grounds. The Canning demonstration proved a source of great interest to the ladies. On the other side of the big tent the Baby Welfare exhibit in charge of Miss McKay, of Toronto, representing the Provincial Board of Health, created general interest. Unfortunately the doctor, who was expected did not attend as advertised, but the Directors of the Society wish it understood that this was not their fault.

The horse classes were not any too well filled, but there was an exceptionally good showing of cattle and sheep. Frank Johnston, a farmer living south of Caledon, captured the Silver Challenge Cup with his fine grey team. A classy little pair of Shetland ponies and a nobby pony outfit driven by Miss Cluffe attracted much attention and came in for a whole lot of admiring comment. The races were fairly good, but perhaps not as keenly contested as some of the spectators would have liked.

Bolton Citizens Band furnished music throughout the afternoon. The many details in connection with the Fair were well looked after by Mr. W. J. Atkinson, the Secretary, who proved himself a capable and energetic official.

THANKSGIVING CONCERT.

A Grand Concert will be given in St. Andrew's church, Camilla, on Thanksgiving Night, Monday, Oct. 13th, under the auspices of the Ladies' Aid Society of the church. Mrs. Alex. Cameron, of Toronto, elocutionist and dramatic reader, will entertain and will be assisted by Mrs. (Rev.) P. C. Howard, Mrs. Edgar Jackson, Miss Berniece Leighton and Mr. J. H. Sloan, soloists, and Misses Browne, Fleming and Marshall, pianistes. Short addresses will be given by Mr. T. K. Slack, U.F.O. candidate, and the local clergy. Chair will be occupied by Rev. Wm. Coutts, B.A. Admission, adults, 35 cents; children, 15 cents.

USED FOR SHAVING.

Many men are troubled, more particularly in the cold weather, with a sort of roughness of the skin or eczema caused by shaving. The application of Dr. Chase's Ointment after the shave soon cures the trouble and by using it after each shave you keep the skin soft and prevent irritation and soreness. Because of its antiseptic qualities this ointment prevents and cures Barber's itch.

A CLOSE CALL.

Miss E. King, music teacher, met with a severe accident at the C. P. R. station at Bolton on Tuesday morning of last week. She was crossing the main line to reach the southbound passenger, when the engine of a northbound train struck her. She was thrown clear of the track and after being carried into Mr. Douglas' residence was found to have sustained a couple of broken ribs, a scalp wound and to be badly shaken up. Miss King was later removed to a hospital. She is well known in Orangeville, being a daughter of Mrs. T. T. King, who moved to Toronto a short while ago, and her many friends hope for a speedy recovery.—Enterprise.

MARRIED.

IN MEMORIAM.

In loving memory of Pte. Walker A. Jenkins, No. 3,352,524, 15th Reserve Batt., who died of influenza in Bramshott Military Hospital, October 9th, 1918:—

One year has passed, our hearts still sore,
As time goes on we miss him more;
One of the dearest, one of the best,
We miss him most who loved him best.

Oftimes we sit and think of him,
When we are all alone,
For memory is the only thing
That grief can call its own;

Some day we hope to meet him,
Some day we know not when,
We shall clasp his hand in a better land,
And never part again.

Pictures Are Not Always Truthful

SOME MAIL ORDER HOUSES FIND THEM VERY USEFUL IN THEIR BUSINESS.

CAN "DOCTOR" PHOTOGRAPH

Concerns Can Give Wrong Impressions With Illustrations While Sticking to Truth in Descriptions.

(Copyright, 1917, Western Newspaper Union.)

"Figures never lie," it has been claimed, but this is far from the truth. The defaulter, who has "doctored" his books in such a way that he has escaped detection for years, knows that figures can be made to lie. The shrewd politician, who knows how to juggle statistics, knows that they can be made to tell a story that is far from the truth.

But there is another medium of expression which is also supposed to be a stickler for truth, but which is a greater prevaricator than figures. That is a picture. A picture of any person or thing, supposedly, is an exact reproduction of the original, but this is frequently only a wild supposition. The photographer who did not make his picture tell a little fib now and then would soon go out of business from lack of patronage.

Pictures Better Than Words.

Pictures have come to occupy a very important place in the life of the world in recent years. It has been said that for newspaper purposes a picture which tells its story strikingly is worth more than columns of written words on the same subject. Newspapers and magazines have realized the truth of this fact and as a result pictures are used profusely in illustrating the news and fiction of the day.

No one has been quicker to realize the possibilities of the picture when properly—or it might be said improperly—used, than the mail order man. He has realized that a picture will do more to sell his kind of merchandise than a column of words and figures. One reason for this is that it is harder to catch a picture in a lie than it is printed words and figures. For instance, if you sell a man a table on the strength of a printed statement that it is 48 inches wide and if when the table reaches the customer it is only 36 inches wide, the customer not only has a moral right to kick, but he has a legal right to accuse the seller of obtaining money under false pretences. However, if the customer buys a table which looks in a picture to be 48 inches wide, but which proves upon its arrival to be only 36 inches wide, he has no legal grounds upon which to base a complaint if the seller has not told him in so many words that the table was 48 inches wide.

Stick to Truth in Figures.

Some unscrupulous mail order houses have taken advantage of this selling power of pictures in a very ingenious way. They adhere strictly to the truth in the actual measurements given in their catalogues of the articles which they have to sell. They may employ descriptions which exaggerate the qualities and appearances of the articles offered, but when it comes down to actual measurements the descriptions given are technically correct. Then these concerns rely upon their pictures to sell the merchandise, realizing that a picture will make a far deeper impression upon the mind of the prospective buyer than the actual figures given. A picture of a wide, roomy bed will attract the eye and the reader probably will not stop to measure off the width of the bed as it is described in the catalogue to see whether it is as wide as desired. Figures, in the abstract, mean little to the average reader and do not convey the impression that is given in the picture.

A former manager of a mail order house tells how his concern manipulated pictures in this way to suit its purposes. It had pictures of its chairs retouched so that the legs seemed to be an inch and a half in diameter, when they were really less than an inch. It made narrow beds appear in the picture to be wide and comfortable. Posts of iron beds that were really an inch in diameter were made to appear as if they were three inches in thickness. These things are easy for any competent artist to do.

Patrons Had No Recourse.

This concern, however, adhered rigidly to the truth in the measurements included in the descriptions. Customers who found, when they received their goods, that they were not what they expected, could kick, but it would do them no good. The mail order house could show that it had set forth the measurements truthfully in catalogues, and there was no recourse for the customer.

Thee is no question but that pictures will lie, sometimes without any manipulation, and the person who buys an article of merchandise from a picture is taking big chances, even though the picture is not intentionally altered to give a wrong impression. Any amateur photographer knows from experience how the camera often will give a wrong idea of proportions.

The only safe method is to buy from the local merchant where one sees the article itself and not a picture of it. The article itself cannot lie about its dimensions, at least.

COMING SOON — "MICKEY." Watch for it. One night only.

A FLESHERTON FIRE.

An exciting hour was passed in Flesherton on Sunday forenoon when it was learned that W. L. Wright's large store was on fire. Smoke was seen pouring out of the upper storey about 10 o'clock. A crowd soon gathered and a pail brigade was formed, consisting of men, women and children, and a fight was put up to save the building such as is rarely seen. The fire was in the third storey. As it was impossible to mount the stairway to get at the fire a hole was smashed through the ceiling with a ladder and men mounted and dashed water through the opening thus made, and in this way gradually fought back the fire, which had gained considerable headway, and eventually subdued it. The roof was on fire in one place and a hole burned through, but this was also extinguished, and the building was saved. A large area of the upper floor was burned and considerable damage resulted to the stock below from smoke and water.

Everything pointed to Orangeville winning out at this stage, but really the issue hung on the team to score the first goal. Bracebridge did that when P. THE STERLING BANK OF CANADA

"ASK OUR MANAGER"

It is every farmer's duty to his country as well as being profitable to himself to increase his operations and produce as much as possible.

If this requires financial assistance consult the Sterling Bank manager.

THE STERLING BANK OF CANADA

A couple of farmers in the Bolton district had wonderful returns from their sweet clover crops. Mr. W. Allan received over five thousand dollars for his seed and Mr. C. L. Gott something over three thousand dollars.

SINCE 1870 SHILOH 30 DROPS STOPS COUGHS

Wesley postoffice, East Luther, has been closed by order of the department. People will now get their mail from Conn or Colbeck by rural delivery.

Mr. Joseph Rendall has sold the old Harvey farm containing two hundred acres on the 16th of Peel township to Mr. Duncan Worden, of Grand Valley neighborhood. The price is reported to be $13,000.

Mrs. Jas. Baird, Dundalk, sent to the office of the Dundalk Herald, a bunch of lilac blossoms, which she picked from a bush at their residence. The bush is fairly well covered with bloom and is of course a second growth.

A SEPARATE BRANCH.

With the continued progress of the Union Bank of Canada it is announced that the sub-branch of the bank at Caledon will no longer be operated under the direction of the Erin branch but as a separate branch. Mr. G. B. Clark, of Dundalk, has been appointed manager at Caledon and takes over his new duties immediately. Mr. C. K. Overland, of the West Lorne branch, has been appointed teller-accountant at Caledon.

With the establishment of a branch at Caledon as a separate branch the Union Bank of Canada now has 375 branches throughout Canada.

The Caledon branch will be the third branch of the Union Bank of Canada in the county of Peel, this little chain in itself rendering a convenient community banking service to the customers of the institution. In the immediate district are the neighboring branches at Erin, Hillsburg, Orton and Guelph, in the county of Wellington and Brampton, Cooksville and Caledon in this county. With these seven branches in the immediate district the Union Bank of Canada is well represented and in a position to offer its fullest services to the up-building of the communities in which it is represented.

A quiet house wedding took place at 16 Glenlake avenue, Toronto, the residence of Mr. and Mrs. James Timney, formerly of Shelburne, when their second daughter, Willmina, was married to Charles Chester Nichol, late of B Company of the original 4th Battalion, the ceremony being performed by Rev. J. Ewing Reid, of Alhambra Presbyterian Church.

Everyone Who Bought Canada's Victory Bonds Made Money.....

EVERY one of the million and a half subscribers to Canada's Victory Bonds knows that he can sell them today for more than he paid for them.

Every one who bought Canada's Victory Bonds has received 5½ per cent. interest per annum—paid twice a year.

Over half a million Canadians who bought Canada's Victory Bonds on the instalment plan saved money that they would not otherwise have saved.

The guarantee back of Canada's Victory Bonds is the same as the guarantee back of a One Dollar or a Two Dollar bill. There is this difference, however, that you get interest on the Victory Bonds and you don't on the One or Two Dollar bill.

Canada's Victory Bonds will always be accepted as security for a loan.

Banks are ready to loan money on Canada's Victory Bonds.

Canada's Victory Bonds may be turned into cash at any time.

There is no other way in which you can invest your money with such absolute security—paying such a good rate of interest.

Canada will soon give her citizens an opportunity to buy Victory Bonds 1919. It will probably be the last chance to buy Canada's Victory Bonds on such favorable terms.

Prepare to buy as many Victory Bonds this time as you now wish you had been able to buy the last time

THE NOMINATION.

Reburn and Slack Will Contest Dufferin For the Legislature.

There was a fairly large attendance of the electors of Dufferin at the Nomination Meeting held in the Orangeville Opera House on Monday afternoon. The hall was about three-fourths filled during the speaking. Judging by the applause the sympathies of the audience were pretty well divided between the rival candidates. The two candidates and their speakers were accorded a quiet and attentive hearing, although there was plenty of applause whenever either side scored a telling point. At two o'clock it looked as if the lady electors were going to be conspicuous by their absence, but probably a score of the gentler sex came in after the speaking started. Most of them sat the meeting through to the finish and seemed to be just as keenly interested in the proceedings as were the menfolk.

The formal nomination proceedings, which were in charge of Mr. J. M. Aiken, the Returning Officer for the County, lasted from 12 until 2 o'clock. The only candidates placed in nomination were John Reburn, the nominee of the Conservative party, and Thos. K. Slack, who was placed in the field by the United Farmers of Ontario about a month ago. Geo. Best, of Mulmur, was named as agent for the former and Wm. G. Noble, of Melancthon, will act in a like capacity for Mr. Slack.

Mr. Aiken was appointed chairman for the public meeting which followed the formal nomination. Each of the candidates spoke at considerable ength. They were followed by Messrs. C. R. McKeown and John Best, M.P., for Mr. Reburn and ex-Reeve J. A. Marshall, of Mono, and Mr. R. J. Woods, of Corbetton, in behalf of Mr. Slack.

Mr. Slack, who had commenced speaking before any ladies entered the hall, regretted the absence of ladies from the meeting. He had only been on the political platform in Dufferin on one occasion prior to the present time. He appeared today as a farmer, the candidate of the farmers in response to the general feeling amongst farmers that there should be more agriculturists in the legislature of the province. He had always been of the opinion that the office should seek the man and not the man the office, and had only consented to allow his name to go before the U. F. O. convention as a candidate in response to strong pressure from the electors of the county. Reviewing his political record Mr. Slack stated that he had been a staunch Conservative and a strong supporter of the late Hon. Dr. Sproule when Melancthon formed a part of East Grey. He had also supported the late Dr. Barr in Dufferin up to the time of the Patron movement, when he voted for Mr. William Dynes on two occasions. He had afterwards again supported Dr. Barr, was a supporter of Mr. Wansboro in the election against the late Dr. Lewis, supported Mr. Woods in his three campaigns and voted against conscription on principle in the last Federal election. Mr. Slack explained that he had opposed conscription because it was only the boys who were conscripted. He was in favor of conscripting wealth and the foreigners of Canada at the same time that the Government conscripted the boys of military age. Although he had voted against conscription as a matter of conscience, he had been active and had given freely of his time and means toward patriotic work. The speaker pleaded for a clean, above board election and expressed the hope that when it was over Mr. Reburn and himself would still be staunch friends no matter which might be elected. He denied that he was following paid agitators and maintained that the farmers had the same right to be in politics as any other class of citizens. In Dufferin the U. F. O. was charged with being a Grit organization. In other parts of the Province and by the Toronto Globe it was charged with being favorable to the Conservatives. As a matter of fact the organization was independent in its attitude to the two old political parties. Mr. Slack referred to the small representation of farmers in the House and then quoted statistics to show the serious decrease in the rural population of Dufferin. Twenty eight years ago Amaranth had a population of 2896. In 1918 this had decreased to 1894. The figures quoted for other municipalities were East Garafraxa 1917 decreased to 1240, East Luther 2015 to 1047, Mono 3600 to 1895 and Orangeville 4146 to 2259. Mr. Slack told his audience that the U. F. O. was not exclusively for the benefit of the farmers, but wanted to co-operate with the people of the towns and villages for their mutual benefit and to curb the great corporations and monopolies by means of public ownership. The U. F. O. candidate referred to the benefits from the Hydro system, dilated on the differences between Sir Adam Beck and other members of the Administration and made a plea for economy in public expenditures. He stated that he had always been a strong supporter of temperance, was behind the soldier boys and wanted to see everything possible done for them in the way of the gift of public offices and such gifts or money allowances as the country could afford to vote them. Touching the Recall, which is one of the planks of the U. F. O., Mr. Slack stated that his resignation would be placed in the hands of the County Director, Mr. R. J. Woods, to be handed to the Speaker of the House upon petition asking for his resignation signed by 60 per cent of the electors of the constituency and approved of by the U. F. O. executive. The Recall system he stated was the truest form of democratic government. Mr Slack concluded with a plea f support and stated that if he w elected he wanted to be the ser of all the people of the Count Dufferin.

John Reburn was in the f the nominee of the Conservat ty in the County of Duffer had aways been a staunch tive and did not see why he should be anything else. He stood squarely on the platform of the Hearst Administration. The Administration policy provided for the greatest possible assistance to agriculture in every form, the faithful enforcement of the people's verdict on the liquor question, vigorous support of hydro development and the boon of cheap electric light and power for the farmers, good roads reaching to all parts of the province, special consideration to returned soldiers and a progressive educational policy providing for technical and agricultural instruction throughout the province. The Administration which he supported had taken its stand for a broad and general system of agricultural education through the medium of agricultural colleges and schools, the appointment of agricultural representatives, School Fairs and agricultural instruction for boys and girls in the public schools. Mr. Reburn contended that the farmers of Ontario had received more representation and more generous consideration from the Hearst Administration than from any former Government. Dealing with the question of good roads he pointed out that the expenditure on roads had increased largely since the present Administration took hold of the reins of office. In 1918 the revenue from motor vehicle licenses had reached the large sum of $1,200,000. Some people thought that this license money should come bac kto the municipality from which it was collected, but 75 per cent of the fees were collected from urban municipalities. As it was the entire revenue from auto licenses was applied to the improvement of rural roads. This was another instance of the way in which the Hearst Administration was looking after the interests of the farmers. Mr. Reburn referred to the project to establish consolidated schools, which he stated was a move along progressive lines. He paid attribute to Hon. Dr. Cody, describing the Minister of Education as a man who was on his job. Any Government that would take its political life in its hands on the prohibition question in the way the Hearst Government had done was entitled to the support of every temperance elector. He had always supported temperance legislation and when the Committee of One Hundred marched to Queen's Park, he was one of the men who helped carry the banner for Dufferin County. He believed the extending of the franchise to the women was only a fitting recognition of the services they had rendered and the great sacrifices they had made in the war. Mr. Reburn had no quarrel with the U.F.O. but believed that any representative sent down from the County of Dufferin should be big enough and stand on a platfrom broad enough to represent all classes of the electorate. He had always been a farmer, was a farmer still and thought he understood the needs and aspirations of the people of Dufferin.

Mr. Reburn was followed by Mr. J. A. Marshall, who expressed strong dissatisfaction with the system of political patronage. Mr. McKeown then spoke at considerable length for Mr. Reburn. Mr. R. J. Woods continued the verbal duel for Mr. Slack and was followed by John Best, M. P. Mr. Slack was given five minutes to reply to the charges of his opponents before the close of the meeting.

THE LATE CHAS. SCOTT.

In the death of Mr. Chas. Scott, which occurred in Lord Dufferin Hospital about noon on Wednesday of last week, the township of Caledon has lost an old and highly respected resident. On the Friday previous to Mr. Scott's death symptoms of blood poisoning developed from a slight scratch on one of his fingers. On the advice of his physician he came to Lord Dufferin hospital on the following Monday, and his death took place in that institution at the time already stated. Deceased, who was 77 years of age, was born in Louth, Lincolnshire, England, and came to Canada with his parents when only five years old. His father, the late George Scott, settled at Melville Cross 60 years ago and operated an oatmeal mill in that village for a number of years. The subject of our sketch also followed milling in his earlier years, but for the last quarter century has devoted himself largely to gardening and fruit growing. He was an expert gardener and fruit grower and had been well-known for many years as an extensive and successful exhibitor at Orangeville, Caledon and other fall fairs in this district. He was one of the founder of the Caledon Agricultural Society and had been an exhibitor at the Orangeville Fall Fair for 54 years without a break. He was also a regular exhibitor at Orangeville Fall Fair every year since the Society was first formed. Mr. Scott was a nearly life Methodist and a Conservative, with strong Independent leanings. He was a man who was highly respected for his sterling honesty and his sturdy independence of character. He was a lifelong temperance man and a staunch supporter of any movement for temperance reform. His wife, Miss Elizabeth Gale before her marriage, died in April 1907. His loss will be mourned and his memory cherished by seven sons and four daughters. These are Miss Annie Scott, teaching school near Arthur; Mrs. Ernest Scott, of Caledon, Mr. Ed. Bower, Veteran, Alta., Geo. Scott, Coldwater, Thomas Scott, of Toronto, Mrs. Albert Bailey, Russell, Reggie Scott, in Galt, eran, in Calgary, Harold, of Vet- New alta., Alvin, of Horne Payne, the Ontario, and Fred., attending Tor School of Practical Science in ed Toronto. The three sons last mentioned served overseas during the war. Mr. Henry Scott, of Melville Cross, is the only surviving brother. The funeral, which was by motor, was held from the home of his son-in-law, Mr. J. E. Adams, 2nd line, west, Caledon, to the Forest Lawn Cemetery last Friday afternoon. Rev. (Capt.) J. F. G. Morris, of Alton, conducted the services and four sons, Geo., Thos., Reggie and Fred Scott, and two sons-in-law, Messrs. Ernest Adams and Albert Bailey, were the pallbearers.

ELECTORAL ADDRESS OF

JOHN REBURN

Liberal-Conservative Candidate for Dufferin

LADIES AND GENTLEMEN,—

At a largely attended convention of the Liberal - Conservative Association held at Shelburne on Thursday, the 2nd inst., I received the nomination to contest the approaching election. This convention was composed very largely of farmers and, being a practical farmer, I was chosen as the candidate. Having accepted the nomination I respectfully solicit the votes of the electors of Dufferin and trust my platform will appeal to you. In the first place I may say that I have been a practical farmer all my life and it therefore follows that I am thoroughly familiar with the requirements of the agricultural class and if you honor me with your confidence on the 20th day of October, you may rest assured that I will put forth every effort possible both in and out of the Legislative Assembly to promote the interests of the people of the County of Dufferin. I will give a general and generous support to the Administration of Sir William Hearst, but reserve my independence regarding any question that I may consider not to be in the best interests of the electors of Dufferin.

For the information of those who may not know me personally I wish to say that I have served my fellow-citizens of Mulmur as Councillor and Reeve and served the people of Dufferin as Warden of the County in 1915, and my record as a public servant speaks for itself.

It will be impossible for me to see every elector before the date of polling, much as I would like to, but I shall endeavor to see as many as I can.

Again appealing to you for your support in this contest and thanking you in anticipation of being elected your representative and promising to do my very best to advance and safeguard your interests, I remain

Yours truly,

JOHN REBURN.

ELECTORS OF THE COUNTY OF PEEL

LADIES AND GENTLEMEN,---

The election of a person to represent you in the parliament of the province during the next four years will be held on Monday, October 20.

At the request of many friends, and with the unanimous nomination of the Liberal-Conservatives of the County, I am in the field as a candidate. I had hoped to be able to call upon the electors personally, but owing to the very short time between now and the date of the election, that is impossible. I therefore beg to solicit your votes and influence in the coming contest.

As I am not known personally to the large number who recently became citizens of Peel, I do not think it out of place that I should state the following facts: I was born in the County of Peel; I have been a farmer all my life, and am now working my 100-acre farm on Dundas Street, Township of Toronto; for five years I represented the people in the township and county councils, and was never beaten in an election. As Major of the Governor-General's Body Guard I went to Camp from year to year. When war broke out I organized the Cycle Corps, 250 strong, and took them to France, where they had a part in some of the great battles. After 11 months with the forces in France, I was sent to hospital incapacitated for further service.

I am a supporter of the Hearst Government, which has honestly and economically administered the affairs of the province.

The War is over. We are entering upon the reconstruction period. With my varied experience as a farmer, a councillor, and a soldier, I believe I can serve your interests well and if elected I will honestly endeavor to do my duty to the province whose sons did such valiant service for liberty and justice in the Great War.

Thanking you in anticipation, and with every good wish,

I am

Your Obedient Servant,

Thos. L. Kennedy

PAINFUL NEURALGIA.

Is Caused by Thin, Watery Blood and Cured by Enriching the Blood.

Most people think of neuralgia as a pain in the head or in the face, but neuralgia may affect any nerve in the body. Different names are given to it when it affects certain nerves. Thus neuralgia of the sciatic nerve is called sciatica, but the character of the pain and the nature of the disease are the same. The cause being the same, the cure to be effective must be the same. The pain in neuralgia is caused by starved nerves. The blood which carries nourishment to the nerves has become thin and impure and no longer does so, and the pain you feel in the cry of the nerves for their natural food. You may ease the pains of neuralgia with hot applications, but you can only cure the trouble by enriching and purifying the blood. For this purpose we know of no medicine that can equal Dr. Williams' Pink Pills. These pills actually make new rich blood and thus act as the most efficient of nerve tonics. If you are suffering from this most dreaded of troubles, or any form of nerve trouble, give these pills a fair trial, and see how speedily you will be restored to good health.

You can get Dr. Williams' Pink Pills from any medicine dealer, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

LAUREL

Miss Jennie Richardson spent Thanksgiving at her home in Laurel.

Mr. Robt. Pratt of the Medical College, University of Toronto, is also spending the week-end in the village.

Mr. Herbert Couch, of the University of Toronto Schools, passed the holiday with Mr. and Mrs. W. R. Grosskurth.

Misses Lena and Gladys Russell with some Toronto friends are spending a short vacation with their parents.

The many friends of Mr. J. A. Hughes were very sorry to hear of his recent illness and they wish him a speedy recovery.

Thanksgiving services were held in the Laurel Methodist church last Sunday. Both services were well attended, in the evening the church being crowded to capacity. Rev. Mr. Morris, of Alton, delivered two eloquent sermons.

A meeting to discuss the Consolidated School question was held on Tuesday night of last week. Mr. Liddy and others gave very instructive and convincing addresses on Consolidation.

The C.P.R. are about to erect stock yards at Laurel station to meet the shipping demands of the farmers of this section. It is to be hoped that the long-standing need of an agent at Laurel will soon be recognized.

Mr. and Mrs. A. D. Harrison entertained some Toronto friends over Thanksgiving.

TEACHERS' INSTITUTE.

Excellent Programme at Annual Meeting in Shelburne Last Week.

The Dufferin Teachers' Institute met in Shelburne, October 9th and 10th, Mr. Thornley opened the meeting with reading of the scripture and prayer. Afterwards a few well chosen words he welcomed the teachers and offered them, so far as it was in his power, the freedom of the town.

Miss Belle Oldfield, the President, gave a splendid paper on ideals to be held up before the pupils and placed emphasis on patriotism and goodness.

The following teachers gave addresses: Miss Pearl Clarke, Miss Mabel Rayfield, Miss Margaret Shepherdson, Miss Sadie Rayburn, Miss Gertrude D. Alkenhead, Mr. C. W. Hutcher, Captain James E. Cosgrove, Mr. William L. Dixon, Captain E. H. Glenn.

Seldom has the Institute been favored with such helpful addresses, papers and practical lessons. It was a great pleasure to listen to speaker after speaker expounding his or her subject or instructing a class and one could not resist a feeling of pride and satisfaction that the teaching profession has in it such a large number of ladies and gentlemen of real merit.

The Shelburne Band serenaded the teachers as they gathered for the open meeting in the Town Hall at eight o'clock on Thursday evening. The large audience evidently expected a treat and they got it. The program was a success from start to finish and consisted of readings, vocal and instrumental music. Mr. Mills occupied the chair in his usual graceful manner.

Dr. Merchant gave the address of the evening on the subject 'Reconstruction, Conservation, and the Teacher's Part in Education.' The Doctor is a forceful and logical speaker and his presentation of the fundamental principle in conservation, which he stated was service, was listened to with intense interest. A vote of thanks was tendered to the speaker, the entertainers and the citizens of Shelburne for their hospitality.

The programme on Friday was one of direct interest to teachers and trustees. Unfortunately the weather prevented a large attendance of the latter. Trustees and others took part in the programme.

The Conventon was instructed and delighted with two lectures and a Fourth book lesson to a class from Mr. S. J. Ratcliffe, B.A., Principal of the Toronto Normal School. Every teacher present must have felt stimulated for better work when schools open after the holiday. Inspector Liddy in moving a vote of thanks to Mr. Ratcliffe said the addresses were excellent, but that this word did not quite convey his appreciation of Mr. Ratcliffe's work so he would call them excellent plus and hoped the Department would send him back at no distant date.

Rev. H. H. Eaton advocated the election of trustees at the same time and place as municipal officers.

Mr. George Best gave a clear and convincing address on the benefits of 'Consolidation of Schools.' The discussion was ably carried on by Mr. Robert Fife and Mr. E. C. Thompson. Mr. Mills advocated the Consolidation of some of the surrounding sections with Shelburne.

Both teachers and trustees expressed the opinion that if we are to retain in the profession the teachers we have trained and attract thereto the best talent salaries must advance very considerably. At present, it was shown, that the teaching profession is the poorest paid and hence no financial inducement to enter it.

The feature of trustees and teachers getting together is a good one and should be practised oftener.

During the course of the Institute the teachers advocated and favored the formation in the Province of a Teachers' Union to be governed by an executive selected from the teaching profession. All were opposed to a Union for 'Strike Purposes' as this is beneath the dignity of the profession. Teachers would sooner quit as many are doing at the present time owing to insufficient remuneration for the services rendered.

A committee was formed to plan experimental work in Agriculture in Dufferin Schools.

A motion was passed to form a committee that would draft a series of prizes for children and to present the list to the Directors of Orangeville, Shelburne and Grand Valley Fall Fairs for consideration. These prizes are to be given for school work including Agriculture, Household Science, Manual Training, Farm Mechanics, Judging with a reason therefor, etc. for awarding the prize, etc.

Inspector Liddy showed how trustees, where the section assessment was between sixty and one hundred thousand dollars, could raise the salary of their teacher from $650 last year, to $800 this year, and only make an additional tax on the section of $15. This is due to the sliding scale adopted by the Department in giving the Special Grant of last Session on salary paid. He believed if this were properly explained by the teacher to the trustees every section would be willing to pay the extra $15 and give each teacher this year the benefit of the grant that will be paid this year.

The officers for next year are:—
Captain E. H. Glenn ..... President
Miss Alma McConnell ..... Vice-President
Inspector Liddy ..... Sec.-Treas.
Misses Porter and McGillivray .... Auditors

The following are the members of the committee on Uniform Promotion Examinations:—Captain A. Firth, Misses Rayburn, Cooke, Greig, McKitrick, and Mr. Nodwell.

CONSOLIDATED SCHOOL FOR AMARANTH.

Representatives from the following school sections, viz: Laurel, Salem, Whittington, Klondyke, Farmington, Bowling Green and Waldemar Branch, met together in Laurel, on Tuesday night, October 7th to discuss the possibilities of a Consolidated School for Amaranth Township.

It is proposed to incorporate the abovementioned sections, each of which at present has a separate school, into one large and efficient institution in a central and convenient location in the township.

It is felt by many that there is a pressing need for further educational facilities in rural districts. At the meeting Inspector Liddy and Rev. Mr. Reddon pointed out that through the medium of a Consolidated School, not only could the public school work be more efficiently accomplished, but also an opportunity could be given for those desiring a High School education. The time has come when the girls and boys of the rural sections must be given an opportunity in no wise inferior to that afforded children in the towns and cities in order that they may be able to cope with the demand for trained and educated men and women which is being felt throughout the Dominion to-day. Undoubtedly, as Mr. Liddy explains, the most feasible and at the same time most economical solution of this problem is the Consolidated School. In this manner the child is afforded all the advantages of a High School education, without sacrificing the invaluable influence of Home life.

Mr. Liddy, in his address, spoke only with the interests of education at heart, and it should be plainly understood that this is a matter to be decided by the people and that it is not in any sense being forced upon them by the Inspector.

A meeting of the appointed representatives from the various school sections will be held in the Township Hall, Laurel, on Thursday night, October 16th, to further consider the matter and to provide means for bringing the question to the attention of the people of the different sections concerned.

MONO COLLEGE.

The regular monthly meeting of the Mono College Women's Institute was held at the home of Mrs. Mesce Cruikshank, Blind Line, Mono, on October 2nd. A number of the members were unable to be present, but several visitors were gladly welcomed. The splendid paper given by Mrs. W. Sproule, of Orangeville, who took for her subject, "The Rights of Children" was much appreciated by all and it is to be regretted that more of the members were not present to hear it. The making of jellies and suggestions for Institute work were then discussed, and music by the hostess on the pathephone completed the program. Lunch was then served and a pleasant social half hour was spent.

TORONTO COUPLE BOTH GRATEFUL.

Holman Says He Believes Tanlac Saved His Life—Wife Joins In Praising It.

"I actually don't believe I would be alive today if it hadn't been for Tanlac," said John Holman, of 163 Cherrington street, Toronto, Ont. "I had suffered from nervousness and stomach trouble for about two years," he continued, "I had no desire to eat and was wasting away to nothing. I suffered terribly from indigestion, my nerves went all to pieces and I became so weak that I couldn't do a lick of work. Many a night I would be unable to sleep a wink and would get up feeling so weak and nervous I could hardly drag myself around.

"I tried all kinds of medicines but got no better. Finally my wife induced me to try Tanlac, so I got a bottle and it certainly has done me a world of good. My appetite is great and I can now eat anything without having indigestion afterwards, my nerves are stronger and I sleep fine all night and feel better and stronger than I have in a long time. I have gained some in weight, too, and my wife and I both feel so grateful for what Tanlac has done for me that we want everybody to try this wonderful medicine. Why, I simply wouldn't be without it for anything."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

ALTON.

What promises to be an exceptionally fine concert will be given in the Alton Town Hall on Friday night under the auspices of the Alton Women's Institute. The programme will be provided by Albert David, tenor, Percy David, comedian, Loula David, contralto, Jean Greig, soprano, and Malcolm Wood, who will give instrumental solos on the piano, Hawaiian guitar and ukulele. The artists are all Toronto people and are talented entertainers, who can be counted on to furnish a high-class programme.

Proceeds of concert will be used to help pay the salary of the School Nurse for Peel County. Admission has been placed at 50 and 35 cents. Plan of hall at Lovell's Butcher Shop.

IN MEMORIAM.

In ever loving memory of Private Joseph S. Halbert, 2nd C. M. M. G. Bdge., who was killed in action at Cambrai the night of October 8th, 1918:—

He died in the service of his country
He sleeps in France with the Empire's best
There in the glorious morning of their days
For the Empire's sake they lost all but an Empire's praise

Let—

Ontario's Golden Era

Continue

PROGRESS—PERFORMANCE—PROMISE

IF we have given worthy service during the trying time of war, may we not be relied upon to serve the nation faithfully and well in hastening the time of still greater prosperity and happiness? As we have begun, so we will continue; fearless in the discharge of duty and ever alert in the service to the people. Conscious of our shortcomings, and grateful for the opportunities we have had to serve our Province, we submit our record with confidence to the electors for their consideration and approval, and ask from a united people a mandate to carry on the Government of this Province.

WAR WORK

Ontario gave in men 232,893; in contributions $54,532,168; to Victory loans $540,465,550. Ontario provided 50 per cent. of Canada's war effort. The Ontario Government spent in war work over $10,000,000; maintained in England the most efficient military hospital in Europe; furnished club houses for the soldiers in London and Paris; made gifts of food and guns to the Mother Country; made large grants to the British Red Cross, Belgium, Serbian relief and other worthy patriotic objects. Ontario's war effort has made the name of Ontario resound in every corner of the world.

EDUCATION

Ontario's educational system is designed to provide the most efficient training possible for the boys and girls who are to become the future citizens of the state. Under the leadership of the Minister of Education no expenditure has been denied to accomplish this purpose. Generous grants have been made for agricultural, technical and vocational training; returned soldiers are encouraged to enter the teaching profession; teachers' salaries have been raised and a superannuation scheme inaugurated. This year nearly $4,030,000 will be spent on education in Ontario.

HYDRO-ELECTRIC

Hydro is to-day the most extensive public-ownership enterprise of its kind in the world. Since its inception Hydro-Electric has saved to the consumers of electric power in Ontario over fifty millions of dollars. Hydro displaces annually 5,000,000 tons of coal. Hydro develops and distributes 350,000 horse power to over 230 municipalities, 175,000 domestic consumers and 6,000 customers for power; The Queenston-Chippewa undertaking will provide an economical development of 400,000 horse power, and the prospective ultimate development in the whole Province is over 1,000,000 horse power.

AGRICULTURE

The agricultural industry in Ontario is in a prosperous and thriving condition. Appropriations in 1904 amounted to $475,000; in 1919, $1,675,000. Last year the value of the farm products of Ontario was $550,000,000, and the value of the combined farm assets was one and a half billion dollars. Within the last three years ten thousand farm mortgages have been paid off. Encouragement has been extended to every branch of the industry, education has been fostered, and social conditions have been improved. Agriculture has receive the "earnest and unremitting attention of the Government."

FINANCE

In 1904 the income of Ontario was $4,464,000; in 1913 it was $11,188,302; in 1918 it was $19,270,123. This has been accomplished without resorting to direct taxation—apart from the war tax, which has been repealed. Out of this revenue the Government has returned to the people in larger grants, $3,807,000 for Education; $1,676,235 for Agriculture. The public services have been enlarged and ample grants have enabled important public duties to be undertaken.

HIGHWAYS

Good roads add wealth and comfort to rural life. The highway improvement programme of the Ontario Government is applied to both urban and rural districts. A complete system of roads, including provincial roads, provincial county roads, county roads and township roads with a mileage of 12,500 miles, has been worked out and will be constructed. The entire motor license revenue, with a large amount added, will be spent annually on this work.

LABOR

Ontario's industrial leadership in Canada has been maintained by broad and effective labor laws. Under the Workmen's Compensation Act $10,000,000 has been paid out in awards. Special safeguards have been provided for female and child labor. A minimum wage in Ontario is assured, and a direct representative of Labor will sit in the Cabinet. Free employment agencies have been established, and technical education has been encouraged.

HEALTH

Ontario's public health service is not excelled on the continent. Public health education, child welfare, sanitary engineering service, and the free distribution of antitoxins and serums have conserved life and prevented epidemic. A scheme of pensions for mothers is to be established. The Provincial Board of Health supplied all the typhoid vaccine used by the Canadian troops in the war. This feature of the work has brought about a saving of over $100,000 a year to the people of the Province.

As a war measure the Ontario Temperance Act was so passed, suspending for the duration of the war the retail sale of liquor. The promise was given that as soon as the war was over the whole question of the character of the liquor legislation of Ontario would be submitted to the people by Referendum, and the will of the people would prevail. *This promise is now being fulfilled.*

PROMISE

Greatest possible assistance to Agriculture—Faithful enforcement of the Referendum—Support of Hydro-Electric; cheap light and power for the farmer—Convert railway branch lines into Hydro radials—Good roads in every part of Ontario—State pension fund for mothers—Direct representation of Labor in the Cabinet—A minimum wage—Housing accommodation—Legislation implementing the findings of the National Industrial Conference—Consideration to returned soldiers with Cabinet representation—Educational progress, technical and agricultural instruction—Improved transportation in Northern Ontario—Timber conservation—Encouragement in mining development—Enlargement of Ontario's free public health service.

DOCTOR PRAISES ZAM-BUK

"For sixteen years," writes Dr. A. P. Shibley of Washington, D.C., "I have used Zam-Buk in my practice, and am convinced that there is nothing to compare with it for skin troubles, from roughness and irritation to chronic skin diseases. Zam-Buk, without a doubt, has wonderful curative properties, and when I have occasion to recommend a balm to my patients, I always recommend Zam-Buk. I have found the results from its use to be perfectly satisfactory."

Members of the medical profession are noted for their caution in recommending a remedy—only doing so when they have absolute confidence in it. The fact that Zam-Buk is so highly recommended by doctors the world over, and that in Dr. Shibley's experience it has stood the test of sixteen years' constant use, puts it, undeniably, in a class by itself.

In the home, in the office, shop and factory, on the farm and when travelling, Zam-Buk should be kept always handy. It is indispensable for all sores, eczema, boils, ulcers, blood-poisoning and piles, as well as for cuts, bruises, burns and scalds. All dealers 50c. box.

A quiet wedding took place at the home of Mr. Geo. Squirrell, east of Horning's Mills, Wednesday, Oct. 1st, when Rev. J. A. Black, pastor of Horning's Mills Presbyterian Church, performed the ceremony that united in marriage Miss Isabel Mews, daughter of the late Wm. Mews, and Milton McCann, of Mulmur, son of Robt. McCann, of Whitfield.

ASHLEY–MORRISON.

St. Mary's Church, Tullamore, was the scene of a pretty wedding on Wednesday, October 1, when Mabel B., daughter of Mr. and Mrs. A. J. Morrison, Mono Road, was united in marriage to Melvin T., youngest son of Mr. and Mrs. R. B. Ashley, of Brampton. The ceremony was performed by Rev. A. P. Kennedy, of Beeton, a former rector at Tullamore. The bride was given away by her father, the wedding march being played by Mrs. Endacott, of Orangeville. The bride wore a neat travelling dress of navy blue, a black hat with ostrich trimmings, and white fox furs. She wore a corsage bouquet of roses. Both were unattended. The church was beautifully decorated with autumn leaves and ferns. The brother of the bride, and Mr. Aubrey Grey acted as ushers. During the signing of the register Miss Lillian I. Ashley, of Toronto, sang "Because." After the ceremony the bridal party adjourned to "Willowdale," the home of the bride's parents, where a reception was held. The house was beautifully decorated for the occasion. After a bounteous wedding supper, during which a number of the friends of the happy couple made short addresses, Mr. and Mrs. Ashley left amid showers of rice and confetti, by motor for Brampton, where they took the 8.45 train for Toronto and other points. The presents to the bride were numerous and valuable. The wedding was attended by the relatives and immediate friends of the contracting parties, among whom were Sheriff and Mrs. Endacott, of Orangeville, Mrs. Hannah Endacott, of Vancouver, Miss Van Blaricom, of Toronto, Mr. and Mrs. W. Hopkins, of Orangeville, and others.—Enterprise.

Dan McCormack, of Swinton Park, was caught in the belt of a buzz saw and had his left arm completely wrenched off; his leg broken, and some ribs fractured.

A Kitchener young man found peeping into the room of three young women was fined $50 and costs after spending the week-end in the cells.

A transfer of managers was made last week in the Dundalk Branch of the Union Bank. G. B. Clarke, who has conducted the bank's business in Dundalk, has taken charge of the new branch opened at Caledon. Mr. C. A. Farrell has arrived from Stirling to assume the duties of manager in Dundalk.

INSTITUTE FAREWELL.

On Wednesday night of last week Marsville Women's Institute at a meeting at Mrs. W. B. McGowan's, bade an affectionate farewell to Mrs. W. W. Warnock, who for some years has been a most efficient and painstaking worker, and who is shortly coming to Grand Valley to reside. Miss Annie Everson read a very complimentary address to Mrs. Warnock, referring to her activities in the Institute, and the inspiration she roused in various social agairs and wishing her continued pleasure in Grand Valley. Miss Beatrice Nodwell presented Mrs. Warnock with a gold pin. The address bore the signatures of Mrs. W. A. Donaldson, President, and Mrs. S. Price, Secretary.—Star and Vidette.

That Canada faces a winter of more unemployment than since 1914-15 is the opinion of Bryce M. Stewart, head of the Labor Department's employment bureau.

LOOK!

If you were told of a new discovery for the treatment of coughs, colds and bronchitis, as certain in its action on all chest troubles as anti-toxin is on diphtheria, or vaccination on small-pox, wouldn't you feel like giving it a trial?

Peps is the discovery!

Peps are little tablets, containing certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapour, and are at once breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence their work of healing.

FREE TRIAL Cut out this article, write across it the name and date of this paper, and mail it (with 1c. stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps, 50c. box.

How to say "No!"

Mark Your Ballot with an X after Each Question under the word "No"

		YES	NO
1	Are you in favour of the repeal of the Ontario Temperance Act?		X
2	Are you in favour of the sale of light beer containing not more than two and fifty-one one-hundredths per cent. alcohol weight measure through Government agencies and amendments to The Ontario Temperance Act to permit such sale?		X
3	Are you in favour of the sale of light beer containing not more than two and fifty-one one-hundredths per cent. alcohol weight measure in standard hotels in local municipalities that by a majority vote favour such sale and amendments to The Ontario Temperance Act to permit such sale?		X
4	Are you in favour of the sale of spirituous and malt liquors through Government agencies and amendments to The Ontario Temperance Act to permit such sale?		X

Above is an exact reproduction of the Referendum ballot, showing the correct way to Vote in order to sustain the Ontario Temperance Act as it stands.

Everybody should study the four questions and realize exactly what they mean. Do not be misled by the insidious demand for "light" beer.

The beer of the ballot is 118% stronger than the Ontario Temperance Act now allows, and over five times as strong as the limit allowed for beer defined as non-intoxicating in Great Britain and the United States.

Answer Each Question

1. Unless you vote on every question your ballot is spoiled.
2. You must mark your answer to each question with an "X" only. Anything else would spoil your ballot.
3. Unless a majority vote "No" on question 1 the bars will be restored and the sale of all kinds of intoxicants permitted.
4. Unless a majority vote "No" on questions 2, 3 and 4 the Ontario Temperance Act will become almost worthless.
5. The only SAFE course is to mark your ballot as shown above.

"No!"—Four Times—"No!"

No repeal; No government beer shops; No beer saloons; No government whiskey shops.—Four X's, each under the word "No."

"A Joan of Arc Machine"

"THE withstood everything in the field and above all was, and still is, the last and only car to survive until the cessation of hostilities"—Extract from letter received by Ford Motor Company from a British Soldier, in Africa.

Over shell-torn roads, through water soaked fields, second only to the tanks in its power to climb debris and crater holes, the Ford car made a world famous record in the fighting area of the great war. In press despatches, in field reports, in letters, in rhyme and song the praises of the Ford were sounded.

In France	-	700 cars out of 1,000 were Fords
In Italy	-	850 cars out of 1,000 were Fords
In Egypt	-	996 cars out of 1,000 were Fords
In Mesopotamia		999 cars out of 1,000 were Fords

The Ford power plant that established this world-wide record in every theatre of the war remains the same. It will be in the Ford you buy.

Ford Runabout, $660. Touring, $690. On open models the Electric Starting and Lighting Equipment is $100 extra. Coupe, $975. Sedan, $1,175 (closed model prices include Electric Starting and Lighting Equipment). Demountable rims, tire-carrier and non-skid tires on rear as optional equipment on closed cars only at $25 extra. These prices are f. o. b. Ford, Ont., and do not include War Tax.

ELECTORAL ADDRESS OF

THOS. K. SLACK

THE DUFFERIN FARMERS' CANDIDATE

WHO BELIEVES IN AND STANDS FOR

A Square Deal for All

Cutting Down Profiteering — Abolishing All Patronage

Civil Service Reform — Direct Legislation

Public Ownership and Operation of Public Utilities

TO THE ELECTORS OF DUFFERIN

LADIES AND GENTLEMEN,—

Selected by a representative and well attended convention of the Farmers and Others, Electors of the Riding of Dufferin, I come to you as their candidate to represent this Electoral District in the Legislative Assembly of Ontario, where there are at present only 17 Farmers in a total of 111 Members. I am a Farmer, and I wish it to be thoroughly understood that I am an Independent Farmers' Candidate, with a free hand to support any measure that I may deem to be in the interest of the Farmer, the Laborer, or any Industry, or Class, or Person in the Constituency.

I have had considerable experience in Municipal life, having been Clerk of the Township of Melancthon for the past eight years.

While there are measures that should be enacted in the interests of Agriculture, we claim that through their enactment the whole country will benefit. But I prefer to present to you, as my platform, measures which are of direct interest to every citizen.

I SHALL SUPPORT AND ADVOCATE

1. The Public Ownership and Operation of Railways, Telephones, and other Public Utilities. The principle of Government ownership of all public utilities will destroy combines which now fatten the few and impoverish the many. It will remove the most prolific source of corruption from our body politic. It will assure a more equitable distribution of wealth. It will prevent the idle living in luxury while the man who labors in whatever branch of industry will receive the full reward of his efforts.

2. That no more natural resources be alienated by the Government, but that the same be preserved and developed under public control for the benefit of the whole people.

3. Direct Legislation upon all important questions through the Initiative and Referendum with the right to Recall any Member of Parliament who ceases to represent the wishes of the Electors.

4. Such a complete Reform in the Civil Service system as will free it from the debasing influence of party patronage, and make both appointment to, and promotion in, the service dependent alone upon merit; and the abolition of the whole Patronage System in all expenditures of Provincial monies.

5. On the question of Temperance, at present the burning question of the day, I stand firmly on the U.F.O. pronouncement on this issue, which goes further than any declaration yet made by either of the old parties.

6. To provide equal educational opportunities through the Consolidated Schools for all the children of all the people by greatly extending and improving educational facilities in the rural districts.

Upon the principles and platform above set forth I appeal for your cordial support.

I will endeavor before election day to see as many of you as possible, but in this Constituency it will not be possible to see all. Come out to the meetings and discuss the public questions of the day.

THOS. K. SLACK

Melancthon, Sept. 30, 1919.

THE CHIEF OF POLICE WINS.

On Friday Chief of Police Arnott received word that a young man named George Hanna, of Toronto, was wanted in Harriston on a charge of taking a couple of club bags and personal effects of two other young fellows with whom he had been working for the McLean Publishing Co. Hanna arrived here Thursday night, did some driving in the vicinity, and was in the hotel when the message came. He at once went to the livery stable got a horse and was about to leave when Constable Arnott requested him to stop a little longer. He placed him in a room thinking the young chap would remain for a time but in a short time he was out of a window and away. Shortly afterwards a merry chase started across a couple of farms the young fellow being found covered up in an oat bin in Ed. Irvine's barn. He was a sorry looking spectacle when brought to town, completely fagged out and dirty. That night an officer came from Harriston and took him back. The young fellow saw service over in France and was wounded. He is a very respectable looking chap, quite accomplished, and able to play the piano with more than ordinary ability. He keenly felt his position at the last.—Star and Vidette.

LOCAL NEWS

—The many friends of Mr. J. J. Laverty are pleased to see him on the street again after his severe illness.

—The safe and sane course for every temperance voter is to vote "No" on each of the four questions on the referendum ballot.

—Mr. Harry Ainsworth, a returned soldier, is now engaged as travelling salesman with Mr. J. C. Kentner, The Orangeville Music Store.

And this Victory Loan this Fall.

—Owing to pressure on our advertising space considerable correspondence and other news matter has been held over until next issue.

—Mrs. Thos. Hostrawser has sold her 100 acre farm, lot 23, con. 4, Amaranth, to Mr. James Rintoul, of Black's Corners, for $8,500.

COMING SOON — "MICKEY." Watch for it. One night only.

—Alton bachelors are holding a big dance in the Alton Town Hall on Friday evennig, October 24th. The Mason orchestra will provide the music.

—A well attended Slack meeting was held at Violet Hill on Tuesday night. The speakers were the candidate and Messrs. J. A. Marshall and W. A. Henry, of Mono.

—Mr. James Rintoul has sold his 100 acre farm, part of Lot 18, 6th line, Amaranth, to Mr. John J. Sproul, one of his neighbors. Mr. Sproul paid $5400 for the property.

—When ordering goods by mail send a Dominion Express Money Order.

—George Gray has sold his brick residence on Parson St. to William Lamb, of Margaret St., who will get possession this fall. The sale was made through Geo. Wikins, real estate agent.

—Dr. W. H. Bowles has sold his fine brick dwelling house on West Broadway, to Wm. Guest, of Ballycroy. Mr. and Mrs. Guest are retiring from the farm and will move to town shortly.

—Every woman voter should exercise her right to vote on the referendum on the 20th. Vote "No" on all four questions and help to make Ontario a better and cleaner place to live in.

—To bring back the bar-room or countenance a return of the liquor traffic in any form would be a long step backward. The people of Ontario are too progressive to make a backward move on this all important question.

—Chas. G. Hughson, of the Blind Line, Mono, has purchased the T. J. Harshaw farm on the Prince of Wales Road from Mrs. Harshaw for $8,000. Wm. Passmore, butcher on Broadway, has had the farm rented since last spring.

COMING SOON — "MICKEY." Watch for it. One night only.

—Mr. Robt. Lawson, of Caledon, had a successful Auction Sale last Friday. A good crowd attended the sale and satisfactory prices were realized for practically everything that came under the hammer. Cows sold as high as $120 each. Auctioneer J. B. Irwin conducted the sale in his usual satisfactory manner. Mr. and Mrs. Lawson are moving to town.

—Pay your out-of-town accounts by Dominion Express Money Orders. Five Dollars costs three cents.

—Last week Mr. Wm. Leggett, of Ballycroy, advertised in The Banner for nine head of stray cattle. A couple of days after the paper was out Mr. Leggett got word of his cattle through the advt. and eventually recovered seven of them on the Prince of Wales Road in Mono. A red steer and a red heifer are still astray and Mr. Leggett would be glad to learn of the whereabouts of either, as he thinks they have probably become separated.

WELL SATISFIED WITH BABY'S OWN TABLETS

Mrs. A. Bernard, La Presentation, Que. writes:—"I have used Baby's Own Tablets for my baby and am well satisfied with them. I have recommended them to several of my friends who have also used them with beneficial results." The Tablets are a mild but thorough laxative which regulate the stomach and bowels and thus prove of benefit in cases of indigestion, constipation, colic, colds, etc. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"MICKEY", A COMEDY.

There are thrills, laughs and tears in "Mickey," the great comedy, which will be given in the Orangeville Opera House on November 3rd. Every one knows "Mickey." She is fast becoming a household word. She is on the lips of the whole world. You'll be singing, dancing and playing "Mickey". Powerful, smashing, gripping, that's "Mickey" a great triumph of the screen. Thrill upon thrill and every thrill in these suspense incidents is just a little better than the last. There are climaxes that fairly bring you to your feet with sheer enthusiasm. You'll laugh, you'll cry. There is not a dull moment in the entire production. You will forget all your business worries and troubles as "Mickey" carries you through her wild and lovable career. "Mickey" will be shown in Orangeville for one night only with special matinee. Plan open at Banner Office on Saturday, October 25th.

A WORD TO THE WOMEN.

Two votes will be taken on the 20th of October—one on the temperance referendum and the other to elect members to the Legislature. This is the first election in Ontario when all women may vote. It is important for every woman to remember when voting on election day that she should receive the referendum ballot and the ballot for members to the Legislature. Answer every question on the referendum ballot and mark the legislative ballot for your choice of candidates.

WEST MONO PARISH.

Services will be held next Sunday, Oct. 19th, as follows:—St. Matthew's, 11 a.m.; St. George's, 3 p.m.; Herald Angel, 7 p.m.

PERSONALS.

Mr. Percy Wild was home from Sudbury for the holiday.

Mrs. Semple, of Toronto, was a visitor in town on Thanksgiving.

Mrs. (Rev), W. T. Ellison, of Toronto, is visiting Mrs. J. B. Adamson.

Miss Ruth Coulter, of Toronto Normal School, spent Thanksgiving at her home here.

Mr. and Mrs. Geo. and Miss Bessie Perfect arrived home from the West on Monday night.

Miss Berniece Fenton, of Toronto, spent Thanksgiving with her friend, Miss Berniece Rowan.

Mrs. Bell, of St. Catharines, was the guest of Mr. and Mrs. J. E. Smith for a couple of days last week.

Mr. C. MacRitchie, of Niagara Falls, N. Y., spent Thanksgiving with Mr. and Mrs. A. W. McGillivray.

Mr. and Mrs. Wm. Hudd returned home on Tuesday morning after a week's visit with friends in Dundalk and Thornbury.

Mr. and Mrs. Stanley Rayburn, of Grimsby, were the guests of the former's mother, Mrs. John A. Rayburn, over the holiday.

Mr. and Mrs. Austin Arthur, of Toronto, are spending a few days with the latter's parents, Mr. and Mrs. W. H. White.

Dr. R. E. Spratt, Ottawa, and Miss Elizabeth Shirra, Toronto, spent a few days at Thanksgiving with Mr. and Mrs. D. A. Cameron.

Mrs. A. M. Tyson, Wiarton, spent a few days this week as the guest of Miss Kelly, Zina St. Mrs. Tyson was on her way home after a visit of two months with friends in North Bay.

Mr. and Mrs. Charles Overland "Hillcrest" Erin, announce the engagement of their elder daughter, Jessie T. Kirkwood, to Mr. Frank E. Walker, Manager of Union Bank of Canada, Hagersville, Ontario, the marriage to take place the latter part of October.

Mr. E. G. Tennant, the veteran cheesemaker of the Camilla Cheese Factory, left on Saturday evening for his winter home in Sault Ste. Marie. Mrs. Tennant left for the Soo in August. Mr. Tennant is probably the oldest as well as one of the most skilful cheesemakers in the province. We hope he will be back at Camilla again next season.

REFERENDUM POINTERS.

Owing to the fact that there will be nearly twice the usual vote polled next Monday, it is of the utmost importance that electors should go to the polls early.

Unless the booths are kept busy from the moment they open it is going to be impossible to poll the entire available vote. Vote in the morning and in that way avoid the possibility of not having a chance to vote at all.

If you desire Ontario to continue dry place four "X's" in the "No" column of the ballot.

Temperance people should mark an "X" in the white space under each "NO" printed on the ballot. The word "NO" appears four times and four "X's" will mean a good ballot.

There are four separate and distinct questions on the ballot. Each voter must answer all four, otherwise his or her ballot will be spoiled.

If you want your ballot to count you must vote on all four questions.

The United States has adopted nation-wide prohibition, which will undoubtedy increase the economic efficiency of the American people. Can the people of Ontario afford to be less efficient than their neighbors to the south? We must retain prohibition if we are to compete on equal terms with the big Republic for our share of after the war business.

Should Ontario revert to the licensed bar-room or sanction even a modified form of the liquor traffic, this province would speedily become a "bar-room" for the United States drinkers, since prohibition is now in effect across the line. Do we want this?

Nearly every person, except those directly interested in the liquor traffic, considered prohibition a necessary war measure in Ontario. Is it not just as necessary during the disturbed and difficult readjustment period that has followed the war?

Let Dufferin prove itself one of the banner temperance counties of Ontario next Monday.

Every woman to the polls next Monday. Between womanhood and the liquor traffic there cannot well be anything except enmity.

Every woman voter should go to the polls next Monday happy at the opportunity to deal a death blow to the vile liquor traffic—a traffic that has brought sorrow, shame, squalor and even death to thousands of women.

Do you wish the Ontario Temperance Act, passed as a War Measure in 1916, to continue to give the people of Ontario the benefits and the increased efficiency that comes from prohibition? If you do, you should vote "No" on all four questions next Monday.

Voters must not write "Yes" or "No" on their ballots. To do so will spoil the ballot. The only mark allowed is an "X" under the word "Yes" or under the word "No". Four of these make a good ballot.

Again we emphasize the fact that the voter must answer all four questions if he wishes his ballot to count.

Some electors are under the impression that they must either vote "Yes" or else vote "No" on all four questions. This is of course a mistaken idea. The four questions are separate and distinct and the voter may vote "NO" on some of them and "Yes" on the others if so inclined. The thing that is necessary is to vote some way on each of the four questions. Failure to vote on any of them means a spoiled ballot.

To sanction the sale of "five per cent beer" either in standard hotels or through government agencies would mean the introduction of the thin edge of the wedge that would open the way for the return of the legalized traffic in intoxicating drink.

What Other Phonograph Dares This Test?

DID you ask some one about the Edison Tone-Test recital given Monday night, Sept. 29th, at the Opera House? The startled audience heard Marie Morrisey's living voice flood the packed house. It then heard the New Edison* match that voice, even unto its finest variation of shading and feeling. Any one who was present will tell you:

THE ART OF THE LIVING ARTIST AND ITS RE-CREATION BY THE NEW EDISON CAN NOT BE TOLD APART.

It is no idle phrase that you can enjoy Case, Middleton, Hempel, Matzenauer, Spalding—in your own home. The New Edison brings all that the great artist can bring, except his physical presence. It is the phonographic triumph of the age.

*The instrument used in Monday's Tone-Test is the regular model which sells for $431. It is an exact duplicate of the Laboratory Model which Mr. Edison perfected after spending Three Million Dollars in experiments.

Look to the Future

Begin with the Boys

THE glorious victories of Drake and Nelson were destined to be the foundation of our Empire and the guarantee of the freedom of the seas, which makes possible the vast international trade of Britain and her Dominions.

And yet when Drake and Nelson chose the sea as their life-work, who was there to know what would be the overwhelming consequences of their decision?

Aims of the NAVY LEAGUE OF CANADA

To emphasize Canada's opportunities and responsibilities on the sea.

To raise funds for the relief of our merchant seamen, injured in the war, and for dependents of those who were killed.

To maintain sailors' homes in our ports.

To train boys and young men for our merchant ships by the organization of Boys' Naval Brigades.

Patron: H.R.H. THE PRINCE OF WALES

Dominion President: COMMODORE AEMILIUS JARVIS

Today, if you have any question in your mind as to whether you should support the work of the Boys' Naval Brigades, study the matter with an eye to the future. Get clearly in mind the tremendous importance of Canadian products reaching foreign markets, which can only be assured by the building of a great Canadian Mercantile Fleet, *manned with Canadian Seamen!*

We may build ships by the thousand, but if we cannot man them ourselves our position is still economically unsound. If we do not train Canadian lads to man our merchant fleet, we shall be left behind in the race for export markets—we shall have missed the greatest opportunity for trade expansion in all history!

What will YOU do to help some Canadian boy who is anxious to learn seamanship, and so be of the greatest service to his country?

Let your contribution to the fund be a worthy answer. Help them by giving!

"Thank God I have done my duty!"

After-war conditions, and the telephone

Reconstruction and Telephone Service.

TELEPHONE service, like other public services, undoubtedly suffered through the war.

Hundreds of skilled telephone workers went overseas. Many trained operators sought temporary positions in munition plants. There was a world shortage of the materials that go to build a telephone system. Our reserves of plant and equipment were drawn upon until they were practically exhausted. Necessary repairs and maintenance work had to wait.

Then came the armistice. The business world sprang into intense activity. The demand for new installations all over our system was enormous.

Now comes the task of getting back to normal—restoring our reserve plant, overtaking arrears of maintenance and repairs, hurrying new construction of local and long distance equipment to meet pressing demands for service.

Our plans for this year involve an outlay for extensions and replacements of over $7,000,000. We are giving intensive training in our operators' schools to hundreds of young women to prepare them for central office positions.

Our chief concern is that our subscribers should get the best possible service under all conditions. Skilled workers, adequate equipment, a resolve to do our best, while realizing that we are all servants of the public—these are the factors which, we hope, will result in the maintenance of the pre-war standard of telephone service.

And we ask the kindly co-operation of all telephone users in—

Making sure of the number by consulting the directory before calling;

Speaking distinctly, directly into the mouthpiece;

Answering promptly when the bell rings.

VOL. XXVII. ORANGEVILLE, ONTARIO, CANADA, THURSDAY, OCTOBER 23, 1919. No. 17

OUR SOLDIERS HELPED TO WIN THE WAR, BUY VICTORY BONDS TO HELP PAY FOR THE WAR

"I Hope Every City and District Will Win My Flag"

When Edward, Prince of Wales—eager, bright eyed, smiling and sincere—arrived in Canada in August, and when he voiced his great admiration of the wonderful achievements of Canadians, on the fields of battle and at home, once again we were thrilled with joyous pride.

He asked concerning Canada's reconstruction programme, and when he was told of the Victory Loan 1919, he graciously consented to the use of his Coat of Arms on a flag, which is to be the prize of honour for districts achieving their quota in the loan.

In dedicating "The Prince's Flag" at Ottawa on Labor Day, His Royal Highness said in part:—

"It is a great joy to me to be associated with the loan, which is the bridge between war and peace, and which is finishing off the job."

"I hope every city and district will win my flag."

Striking, and beautiful in design, this flag will form not only an unique memento of Victory Year, but a lasting and outstanding souvenir of the visit of His Royal Highness—a visit which will remain as one of the most memorable events in Canada's history.

The reproduction above shows the design of the flag. The body is white, the edge red; in the upper left hand corner is the Union Jack, and in the lower right hand corner the Prince of Wales' Coat of Arms.

The flag is made in two sizes, 4 feet 6 inches by 9 feet for small cities, towns and villages, and 7 feet by 13 feet 6 inches for cities of over 10,000 population.

Canada has been divided into canvassing districts by the Victory Loan Organization. Each city forms one district. Other districts have been determined according to population.

Each of these canvassing districts has been allotted a certain amount in Victory Bonds to sell. To win the Prince's Flag, therefore, a district has to sell its allotment. That is the one and simple condition.

Anticipating that many districts will buy far beyond their allotment, the organization decided that for each twenty-five per cent. excess of the quota one Prince of Wales' Crest be awarded. Thus the workers in a district doubling its quota will be the proud winners of four small crests for their Honour Flag. These crests will be sewn to the flag. The Prince's Crest—the three ostrich plumes—is shown at the top of the coat of arms.

To every organization with fifty or more employees, where seventy-five per cent. of the enrollment invests a total of ten per cent. of the annual payroll in Victory Bonds, a supplementary Prince of Wales Flag in smaller form—48 inches by 34 inches—will be awarded.

The allotment for each district has been carefully considered, and is based on a conservative estimate of the purchasing power of the district.

Your district can sell its allotment and thus win the Prince's Flag, provided each person does his or her share.

You will gladly do your part and encourage your neighbour to do his.

Remember YOUR purchase may be the one that decides whether or not your district is to be the proud possessor of the Prince's Flag.

The Prince's Motto is "I Serve"
Will You also Serve?

OWING OURSELVES.

It is estimated by Sir George Paish, the eminent economist, that interest-bearing foreign securities held by Great Britain make a total of 5,000,000,000 pounds. The British securities held abroad do not exceed 1,500,000,000. There is a favorable balance, after allowing for all doubtful and Russian debts, of about 3,000,000,000 pounds. At an average rate of only 4 per cent. this means an annual income to Great Britain from this source alone of $120,000,000. No one can calculate the full effect of such a circulating asset to the people and Government of Great Britain.

Up to this year the Government of Canada had sold Victory Bonds amounting to more than $1,200,000,000 to the Canadian people. The Loan now being floated will add materially to the total. If $1,700,000,000 be considered as the final outstanding war securities, at 5½ per cent., the total payment to Canadian Bondholders will reach $93,000,000, a year.

Consider the business advantage which must come from such a circulating and recurring asset. The business created by such a free movement of money will make up many times for the excess taxation required to meet the interest payments. To that extent, at least a "thundering big" public debt has advantages, when it is owing to the citizens of the country. If our War Loan securities were held abroad, the interest would be a severe drain on the country. That is the economic reason for popular Government loans.

"NELSON DAY" DRIVE.

Appeal of the Navy League is Directed to All Classes of Citizens.

Canadians all over the Dominion will remember how in September of last year the Navy League of Canada made an appeal for one million dollars for the relief of the dependents of dead and injured seamen of the merchant marine who were the victims of the German submarine menace.

It will be remembered how under the name of "Sailors' Week"—thanks to the thorough-going co-operation of the public with the workers—the campaign was a complete success and the objective was reached and passed.

The Navy League of Canada again appeals to all citizens for funds urgently required to carry on its work. The "Nelson Day" Campaign has been launched and on Oct. 21-22-23 the sum of $500,000 will be raised by voluntary contribution.

The money will be devoted to the payment of the debt of gratitude to the Canadian seamen lost in the war; to provide protection and home comfort for seamen, who come to Canadian ports; to educate the people to the need of a strong navy and a strong mercantile marine and to train native-born lads for service in the navy and Canadian merchant ships. All the money accruing from the "Nelson Day" campaign will be spent in Canada.

A TONIC FOR THE NERVES.

The Only Real Nerve Tonic is a Good Supply of Rich, Red Blood.

"If people would only attend to their blood, instead of worrying themselves ill," said an eminent nerve specialist, "we doctors would not see our consulting rooms crowded with nervous wrecks. More people suffer from worry than anything else."

The sort of thing which the specialist spoke of is the nervous run-down condition caused by overwork and the many anxieties of to-day. Sufferers find themselves tired, morose, low-spirited and unable to keep their minds on anything. Any sudden noise hurts like a blow. They are full of groundless fears, and do not sleep well at night. Headaches, neuritis and other nerve pains are part of the misery, and it all comes from starved nerves.

Doctoring the nerves with poisonous sedatives is a terrible mistake. The only real nerve tonic is a good supply of rich, red blood. Therefore to cure nervousness and run-down health Dr. Williams' Pink Pills should be taken. These pills actually make new, rich blood, which strengthen the nerves, improves the appetite, gives new strength and spirits, and makes hitherto despondent people bright and cheerful. If you are at all "out of sorts" you should begin curing yourself to-day by taking Dr. Williams' Pink Pills.

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Y. P. S. MEETING.

The Young People's Society of St. Andrew's church held a very enjoyable meeting on Monday evening. The meeting was in the hands of the Literary Committee. Mr. Bruce Kyles gave an interesting Paper on Canadian Literature. This was followed by a solo by Mr. G. B. Hayes. Miss Strang read a selection from Agnes C. Laut on "The Last Voyage of Henry Hudson" after which Miss J. Currie gave a humorous reading from Stephen Leacock. An excellent piano solo by Miss Gwen Sproule and a reading from L. J. Montgomery by Misses Louise McGuire and Leila Hamilton constituted the remainder of the programme. The meeting for October 27th is in the hands of the Missionary Committee. Everybody welcome.

—If Canada would be great and prosperous, Canadians must sail the seas. Help them by contributing to the Navy League this week.

SLACK WON.

U. F. O. Candidate Carried Dufferin By 500 Majority on Monday.

Winner Polled Over 1000 Votes in His Home Township.

Dufferin County, one of the Conservative strongholds in Ontario, was torn from its political moorings by the U. F. O. wave which swept over rural Ontario on Monday. Thos. K. Slack, the candidate of the United Farmers, carried the constituency by a majority of upwards of 500. The winner had majorities in five of the six townships and also polled a surprisingly large vote in the three urban municipalities. In his own township, Melancthon, he rolled up a tremendous majority, polling 1053 votes against 364 for his opponent. The strongly Conservative townships of Mono and Amaranth also went Slack, the former by a majority of 136 and the latter by a majority of 120. East Garafraxa, which the Tory prognosticators, had figured would break even or give Reburn a small majority, gave the U. F. O. man 148. Over in East Luther he had over 200 of a lead. The effects of the U. F. O. wave are apparent even in Mulmur, where Slack carried the Honeywood division and also ran a good second at Earnscliffe close to the home ward of Reburn. Reburn had good majorities in Mulmur, Orangeville, Shelburne and Grand Valley, but these were easily wiped out by the heavy Slack majorities in the other parts of the county. A heavy vote was polled despite the fact that the fight in Dufferin was unusually quiet. The two candidates spoke in the Shelburne town hall on election night. Both men conducted a clean, above board fight and neither of them has anything to regret on that score. The details of the vote follow:—

Majority for SLACK.....505

In the province at large the Hearst Government suffered a decisive defeat. Many rural constituencies went strongly U. F. O. and a number of Labor candidates were elected in the cities. Both of the old political parties suffered from the political upheaval. The Government lost very heavily, but the Liberals did not make a corresponding number of gains. The United Farmers will have the largest group of members in the new House, they having succeeded in electing about 44 of their candidates. The standing of the respective groups is about as follows:—

United Farmers	44
Liberals	28
Conservatives	26
Labor	11

The above summary shows how Dufferin voted on the Referendum on Monday. Prohibition scored a decisive victory, securing immense "No" majorities on all four questions on the ballot. Every polling sub-division in the County voted dry by substantial majorities. At some of the country polls the wet vote was almost negligible, and in no division did it amount to anywhere near half of the vote polled. The temperance people were well organized everywhere in the country and polled practically the full temperance vote. Women workers were out in goodly numbers everywhere and did splendid service in getting out the vote. It was feared that it would prove impossible to poll the available vote in some of the larger polls during the prescribed time, but the fear proved groundless. In the South Ward the election officials handled 81 votes in the first hour and at Grand Valley, another of the large polls, nearly 90 votes were polled during the first hour. In Orangeville 775 votes were polled before the noon hour. There was a heavy rush at all four town polls during the forenoon, but the stream of voters was not nearly as heavy in the afternoon. Nearly the whole of the available vote had been polled by 4.30 and the officials had an easy time during the last half hour. One noticeable feature of the vote was the smallness of the "wet" vote in Orangeville, Shelburne and Grand Valley. Not many years ago the "wets" could have put up a stiff fight in any of these municipalities. Returns for the Province were necessarily very incomplete at the time The Banner went to press, but there will undoubtedly be large "NO" majorities on all four questions. So far as Dufferin is concerned Monday's voting is a reassertion of this County's claim to the position of one of the banner temperance counties of the province. The details of the vote follow:—

KENNEDY WON.

Soldier-Conservative Candidate Carried Peel by 128 Over Lowe.

Major T. D. Kennedy, the Soldier-Conservative candidate defeated W. J. Lowe, the late member, by 128 votes in Peel County on Monday. The successful candidate got his majorities in Caledon, Albion, and Toronto townships, Streetsville, Bolton and Port Credit. Doherty, the U. F. O. man, headed the poll in Albion and Toronto Gore and ran well in Caledon, but was a rather poor third elsewhere. The figures follow:—

NEGLIGENTLY CAUSING FIRE A CRIME

By a recent amendment to the Criminal Code every one is guilty of an indictable offence and liable to two years' imprisonment who by negligence causes any fire which occasions loss of life or loss of property.

The person owning, occupying or controlling the premises in which such a fire occurs, or on which such fire originates, shall be deemed to have caused the fire through negligence if such person has failed to obey the requirements of any law intended to prevent fires or which requires apparatus for the extinguishment of fires or to facilitate the escape of persons in the event of fire, if the jury finds that such fire, or the loss of life, or the whole or any substantial portion of the loss of property, would not have occurred if such law had been complied with.

OPENING DAY OF VICTORY LOAN 1919.

Big Campaign Starts Monday Morning to Obtain Three Hundred Millions.

Wake up! Wake up! Monday is the day that the Victory Loan opens.

Monday is the day that Canada shows the rest of the world that she is still on the job.

Monday is the day when we clean up the last spot left by the war.

Monday is the day when we have another chance to invest in bonds paying 5½ per cent. and backed by a wonderful guarantee.

Monday is the day that Canada gathers into her treasury the necessary cash to fulfil her obligations to her soldiers and to the dependents of her glorious dead.

Monday is the day when Canada assures herself that prosperity will continue in the country.

They are all watching us.
Some of them say we can't do it.
We'll show 'em.

TWO AGED VOTERS.

Two aged Toronto voters to-day were Mr. and Mrs. James Walker, of 255 Rusholme road, who voted "No" four times on the prohibition question. Mr. Walker was 90 years old last August and Mrs. Walker is 96 years and 5 months of age. Both of the old couple were born in the north of Ireland. Mrs. Walker came to Canada when five years of age and Mr. Walker came in 1851. The couple were married on New Year's Day, in York Township, in 1856, and have lived in Toronto for 24 years. Last New Year's they celebrated their 63rd anniversary of their wedding and they hope to live to celebrate their 64th anniversary this New Year's.

When asked by The Star how they were going to vote, Mr. Walker said: "We are going to vote for Mr. Crawford in our riding, although I am a strong Liberal, because he is strong for prohibition, and we will vote four "Noes" on the referendum question and help put a stop to liquor."—Daily Star.

Mr. and Mrs. Walker are the parents of Mrs. Robt. McKim, Parson St., Orangeville.

IN MEMORIAM.

MONO MILLS.

(Intended for last week.)

The people of the village and community are beginning to realize in some measure the loss that the removal of Mr. and Mrs. W. J. Mills and Miss Ethel Allen means as they sever their connection with the different organizations here in which they have been interested and have taken a prominent part. At the Annual meeting of the Bible Society held recently Mr. Mills resigned his position as President after 37 years' active service. Before Mr. Mills was relieved from his duty, a vote of thanks and appreciation was placed on record and heartily endorsed by all those present. Mr. David Potter, a life-long supporter and life member of the Society was elected President.

Then on Thursday evening of last week at the regular meeting of the Women's Auxiliary after the business was completed, Mrs. Wilson G. Duke called upon Mrs. John E. Jackson to read the following address, Mrs. Geo. Lee presenting Mrs. W. J. Mills with a beautiful cut glass vase in behalf of the members:—

To Mrs. W. J. Mills,

We, the members of the Woman's Auxiliary, felt that we could not let you leave our church and circle without an expression of our love and appreciation.

We remember that you were the first President of our organization, and for twenty years have continued so; and through all those years your faithfulness has never once wavered, though discouragements have been many. For this our admiration has been sincere; though perhaps often expressed. We have always felt that our W. A. as well as all the other branches of church and public welfare work has had a large place in your heart.

Then, too, the many times your home has been open to us, and we have left feeling better women, our lives enriched by its influence. Those of us who came as strangers felt no longer such, but, that we had found a mother-heart who welcomed all.

We will miss very much your presence in our church and society, and trust that frequently you will be able to meet with us. Our love goes with you to your new home, and as a token of it we ask you to accept this vase, a remembrance of the women who hope that God's greatest blessings may be yours.

Signed in behalf of the W. A.—Mrs. Geo. Lee, Mrs. Jno. E. Jackson.

Mono Mills, Oct. 9, 1919.

Miss Irene Atcheson, of Southampton, spent Thanksgiving with friends here. Miss Atcheson taught for three years in Shannon's school, 5th line, Caledon, and was warmly greeted by her many friends here. She is now teaching in Toronto.

Miss Estella McManus who has been teaching in Oshawa is holidaying at her home here.

Miss Ursula Matheson and her chum from Owen Sound Collegiate are spending the Thanksgiving holiday at the Manse.

Mr. Calvin Lewis and Mr. Mercer Mason, of Toronto, were home for Thanksgiving.

The members of the Mono Mills Methodist Church Choir met at the home of Mr. and Mrs. W. A. Dowling on Tuesday evening of last week and presented Mr. and Mrs. Harold Dowling with an address, a silver cake dish and fern bowl.

Miss Vera Stinson and her cousin, of Toronto, are guests at the home of Mr. and Mrs. Cecil Welwood.

Mr. and Mrs. W. N. Allin and Miss Jean Allin, of Toronto, spent the holiday with friends here.

Anniversary services will be held in St. John's Church, Mono, with Rev. J. E. Gray in charge and in Crawford's Church, Albion, with Rev. Capt. Morris in charge on Sunday, October 26th.

The principal topic of thought and conversation at the present time is the approaching election to be held on Monday next, October 20. The interests of the three candidates is being brought before the people here, Mr. Lowe in a private canvass and Mr. Doherty and Major Kennedy in well attended meetings.

Closely associated with the Government's record during the past term of office is the fate of the "Ontario Temperance Act."

To those who give serious thought to these matters it appears that our country is approaching a critical condition. An element of unrest seems to have followed the strenuous years of the war. Unions and organizations of all kinds are clamoring for place and power and the Liquor Interests are putting up a fight for the return of the license laws. It certainly is a time when great importance is attached to every vote and careful consideration should be given to its possible consequences.

VIOLET HILL.

At the last meeting of the Violet Hill Women's Institute, Mrs. Armstrong, a valued member and worker in the Institute, was presented with a salad dish and spoon and the following address:—

We, your co-workers in the Institute, have felt it our duty at this time to show in a slight way our appreciation for the faithful services you have rendered during the time you have been one of our members. As a slight token of our gratitude we ask you, Mrs. Armstrong, to accept this salad dish and spoon. Our wish is that you may be long spared to use them.

Signed on behalf of the workers of the Women's Institute.

THINK TANLAC THE FINEST ON EARTH.

Husband And Wife Are Both Praising It For Good It Has Done Them.

"I am still praising Tanlac," writes Daniel J. Hickey, of 217 Euclid Ave., Toronto, Ontario, in a recent communication received from him at the Tanlac office.

Mr. Hickey has lived in Toronto all his life, being employed at the Dominion Steel Works, and his statement in which he tells how Tanlac relieved him of a long-standing case of stomach trouble and rheumatism attracted wirespread attention when it was first published. In corroboration of her husband's statement Mrs. Hickey also relates her own wonderful experience with this medicine as follows:

"I had a nervous trouble for six years," said Mrs. Hickey, "and was in such a terrible condition that I had to stay in bed four or five months every year. My energy was completely gone and when I was up I was too weak to even sweep the floor. I had no appetite and what little I forced down did me hardly any good. My skin was pale and sallow and I could hardly sleep at night."

"My husband was taking Tanlac and he improved so fast that I decided to try it too, and since taking a few bottles I am now in better condition than I have been in several years. My nervousness is all gone, my appetite is fine and I sleep like a child at night. From the way Tanlac has fixed me up, both my husband and I think it is about the finest medicine there is."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

CAMILLA

(Intended for last week.)

Misses Victoria Parks, of Streetsville, and Florence Parks, of Burlington, spent Thanksgiving with their mother, Mrs. Jas. Parks.

Mr. and Mrs. Quigley and family, of Relessey, spent Sunday with Mr. and Mrs. John Turner.

Mr. and Mrs. Jas. Little were in Belwood over the week-end.

Misses Florence Buchanan and Edith Patterson, of Toronto, spent the holiday at the former's home here.

Misses Marion and Barbara MacNaughton, of Orangeville, visited here Sunday with friends.

Miss Mabel Rayfield visited Toronto friends Saturday and Sunday.

Mr. and Mrs. Madill and daughters, of Horning's Mills, visited Mr. and Mrs. A. Madill, Sunday.

Miss Olive Gallaugher, of Hamilton Normal School, spent Thanksgiving at her home here.

Dr. Chas. Scott is visiting in Toronto.

Messrs. Earl, Edmund and Percival South, of Gorgetown, spent Thanksgiving with their parents, Mr. and Mrs. Robt. South.

Miss Jessie and Mr. Kenneth Curtis are visiting their cousins, Misses Elsie and Florence Curtis.

Miss Belle Buchanan is spending the week with friends in this vicinity.

We regret the departure of Mrs. Carson, a thorough and painstaking teacher, who has been teaching here since July, but who has had to resign on account of ill-health. Her many friends wish her a speedy recovery. Miss Kate Brett has been engaged for the ensuing term.

Rev. Wm. Morris preached here on Sunday afternoon to a large congregation, the occasion being Anniversary services. Rev. Wm. Coutts conducted services in the evening. A Thanksgiving sermon was delivered.

One of the most successful Concerts of recent years was held on Thanksgiving night in St. Andrew's church. A full house greeted an array of splendid entertainers. Mrs. Cameron delighted the audience with her readings, and very kindly responded to the many encores given her. Vocal selections of high character were rendered by Mrs. (Rev.) P. C. Howard, Miss B. Leighton and Mr. J. H. Sloane. Piano duets were given by Misses Browne and Marshall. Mr. T. K. Slack, of Melancthon, and Rev. P. C. Howard, of Cardwell, gave addresses. Rev. Mr. Coutts made a capital chairman. The ladies of the congregation are to be congratulated upon the success of the entertainment.

ALTON.

The people of Alton certainly had a real treat at the Library Concert on Friday evening, Oct. 10th, when they had the pleasure of listening to a very fine programme by the Brampton orchestra and Mr. Barona, soloist. The latter is the best baritone who has been heard in Alton for many a day. His selections were up to date and were admirably rendered. Jas. Algie's cornet selections, especially the one with the violin obligato by Mr. Farnsworth, the leader of the orchestra, were keenly appreciated and we hope to have them back again in the near future. Our brief notice would be incomplete without mention of the artistic playing of Miss Edith Culligan, of Alton, the pianiste of the evening, whose piano solos were a popular feature of the programme. Mr. Wm. Ward occupied the chair in an able manner and struck a responsive chord when he expressed the hope that everyone would take a keener interest in that beneficial and deserving institution, the Public Library. The concert netted in the neighborhood of $25.

All patrons of the Library are asked to kindly send in the lists of the books they want not later than Saturday, October 25th.

The Women's Institute Concert on the night of Oct. 17th was a great success. The hall was crowded and every number of the programme was the work of an artist. Altogether the Concert was one of the best treats an Alton audience has had the opportunity to enjoy for a long time. We congratulate the Women's Institute upon bringing such fine talent to town. We understand that the Institute intends to put on a concert every month during the winter.

THE HISTORY OF THE TOWNSHIP OF CALEDON

The following is the composition which won the first prize given by The Brampton Conservator for the best history of the Township of Caledon:—

The Township of Caledon lies in the north west corner of Peel, and is the second largest township in the county. The earliest settlers of Caledon came about 1821. At that time the township was covered with thick forest and swamp.

My grandfather, who is now in his eighty-third year, remembers well when there were no roads, narrow paths through the forest being the only means of travel. Many of the settlers avoided the level land and chose the hills, because there they found an abundant supply of spring water. For this reason we find our oldest farmers occupying hilly land.

To-day we find Caledon a township with good roads and a number of thriving villages. The earliest settler in my home village of Caledon East was a man named Tarbox, whose wife was a United Empire Loyalist. He marked out the land on which the village is now built. The settlement was at first called Paisley and went by a number of other names, until the establishment of the post office in 1857, when it was given the name of Caledon East permanently.

The first settler came to the village of Alton in 1834 and three years after a grist mill was built, and a general store was opened. About that time it received its name and a post office was given to the inhabitants. After that came churches, a large woollen mill, and later a school house, which is the pride of the village.

Inglewood is one of the thriving villages of Caledon, which has grown rapidly on account of its woollen mill. It is a railway junction of the Grand Trunk and C.P.R. railways, and for this reason, besides its nearness to the Caledon Club house, it is a very busy little place.

The earliest settlers in the village of Charleston came in the year of 1821. The first store was built in 1838 and in the same year the post office was opened. Charleston is the capital of Caledon township and in the early days when the centre road was the main highway along which grain passed, was a busy and thriving place.

A great change has taken place since the first settlers landed in our township. Now, instead of a track through the forest, are good country roads and two lines of railway. Instead of the old log school houses are modern schools with modern equipment. Instead of small log cabins are beautiful houses of brick and frame, with all modern conveniences. When our grandparents describe to us the country as they found it, we can hardly conceive the vast change in the number of years, so we must take off our hats to those old heroes who toiled in the early days to make our township what it is to-day.

VERY SUDDEN CALL.

Sad, sad indeed is the death of Miss Muriel Jean, eldest daughter of Mr. and Mrs. John McFadzean, of Waldemar, which occurred on Monday morning after a few days' illness from a throat trouble. On Thursday last she complained of not feeling well and a doctor was summoned, but his efforts could not combat the malady. Muriel attended Grand Valley Continuation School last year, proved an apt pupil and was deservedly popular with the younger set, in whose interests she was a leading spirit. Bright, vivacious, conscientious she entered all activities of school, church and social life with the energy and interest of youth, filling her part with considerable pleasure to all concerned. Her early demise will be the most felt in the home where domestic relationships are of a particularly happy nature. Funeral was private to Greenwood cemetery on Monday afternoon. Besides her parents she leaves two sisters to mourn.—Star and Vidette.

W. A. CAESAR.

The death of Mr. W. A. Caesar, formerly a well-known resident of Orangeville, took place at his home, 352 Rusholme Road, Toronto, on Thanksgiving Day. Deceased, who was in his 81st year, had been in very poor health since the death of his only daughter about eight yeas ago. He is survived by his widow. Mr. Caesar was born and spent the greater part of his life in the Mono Road neighborhood. He spent a few years in Orangeville, moving from here to Toronto about eleven years ago.

LAUREL.

A Hallowe'en Box Social will be held at Laurel on the evening of October 31st. A short Play will be given, also some musical selections by the best local talent, after which the boxes will be auctioned off. The social will be under the auspices of the Front Line Bible Class.

GLENCROSS.

On Hallowe'en, Oct. 31,, a Concert and Box Social will be held at Purple Valley Orange Lodge Hall. Come and enjoy a good program by the school. Proceeds are for school and church purposes.

BORN.

HAVE YOU LOST CONTROL OF YOUR NERVES?

WHEN YOUR HEALTH FAILS ALL IS LOST!

When your good health leaves you then you lose energy, ambition and the desire to succeed in life.

Things that are worth while do not interest you and you just drag on from day to day.

Don't give up; Don't Weaken, do not be discouraged because other medicines have failed to benefit you, here is one that will Build Up and Strengthen the Body so that you will again be Strong and Vigorous—

Hacking's Heart and Nerve Remedy

It takes away "that tired feeling" and brings back the rosy cheeks of your younger days.

Health, Strength and Vitality are yours if you desire them, get a few boxes of Hackings Heart and Nerve Remedy from your dealer today, and give them a fair trial. It is the Master Tonic and Builder that will succeed when others have failed.

Mrr. H. Hinchcliffe of Wingham writes as follows—

"Hacking's Heart and Nerve Remedy has done wonders for me, I was on the point of a Complete Nervous Breakdown, could not sleep nor plan my household duties; for years I suffered with my Heart and my Nerves and the doctors could do little for me. I took Hacking's Heart and Nerve Remedy on the recommendation of one of my friends. After taking the first box I improved so much in health that I took the full treatment of six boxes and am now feeling so much better that I am able to return to my work with renewed vigor. I am glad that I have at last found a medicine that has done me so much good."

Hacking's Heart and Nerve Remedy sells for 50c a box. 6 for $2.50. If your Druggist does not have it he will be glad to get it for you or we will be glad to send it to you by mail post paid. Insist on Hacking's.

OWEN SOUND BOY SHOT.

Clifford Lannin Accidentally Shot Himself With 32 Rifle, Recently.

Another very sad accident occurred on Saturday afternoon. Young Clifford Lannin, the 14-year-old son of Mr. Harold Lannin, 461 12th St. W., accidentally shot himself with a 32 calibre rifle, and is lying in the hospital in a very critical condition. About half-past 3 in the afternoon he left the house with the gun, intending to go back to the West rocks to hunt squirrels. While he was wandering along the rock about half a mile from Mr. Alex. Johnston's farm, near Jones' Falls, he saw a crow and raised the gun to take aim. In the meantime a squirrel ran along a log a little nearer. The lad turned to shoot at the squirrel, the gun caught on a sapling and was wrenched from his hand. In falling the cartridge was exploded and the bullet passed thro' the young lad's body, grazing his stomach and going through the liver and spleen. After being thus wounded the plucky youngster walked and crawled half a mile to the edge of the rock on Mr. Johnston's place. Mr. Johnston was picking apples in his orchard just below the rock when he heard young Lannin calling. On discovering the nature of the boy's injuries he ran to the house and phoned Dr. Frizzell. He then returned and did all he could for the lad until the doctor's arrival. The boy was then removed to the G. and M. Hospital.

This is at least the third accident of this kind in this vicinity in the last year. Boys should be taught to handle a rifle and at the same time to handle it properly. If this were done there would not be as many fatalities of this kind.

Mr. Lannin was in Chatham on a visit at the time of his son's accident, but was immediately wired for and arrived Saturday night. He is a well known man and an elder in Knox church. The parents have the sympathy of all in their affliction, and all will hope for the speedy recovery of their young son. — Owen Sound Sun-Times.

Three Years of Suffering Quickly Relieved by "FRUIT-A-TIVES"

MR. GASPARD DUBORD

159 Avenue Pius IX, Montreal.

"For three years, I was a *terrible sufferer from Dyspepsia* and my general health was very bad. I consulted a physician and took his medicine and faithfully carried out his instructions; but I did not improve and *finally the doctor told me I could not be cured.*

At this time, a friend advised me to try *'Fruit-a-tives'* and I did so. After taking two boxes of *'Fruit-a-tives'*, I was greatly relieved; and gradually this marvelous fruit medicine made me completely well.

My digestion and general health are splendid—all of which I owe to "Fruit-a-tives".

MONEY IS NEEDED TO MAKE SAILORS.

Navy League's Nelson Day Campaign Is to Promote Great Object.

A large portion of the proceeds from the Nelson Day Campaign to raise a half a million dollars will be devoted by the Navy League of Canada to the purpose of the Naval Brigades. These brigades have been established in the principal cities of the Dominion for the training of Canadian Boys for service on the sea.

Canada's future is bound up in its export trade and depends much upon Merchant Marine. It is vitally necessary that the Dominion should provide qualified sailors. The Navy League of Canada is giving the younger generation of Canadians the opportunity for free training in seamanship, and business men are agreed that the value of this work cannot be over estimated.

The success of the Boy's Naval Brigades hangs on the generosity of public support. It is important to every Canadian that this movement should not be handicapped by lack of funds. Public spirited citizens are called upon for a generous response to the Navy League appeal through the Nelson Day Campaign. The big drive will cover three days commencing October 21.

In addition to the demands of the Naval Brigades the Navy League has to finance its Sailors homes and Institutes in Canadian ports. All the money raised through the Nelson Day Campaign will be spent in Canada.

While driving into the village, the horse of Mr. John Breen, of the 5th line, Melancthon, took fright and ran away, throwing Mr. Breen out, breaking one of his ribs and otherwise bruising and shaking him.

OVER A BILLION SAVED BY PEOPLE.

Some Striking Figures of Savings Deposits from Bank Statement for Month of August.

A total of $1,196,632,931 in savings bank deposits is a gratifying report that many of the countries which have emerged from war would be glad to report to-day. This is the position of Canada as revealed in the bank statement for August.

The amount is $181,921,066 better than the same month last year, notwithstanding the fact that a good part of it was transferred to last year's $600,000,000 Victory Loan, and is $21,546,778 better than July of this year.

This is a promising outlook for the Victory Loan campaign which is at present being carried on. If the depositors in Canada's savings banks were to say the word, they could subscribe the $300,000,000 asked nearly four times over. The success of the present effort should be overwhelming.

FOUND GUILTY OF NEGLECT

THREE YEARS' PUNISHMENT FOR MAN WHO ALLOWED A SERIOUS SITUATION TO DEVELOP.

Failure to take proper precautions has been responsible for many deaths, and is the cause of much suffering and hardship to-day.

Take the case of Wm. Dunn, 313 Gerrard St. East, Toronto, Ont. Mr. Dunn was a chronic rheumatic sufferer for ten years. Three years of that ten he spent in bed suffering indescribable torture. Picture the joy of this man on finding that Templeton's Rheumatic Capsules were restoring him to normal health again. Here are a few extracts from his letter to us: "During the past ten years I have been laid up with Rheumatism. One attack confined me to my bed for a year, and a second attack left me helpless for over two years. After I had tried almost everything, a friend got me a box of T.R.C.'s, and a few doses convinced me that I had at last found the proper remedy for my trouble. T.R.C.'s improved my condition rapidly, and I feel that had it not been for T.R.C.'s I should have been laid up for years."

T.R.C.'s are certainly wonder workers. Try them

Ask your Druggist or write us for our new booklet; it is interesting and costs you nothing (Templetons, 142 King West, Toronto). We mail T.R.C.'s anywhere on receipt of $1.00.

THE FINAL VICTORY LOAN.

Preparations for the launching of the final Victory Loan have been begun. From this time forward until the end of the campaign public interest in the financial condition of the Dominion will increase steadily. There is need for a discussion not only of the fundamentals of National Finance, but for the diffusion of information all over the country as to the purposes for which this specific loan is required. The war is over. The appeal to the win-the-war spirit—so effective in the floating of former loans—cannot be made upon this occasion. Instead, there must be an appeal to the common sense of the people and to their desire to do all that is possible to bring about the restoration of normal conditions in the Dominion.

The first thing that must be impressed upon the public mind is the fact that a large part of the money called for is required to wipe out the indebtedness of the Government to Canadian banks that have advanced great sums—almost a quarter of a billion dollars—to enable the Government to grant credits for the purchase of goods for export to Allied countries that are unable to pay cash for all the Canadian provisions and other products they require. The loan is needed also to meet the heavy expenditures attending the demobilization of the Canadian overseas army. Gratuities and back pay run into enormous sums. The credits to Great Britain to enable her to continue buying Canadian products have been very large. Greece, Roumania, and Belgium have been supplied with foodstuffs, clothing, and implements through a loan of seventy-five million dollars made by the Canadian Government to the Governments of these countries. Sir Henry Drayton says that further credits will have to be made to finance the export of our natural products. The loans will be repaid in time, and such portions of them as are not promptly liquidated by the importation of British and continental European goods into Canada will remain to the credit of the Canadian people as an investment of capital on which interest will be drawn.

It is good to have considerable investments abroad instead of remaining—as Canada was before the war—almost exclusively a debtor nation. In pre-war days, for example, the British people had almost three billion dollars invested in Canada. They owned huge blocks of national, Provincial, and municipal securities. They held the bulk of the bonds and stock of our railways. They had much money in Western lands and in Eastern manufacturing enterprises. Large blocks of bank capital were British. It required the export of about a hundred and fifty million dollars' worth of Canadian products yearly to pay even the interest on this great investment. That fact indicates why Canadian exports to Great Britain were greater than Canada's imports from Great Britain. They had to be about a hundred and fifty million greater if we were not to keep going more deeply into debt year by year through the reinvestment of British money in Canada.

During the war the British people sold or put in pledge large amounts of Canadian securities—not less probably than half a billion dollars' worth—and Canadians have been buying these securities by means of a large surplus of exports. It is anticipated that after all the war accounts are balanced Canada will have reduced her debt to British capital by at least half a billion dollars, and that hereafter she will have to export twenty-five million dollars' worth less of her products than in pre-war years to pay her annual interest bill to Great Britain.

But it may be argued that the Canadian people as a whole will not benefit because some of them owe less to some of the British people than they did before the war. This is a mistaken view. It is true that there has been a vast increase of Canada's internal debt because of the war. For a period of years too long to estimate with any degree of certainty all the people of Canada as taxpayers will have to pay about $120,000,000 a year as interest on the war debt to the much smaller number of Canadians who hold war bonds. But when we get down to concrete cases instead of dealing in the mass the debt burden of two billions does not look so hopelessly large. The interest amounts to about $15 per year per head. Every shop girl or domestic or workingman who has been able to buy three hundred dollars' worth of Victory bonds—and their numbers run up into hundreds of thousands—will get annually in interest from the Government a little more than enough to pay his or her share of the taxation due to war debt. In other words, their savings cancel their share of the debt.

Had the country tried to finance its war expenditure by foreign instead of internal loans— supposing that to have been possible—the condition of Canada would have been vastly more serious to-day. Our debt to external creditors would have been over four and a half billion dollars, and to pay the interest at the current rate would have involved the export of about two hundred and thirty million dollars' worth of Canadian products yearly without any corresponding imports. The effect upon the manufacturers and merchants of Canada of such a drain would have been almost ruinous, for the people of the Dominion would have their buying capacity very seriously reduced by the export of their products to pay interest on the external debt. It is therefore of great importance that the Canadian people as a whole should owe some of the Canadian people the bulk of the money spent in prosecuting the war. The interest is spent in the country, and benefits in the spending of all classes of the community—the debtor as well as the creditor.

If the argument here presented is a sound one, then it follows that to the very limit of our capacity we should continue to buy Victory Bonds. The new issue will have to yield at least four hundred million dollars to enable the National Treasury to discharge its obligations during the current financial year. Victory Bonds are an excellent investment, but they are more than that. They are a sign that Canadians have faith in their country, in its vast resources, in the stability of its Government, in the will and the power of the people to build up and maintain a civilization which will stand the greatest stress that can be brought to bear upon the foundations whereon the Dominion has been reared. — Toronto Globe, September 16th, 1919.

Farmers Buy Ford Trucks Because

they save labor, save time, save money.

The Ford Truck is the most general-purpose implement on the farm.

The farmer can get his breakfast at home, take his produce to market, and be home again for dinner.

He can command the highest prices for his vegetables and fruit because he gets them to market while the dew is still on them.

He can take his hogs, sheep and other stock to market, as well as haul roots, potatoes and apples from the field.

The Ford Truck brings the city to the farmer's door.

It solves the problem of the shortage of labor.

A saving in horses, a saving in men.

DISTRICT NEWS NOTES.

Acton will vote on a by-law for the issue of $40,000 of debentures to pay for a system of waterworks for the town.

Dundas will have the dedication of the new Soldiers' Memorial Park on the anniversary of Armistice Day, Nov. 11th.

Mr. William Steele, of Albion, fell from an apple tree, and sustained serious injuries which will confine him to the house for some time.

Mr. Dave Smith, 7th line, West Caledon, sold the potatoes that grew on three acres of land to Mr. G. T. Scott, for the sum of $550.

Dr. J. P. Wilson, who has been practising his profession at Kirkland Lake, Ont., has sold out and is with relatives in Albion at present.

There is now only one train a day between Proton Station and Walkerton and that is now at night, the morning train having been cut off.

Fire from an unknown cause destroyed the Thornbury grist mill and 5,000 bushels of wheat. The mill was operated by W. Moore, Meaford.

Mr. A. E. McColgan, Reeve of Peel, has sold his 200-acre farm on the 8th line to a Mr. Kelley, of near Ottawa, and gave possession on March 1st next. The price is said to be fifteen thousand dollars.

Mr. Hero. Hawman, of Nobleton, in a fall from a scaffold had his knee cap injured and was rendered unconscious for some hours. He has since undergone an operation and is making fair progress.

Joseph Dean has sold his 105 acre farm, lots 280, 281 and 282, N.E., Melancthon, to Jas. Jelly, of the same township. Possession will be given November 1st.

Threw Away $100

Eugene Quesnel, of Montreal, was suffering from kidney trouble—and had suffered for five long years. This is his letter:—

"I could not sleep nights and on some occasions could hardly walk. I had been treated by some of our best physicians but without relief. I lost over 15 pounds and was very weak, and friends who knew me before were astonished. One day I met one of our leading hotelkeepers, who had been cured by your famous Gin Pills. He advised me to try them. I bought two boxes and before I had used one box I felt a big change. Before I finished the second one I was completely cured, and I can assure you if I had only known what I know now, I would not have spent one hundred dollars for nothing—when two boxes of Gin Pills cured me."

Gin Pills are the finest preparation for kidney and bladder trouble ever produced. At the first warning pain in back or side, get Gin Pills. They work like magic, reducing congestion, soothing, healing inflamed, emaciated tissues, building them into normal and active condition and relieving pain. At all druggists and dealers, 50c. Money refunded if not satisfied. Free sample on request.

HYDRO GAVE 180,000 PEOPLE CHEAPER ELECTRICITY

HYDRO electricity saves the people of Ontario millions of dollars yearly.

One hundred and sixty-six municipalities, provided with Hydro current, pay less for electricity than they did before Hydro Power supplied them. And Hydro current cost them less now than it did during the first year that they used it.

The Hydro Electric Commission of Ontario is constantly extending this service for the benefit of the people. The Commission is interested in doing whatever it can to make the current used of greatest value. As a result of rigid tests in its own laboratories the Commission recommends the use of HYDRO Quality Lamps for home lighting.

In its laboratories the Commission tests HYDRO Quality Lamps for brilliancy, current consumption and length of usefulness, HYDRO Quality Lamps carry the Commission's assurance of absolute satisfaction in use.

ASKING FAVORS OF MAIL ORDER HOUSE

INTERESTING RESULTS MIGHT BE OBTAINED BY MAKING CERTAIN REQUESTS.

LOCAL MERCHANTS HELPFUL

Do All the Things for the People of Their Community That the Catalogue Concerns Will Not Do.

(Copyright, 1917, Western Newspaper Union.)

It has been said that three-fourths or nine-tenths, or some such big proportion—the exact figures do not matter—of the business of the world is done on credit. If this was not true there wouldn't be much business done for no currency system could be devised that would furnish enough money to meet the needs of commerce if every article sold had to be paid for in actual cash. The amount of money in circulation in the United States is only $47 per capita and this would not go very far if everyone had to keep enough cash on hand to pay for all that he might buy.

The greatest of financiers need credit. They keep their resources employed and at times are in need of ready cash. The same thing is true at times of men of smaller means. The credit system, as it is used sometimes, especially in the smaller communities, is abused and works a serious hardship upon the business men of the town. Some merchants, to avoid the loss that results from such abuse of the system or possibly to enable them to sell goods at a lower price than their competitors, operate strictly on a cash basis, but the great majority of merchants in every community give those customers who are responsible and honest the privilege of a charge account and the chances are that some sort of a credit system, properly safeguarded, will always continue to be a feature of legitimate trade.

Ask Catalogue House for Credit.

You who have a reputation in your community for being at least fairly responsible and upright know that when you desire it or need it you can obtain credit from at least some of the merchants in your town. But some time when you are in need of some article of merchandise and are a little short of ready money, order what you want from a mail order house and ask them to please charge it till the end of the month. The experiment will be interesting, at least, and the answer that you receive may cause you to give a little thought to the difference between trading with the mail order house in some far-off city and buying from the merchants in your own home town.

Some mail order concerns are now operating a so-called credit system, but it is not a credit system such as is maintained by most retail merchants. These mail order houses will sell certain merchandise on the installment plan, but they not only demand an initial cash payment, but require the purchaser to sign a contract which operates as a mortgage not only on the merchandise purchased, but upon any other property that the customer may possess. There is nothing in this system that bears any similarity to the open credit system that is used by the majority of retail merchants.

There are some other requests you might make of the mail order man when the occasion arises and the responses might be equally interesting. For instance, you, Mrs. Farmer, who bought that box of groceries from the catalogue house last month, might write the manager and ask him to buy your butter and eggs. Of course, it would be considerable more trouble to pack them for shipment to the city than it is to take them in to your local grocer, who is always ready to pay you the market price for them, but then maybe the mail order man would pay you enough more than the market price to pay you for the extra trouble. And then again, maybe he wouldn't.

And, then, there is that mowing machine that you, Mr. Farmer, have been figuring on trading in for a new machine. Suppose you write to the mail order man from whom you bought that wire fencing and ask him what he will allow you for your old machine on a trade for a new one. Of course, the local dealer in the town where you always find a market for your farm products will allow you a fair price for your old machine, but what's the use of asking him to do it. The mail order man surely will be glad to do that much for you, will he not? Yes, he will not.

List Is Endless.

There are a good many things the mail order man will not do for you. The list would be too long to crowd into one issue of a newspaper. He will not give you credit, however much you may need it. He will not buy the farmer's produce. He will not pay a dollar of taxes to help support your schools or build your roads. He will not contribute a cent to the support of your churches or your charitable institutions. He will not lend you a helping hand in time of trouble.

The local merchants in a community will do everything for the people in that community that the mail order man will not do for them. This fact should make it easy for the people of the community to decide which it is to their interest to do business with.

FOR THE SAILOR.

The local Branch of the Navy League of Canada, in co-operation with the Daughters of the Empire, are appealing this week for subscriptions to the work of the League. Tuesday was Nelson Day, the anniversary of the Great Admiral's victory at Trafalgar, and the public are asked to observe it in a practical way, by contributing to the cause of the sailor and his dependents.

Every farmer who grows a bushel of grain, every merchant who sells a pound of tea and every citizen who does a dollar's worth of business, is indebted to the sailor, not only for the winning of the war and the protection which the Navy affords, but also for bringing the markets of the world to his door and thus making possible the great prosperity we enjoy. To the sailor we must also look for future protection, markets and prosperity. Canada's future, like that of the Empire at large, depends upon the sea, and there can be no more deserving cause than that of the sailor and the wife and kiddies he so often leaves behind him.

The money received this year will all be expended in Canada, and every one who gives $2.00 or more will be enrolled as a member of the Navy League and a subscriber to "The Sailor", an illustrated monthly magazine devoted to the man of the sea.

Orangeville's objective is $500.00, and the public are asked to contribute voluntarily. Contributions will be received by the Treasurer, Mr. Charles A. Lamon, Bank of Hamilton, Mr. Albert Walker, Mr. W. C. McMillan and by all the Banks. If you have not received a contribution envelope, ask for one and use it generously. The ladies will close the campaign with a Tag Day on Saturday.

—Remember the sailor generously this week.

"MICKEY", A COMEDY.

There are thrills, laughs and tears in "Mickey," the great comedy, which will be given in the Orangeville Opera House on November 3rd. Every one knows "Mickey." She is fast becoming a household word. She is on the lips of the whole world. You'll be singing, dancing and playing "Mickey". Powerful, smashing, gripping, that's "Mickey" a great triumph of the screen. Thrill upon thrill and every thrill in these suspense incidents is just a little better than the last. There are climaxes that fairly bring you to your feet with sheer enthusiasm. You'll laugh, you'll cry. There is not a dull moment in the entire production. You will forget all your business worries and troubles as "Mickey" carries you through her wild and lovable career. "Mickey" will be shown in Orangeville for one night only with special matinee. Plan open at Banner Office on Saturday, October 25th.

THE VISIT OF THE PRINCE.

The Prince of Wales' visit to Canada is about to end. The thousands who have seen him want to see him again. He has certainly won the hearts of all Canada. The Family Herald and Weekly Star of Montreal with characteristic enterprise have secured a real life-like portrait of the Prince, 16 x 22 inches, that should be in every Canadian home. It is a very pleasing portrait and bears a copy of the Prince's autograph. The Family Herald sends a copy of this portrait free to all Family Herald subscribers for 1920. The subscription price of that great family paper is $1.25 a year, big value in itself, but with the Prince's portrait certainly is the greatest value ever offered. The Family Herald and Weekly Star will be kept busy booking orders, as the demand has set in with a rush. People, who are not subscribers to the Family Herald and Weekly Star, have no idea of the treat they are missing.

WEDDING ANNIVERSARY.

About one hundred of the friends and relatives of Sheriff and Mrs. Endacott were received at their home "Maple Brae" on the afternoon and evening of Wednesday, October 15th, in commemoration of the fortieth anniversary of their marriage. After the guests had partaken of a bounteous repast and extended their hearty congratulations to the bride and groom, speeches of a happy character were made by a number of those present. The speaking was pleasantly varied by music by several of the guests. During the evening music, singing, social conversation and further felicitations assisted to bring the happy event to a most pleasant consummation. Congratulations were received by wire and mail from friends in Vancouver, Chicago, Toronto and Montreal and the bride received a number of very handsome gifts, which needless to say will be dearly cherished.

Among the friends present from a distance were Mr. and Mrs. W. Deans, of Fergus, Mr. and Mrs. Samuel Huxley and Mrs. Wm. Donaldson, of Hillsburg, Mr. John Huxley, from Saskatchewan, Mrs. Arthur J., Miss Edith and Mr. Henry Morrison, of Mono Road, Mr. and Mrs. Chas. McCallum, Mr. and Mrs. Geo. Lewis, Mr. and Mrs. Edward Wilson, Mrs. M. T. Ashley, Mr. and Mrs. Frank and Mr. and Mrs. Albert Armstrong, of Brampton. Sheriff and Mrs. Endacott have been esteemed residents of Orangeville for 28 years. The Banner extends its hearty congratulations and good wishes.

VICTORY LOAN RESOLUTION.

At a Meeting of the Council of the Town of Orangeville held on the 6th inst., the following resolution was passed:—

"Whereas the Dominion Government is about to issue the Sixth War Loan, Canada's Victory Loan 1919, and

Whereas it is essential that this Loan be fully subscribed in order that the business of the country and the prosperity arising therefrom be fully maintained

Now, therefore, be it resolved that this Council heartily endorse Canada's Victory Loan 1919 and call upon the residents of this municipality to subscribe to the Loan to the fullest extent of their ability."

VICTORY LOAN CAMPAIGN.

Organization work in connection with the Victory Loan Campaign in Dufferin County which opens on Monday next is well advanced. The County has been divided up into eight Canvassing Districts and Official Canvassers have been appointed on a basis of approximately 1 to every 300 of population. The objective for the County is $900,000 and it will be necessary for the people to buy 1919 Victory Bonds to the limit of their resources in order that this objective be attained. The Prince of Wales Honour Flag, which is awarded to all Canvassing Districts reaching their objective should be won by every District in Dufferin County. Failure to do so would reflect very seriously on the patriotism and good judgment of the people.

The terms of the 1919 Victory Loan have now been announced by Sir Henry Drayton, Finance Minister. The Prospectus calls for a minimum amount of $300,000,000, but a much larger amount is looked for. Subscribers will be given the choice of two maturities, namely five year Bonds due Nov. 1st, 1924, or fifteen year Bonds, due Nov. 1st, 1934. The interest rate will be 5½ p.c., payable half yearly, and the issue price is 100 and interest. Purchasers may pay in full on application or in five instalments.

The members of the County Executive and the official canvassers are:

BROADWAY ORANGEVILLE

PATRIOTIC SPIRIT IS BEHIND DRIVE.

A strong appeal to the patriotic spirit dominates the Nelson Day Campaign to raise half a million dollars to be spent in the Dominion under the auspices of the Navy League of Canada. Much of the proceeds of the drive which takes place October 21, 22, 23, will be devoted to the work of training Canadian Lads for service on the seas.

The Navy League has already established Boys' Naval Brigades in the principal cities of the Dominion and most encouraging results are being accomplished. Training is provided free to the boys who are being made into skilled seamen for the Merchant Marine. This will ultimately prove of inestimable benefit to the nation. Canada's future must depend largely on getting surplus products to the World's markets and the Dominion must make her own sailors.

In addition to the needs of the Naval Brigades the Navy League has established Sailor's homes and Institutes at Canadian ports, and money is required to maintain and extend this estimable work. All Canadians are called upon to make the Nelson Day Campaign a success similar to that which crowned the Sailors Week Campaign last year.

CALEDON HUNT CLUB.

On Wednesday evening, October 15th, the members of the Caledon Hunt Club met at the Sutton House, Caledon. After doing ample justice to a very tempting supper, the evening was spent in speeches, stories and music. Mr. R. J. Potter, of Mono Mills, very ably filled the toastmaster's chair. His remarks were pithy and to the point. Capt. W. F. R. Stubbs, who spent over two years in France, was also present and with his usual eloquence spoke of his appreciation of the social relationships of the Club.

After the speeches, the musical members of the Club entertained until a late hour. The boys intend going North early in November to enjoy a holiday and incidentally to bring home a deer apiece.

MONO EAST PARISH.

On Sunday next, October the 26, special Harvest services will be held in St. John's Church, Mono, at 11 a. m. and 7 p.m. There will also be service in St. Paul's church at 3 o'clock. Mr. Jas. Gray, M.A., of Toronto, will be the special preacher at all three services.

THANKSGIVING SERVICES.

Special Harvest Thanksgiving services will be held in Crawford's Methodist Church, Albion, next Sunday, October 26th, at 2.30 p.m. and 7 p.m. Preacher, Rev. Capt. J. F. G. Morris, of Alton. The church will be suitably decorated and there will be special anthems by the choir.

Because we cannot leave our growing export trade at the mercy of foreign seamen.

Canada Needs Trained Canadian Seamen

The Naval Brigades Train Our Boys

Aims of the NAVY LEAGUE OF CANADA

To emphasize Canada's opportunities and responsibilities on the sea.

To raise funds for the relief of our merchant seamen, injured in the war, and for dependents of those who were killed.

To maintain sailors' homes in our ports.

To train boys and young men for our merchant ships by the organization of Boys' Naval Brigades.

FACTORY DISTRIBUTORS SALE OF

READY ROOFING MILL ENDS

These are full-measure rolls of Prepared Roofing, complete with nails and lap cement for laying. Every roll will cover at least 100 square feet, after lapping. There are not more than four pieces to a roll, and very many of the rolls are in one piece, but may be defective in appearance. Customers find these "Mill Ends" to be good for all practical purposes. Mostly used as a Roof Covering, but hundreds of squares now applied on outside walls of buildings to protect from wind and dampness. "Mill Ends" are usually snapped up by customers living near the Roofing Mills, but we have secured enough to be able to make a wide-spread offer. We must, however, reserve the right to refuse orders when once our present stock is sold. Order at once, and if in doubt as to how much you need, send the size of your building and we will ship the right amount of Roofing to cover.

MAKE A BIG EXTRA SAVING

All Roofings offered in this sale are "Mill Ends" of our highest grades. We particularly recommend the "Mill Ends" of Slate Surface Roofing. You can lay it right over the top of old wood shingles.

Kindly Order by Number and for convenience clip this advertisement and mail with your order.

D 32. "Mill Ends" of Three Ply Mica Surface Roofing, weighing about 55 pounds per square. Our regular price $3.65. "Mill End" price only **2.45**

E 42. "Mill Ends" of Slate Surface Roofing, in ornamental natural colors, red and green, extra heavy and usually called "four ply. Weight per square about 60 pounds. The price usually paid for this Roofing in Ontario will be from $4.00 to $4.50, depending on the distance from the mills. Our "Mill End" price only **2.90**

NOTE.—If intending to lay Slate Surface Roofing over old wood shingles, allow 10 cents per square for extra long, large-head nails.

OUR "CAP SHEAF" OFFER

To further introduce our Roofings, and to quickly dispose of our present stock of "Mill Ends," we will PREPAY FREIGHT on orders of Ten Rolls or more to railway stations in Ontario south of the Ottawa Valley, providing you send the names of Ten neighbors with your order. On shipments outside this territory we allow freight to the Ottawa Valley, or French River.

SEND NO MONEY If there is an agent of the Railway Company at your station we will ship your order C.O.D., subject to inspection and approval before you pay a cent. If there is no agent, send Cash with Order, "your money back if not satisfied."

After-war conditions, and the telephone

Restoring Our Reserve Plant!

A telephone system to be normal and healthy must have a big percentage of its plant in reserve.

There must be spare positions on switchboards, spare cables in underground conduits, spare wires in underground and aerial cables, spare pins on cross-arms.

The plant in reserve must be ample, not only to meet ordinary growth, but to take care of unforeseen development such as the opening of a new car line, the cutting through of a new street, the location of a new industry in a given district.

During the war, through scarcity of material and skilled labor, our reserve plant was depleted as never before. Even necessary maintenance and repair work had to be postponed. Delays in installations were inevitable.

The present problem is to get our reserve plant back where it should be and to overtake vital maintenance and repairs. This must be done while meeting pressing demands for new telephones. These in turn call for new buildings, new switchboards, new conduits, aerial and underground cable, new local and long distance lines.

Our outlay for the year will be upwards of $7,000,000.

We are striving to keep our service up to the best pre-war standard, while at the same time meeting the demands of this busy reconstruction period.

Telephone workers, loyal and faithful as they are, appreciate the courtesy and kindly co-operation of our subscribers, who can help greatly by making sure of the number by consulting the directory before calling; by speaking distinctly, directly into the mouthpiece, and by always answering promptly when the telephone bell rings.

THE NERVOUS SCHOOL CHILD.

Needs Rich, Red Blood to Regain Health and Strength.

Many children start school in excellent health, but after a short time home work, examinations, hurried meals and crowded school rooms cause their blood to become weak and thin, their nerves over wrought and their color and spirits lost. It is a great mistake to let matters drift when boys and girls show symtoms of nervousness or weak blood. They are almost sure to fall victims of St. Vitus dance, or drift into debility that leads to other troubles. Regular meals, out-door exercise and plenty of sleep are necessary to combat the nervous wear of school life. But it is still more important that parents should pay strict attention to the school child's blood supply. Keep this rich and red by giving Dr. Williams Pink Pills according to directions and the boy or girl will be sturdy and fit for school. The value of Dr. Williams Pink Pills in cases of this kind is shown by the statement of Mrs. Pearl G. Harrington, Kingsville, Ont., who says:—"I have often felt that I should write you and let you know what Dr. Williams' Pink Pills did for me. At the age of thirteen I was afflicted with St. Vitus dance. The trouble became so severe that I had to be taken from school. I was given medical treatment but it did not help me, in fact I was steadily growing worse. Then a friend advised my mother to give me Dr. Williams Pink Pills, which she did, with the happiest results, as the pills completely cured me and I was again able to take up my studies and attend school. Again about three years ago I was attacked with nervous prostration and once more took Dr. Williams Pink Pills, and after using five boxes was fully restored. I cannot praise these pills too highly as I believe they will cure any case of St. Vitus dance, or restore anyone who is weak, nervous or run down.

You can safely give Dr. Williams Pink Pills to the most delicate child, or take them yourself with equally good results when you need a blood tonic. These pills are sold by all dealers in medicine, or will be sent by mail, post paid, at 50 cents a box or six boxes for $2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

ORANGEVILLE, OCT. 30, 1919

CANADA'S TRADE STABILITY

Statistics furnished by the Finance Department at Ottawa for the six months ending Sept. 30, 1919, show a most encouraging state of affairs, even though there has been a decrease in Canada's total trade as compared with the same six months of 1918. The total value of Canadian trade, export and import from April 1st, to Sept. 30th, 1918, was $1,087,282,880 and for the same period in the present year $1,054,657,462 or $32,575,418, less. But the chief drop was in the value of imports. Exports fell only $11,329,805 as compared with the 1918 totals. When it is remembered that last year the war was still in progress and Canada was exporting munitions that ceased to be made so soon as the armistice was signed, the decrease in exports is surprisingly low. It is clear that our exports of a permanent character, both agricultural and of manufactured commodities, must have risen above even those of the war period.

Canada therefore has maintained a great overseas market for something more than war supplies, which she has an opportunity of permanently holding. But this market was only rendered possible by the credits furnished to Great Britain and European countries. Unless the Canadian people by a generous oversubscription to the 1919 Victory Loan, furnish the capital whereby these credits and this vast export trade can be maintained, the same period of 1920 will show a shrinkage that cannot be restored.

MANSLAUGHTER.

Mono Farmer Faces Serious Charge as Result of His Housekeeper's Death.

In January, 1918, a woman named Amelia Hambly, a daughter of the late John Hambly, of Orangeville, took a position as housekeeper with George Duke, a Mono farmer, who lives a short distance this side of Mono Mills. Last September she was taken ill and died on Sept. 11th. A day or so later her remains were interred in the Forest Lawn Cemetery. Circumstances connected with her death caused considerable talk in the neighbourhood. Eventually word of the occurrence reached the Attorney-General's Department in Toronto and as a result Detective Boyd was sent here to make an investigation. After getting possession of the facts the officer decided that an inquest should be held to clear up the whole matter. As a preliminary to the inquiry the remains were exhumed and brought to the market room in the town hall, where Drs. Henry and Macleod performed an autopsy. The inquest itself was conducted by Dr. R. W. Rooney, coroner for the County of Dufferin, assisted by Crown Attorney J. L. Island and the following jury:—T. S. Parkinson, foreman, W. M. Green, John Park, W. T. Tilt, Thos. Arnott, J. E. Smith, John Norris, W. C. McMillan, J. B. Irwin, Wm. Gillespie, D. A. Hogg and J. B. Adamson. After the jury had viewed the remains the Coroner adjourned the inquiry until Monday night, when it was resumed in the Court House. A number of witnesses were examined including Drs. Dunning and Allison, who were called in to see the woman shortly before her death, Drs. Henry and MacLeod, who performed the autopsy, Duke the dead woman's employer, Dr. Kyles, High Constable Marshall, David Hambly, the seven-year-old son of the deceased, Mrs. Henry Sanderson, who saw the deceased during her last illness, J. H. Hulse, C. V. Jeffers and several others. It was brought out by the evidence that the woman had two miscarriages between the time she went to live with Duke and her death. The second was responsible for her death. Drs. Henry and Macleod both testified that some instrument had been used to bring on the miscarriage, but they were in some doubt as to whether the instrument could have been used by the woman herself. Mrs. Sanderson swore positively that Duke had admitted in conversation that he was responsible for the woman's condition. This Duke denied just as positively when placed on the witness stand. The evidence also disclosed the sad fact that a doctor had not been called in until the unfortunate woman was almost at the point of death.

The verdict of the jury was to the effect that Duke had been guilty of criminal negligence in failing to supply the woman with proper medical attendance when she was taken ill. As a result of the verdict the Crown has taken steps to have Duke arrested and placed on trial on a charge of manslaughter. The warrant for his arrest was placed in the hands of High Constable Marshall on Tuesday.

Duke is a man of about 45 years of age. He is a large, burly chap, who has been at odds with a number of his neighbors for the last few years. His wife left him a few years ago, finding it impossible to get along with him. Since then he has had a housekeeper in charge of his home the most of the time. John Hambly, the father of the woman, whose death has been under investigation, was found drowned in a curing vat in Aiken's tannery a number of years ago. His death was the subject of an inquiry at the time. Duke was arrested and brought to town early yesterday afternoon. He appeared before P. M. Pattullo at 3 o'clock, and was remanded until 4 o'clock Friday afternoon.

DUFFERIN'S VOTES OF THE PAST

For purposes of comparison we submit the following table of the total votes polled by the winning and losing candidates in Dufferin Dominion and Provincial elections from 1894 to the present:

538.

Is the Official Majority for Slack, the Winner in Dufferin.

Mr. Jack M. Aiken, the Returning Officer, made his official count and return for Dufferin on Monday. Owing to errors in some of the first reports the official figures increase T. K. Slack's majority from 506, as reported in last week's Banner, to 538. The chief change occurred in No. 1 Poll in East Luther, where Reburn only polled 39 votes instead of the 70 with which he was first credited. The official figures follow:

THE FALL ASSIZES.

Only One Civil Case Before Court.

The Fall Assizes for the County of Dufferin opened in the Court House here on Monday. Mr. Justice Clute, who was slated to preside, was ill and unable to attend. Chief Justice Sir Glenholme Falconbridge, who has now been here for several successive Assize Courts, took his place. The proceedings were limited to the trial of a single non-jury civil suit. This was an action brought by Richard Fife, of Shelburne, against James Keating, of Melancthon, to recover $2183, which the plaintiff alleges is due him under an agreement for the purchase of six lots in Chamberlain Park, a subdivision in the township of Barton, adjoining the City of Hamilton. Keating entered into an agreement for the purchase of the lots in question from Jno. J. Hammond, of Shelburne, on Dec. 26th, 1914. This agreement Hammond subsequently assigned to Fife. The defendant admitted the agreement and the payment of $1000 cash at the time of the deal, but maintained that Hammond represented that the lots he was buying were situated in the City of Hamilton, whereas they were actually in the township of Barton outside of the city limits. He furthermore averred that Hammond had assured him that he would not require to make any further payments as he would sell the lots for him at a good profit inside of a year. On account of this undertaking coupled with the misrepresentation as to the location of the lots he had declined to make any further payments. Keating also set up the plea that on or about January 1st, 1916, he had paid Fife $120 interest and $150 on principal account on the undertaking by the plaintiff that he would take over the lots and relieve the defendant from any further liability under his agreement. J. R. Layton, of Dundalk, appeared for the plaintiff, and W. D. Henry, of Markdale, for the defendant. After hearing the evidence and argument of the opposing counsel His Lordship reserved judgment.

You did it before. You can do it again. Buy Victory Bonds.

Canada pledged her last man and her last dollar. Redeem that pledge in Victory Bonds.

If the fighting were still raging, you wouldn't hesitate to buy Victory Bonds.

To make the Victory Loan a success is a national obligation. It may be that you are the deciding factor.

If you are concerned about the future welfare of Canada, buy a Victory Bond and make it a sure thing.

Don't forget the future of your children. Lay a good foundation with a Victory Bond.

THE DRY MAJORITY INCREASES.

OFFICIAL FIGURES OF REFERENDUM VOTE IN DUFFERIN.

The unofficial returns of the recent Referendum vote in Dufferin were not greatly altered by the official count on Monday. There were several small changes in the figures. In the aggregate these had the effect of increasing the dry majorities, particularly the majority on Question One, which is now slightly over instead of slightly under 6,000. The official returns are as follows:—

IN MEMORIAM.

In loving memory of John J. Martin who died Oct. 29th, 1917:—

Days of sadness still come o'er me,
Tears of sorrow often flow,
Memory keeps my husband near me,
Whom God claimed two years ago,
'Tis sweet to know we'll meet again,
Where parting is no more,
He is not dead, but just waiting,
On the other shore.

THE U. F. O. PLATFORM

In view of the success the United Farmers had in the recent Provincial election we publish herewith the platform of the Organization as a matter of general interest. The platform was formally adopted some months ago at a meeting of representative officers of the U. F. O. in Toronto:

WHEREAS the rural population of Ontario has been declining for many years, being now 139,000 less than it was in 1881 and this in spite of natural increase in population, immigration, and the extension of settlement;

AND WHEREAS rural life has been rendered difficult and trying, and farm production has been checked;

AND WHEREAS the present condition in the rural districts is justly attributable to the unequal rewards of farm and town industry, owing to the dominance in Parliament and Legislature, of privileged urban interests;

AND WHEREAS the Provincial public debt has increased at an alarming rate (now exceeding 100 million dollars) and the annual expenditure of the Province has increased almost five-fold in the last 15 years;

AND WHEREAS both of the old parties are responsible for this state of affairs;

We, therefore, the United Farmers of Ontario, deem it our duty, to ourselves and the Province, to seek independent representation in the Legislature, with the following objects;

1—To cut out all expenditures that are not absolutely essential.
2—To abolish the system of party patronage.
3—To limit Governmental activity respecting commercial co-operation to legislation facilitating co-operative effort, to the keeping of accurate records, and to general education along co-operative lines.
4—To provide equal educational opportunities for all the children of all the people, by greatly extending and improving educational facilities in the rural districts.
5—To substitute for policy of expensive Provincial highways a policy of organized continuous road maintenance, and of making good roads for all rather than high grade roads for a few, the cost of road construction and maintenance being equitably distributed between city and country.
6—To promote a system of forestry which will maintain and increase the public revenues from this source, protect and perpetuate our forest resources, re-forest the waste places of Old Ontario, and encourage municipalities to engage in forestation enterprises.
7—To encourage and cheapen Hydro Electric development and maintain effective public control over it.
8—To enact and enforce such prohibition legislation against the liquor traffic as the people may sanction in the approaching referendum and as lies within the power of the Provinces. Prohibition is an integral part of the Farmers' Platform, and the U. F. O. will use its influence in that direction.
9—To extend the policy and practice of Direct Legislation through the Initiative and the Referendum.
10—To apply the principle of Proportional Representation to our Electoral methods.

LEARN TO SAY 'NO!'

John Brown was a man without
houses or lands,
But happy while making good use of
his hands;
He kept a good home by the sweat of
his brow,
And when requested to drink would
firmly say 'No!'

John Brown had a wife who was fond
of her home,
So John was unwilling to wander or
roam;
She could bake, she could make, she
could trim, she could sew,
And find time to teach her three boys
to say 'No!'

On John Brown, as a workman, you
could always depend,
Till one cold winter's day he met an
old friend,
Who asked him to drink, it would
keep out the cold;
John refused, then consented, ashamed to say 'No!'

John Brown caught the plague—twas
the plague of his life;
It plagued his poor children, it plagued his poor wife;
It so plagued his employer that he
told John to go,
And stay from his work till he learned to say 'No!'

John Brown had a home, but a change is now seen.
Though his wife did her best to keep
the boys neat and clean;
The savings are spent, the best chairs
had to go;
John saw the sad change, but could
not say 'No!'

John Brown had a heart, he saw his
wife's tears;
He thought of his home, the home of
past years;
He thought of his boys, so ill-clad
in the snow
He thought of what they suffered
through his not saying 'No!'

John Brown took the plague, and
asked help from above,
That he still might provide for those
he should love;
He went back to his work, determined to show,
That John Brown was a man, when
he learned to say 'No!'

BLOUNT.

The Blount Women's Institute held its regular monthly meeting at the home of Mrs. Alex. Still on Sep. 30. There were fourteen present with the President in the chair. A very pleasant hour was spent, after which the meeting opened with the singing of the Maple Leaf. It was moved, seconded and carried that any socks which are on hand are to be sold among the members. It was also moved, seconded and carried that Mrs. Alex. Still and Miss Ruby Reid go to the Convention in Toronto. The programme, following the business meeting, consisted of instrumental solos and vocal duets by Misses Myrtle Dodds, Sadie Rayburn and Ruby Reid, and a Question Drawer. A very dainty lunch was served before the close of the meeting. The next meeting will be held at the home of Mrs. Lorne Dodds on Wednesday afternoon, Nov. 5th. All members are requested to be present.

DISTRICT W. M. S.

The annual meeting of the Orangeville District Women's Missionary Society of the Methodist Church will be held in Alton Methodist church on Friday of this week. There will be morning and afternoon sessions, beginning at 9 a.m. and 2 p.m. respectively. An interesting and helpful programme has been prepared for each session. Auxiliaries are asked to let Mrs. B. Cockeril, Alton, know how many delegates they expect to have at the Convention.

THE J. C. ROCKWELL "SUNNY SOUTH" CO'Y.

That uncommonly strong combination of colored talent, known as the J. C. Rockwell "Sunny South" company, the show that never disappoints, the one that never misrepresents, is announced to appear in the Opera House, Orangeville, Friday evening, November 7th. This company has been seen here several times and it has always made good every promise, delivering the goods just as represented. As on its former visits, it will be found to be clean to a fault and during the entire performance there is not a line, an action nor an insinuation to which exception can be taken. There is every ingredient of gayety and melody and it is illuminated with an Olio of top notch and refined vaudeville stunts, of the better class, being the kind that are seldom seen outside the larger centres of population. From curtain to curtain it is snappy, gingery and well calculated to drive away the blues. Mr. Rockwell does not believe in putting the greater part of his salary allotment into one or two acts and allowing the balance of the performance to suffer through the employment of cheaper ones, which always disgust the experienced patron, but he has found that the expenditure of money for the purpose of making each and every act and detail complete pays twice over in the box office receipts. This explains why the performances given by this company are always up-to-the-minute, sending the audiences home whistling, happy and contented, at the same time feeling satisfied with their investment. There is plenty of fun in the performance, in fact it was built for laughing purposes only and it is generally conceded to be one of the funniest shows since time began.

The organization is accompanied by an excellent solo concert band and a superb orchestra. The Koontown parade takes place at the noon hour. Admission 35, 50 and 75 cts. Secure seats now and avoid standing. They are selling at The Banner Office.

CANADA'S FUTURE DEPENDS ON LOAN

Steady Employment and Prosperity Hangs on Victory Loan.

Canada's future prosperity depends to a great extent upon the success of the Victory Loan. No country can exist upon trade within its own boundaries. Canada counts on the trade with Great Britain and other allied countries to keep the flood of good times in the country.

The surplus products of the farm and the factory find their way across the seas. The revenue of the farmer and the manufacturer is dependent on this trade relationship being sustained. The employment of many hands depends on the orders that come to the firm. The pay envelope only comes with steady employment.

Great Britain and overseas countries are still desirous of continuing trade relations, but, overwhelmed with war expenses, they must be given credits for the time being. The farmer and the manufacturer must be paid for their products and manufactured articles in cash. Therefore, Canada must finance the proposition to keep the tide of commerce coming this way. But in order to have the money on hand to do this great thing, Canada must borrow from her people.

The Victory Loan offers bonds to subscribers paying 5½ per cent. interest. The guarantee behind the bonds makes them an absolutely safe investment. Victory Bonds are accepted as collateral at any bank, and can easily be turned into money at a profit. It is then to the interests of every Canadian to subscribe for all the Victory Bonds he can, for it is profitable, it is patriotic, and it is necessary for the continued prosperity of the country.

Would you lend a soldier $50 if you knew it would save his life? Buy Victory Bonds and keep the military hospitals up.

If you appreciate a good investment you will buy a Victory Bond.

You deceive no one but yourself when you say you can't afford a Victory Bond.

SETTLING UP AT MONO MILLS ON FAIR DAY.

A Local Champion of Long Ago—Interesting Characters—The Wandering Clock Cleaner.

(By Thomas McLaughlin.)

No account of Mono Fair would be complete if reference were not made to the fighting that took place there. "Wait till I get you at Mono Fair" was a saying quite familiar in the ears of the old-timers. Two neighbors at home might have a little scrap over some trifling matter and, one of them getting the worst of the battle, prepared his antagonist by warning him of what would be coming to him on Fair Day. So both parties arrived backed by their respective allies and the matter would be fought to a finish. But all the fighting was not thus pre-arranged. It was never a difficult matter to stage a fight at Mono Fair once the day wore on and the effects of free indulgence in the whiskey (so plentiful and so cheap), began to be felt. It was poor fighting in a sense, wanting in "science," rough and tumble, and the net result was seldom more serious than a black eye or a bloody nose. But it was all regarded as good sport by the crowd.

READY FOR THE FRAY.

Looking back over nearly sixty years of time, there is one figure on Mono Fair ground that stands out in as bold relief as he did in those long ago days when he triumphed there. Bill was the one man feared of all on Fair Day. A giant in proportion and not endowed with a super-abundance of intelligence, a quiet enough neighbor when sober, but a demon in drink. By mid-day he was properly attuned to his day's performances. Stripped to the waist, his huge arms waving, he marched up and down through the crowd inviting all and sundry to oppose him. He had a habit of grinding his teeth and snorting that sent terror to the hearts of the young boys present, and they generally were on the fence ready to escape should Bill come in their direction. This man could lift a keg of nails weighing a hundred pounds by gripping it with his teeth and shake it as a dog would a kitten. He had assumed the sobriquet of "Varnar," the significance of which no one seemed to know, and generally spoke of himself in the third person, his favorite cry being: "Varnar never ran away." Occasionally some daring one would have the temerity to face him, but nearly always he was glad to escape with his life. The odds were too great. Poor Bill was not without his good points, and the following incident would go to show that he was not lacking in humor: Going home over a very rough, hilly road in the darkness of night, and more or less under the influence of liquor, he was guiding his ox-team, and, in the wagon, stupefied with drink, was a well-known local character. The wheels left the beaten track and the wagon upset, pinning the passenger underneath. Bill went to the nearest house and aroused the inmates with the announcement: "Get up, the divil is dead. I killed the divil." In those days and in the Mono settlement the devil was a very real being, so the grown-ups of the family followed Bill to the scene of the accident, presumably with the expectation of seeing the remains of Lucifer, hooves, tail and horns included, but on righting the wagon box poor, little, inoffensive Johnny Satan, a floating outcast of the Civil War, was discovered.

AT THE FAIR.

Mono Fair attracted many an interesting character. Old Barton, the wandering clock-cleaner, was generally on hand and sang his locally famous song (through his nose), running thus: "We may wrangle and jangle when we meet at market or fair, but we'll be found true to each other when in a strange country we are; England may boast of her navies, likewise of her commanders, too, but what would they've done if the Paddies hadn't fought at Waterloo-oo-oo." As sung by Old Barton once heard never forgotten.

BEGGARS AND PIPERS.

Paddy the Piper would straggle along, poor, blind and forlorn, led by some neighbor boy, and his playing never failed to please the crowd.

Crazy Sal was another regular attendant, not led, but leading by a string a hungry-looking, lame pup. Where she travelled to and from no one seemed to know, but she nearly always appeared on Fair Day, just a poor, wandering beggar, much feared by little boys and girls on account of her constant habit of "talking to herself."

Henry Fortune, the black refugee from Dixieland, would come up from the Village Inn and hold the younger crowd spell-bound with his wonderful imitation of a hand organ, all the time keeping his hand moving as if it turned the crank of the instrument. He was something of a ventriloquist, too, and gave the boys many a good scare by making his voice appear to come from their boots. And there were others, all contributing to the merriment of Mono Fair Day.

Birds That Are Useful.

It is in their relation to insects and other enemies of crops that birds are most directly associated with the welfare of man. It is not possible to give a hard-and-fast rule, applicable to the whole country, as to whether any certain bird is beneficial or injurious to farmers, but in the United States department of agriculture's farmers' bulletin 630, "Some Common Birds Useful to the Farmer," more than fifty species of birds common to farming sections are discussed. The birds treated in the bulletin are: Bluebird, robin, titmouse, wren, brown thrasher, catbird, swallow, towhee, sparrow, house finch, grackle, brewer blackbird, Baltimore oriole, Bullock's oriole, meadowlark, redwing, blackbird, bobolink, crow, bluejay, Pacific coast jay, phoebe, kingbird, nighthawk, woodpecker, cuckoo and bobwhite.

OFFICIAL PROSPECTUS

"The Bridge from War to Peace"—The Prince of Wales.

THE MINISTER OF FINANCE OF THE DOMINION OF CANADA offers for Public Subscription the

Victory Loan 1919

$300,000,000. 5½% Gold Bonds

Bearing interest from November 1st, 1919, and offered in two maturities, the choice of which is optional with the subscriber as follows:

5 year Bonds due November 1st, 1924 — 15 year Bonds due November 1st, 1934

Principal payable without charge at the Office of the Minister of Finance and Receiver General at Ottawa, or at the Office of the Assistant Receiver General at Halifax, St. John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary and Victoria.

Bonds may be registered as to principal or as to principal and interest, as hereinafter provided, at any of the above-mentioned offices.

Interest payable, without charge, half-yearly, May 1st and November 1st, at any branch in Canada of any Chartered Bank.

Principal and Interest payable in Gold. Denominations: $50, $100, $500, and $1,000

Issue Price: 100 and Accrued Interest,

Income Return 5½% per Annum

The proceeds of the Loan will be used to pay indebtedness incurred, and to meet expenditures to be made in connection with demobilization (including the authorized war service gratuity to our soldiers, land settlement loans, and other purposes connected with their re-establishment into civil life), for capital outlay upon shipbuilding, and other national undertakings forming part of Canada's industrial reconstruction programme, and for the establishment of any necessary credits for the purchase of grain, foodstuffs, timber and other products, and will be spent wholly in Canada.

Payment to be made as follows:

10% on application; 20% December 9th, 1919; 20% January 9th, 1920; 20% February 10th, 1920; 31.21% March 9th, 1920.

The last payment of 31.21% covers 30% balance of principal and 1.21% representing accrued interest at 5½% from November 1st to due dates of the respective instalments.

A full half-year's interest will be paid on May 1st, 1920, making the cost of the bonds 100 and interest.

Subscriptions may be paid in full at the time of application at 100 without interest, or on any instalment due date thereafter, together with accrued interest at the rate of 5½% per annum.

This Loan is authorized under Act of the Parliament of Canada, and both principal and interest are a charge upon the Consolidated Revenue Fund.

The amount of this issue is $300,000,000, exclusive of the amount (if any) paid for by the surrender of bonds of previous issues. The Minister of Finance, however, reserves the right to allot the whole or any part of the amount subscribed in excess of $300,000,000.

Payments

All cheques, drafts, etc., covering instalments are to be made payable to the Credit of the Minister of Finance. Failure to pay any instalment when due will render previous payments liable to forfeiture, and the allotment to cancellation. Subscriptions other than those paid in full on application must be accompanied by a deposit of 10% of the amount subscribed. Official Canvassers will forward subscriptions or any branch in Canada of any Chartered Bank will accept subscriptions and issue receipts.

Subscriptions may be paid in full at time of application at 100 without interest, or on any instalment due date thereafter, together with accrued interest to time of making payment in full. Under this provision, payment of subscriptions may be made as follows:

If paid in full on or before November 15th, 1919, par without interest or 100%.
If remaining instalments paid on Dec. 9th, 1919, balance of 90% and interest ($90.52 per $100).
If remaining instalments paid on Jan. 9th, 1920, balance of 70% and interest ($70.84 per $100).
If remaining instalments paid on Feb. 10th, 1920, balance of 50% and interest ($51.08 per $100).
If remaining instalment paid on Mar. 9th, 1920, balance of 30% and interest ($31.21 per $100).

Payment of instalments or payment in full after November 15th, 1919, can be made only on an instalment due date.

Denomination and Registration

Bearer bonds, with coupons, will be issued in denomination of $50, $100, $500, and $1,000, and may be registered as to principal. The first coupon attached to these bonds will be due on May 1st, 1920.

Fully registered bonds, the interest on which is paid direct to the owner by Government cheque, will be issued in denominations of $500, $1,000, $5,000, $10,000, $25,000, $50,000, $100,000, or any multiple of $100,000.

Payment of Interest

A full half-year's interest at the rate of 5½% per annum will be paid May 1st, 1920.

Form of Bond and Delivery

Subscribers must indicate on their applications the form of bond and the denominations required, and the securities so indicated will be delivered by the bank upon payment of subscriptions in full.

Bearer bonds of this issue will be available for delivery at the time of application to subscribers desirous of making payment in full. Bonds registered as to principal only, or fully registered as to principal and interest, will be delivered to subscribers making payment in full, as soon as the required registration can be made.

Payment of all instalments must be made at the bank originally named by the subscriber.

Non-negotiable receipts will be furnished to all subscribers who desire to pay by instalments. These receipts will be exchangeable at subscriber's bank for bonds on any instalment date when subscription is paid in full. All receipts must be exchanged before 1st June, 1920.

Form of Bonds Interchangeable

Subject to the payment of 25 cents for each new bond issued, holders of fully registered bonds without coupons will have the right to convert into bonds with coupons, and holders of bonds with coupons will have the right to convert into fully registered bonds without coupons, at any time, on application to the Minister of Finance or any Assistant Receiver General.

Forms of application may be obtained from any Official Canvasser, from any Victory Loan Committee, or member thereof, or from any branch in Canada of any Chartered Bank.

Subscription Lists will close on or before November 15th, 1919

THREE ESSENTIALS

"We must have courage, and determination and must summon the necessary unanimity" said a distinguished British statesman the other day, in counselling his countrymen on the necessity of maintaining her trade. These words might just as well have been uttered by a Canadian statesman, for the qualities named are all-essential to this country at the present juncture. Canada is now offering the 1919 Victory Loan and it must be pushed through to success with courage, determination and absolute unanimity, if Canada is to prove worthy of her opportunity.

Great opportunities for trade lie within the grasp of Canada if her farmers, wage-earners, merchants and manufacturers have foresight enough to reach for them. On the maintenance of our great overseas trade built up during the war rests our ability to carry on. One of the great objects of the Loan apart from the rehabilitation of the returned soldier, is the raising of the capital necessary to enable the Government of Canada to continue its system of credits to Great Britain, France, Belgium and other countries, and at the same time pay cash to the Canadian producer. On these credits our present and future trade depends and all Canadians must unite to ensure an ample subscription to the 1919 Loan which alone will render them possible.

PEEL FALL ASSIZES.

Gallagher, a Toronto Taxi Driver Not Guilty of Manslaughter.

Chief Justice Sir Glenholm Falconbridge presided at the Fall Assizes held at the Court House on Tuesday and Wednesday. There was a civil and criminal case before him.

Last July an automobile accident occurred at Lush's sideroad on the Toronto-Hamilton highway in which Jno. Verral, of Toronto, was thrown on the paved road and died three days later in Hamilton Hospital from injuries he received. There were two other occupants in the car, Leo Mulhall, a teamster, of Toronto, and Chas. Gallagher, the taxi driver. The car was a Stoddart-Dayton. Gallagher was charged with manslaughter.

The accident happened on the evening of July 10, about six o'clock. The car swerved when making a sharp turn in the road and struck a tree, about eight feet from the concrete. The car turned turtle and Gallagher and Mulhall were pinned beneath.

S. A. Cinningford, an engineer on the Toronto-Hamilton highway, in the employ of the government, saw the accident. Gallagher, when, released, made the exclamation, "There is the last $300 I have in the world." Hogarth, another engineer, also gave evidence, as did Major Eaton, the latter swearing that earlier he noticed the defendant drinking. Mrs. Gallagher, mother of the accused, stated that her son was a sober, industrious young man. Mulhall, in his evidence, swore that Gallagher had only had three drinks all day, but was not under the influence of iquor.

A. G. Davis appeared for Gallagher and Chas. H. Garvey, Toronto, and Crown Attorney Morphy prosecuted. A verdict of not guilty was brought in by the jury.

Judgment was reserved in the other case, which involved a cattle deal between two Malton farmers. Stanley Evans sued Albert Watson for balance due on cattle. Watson paid $1400 into court and claimed that was all he owed the plaintiff as they had made a new deal in which he was to pay Evans the price of the cattle sold for in Toronto. E. G. Graham appeared for plaintiff and W. S. Morphy for defendant.—Peel Banner.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and as certainly cure you. 60c. a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto. RETURNED TO PRACTICE.

Dr. G. M. Carson, who formerly resided in Vulcan where he practiced his profession for four years, and who enlisted in 1916 with the C. A. M. C., arrived from overseas about four months ago and since then has been practicing in the Ogden Military Hospital in Calgary. He has just returned to Vulcan and is here to remain and resume his practice, having taken over the offices and practice of Dr. R. B. Knowles, who is leaving in a few days for Chicago to take up special work. The many friends of Dr. Carson are expressing joy and gratification at his return.—Vulcan Advocate.

"I HAVE PROVED" Zam-Buk invaluable for eczema, both in the case of my baby and myself," says Mrs. L. Bonin of West Arichat, N.S. She adds: "Baby's skin was badly broken out, but repeated applications of Zam-Buk entirely cured it.

"In my own case, I had eczema on my hands, which made it very inconvenient for me to do my housework. Particularly was this so, as it aggravated the trouble so to put my hands in water. By using Zam-Buk, however, I soon got relief, and it was not very long before every trace of the trouble had disappeared. I really think no home should be without Zam-Buk."

Zam-Buk is equally good for all skin injuries. All dealers 50c. box.

VALUES IT MORE THAN A FORTUNE.

Power Gains Eighteen Pounds—His Rheumatism Disappears After Taking Tanlac.

"I consider what Tanlac has done for me to be worth more than a fortune," said George Power, of Halifax, N.S., while talking to the Tanlac representative a few days ago. Mr. Power lives at 20½ Rottenberg St., Halifax, has lived in Nova Scotia all his life and he is a well known employe of the Nova Scotia Tram and Power Co.

"I've actually gained eighteen pounds since taking Tanlac, and I feel better in every way than I have in twenty-eight long years, and what's more I have spent hundreds and hundreds of dollars on medicines and never got a particle of good until I found Tanlac," continued Mr. Power.

"I had rheumatism in both my legs from the knees down, and in damp weather I just had to stay at home from work. My ankles bothered me too, and I don't believe anybody in the world ever suffered from rheumatism as bad as I did for it was just a sharp shooting pain that would go through my knees, down my legs and into my ankles like somebody was sticking a knife through me, and I would be in such agony that I would turn as white as a sheet. When these attacks came on me I wouldn't be able to sleep a wink but would roll and tumble all night long, and my joints would swell and my knees would be as stiff as a board and I couldn't walk a step for two or three days at a time and would be laid up at home flat on my back with my knees so stiff I couldn't bend them at all.

"I noticed where Tanlac was being highly recommended by people right here in Halifax, so I decided to try it. And I wouldn't take anything in the world for the good it has done me. If anybody don't believe that I am a well man, and that the rheumatism has left me entirely and that I never feel even a trace of it, just tell them to see me. My appetite has picked up and I have gained in weight, and feel better in every way and can sleep fine at night. Tanlac is the greatest thing I have ever seen, and I want to publish this statement for I want everybody to know what this medicine will do."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

WORKING CLASSES BACKBONE OF LOAN

Their $500 and Under Subscriptions Are Required to Make New Victory Loan a Success.

Every little bit counts. Let no citizen of Canada who has faith in the future of his country withhold his financial help to the new Victory Loan enterprise because he is only able to afford $100.

He should take heart from the fact that the working classes formed the backbone of the subscribers to last year's Victory Loan. There were no fewer than 707,701 subscribers of $500 and under and their subscriptions amounted to over $100,000,000.

Now, if every subscriber of $500 and under last year were to resolve to double the amount of their subscriptions during the present effort the Loan would be on the straight road to success. The working classes are to benefit considerably from the wise use of the working capital provided by the Victory Loan. They have shared in the prosperity which has been the good fortune of Canada during the war and after, and they will participate in the advantages of the trade and business which will continue during the reconstruction period as the effect of their financial help and co-operation.

Let the slogan of the average man and woman in Canada be "Double last year's subscription," and all will be well with the Victory Loan, 1919.

Over 15,000 female workers in Sweden are members of trade organizations.

Three Kinds of Stones.

This happened near Bedford and in the county which sends away such beautiful limestone. The teacher was giving a geography lesson. She began with shale, told of the way in which it was obtained, of its uses and showed a piece to the children. "Name several different kinds of stone, Fred," she said.

Fred rose with alacrity. "Whetstones, grindstones and tombstones," he answered.—Indianapolis News.

ADJOURNMENT IN ORDER.

"Gentlemen," shouted the U. F. O. orator at the big convention in West Simcoe who had absent-mindedly left a part of his speech in a grip in his room, "gentlemen, should we who have produced the good things of life idly stand by and see them excluded from us and exultantly enjoyed by the predatory classes? Never! Now, gentlemen, I have something real good in my grip at the hotel—" "Let's adjourn and go there" shouted a big voice halfway down the hall. Several minutes passed before order was restored in the large meeting.

TROTZKY IS DEFIANT

Great Battle Now in Progress for Petrograd.

Bolshevik War Minister Declares That the "Pack of Bourgeois Curs Who Are Worrying the Body of Soviet Russia" Will Not Capture City. But the Reds Are Losing Ground.

LONDON, Oct. 21.—Petrograd is so closely invested by the anti-Bolshevik forces, according to the latest official advices, that military experts express the belief that little short of a miracle can save the hard-pressed Bolshevik. Indeed, one newspaper despatch reported Gen. Yudenitch's cavalry in the capital, but there is no confirmation of this.

Neither had British official confirmation been received of the reported surrender of Kronstadt, although the War Office states that the Esthonians on Friday, operating in conjunction with Yudenitch, got within four miles of the Krasnaia Gorka, facing Kronstadt. Thus, Kronstadt would be in a dangerous position, as, with the capture of Petrograd, it would be cut off.

Coincident with these reports comes a vitriolic announcement by Leon Trotzky, the Bolshevik War Minister, referring to the anti-Bolshevik forces as "a pack of bourgeois curs worrying the body of Soviet Russia," and declaring that Petrograd will not fall.

In the meantime, in the south, Gen. Denikine has been pursuing his successes. But he is meeting with strenuous resistance in the Orel region, where the fiercest fighting is going on.

Gen. Yudenitch's troops have occupied the station at Ligovo, about eight miles from Petrograd, according to a Helsingfors despatch to Reuter's. They have also reached the railway junction at Putilov, a suburb of the capital.

A Helsingfors, Finland, despatch dated Sunday, reported that the red flag again was flying over Kronstadt and that the batteries of Krasnaia Gorka had been active Friday, the night long.

The following description of the situation in the Baltic is attributed to Leon Trotzky, the Bolshevik Minister of War, by a wireless message from Moscow:

"A pack of Bourgeois curs is worrying the body of Soviet Russia on all sides. Polish knights are gnashing their teeth. The German general, von der Goltz, under instructions by the Stock Exchange and the off-scourings of all lands, is seizing the Baltic country with the help of monarchistic bands in order to attack Moscow from there.

"In the northwest, the blood-drunken trio, Yudenitch, Balakovitch and Radzianko, are advancing on Petrograd. The Esthonian peace negotiations served as a means to lull the Red Petrograd troops, and as a soporific.

"The army defending the approaches to Petrograd failed to withstand the first blow and danger has again come to Petrograd. The British and French radio stations announce with joy the fact of our failures on the road to Petrograd. The Stock Exchange and the press of the whole world are sharing the joy and predicting the speedy fall of Petrograd. But they are wrong this time. Petrograd will not fall. It will stand. We shall not surrender Petrograd.

"For the defence of the first town of the proletarian revolution, sufficient strength will be found in the peasant and the workers of the land. Yudenitch's successes are those of a cavalry raid. Troops are being sent to the assistance of Petrograd, and the Petrograd workers, who rose first of all. We must break the skulls of Yudenitch's bands and the Anglo-French Imperialists."

An account of the rapid success gained by the army of Gen. Denikine over the Bolsheviki in Central Russia was given in an official communique issued from the War Office. A Bolshevik offensive campaign on an extensive scale against Tsaritsyn, on the Lower Volga, was opened, it states, on October 11. Operations were conducted on both banks of the Volga, and also to the westward of the Volga as far as the Don River.

During two days, it is stated, the Bolsheviki gained considerable ground. Then volunteers under Generals Waranged and Ulaggai delivered a sharp counter-attack, recovering all the ground which had been lost and inflicting severe losses upon the Bolsheviki. Further to the west the Cossack forces crossed the Don on a wide front and cleared the triangle of ground between Novo-Grigorievskaya, 55 miles northwest of Tsaritsyn, and Ust Medvieditsa, 100 miles northwest of Tsaritsyn, taking 1,200 prisoners, with many guns.

Still further westward, the Cossacks occupied the line of the Kohper River, one of the northern tributaries of the Don, from its junction with the Don to Tishanskaya, taking the towns of Kalatch and Pavlovsk, which lie westward of the Kohper between that river and Voronezh. Prisoners to the number of 2,150, including a complete field battalion, were taken, and another Red regiment was destroyed. Large numbers of prisoners were also taken at Orel and Chenigoff, although the exact number has not yet been published.

Paris Casualties from Big Berthas.

PARIS, Oct. 21.—The total casualties in Paris resulting from air raids and shells thrown by German long-distance guns were 521 persons killed and 1,224 wounded. These figures were given by M. Evain, president of the Municipal Council, in an address in connection with the conferring of the Croix de Guerre on the city of Paris.

W. J. De Forge, about 25 years of age, was shot through the heart on the street at Winnipeg, the victim, it is believed, of murder.

JELLY-DALES.

"Maplecrie," the home of Mr. and Mrs. A. H. Dales, East Luther, was the scene of a pretty wedding on Wednesday, Oct. 12, when their only daughter, Verna, became the bride of Mr. Lorne Jelly. The bride, given away by her father, was daintily gowned in silk crepe de chine with overdress of georgette trimmed with folds of satin and pearls. Her tulle veil was prettily caught in cap effect by a wreath of Swansonia and maiden hair fern, and she carried a bouquet of Ophelia roses. Her only ornament was a pearl sunburst, the gift of the groom. Freddie, the bride's little brother, made a charming attendant. The ceremony was performed by Rev. E. V. C. Lewis, Miss Stella Legate playing the wedding march. When the bridal party had received congratulations the wedding luncheon was served in the dining room which was beautifully decorated with pink roses and carnations. Later the bride and groom left by motor for Elora, Guelph and other points, the bride travelling in a navy blue serge suit and black fox furs with black panne velvet hat trimmed with glycerined ostrich. On their return they will reside on the homestead 9th of Amaranth.—Star and Vidette.

NOTHING TO EQUAL BABY'S OWN TABLETS

Mrs. Alfred Naud, Natagan River, Que., writes:—"I do not think there is any other medicine to equal Baby's Own Tablets for little ones. I have used them for my baby and would use nothing else." What Mrs. Naud says thousands of other mothers say. They have found by trial that the Tablets always do just what is claimed for them. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach and thus banish indigestion, constipation, colic, colds, etc. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

Mr. and Mrs. J. W. Crawford, of Eyebrow, Sask., announce the engagement of their daughter, Jean W., to Mr. Howard Skales, Mt. Forest, Ont. The marriage will take place early in November.

Arthur's experience with its first industrial by-law, passed last fall to grant a loan of $8000 to the Boot and Shoe factory of C. H. Cooper & Son, is so far proving a very satisfactory undertaking. The first debenture amounting to $1086.94 fell due recently and on the day previous, Mr. Cooper was on hand with the money discharging the payment in full.

Peter Ferguson, his brother, Geo. Ferguson, and his son, Thomas Ferguson, of Nobel village, died from imbibing of the contents of a bottle found in their house, labelled alcohol and which had been treated with acetone for the manufacture of explosives. The unfortunate men were former residents of Cheltenham, having moved to Nobel, Ont., about six years ago. The interment took place at Cheltenham Cemetery.

IN MEMORIAM.

In proud and loving memory of Pte. Anstead Gordon, killed in action Sept. 16th, 1916, and of his brother, Pte. Joseph M. Gordon, who died of wounds in France on Oct. 7th, 1918:

We do but die to live;
It is from death we're flying;
Forever lives our Life;
For us there is no dying.

We die but as the spring bud dies,
In summer's golden glow to rise.
These be our days of April bloom;
Our summer is beyond the tomb.

They tell us that they died,
And that a small white cross
Doth mark their resting place;
And we have tried and tried
To realize our loss.

But we picture still their face
As when we said Good-Bye,
And as we tread our road—
We are not lonely—thoughts
Of them lighten our load.

We feel them by our side,
And this great comfort gives.
They tell us that they died,
But our hearts say "They live"

Loved Ones.

LOUNSBURY-WYLIE.

The marriage took place at the Manse, Clinton, on Wednesday, September 24th, of Ethel Maude Wylie, of Toronto, daughter of Mr. J. H. Wylie and the late Mrs. Wylie, formerly of Orangeville, to Roderick Roy Lounsbury. The ceremony was conducted by Rev. J. E. Hogg, brother-in-law of the bride, and the wedding music was played by her niece, Miss Ethel Hogg. The bride, who was given away by Mr. Newton Wylie, of New York City, wore her travelling suit of Delphine blue with a grey fox fur and a taupe hat. Later Mr. and Mrs. Lounsbury left for Montreal. They will make their home in North Bay. The Toronto guests present at the wedding were Mrs. H. Johnston, Miss S. T. Barnhart, Miss Marjorie O'Connor, Mr. Ian Wylie and Mr. Grant Wylie.

CONNOP-WAHL.

St. Joseph's church was the scene of a pretty Autumn wedding Tuesday morning at 9 o'clock, when Miss Marie Wahl, eldest daughter of Mr. and Mrs. Peter Wahl, was married to Mr. C. Wesley Connop, of Orangeville. The bride entered the church on her father's arm, and looked very pretty in white georgette crepe with satin trimmings, her veil and juliet cap caught with orange blossoms, and carrying white ophelia roses and carnations. Her bridesmaid, her sister Lillian, wore a dainty dress of blue crepe and satin with hat to match and carried yellow and white chrysanthemums. Little Miss Kathleen Wahl, of Toronto, niece of the bride, mad a bewitching flower girl. The groom was attended by Mr. Joseph Wallace, of Guelph. High mass was sang by Mgr. McGee, Mr. F. W. Compton presiding at the organ. During the mass Miss Dorothy Wahl sang "Ave Marie" very acceptably. Church ushers were Mr. Maurice Dillon jr., and Mr. Murray Roache. After the ceremony the party returned to the home of the bride where a sumptuous repast was served to guests numbering about thirty. The house was attractively decorated in green and white. The groom's gift to the bride was a pearl sunburst with diamond setting; to the bridesmaid, gold pendant; to the groomsman, gold cufflinks; and to the flower girl, a mesh purse. Leaving for a trip to Detroit and Sarnia, on their return Mr. and Mrs. Connop will make their residence in Georgetown, and will be at home to friends after Nov. 14. The bride's going away suit was of brown gabardine with hat and veil to match. Among the guests were: Mgr. McGee, Rev. Frs. Lowry and McCarthy, city; Mrs. J. P. Wahl, son and daughter, of Toronto; Mr. and Mrs. Connop, son and daughter, of Orangeville; Mrs. Sam Smith, of Toronto; Mrs. Basil Dillon, Ingersoll, and Mr. Jos. Dillon, of Toronto. Stratford Herald.

COTTON-JACOBSON.

The wedding of Miss May Marguerite Jacobson, daughter of Dr. and Mrs. Frank A. Jacobson, and the Rev. John Lyman Cotton, rector of St. Paul's Church, took place in St. Paul's, at 4 o'clock this afternoon. The ceremony was performed by the Rev. T. H. Cotton, D.D., Rector of St. Aidan's Church, Toronto, and brother of the groom. Miss Glendora Knight, of Chicago, a school friend of the bride, attended as a maid of honor, and the best man was Rev. S. H. Prince, of Halifax, N.S. The church was beautifully decorated Autumn leaves were arranged as a background for the white chrysanthemums, which were used exclusively in the trimming. Miss Carrie Hopper, the organist of the Church, played the Lohengrin March as a processional and the Mendelssohn March as a recessional. The bride was given away by her father. Following the services in the church there was a reception in the home of Dr. and Mrs. Jacobson to which members of the family and a few intimate friends were invited. After a wedding trip Mr. and Mrs. Cotton will make their home at 12 Farrell St., Newburgh.

The bride is the only daughter of Dr. and Mrs. Jacobson. She attended Quassnick Hall and later the Ingleside. She has been prominent socially since her debut and is a member of the Powelton Club, Junior League and other organizations. During the war she was active in the Red Cross and Canteen and volunteered to serve as Secretary of the Medical Advisory Board, after taking a special course for the purpose. Mr. Cotton came to Newburgh about four years ago. He is a native of Ontario, Canada, and is a graduate of the University of Toronto. Since acting as Rector of St. Paul's Mr. Cotton has done much to build up the church. The church has received many new members and is in splendid condition financially.—Newburgh Daily News.

Agricultural and Industrial Prosperity of Canada Depends on Success of the Loan.

Why is it necessary to have another Victory Loan? Have you heard this query? Or have you asked it?

The Victory Loan of this year stands out as the bridge between war and peace. The war is over. Our boys won that. The reconstruction period is dawning and we at home must win that.

Much of the money that Canada is asking for will be needed to clean up the war debt. The expenses of demobilization were heavy, and there is still much of it unpaid. Now that our men are back, let it not be said that we repudiated the debt for bringing them back.

The sick and wounded soldiers still in hospitals are expecting that Canada will care for them and their dependents until they have been returned to health and strength. The hospital services must be maintained at full strength as long as there are returned men needing attention.

Many men through disability are unable to return to their pre-war occupations. The Department of Soldiers' Civil Re-establishment is doing a fine work in training returned soldiers in trades and professions that they can earn a living at, and is following up the training and seeing that they obtain remunerative employment. The maintaining of this branch of reconstructive service calls for much funds, and the Victory Loan will be used to pay for it as well as the other purposes.

Under the Soldiers' Land Settlement Act, enough money is lent to returned soldiers to enable them to buy and stock a farm. This money will be repaid at a low rate of interest. The soldier is thus given a chance to re-instate himself in civil life, and production is given a boost. Of the total amount of the forthcoming loan, $24,000,000 has been apportioned to finance these soldier-farmers.

Pensions to the disabled and dependents of our glorious dead, as well as the authorized gratuities will be other items on the expense sheet. These are some of the obligations owing to the returned soldier who is now in health.

The maintaining of Canada's prosperity is an important reason why the Victory Loan should be a smashing success. The money is needed to finance the credits to overseas countries so that they may continue their trade relations with us. If Canada cannot give these credits other countries will, and then Canada will lose all that great overseas trade that has been the mainstay of our agricultural and industrial life for so long.

As an investment Victory Bonds are eminent. Paying 5½ per cent., selling above par on the open market, and guaranteed by the Dominion—what further reason can you have for hesitating? The Victory Loan 1919 ought to be oversubscribed, and all right-thinking citizens will do their utmost to see that such a result is obtained.

TO CARE FOR WOUNDED

Money From Victory Loan Will Be Used to Re-establish Soldiers.

Our soldiers in France faced perils other than those of shell and gas and machine-gun fire. There was the peril of tuberculosis. Up to August last 3,909 soldiers suffering from this disease had been returned to Canada. These were placed in sanitoriums under the direction of the Department of Soldiers' Civil Re-establishment, and they are one of the departments of that branch that must be maintained, and come under the head of capital war outlay.

All of these men and some 20,000 others, disabled or ill, will be looked after with money raised through the Victory Loan 1919. It is the sacred duty of Canadians that the money is forthcoming.

Credits Must Be Established for Sale of Surplus Products.

Success of Victory Loan 1919 Will Insure Steady Markets for Farmers.

It takes some six bushels of wheat to feed the average person in Canada annually. Roughly, therefore, the eight million people here consume about 50,000,000 bushels each year. But even in a poor year the crop is some five times that amount, and the surplus must be sold if the farmers are to get a return for their time and labor. But the sale of the crop must be financed. Great Britain, which provides our greatest market, has not the ready cash; and so Canada must find means of raising the money. Hence the Victory Loan 1919. In view of the fact that the prosperity of the Dominion is dependent to a considerable extent upon the sale of her surplus grain the necessity of the money being forthcoming is patent.

Your dollar may be the last straw that sweeps the Victory Loan over the top. Would you take the chance of making it a failure?

Lend your money that your pay envelope may be always filled, as will follow the success of the Victory Loan.

Victory Bonds are the fodder that keeps the machinery of Canada's industrial world running at full speed.

DISTRICT CONVENTION

Methodists Held Important Meetings on Tuesday.

A very successful District Meeting and Epworth League Convention was held in Orangeville on Tuesday afternoon and evening. Rev. E. R. Young, chairman of the District, presided in the afternoon, and Rev. Geo. Burry, of Caledon East, was elected Secretary. The work of the district with regard to the National Campaign was gone into. Rev. A. Lloyd Smith, of Toronto, addressed the gathering. The following Captains were appointed and their work assigned to them: Intercessors: Rev. F. M. Bellsmith and Mr. T. Cook; Christian Stewards, Rev. H. H. Eaton and Mr. D. E. Dean; Personal Workers and Volunteers for Life Service, Rev. Alfred Laycock and Mr. Lawrence Kee; Evangelism, Rev. Geo. Burry and Mr. Bert Lindsay; Sunday School and Y. P. S. Increases, Rev. F. G. Stotesbury and Mr. Liddy; Finance, Rev. W. W. Wallace and Mr. Dods; Rev. F. M. Bellsmith gave a very able address upon the "Twentieth Century Minister."

In the evening the church was filled full of League delegates who came from points as far away as Rosemont on the north and Caledon East on the south. A strong contingent of workers motored up from Toronto. A very full programme was given under the chairmanship of Mr. Bert Lindsay. Splendid and inspiring music was rendered by the Orangeville League Choir and orchestra led by Mr. W. K. LeDrew from Toronto. Stirring addresses were delivered by Capt. John Morris, Rev. A. Lloyd Smith, Mr. Shantz, and C. R. Conquergood, president of the Toronto Conference Epworth League. A very successful consecration service was held at the close of the Convention when many young people consecrated themselves for Christian work, some making the first dedication of themselves.

The leagues of the District last year raised something over a thousand dollars for Missions and aim at an increase of twenty-five per cent. this year. They also aim at an increase in membership of fifty per cent., and the dedication of forty young people for mission work. From the magnificent and thrilling start the District promises to attain its objective.

The District officers for the coming year are: Hon. Pres., Rev. E. R. Young; President, Mr. Bert Lindsay; 1st Vice Pres., Mr. Elmer Still; 2nd Vice-Pres., Miss Bertha Lowe, Alton; 3rd Vice-Pres., Miss Lulu Scott, of Laurel; 4th Vice-Pres., Mr. Joseph Anderson, Relessey; 5th Vice-Pres., Miss Lily Ireland, Shelburne; Secretary, Miss Alma McConnell, Orangeville; Treasurer, Mr. Wilbur Dickey, Rosemont; Representative to Conference Committee, Miss Bertha Hamilton.

COULTER-HOSICK.

Knox Presbyterian Church, Toronto, was the scene of the marriage of Miss Mary M. (Millie) Hosick, niece of Mr. John H. Hosick, ex-Reeve of Amaranth, to Matthew W. Coulter, of Islington, near Toronto, on Wednesday, October 22nd, at 7 p.m. The ceremony was performed by Rev. J. R. Bell, formerly of Laurel, and Rev. A. B. Winchester, of Toronto. The bride, who was attired in a navy blue gabardine suit, with black silk beaver hat and an ermine fur, the gift of the groom, carried a bouquet of white sweetheart roses, and was given away by her brother, John, of Dunchurch, Ont. The bridesmaid, Miss Edythe Knott, of Toronto, wore a navy blue suit, with black fox furs, and an onyx ring set with pearls, the gift of the groom. The best man, Mr. Mandley, of Toronto, also wore a gift of the groom, a pair of Masonic cuff links. The two little flower girls, nieces of the bride and groom, were attired in white silk and each carried a basket of baby-breath roses. During the signing of the register Miss Nellie Brown sang a solo very sweetly.

A reception was held afterwards at the home of the bride's sister, Mrs. Digby, 370 Windermere Ave., Toronto. The bride received many useful and beautiful presents. After the wedding repast Mr. and Mrs. Coulter left for a short trip to Northern Ontario. On their return they will reside on Bloor St., Islington, Ontario.

CANADA NEEDS MONEY

War Expenditures Still to Be Met From Proceeds of Victory Loan.

The war is over and won; but Canada's main expenditures for war will not be complete until well on into 1920. The $610,000,000 raised last year has all been spent, $400,000,000 having been largely devoted to soldiers—to maintaining them, bringing them home, providing the necessary medical services, training them. Most of the balance of the loan was lent to Great Britain to enable her to buy our surplus products. And money is still necessary — for soldiers, for providing markets, for our surplus products, for the needs of reconstruction. And that is why another Victory Loan is necessary. Canada still needs money, and needs it badly.

A Good Investment.

Speculation is one thing. Investment is another. The majority of citizens want an investment, not a speculation. And they want a safe investment. Victory Bonds fill that requirement as does no other investment. Because behind every bond there is the national wealth of Canada—a wealth so great that it staggers the imagination.

Canadian Bank Clearings.

That Canada is well able to support the Victory Loan is clearly shown by the Canadian bank clearings for the current year. They indicate that the year's total will exceed $15,000,000,000 compared with $12,776,000,000 in 1918. And the year's total clearings should be three times those of 1909.

Must Subscribe More.

Dividing the people of Canada into three classes — the comparatively poor, the moderately wealthy, and the very wealthy — it would seem that if contributions to the Victory Loans constitute service to the nation, the moderately wealthy class is hardly doing its share. Of the money subscribed to the Victory Loan 1918, two hundred and seventy-one million dollars were in bonds of $5,000 and under, ninety-four millions in bonds of between $5,000 and $25,000, and three hundred and one millions in bonds of $25,000 and over.

THEY WHO DANCE MUST PAY THE FIDDLER

PEOPLE CANNOT TAKE MORE OUT OF A COMMUNITY THAN THEY PUT IN.

COLLAPSE IS INEVITABLE

Town Will Not Survive Long If The Commercial Structure Is Torn Down Faster Than It Can Be Built Up.

(Copyright, 1917, Western Newspaper Union.)

He who dances must pay the fiddler. That is an old saying which is full of truth. The primary idea in this saying, of course, is that one cannot have any pleasure without paying for it in some way, but this is not the only sense in which it may be construed. It means that we cannot pursue any foolish policy indefinitely without paying for it in the end.

No man can overtax his physical strength indefinitely without risking ultimate disaster. Dissipation or overwork may be continued for a time without any noticeable results, but if continued for a sufficiently long time the inevitable comes to pass. The laws of nature cannot be violated with impunity. If one takes out of life more than he puts in, if he tears down his physical strength faster than he builds it up, he must eventually pay the fiddler.

What is true of the laws of nature is equally true of economic laws. The people of a community may for a time tear down the commercial structure of a town faster than they build it up without meeting disaster, but it cannot be continued indefinitely. In the end they must pay the fiddler.

EXHAUST RESOURCES OF COMMUNITY.

The person who makes his living in a community, receiving the money of the community for his labor or the products of his labor, and then spends his income outside of his community is helping to exhaust the resources of the community just as the man who expends his energy through dissipation or overexertion faster than he builds it up is exhausting his physical resources. One man may do this, of course, without noticeably affecting the economic strength of the community, but when a dozen men or women do it the effect becomes noticeable and when a hundred do it the resources of the community become exhausted to the point where collapse is inevitable. Those who are responsible for this situation may think they have profited individually by their actions, but they have not realized that in the end they must pay the fiddler.

There are some persons who seem to be able to get through life without much effort. There are some who proceed on the theory that the world owes them a living and they proceed to collect it. They take what they can get and give nothing in return. Such persons, however, are not very numerous. Most of us must pay for everything that we get. Some may have to pay more than their share and these are carrying the burden of those who get more than they pay for. The fact remains that, as a general rule, one cannot have much worth while without paying for it.

The merchants of any community are the backbone of that community, so far as its prosperity and progress are concerned. Individually there may be some of them who do not exert themselves to boost their community, but collectively they are the men upon whom the living of every person in the community depends. The success or failure of an individual merchant may not be of particular concern to the people of a community, but the success or failure of the merchants as a whole is a matter of the very greatest concern.

PROVIDE MARKET FOR FARMERS.

The merchants of a town, in the first place, provide a market for a large part of the products of the farmers in the territory surrounding the town. They buy the produce of the farmers in small quantities, in accordance with their need, and some of them buy in larger quantities for shipment to foreign markets. If the merchants could not do this there would be no market at least for the small quantities except at ruinous prices. If the famers could not realize a reasonable profit from their products, there would be no money to pay for your products or to pay for your labor. It is therefore, of the greatest importance to every member of the community, whether a resident of the town or a farmer in the country surrounding the town, that the merchants be enabled to provide this market for at least a part of the farmer's products.

Every dollar sent away from a town to a mail order house helps to diminish the ability of the local merchants to provide a market for the farmer's products or to do any of the many other things which the merchants of every town do for their community.

Business in a community cannot be conducted on a one-sided basis. A man cannot take out of his community a good living for himself and family and give nothing in return. He may do so for a short time and get away with it, but in the end he must pay the fiddler.

Viscount Astor Dead.

LONDON, Oct. 21.—Viscount Astor of Hever Castle, died of heart disease Saturday. He had been in failing health for a year.

The body of Viscount Astor is lying in the residence of his son, Waldorf Astor, member of Parliament, in St. James' Square.

Through Viscount Astor's wish his body will be cremated, and it is understood his ashes will be placed in the private chapel of his one-time country home, Cliveden, at Taplow, Bucks, now occupied by Waldorf Astor.

Penal Servitude for Mutiny.

LONDON, Oct. 21.—In connection with the mutiny of August 9 on the steamship Mariska, from Halifax to Brest, three firemen have been sentenced at the Dorset Assizes—John Cody to five years, and Gerald Lynch and Mike Connell to eighteen months each at hard labor.

Sword of Honor for Smuts.

PRETORIA, South Africa, Oct. 21.—A distinguished gathering crowded the town hall Saturday when the mayor, amid scenes of enthusiasm, presented Gen. Smuts with the sword of honor subscribed for by the citizens.

First Instalment Paid.

BERLIN, Oct. 21. — The Cologne Gazette says that it understands Germany has paid the first instalment of the war indemnity. The newspaper says it consisted of deliveries of various commodities amounting to 20,000,000,000 marks.

Spats Survive.

There is an old and trite saying that "imitation is the sincerest form of flattery," and in that connection one of those things not generally known is that the wearing of spats originated as a compliment to the kilted regiments who were them in the Indian mutiny. The glorious deeds of the Highlanders in that campaign made them popular heroes, and in the late fifties many things in dress were adopted by the public in imitation of Scottish uniforms, but only spats survive.

OPERATION FOR APPENDICITIS. Mrs. J. A. Ballantyne, Sturgeon Falls, Ont., writes:—"My husband was treated for appendicitis and the doctors ordered an operation. But he would not consent to an operation and began the use of Dr. Chase's Kidney-Liver Pills. Since doing so he has had no need of an operation or even of a doctor as the trouble has completely left him. I cannot find words to speak our gratitude for his cure."

THE INTER-CHURCH FORWARD MOVEMENT

The church stands for the religious basis of all life, and must never lose itself in details. Nothing is more impulsive than philanthropic work carried on without the tender human sympathy and the spiritual insight which enabled the worker to heal the wounds of society. Social reform, if constructive, must be based on sound principles. Each proposal must contribute to some thought-out achievement. Beyond question the driving power in the movement which has so largely curtailed the liquor evil has been an aggressive humanity inspired by the Gospel of Jesus. Economic, political and social considerations have reinforced the appeal of the church, but the main power after all has been the conscience created, informed and sustained by religion.

The actual churches are as human as are the men and women who come to them from the clubs, boards of trade, and trade unions, where they meet for other purposes. One has but to consider for a moment what society would be like, if the quiet abiding influence of the churches were removed, to decide that despite certain ineffectiveness, the church is an indispensable factor in the moral life of the nation.

Mechanical adjustments of the social arrangements carried on without the insight born of reverence for God and man will be disappointing. Can the force of religion be made more effective? Can religion itself stand forth more distinctly than ever, disentangled from mischievous associations with questionable science, history, and politics, to sustain the inward life of social progress? No question is more urgent; and the fact that all the churches have awakened to face it is full of encouragement.

The Inter-Church Forward Movement, with the National Campaign in each church, appeals to every citizen to face anew the basal questions of life. It seeks to make God more real in personal life, and a greater force in social organization. The overwhelming sense of responsibility of each Christian, and every group to God, for promoting the life of all God's children, will alone create the atmosphere in which real social progress can be made. The Inter-Church movement, therefore, invites all Christian people to stress anew the fundamental facts; reverence to God as seen in every man; the brotherhood of the human family; wealth as held solely in trust for God's life in the world; and all life a means of expressing God's thoughts and purpose, rather than a means of private gain.

HAVE YOU LOST CONTROL OF YOUR NERVES?

WHEN YOUR HEALTH FAILS ALL IS LOST!

When your good health leaves you then you lose energy, ambition and the desire to succeed in life.

Things that are worth while do not interest you and you just drag on from day to day.

Don't give up; Don't Weaken, do not be discouraged because other medicines have failed to benefit you, here is one that will Build Up and Strengthen the Body so that you will again be Strong and Vigorous—

Hacking's Heart and Nerve Remedy

It takes away "that tired-feeling" and brings back the rosy cheeks of your younger days.

Health, Strength and Vitality are yours if you desire them, get a few boxes of Hackings Heart and Nerve Remedy from your dealer today, and give them a fair trial. It is the Master Tonic and Builder that will succeed when others have failed.

Mrs. H. Hinchcliffe of Wingham writes as follows—

"Hacking's Heart and Nerve Remedy has done wonders for me, I was on the point of a Complete Nervous Breakdown, could not sleep nor plan my household duties; for years I suffered with my Heart and my Nerves and the doctors could do little for me. I took Hacking's Heart and Nerve Remedy on the recommendation of one of my friends. After taking the first box I improved so much in health that I took the full treatment of six boxes and am now feeling so much better that I am able to return to my work with renewed vigor. I am glad that I have at last found a medicine that has done me so much good."

Hacking's Heart and Nerve Remedy sells for 50c a box. 6 for $2.50. If your Druggist does not have it he will be glad to get it for you or we will be glad to send it to you by mail post paid. Insist on Hacking's.

CAPTAIN ADAMS WAS TAKEN BY SURPRISE.

Improvement So Remarkable After Taking Tanlac He Hardly Knows Himself.

"For one whole year before I took Tanlac there was hardly a day that I didn't have a severe headache and hardly a night that I got over an hour or two of sleep," said S. S. Adams, when he called at the Owl Drug Store in Vancouver, B.C. Mr. Adams served as Captain in the English Army, and at the time he made this statement he was registered at the St. Frances Hotel, 600 Cordova, West, Vancouver. Mr. Adams further stated that he would leave for the Orient in a few days to accept a managing position with an English firm in Japan.

"For the past year," continued Mr. Adams, "I had gastritis in its very worst form, and gas would press against my heart and make it palpitate so bad that I would get dizzy and sometimes while I was eating I would get to feeling so dizzy that I would have to get up and leave the table without finishing. My appetite was almost completely gone and even the smell of food would sometimes turn my stomach, and I had to be extremely careful about what I ate so as not to suffer from gas. My nerves were shattered and the least little noise out of the ordinary would upset me completely.

"I tried medicine after medicine but nothing would do me any good, and I was about to give up trying to find anything else when my attention was called to a testimonial in the paper about Tanlac. I decided to try it, and I want to say right here that it took me by surprise and that it is simply remarkable how I have been restored to health. I have a splendid appetite and no matter what or how much I eat I never suffer from stomach trouble in any form. My nerves are quiet and steady, and I can sleep all night long. I am not troubled with headaches or dizzy spells any longer, and I feel so different in every way that I hardly know myself. I am leaving for the Orient in a few days and before I go I feel that it is my duty to make this statement and let the people know that Tanlac is a great thing and that it will do every bit of what they say it will."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

ORANGEVILLE, NOV. 6, 1919

THE DOMINION SITUATION.

The time has come when the people's representatives at Ottawa must face, fairly and squarely, the issue of Dominion-wide prohibition. Ontario has spoken. Clear and unmistakable is the expressed opinion of her citizens. They want the utmost measure of prohibition that can be obtained. Every suggestion of compromise and every proposed modification was overwhelmingly defeated. The law that the Ontario electors have designed for, they want protected.

The United States have spoken. By an almost unanimous vote the States of the Union have written into the Federal constitution absolute and total prohibition of the manufacture, transportation, importation, exportation and sale of intoxicating liquor for beverage purposes. Congress has just passed a stringent enforcement law, showing that the citizens of the Republic to the south of us are in earnest, not only in enacting, but also in enforcing prohibition.

Eight provinces in Canada have passed provincial prohibitory laws, going practically to the limit of their constitutional powers. Dominion war-time prohibition has been in force with marked good results throughout the nation. Legislation is now necessary to continue it. The failure to legislate means practically a decision to reinstate the liquor traffic which, in the light of present world conditions, would be so reactionary as to degrade Canada before the nations.

Canadians face great and pressing problems. The war wastage of manhood and money has been tremendous. Human and economic vitality has been sapped and drained by the stupendous cost of the war, by death, wounds and disease. In this time of reconstruction and rehabilitation we need to conserve every resource and to husband carefully all our powers. It is true of society as of the individual that without the liquor traffic there is greater immunity from disease and larger powers of recuperation. There is no place in modern Canada for the degrading, wasteful liquor traffic. Upon Parliament or the individual legislator who, by action or inaction, allows that evil back into this nation, rests a fearful responsibility which must be faced.—The Pioneer.

For the simple reason that Canada's national debt is largely held by her people, this country will escape the predicament France finds herself in to-day. Our loans being domestic the interest is paid to our own people and is kept within our own country. When the principal is paid it will be our own people who will get the money and not underwriters of a foreign country who would not reinvest it here. It is by buying Victory Bonds that Canadians insure the financial stability of their own country as well as obtain an investment the security of which can not be surpassed in the whole world.

Judge Morson, of Toronto, has given a decision in a division court case which should serve as a reminder to motorists of the law in regard to the right of way. The decision was to the effect that an automobile approaching on the right of another has the right of way, and its driver, unless he is driving recklessly, has no responsibility for a collision should one occur with an automobile ignoring his right of way. This is but the application of the rule which says: "Always give the car at your right the right of way." The rule is frequently forgotten or ignored. The decision of the Toronto judge should serve to call attention to it.

While some pessimistic papers are crying blue ruin because Canada has a national debt of $1,750,000,000, the following editorial from the Ottawa Citizen is reassuring: "None of the speakers who appeared before the committee on re-establishment to discuss our serious financial position, or, for that matter, none of those who sought to show that the conditions were not so serious as to preclude any additional help to the war veterans, noted the difference between internal and external debts as represented by bond issues. It is, of course, impressive to be told that we have a national debt of two billions and an annual interest bill of 102 millions. But few stop to reflect that a national debt is sometimes as truly a national asset. If a nation has a debt of five billion dollars it has also an equal amount of bonds held by the people of the country. If the interest on these bonds is twenty-five millions a year or any other sum, the money is raised by taxes from the people—and is paid back to them in the form of interest on the bonds held by them. No money leaves the country or no goods representing interest to foreign countries or bond holders. As far as a nation as a whole is concerned an internal debt is simply a matter of bookkeeping. It appears on both sides of the ledger. Taxes are merely paid out of one pocket to be put in another in the form of interest. Of course heavy taxes discourage industry. But the problem is one not of raising money internally, but of imposing the right degree of taxation and so fixing this rate as to distribute the burden over a term of years. The speakers on the government side in the recent investigation all dwelt on our serious position. How is it serious? It can only be of this character if our national debt is largely an external one. Is that the fact? This is an aspect of the whole matter that is of vital importance and should constitute an effective answer to claims that the country cannot afford to do more for the returned men than it has done or is doing.

A NEW USE FOR THE AEROPLANE.

The Department of Agriculture at Ottawa has discovered a new use for the aeroplane. The Entomological Branch is investigating the mosquito in the Lower Fraser Valley, in British Columbia. By using the aeroplane, the country can be surveyed in order to map out the swampy areas and other breeding places that are readily located in photographs taken from over head, according to a statement by Dr. C. Gordon Hewitt, Dominion Entomologist, that appears in the October Agricultural Gazette. The aeroplane was used in making a comprehensive survey of the complicated water system of the Fraser River and the adjacent bodies of permanent and temporary water in that district. A flight reported by Dr. Hewitt has demonstrated the possibility of using this machine also for making surveys of timber that is being killed or has already been destroyed by various insects. Its use, it is believed, will help very greatly in the entomological work with various insects being carried on by the Federal Department of Agriculture.

HAMMOND'S EXPLANATION

Shelburne, November 4, 1919.

Dear Editor,—

In an article which appeared in your paper of last week's issue, re trial of action brought by Mr. Richard Fife against Mr. James Keating, there were some statements made by Mr. Keating which I wish to contradict. I was not called on as a witness, and so did not have a chance to speak for myself at the trial.

I did not misrepresent the location of the said Lots to Mr. Keating in any manner, but went with him and showed him the Lots, and explained to him very clearly that the Lots were in a sub-division known as Chamberlain Park, in the township of Barton, in the county of Wentworth, and not within the corporation of the city of Hamilton.

Mr. Keating did not pay me $1000 in cash, but gave me stock of the nominal value of $400.00 in a company which proved to be worthless and $400 in promissory notes which did not realize $400.00 for me.

I did not promise to resell the Lots for Mr. Keating. If I had thought I could have sold the Lots at a good profit inside of a year I would not have sold them to Mr. Keating, but would have tried to realize the extra profit myself.

Yours very respectfully,
J. J. Hammond.

THE NEW PREMIER.

Mr. E. C. Drury, Selected Leader of United Farmers, Will Probably Succeed Sir William Hearst.

Is a Practical and Successful Farmer at Crown Hill Near Barrie.

Ernest Charles Drury, of Simcoe County, is the leader of the United Farmers party in Ontario. He is also head of the Labor-U. F. O. coalition which is expected to have a majority in the new legislature. He was chosen Wednesday afternoon by 43 of the 45 U. F. O. members-elect, in conference with the Provincial Executive, the unsuccessful candidates, and other leaders of the movement. The Labor M.P.P.'s in conference at the Labor Temple, and who had already promised to support Mr. Drury, should he be chosen to lead the Farmers, lost little time in endorsing him. A messenger speeded the intelligence to the I. L. P. representatives as soon as the choice had been made, and there the sentiment in his favor proved to be as unanimous as that displayed a little earlier at U. F. O. headquarters.

His election makes it most probable that Mr. Drury will fill the chair to be vacated by Premier Sir William Hearst.

The selection of Mr. Drury came after days of deliberation. Wednesday night Mr. Drury stated that the choosing of his Cabinet Ministers would be marked by the same absence of haste. The days intervening between the election and yesterday's decision were occupied with numerous sessions of the U. F. O. members and all U. F. O. leaders. Morning, afternoon and night saw conferences of various kinds. The Provincial U. F. O. had many sittings. Likewise the Political Committee headed by Col. Fraser. The Farmer M.P.P.'s went into closed session often, while the counsel of the defeated nominees was usually asked and their presence nearly always required.

Mr. E. C. Drury, the leader elect of the United Farmers' party, was born at Crown Hill, Simcoe County, on January 22, 1878, and his present elevation to a position of high and grave responsibility comes as a reward of an energetic career devoted with unswerving devotion to the interests of the agricultural community of which line of successmen Mr. Drury comes of a long line of successful farmers. His great grandfather, who was a yeoman farmer in Warwickshire, England, emigrated to Canada exactly 100 years ago, and took up a holding of 200 acres at Crown Hill, which was taken over a few years ago by Mr. Drury's grandfather. The latter in turn expanded and improved the place, and was succeeded by the late Hon. Chas. Drury, his son, who was the first Minister of Agriculture for the Province of Ontario, immediately preceding the Hon. John Dryden in that office in the year 1888.

Mr. E. C. Drury succeeded his father and is now the proprietor of a 250 acre farm, and one of the best in the Province. He spent his boyhood at Crown Hill, passing through the Public School there and later the Collegiate at Barrie, and then taking the O.A.C. course at Guelph, from which he graduated with the class of 1900.

Represented Farmers in Tariff.

It was in 1905 that Mr. Drury first was identified with any public movement on behalf of the farmers, when he appeared before the Laurier tariff commission as the representative of the Farmers' Association of Ontario. The object of this mission was to head off the campaign for higher protection which the manufacturers were starting. Mr. Drury was next Master of the Dominion Grange for three years, and when in the year 1910 the Canadian Council of Agriculture was formed in Prince Albert, he attended the Council as the representative of the Grange and he became first secretary of the association.

During the holding of the latter office, Mr. Drury was instrumental in organizing and carrying through the first big deputation of agriculturists to Ottawa, which urged the Government to take up the reciprocity project. And during the reciprocity fight itself he was untiring in speaking, organizing and fighting on behalf of the Liberal policy.

The U.F.O. did not come into existence till about 1915, when Mr. Drury, together with Mr. J. J. Morrison, Col. J. Fraser and Mr. W. C. Good, set the movement on foot, their object at the time being merely to promote education and co-operation among the farmers. One feature of the U.F.O. from the beginning was the co-operative store company, of which Mr. Drury was the first president, and has ever since been a director. The U.F.O. went through a process of rapid expansion in the last few years, many independent associations affiliating and placing it in its present unique position.

Mr. Drury has a wife and five children, the eldest of whom is aged thirteen years.

Good Speaker.

As a speaker, Mr. Drury is looked upon as one of the best that ever stepped on a platform in Ontario. Preparation is unnecessary, the words and thoughts seeming to come without any effort.

The whirligig of time brings some wonderful changes. A few short years ago no one would have dreamed that the two old historic parties would both have to step out and give way to a new one. E. C. Drury was well-known before the present combination of events called him to place and power, but when he helped to start the U. F. O. movement, not even he had the slightest hope that its growth would be of such startling proportions.

No kid-glove farmer, he is as busy as a bee on his farm near Barrie, and the next few days will find him back among his cows and his pigs while he thinks out the problems that confront him. The question of Cabinet construction has been made easy for him, the personnel having been discussed by the party, but he has a big task, on the doing of which depends the success or failure of the new party. His only regret probably is that he will not have an opportunity to tackle the tariff question, which is his chief interest, but he has hopes that ere long other hands will deal with that.

Mr. Drury came out of the Liberal party, but he was not among the farmers who went to Ottawa and asked that the military exemptions be cancelled. He was in Hamilton at the meeting of the Liberal Conscriptionists in November, 1917, but he went into the election of 1917 as the opponent of Col. John Currie, and was beaten by a majority of 2,000.

WHEAT AND THE LOAN.

Everyone with anything at stake in Canada annually watches the prospects of the wheat crop, and the prices it is likely to yield. He knows that on the returns of this commodity alone depend a great deal of the country's prosperity. If Canada's surplus wheat is sold at good prices the returns flow into every channel of enterprise and industry. A fortnight or so ago the eminent financier, Sir Thomas White, threw an important light on what the Victory Loans of the past two years had accomplished in connection with this single item of national prosperity. Great Britain was and is Canada's greatest market for wheat; but by reason of the pressure exerted on her finances during the war, the motherland had been unable to find the ready money to purchase our surplus. The alternative was that Canada should lend her the cash, which returned to the pockets of the Canadian producer by the sale of the wheat surplus at high prices. The enormous importance of this item was shown by Sir Thomas when he said that in addition to other credits $170,000,000 had been loaned to Great Britain in connection with the single commodity of wheat, last year. Of course this would have been impossible if the Victory Loan of 1918 had not been a great success. The circulation of this great sum meant prosperity to vast numbers of Canadians and if the same system is to be continued Canadians must lend of the profits and savings with equal enthusiasm this year.

JUDGMENT FOR PLAINTIFF.

The Mail and Empire of October 30, contained the following report of the judgment handed out by Chief Justice Falconbridge in the case of Fife vs. Keating, tried at the Dufferin County Fall Assizes here last week:

FIFE vs. KEATING—J. R. Layton (Shelburne), for Plaintiff. W. D. Henry (Markdale), for Defendant. Action to recover $2183 for six lots of land in Chamberlain Park agreed to be purchased by Defendant. Judgment:—The agreement set up in 8th paragraph of Defendant's affidavit of merit was never entered into, and this I find without reference to the burthen of proof. There will be judgment for Plaintiff for $1888 with interest at 6 per cent. from July 1st, 1916, and costs.

DEATH OF THOS. BRYAN.

The death of Mr. Thos. Bryan, a well-known Amaranth man, occurred at his late home, lot 5, con. 4, in that township, on Monday after a long illness from heart trouble. Deceased had been in delicate health since he was about eleven years of age. He had been seriously ill on several occasions in recent years. Mr. Bryan was a son of the late Mr. and Mrs. Thos. Bryan, who were among the early settlers in Amaranth. He is survived by a widow and a family of two sons, Harold and Elwood, and two daughters, Muriel and Lorraine. James Bryan, ex-Reeve John Bryan, William, Charles, Robert and Hugh Bryan, of Amaranth, and George and Richard Bryan, of Erin, are brothers and Mrs. Thos. H. Keyes, of Amaranth, is the only sister. Deceased was a member of Laurel Presbyterian Church, an enthusiastic Orangeman, holding the position of W.M. of Laurel L. O. L. at the time of his death, and a staunch Conservative. Mr. Bryan was 43 years of age and was held in the highest esteem by his neighbors and the Laurel community at large. Profound sympathy is felt for the wife and family in their trying bereavement. The funeral was held from his late residence to Greenwood Cemetery yesterday afternoon and was largely attended. Rev. J. A. Reddon, of Laurel, conducted the services at the house and grave.

MISS MAGGIE CURRY.

The death of Miss Maggie Curry, a former resident of Orangeville, occurred at her late home in Toronto on Saturday. The remains were brought to Orangeville for burial on Tuesday, the funeral taking place from the home of her sister, Mrs. J. Wiggins, Mill St., to Greenwood Cemetery on Tuesday afternoon. Rev. Capt. Stewart and Rev. W. M. Morris were the officiating clergymen. The deceased was a half sister of Robt. J. Curry, Church St., and J. Messrs. Elizabeth St.
E. Curry.

ROBERT MILLAR ADAMSON

Mr. Robert Millar Adamson, 131 Mulock avenue, Toronto, died early la[illegible] Thursday morning as the result of a stroke [illegible] which he suffered the preceding Friday. The la[illegible] Adamson was born in Berwick-on-[illegible] Tweed, Scarborough, 85 years ago, but had been a resident of Toronto for the past 25 years. He was foreman of the C.P.R. at Orangeville, Ont., for 35 years, when he retired from active life. He was a member of Occident Lodge, A.F. and A.M., and of the Zetlah Chapter, and a member of the Victoria Presbyterian Church. Four sons, John B. Adamson, of Orangeville; J. F. Adamson, of Calgary, and W. R. Adamson and R. D. Adamson, both of Toronto, survive him. A daughter, Mrs. Geo. Banks, of London, Ont., also survives. The deceased will be well remembered by many of our older citizens. He was a member and an officer of St. Andrew's Church while residing here. The funeral was held from his late residence to Prospect Cemetery on Saturday afternoon and was under Masonic auspices. Rev. T. D. McKerroll, pastor of Victoria Presbyterian Church, was the officiating clergyman. Among the relatives from a distance were Mr. and Mrs. J. B. Adamson, Orangeville, Mrs. Geo. Banks, of London, Mr. J. F Adamson, Calgary, and Mr. Wm. Sinclair, from Wisconsin.

MRS. GEO. ROBERTSON

The death of Mrs. Jeanette Robertson, formerly a well-known resident of this town, occurred at the home of her daughters in Buffalo on Thursday last at the ripe age of 80 years. Deceased had made her home in Buffalo for a number of years, but had visited her old town occasionally up to a couple of years ago. The remains were brought to Orangeville for burial, the funeral taking place from the home of her son, Mr. Jesse Robertson, Wellington St., to the Forest Lawn Cemetery on Saturday afternoon. Rev. W. M. Morris conducted the services at the house and grave and her four sons and two grandsons, Dr. Robertson, of Everton, and Franklin A. Ellis, of Toronto, were the pallbearers. Deceased was a kindly, sympathetic woman, who made many friends and whose memory will be cherished by all her old neighbors and acquaintances. She is survived by the following sons and daughters, William B. Robertson, of Hillsburg, George C., of Everton, Thomas M., of Buffalo, Jesse D., of Orangeville, Mrs. C. Weber and Miss Helen J. Robertson, of Buffalo, Mrs. Thos. Midgeley, of Lea Park, Alta., and Mrs. J. A. Ellis, of Toronto. Another daughter, Mrs. Thos. McKee, of Rouleau, Sask., died last May.

Among the friends who attended the funeral from a distance were Mrs. C. Weber, Miss Helen Robertson and Mr. and Mrs. Thos. H. Robertson, all of Buffalo, Mr. and Mrs. J. A. Ellis and son, Franklin, of Toronto, Mr. and Mrs. Geo. G. Robertson and son and daughter, of Everton, and Mr. and Mrs. Wm. B. Robertson, of Hillsburg.

Got a Cold?

Peps will give you relief. Simply dissolve a Peps tablet in your mouth. Your breath carries the medicinal Pine vapor, which is released, to all parts of the throat, nasal and air passages, where a liquid medicine could not possibly reach. This vapor destroys all germs with which it comes in contact, soothes and heals the inflamed membranes and fortifies you against coughs, colds, sore throat, bronchitis and grippe. Peps contain absolutely no harmful drugs and are therefore the safest remedy for children.

FREE TRIAL Cut out this article, write across it the name and date of this paper, and mail it (with 1c. stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps, 50c. box.

MAKE BREATHING EASY

GENERAL DEBILITY FOLLOWING INFLUENZA

Strength Can Only be Regained by Enriching the Blood.

Following a wide spread epidemic of influenza, general debility is on the increase, and its effects may be noticed in the worn listless appearance of so many of the men and women you meet. Influenza always leaves behind it impaired vitality, and with the modern conditions of life that use up nerve force so rapidly, general debility becomes one of the most common maladies. The symptoms of debility vary, but weakness is always present. There is poor digestion, languor, weak, aching back, wakefulness at night, often distressing headaches and a feeling of fatigue. These symptoms indicate impure and impoverished blood. It is significant of nearly every attack of influenza that it is followed by anaemia and debility.

For all such run-down conditions, new blood is the most reliable cure. Sufferers should at once begin to make thin blood rich and red with Dr. Williams Pink Pills. Under a fair treatment with this medicine they will realize more and more the health-restoring influence of good rich blood, and how this new blood brings a feeling of new strength and increased vitality. Proof is given in the case of Mrs. G. Robertson, Wingham, Ont., who says:— "When the Spanish influenza spread over our town I happened to be one of the first attacked, and the attack was a very severe one, and worse still the after effects of the trouble left me in continuous misery. I had severe pains in my side, felt low-spirited, and with no ambition whatever. My head ached almost continually, my eyes felt heavy, and pimples broke out on my face. I was advised to try Dr. Williams Pink Pills, and after taking them for a time I felt like my old self, able to do my housework, and feeling well and strong. I can strongly recommend Dr. Williams Pink Pills for the serious after-effects of influenza as I am sure they will restore all such sufferers to good health."

You can get these Pills through any dealer in medicine or by mail, post paid, at 50 cents a box or six boxes for $2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

A PREMIUM FOR PURE BRED LAMBS.

Any sheep raiser who purchases a pure bred registered ram of any recognised breed recorded in the Canadian National Live Stock Records or eligible for such registration for use in his own flock, and who has not previously used a pure bred registered ram shall be entitled to the annual premium of $5.00 for two consecutive years provided he will comply with the regulations specified in Pamphlet No. 19 "Information Concerning the Policy Regarding Pure Bred Rams," issued by the Live Stock Branch, Ottawa. This pamphlet will be sent free upon application to the Publications Branch, Department of Agriculture, Ottawa. It has been decided that the best way to prove the value of pure bred rams is to help every sheep raiser, who has not previously used a pure bred ram, to use his own flock for demonstrating the value of this practice. Therefore the Dominion Department of Agriculture will grant to bona fide applicants who comply with the above mentioned regulations a sum of $5.00 annually, for two years, for each pure bred registered ram. No individual sheep raiser shall be permitted to receive premiums for more than four rams. Regular forms to be used in making applications under this policy are to be found in the back of Pamphlet No. 19.

ST. MARK'S A.Y.P.A.

WHAT HE HAD FORGOTTEN.

A farmer noted for his absent-mindedness went to the market town and transacted his business. He started on his way home, however, with the unpleasant conviction that he had forgotten something, but what it was he could not recall. As he neared home the conviction strengthened and three times he stopped his horse and went carefully through his pocketbook in a vain endeavor to discover what he had forgotten. In due course he reached home and was met by his daughter, who looked at him in surprise and then exclaimed: "Why, father, where have you left mother?"

IN MEMORIAM.

In proud and ever loving memory of our dear son and brother, Gunner Arnold McKim Jackson, 33rd Battery, 9th Bdge., Can. Field Artillery, formerly of Orangeville, killed in action in the Battle of the Somme, Nov. 5th, 1916, buried at Albert, France, aged 21 years and 11 months.

Somewhere in France he is lying;
Not 'neath his dear Canada's sod
What a Glory was his in dying
For Liberty, Country and God.

DOES MONEY EVAPORATE?

Money spent on medicinal preparations often does! In this way—You buy a preparation, use perhaps a third of it, and put the remainder on the shelf. When next you need it—unfit for use! Two-thirds of the money value of your expenditure has "evaporated."

Just there is where Zam-Buk is so different—so superior! Zam-Buk is not only 100 per cent. medicine, but, owing to its freedom from animal fat, it never becomes rancid, but will keep indefinitely. Buy a box to-day, use what you require, put the remainder away, and when you have occasion to use it again, you will find its healing, soothing and germ-destroying powers *just as effective as the day you bought the box!*

Zam-Buk stops bleeding, ends pain, draws out soreness and prevents blood-poisoning in cuts, burns and scalds. Without equal as a remedy for eczema, sores, piles, ulcers and blood-poisoning. 50c. box.

BUY VICTORY BONDS!

In a recent address Mr. E. C. Drury, the leader of the United Farmers party and the coming Prime Minister of Ontario, strongly advised his hearers to buy Victory Bonds. His words were:—

"The safest investment that can be made by any Canadian at present is of loaning that money to the nation. It is good business for the individual, it assists to maintain the credit of the nation, and it provides work for the national industries. It is in the nature of an insurance policy of spreading losses over a large number of people until it becomes negligible. It is an investment not backed by any single industry of the nation. One per cent. of the industries may fail, ten per cent. of the industries could fail, and still the investment would be gilt edged. The safest investment you could possibly make is in Victory Bonds, and it is the biggest thing you could possibly do for your country at the present time."

"A dollar invested by you in Victory Bonds to-day will be worth two, possibly three dollars in a few years. There is no doubt in the world we are on the edge of a time of depression, and for this depression no Government will be responsible. I speak feelingly because you know the position I am in at the present moment, and you know the tendency to blame hard times on the Government. The time will come not very far off when wages will have dropped and the value of a bushel of wheat will have dropped to one half the value it is now. That day your bonds will have twice the present value. It will be worth while in those years to own $1,000 worth of Victory Bonds."

GUARD THE CHILDREN FROM AUTUMN COLDS.

The Fall is the most severe season of the year for colds—one day is warm, the next is wet and cold and unless the mother is on her guard the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mother's best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose will prevent colds or if it does come on suddenly the prompt use of the Tablets will quickly relieve it. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

GLENCROSS.

Hallowe'en passed off quietly here.

We had a Box Social and an excellent programme by the school children which was a great credit to our school teacher, Miss Cooledge. The chair was filled in an able manner by the Rev. Mr. Coutts. We understand the amount realized was about $75.00.

WHITTINGTON.

Whittington Women's Institute will meet at the home of Mrs Atkinson White, on Tuesday, Nov. 11th, at 2.30 p.m. Subjects, "Home as a Social Centre" by Mrs. Farnell and "The Power of Influence" by Mrs. Caven. There will be a Reading by Miss Annie Kingsley and music by Miss Lorna Cruikshank.

CAMILLA

Masters Francis and Norman Brown, of Toronto, are visiting their grandfather, Mr. G. W. Rayfield.

Rev. Mr. Coutts was in Toronto for several days last week.

Miss Chrona Lundy and friends, of Toronto, spent the week-end with Mr. and Mrs. Alex. Lundy.

Mrs. (Rev.) Stewart Cole left last week for her home in Chicago after spending several months at her home here.

Mr. S. Madill, of Reddickville, has purchased the Curry farm. Mr. Sam McNeilly has purchased the Moore farm from George Mabary.

The annual Fowl Supper of the Woman's Institute was held at the home of Mrs. Wm. Buchanan last Friday night. This is one of those happy events which is looked forward to with pleasure each succeeding year. This year was no disappointment. Over one hundred people were present and after a most sumptuous supper an enjoyable evening was spent by all with games and music. The members of the Society and their friends appreciate very much the kind hospitality of Mr. and Mrs. Buchanan and family.

The monthly social evening of the Y.P.S. will be held next Friday evening in the basement of the Church. A splendid time is assured.

Mr. Will Parks has gone on a hunting trip to Muskoka.

CALEDON.

Now for Indian Summer.

Miss Mamie Nesbitt and Miss Pearl Warnock are visiting friends at Beamsville.

Mr. Clayton Limebeer, who was a patient at the Dufferin Hospital for the past three weeks, is now home but is still confined to the house. We hope to see him around before long.

Misses Louie Laughlin, Margaret Hillock, Bessie McQuarrie and Mrs. McMillan (nee Miss Lizzie McDonald) have been on a trip to London, Ont. This was the prize won by our girls in the Canning Competition at Brampton Fair last year. They report a splendid outing.

Mrs. Thos. Harrison has been rather seriously indisposed of late and Norman and Hen have been summoned home from a hunting trip.

Mr. W. J. Warnock has purchased a new Chevrolet touring car and is fast becoming an enthusiastic motorist.

Mr. Gordon Vanwyck has been seriously ill for the past week but is now convalescing.

The Union Bank had a big safe installed in their branch here last week. It weighs about three and a half tons and it was quite an engineering feat getting it in place "but many hands made light work" and the job was accomplished without mishap.

Mrs. John Warnock has gone to Hamilton for a couple of weeks while Mr. Warnock is away hunting.

ROADMAKING.

Grand Valley Thinks Dufferin Should Have Three Outfits.

"Fall rains make everyone see the wisdom of good roads. Those communities which have listened to the voice and prepared for the rainy day are filled with content and satisfaction. Those who have not listened to this voice are filled with gloom and mud." There is not the least doubt about it, some municipalities in Dufferin have every reason to be filled to overflowing with satisfaction. Ever since the new county road machinery came to hand one set has been in operation at or near Orangeville, while another outfit has been doing work in Shelburne vicinity. Grand Valley and this end of the county may go hang so far as any real spirit of equality is concerned by the committee in charge. On the 2nd concession, west of the village, a piece of prepared road is ready some weeks for a steam roller. Acting on promises made to Reeve Watson, a continuation of this roadway in the corporation was hurried up with the expectation of the steam roller being here a fortnight ago. At present there is no appearance of this piece of machinery, while the work already done is not only deteriorating but the road is a menace to motor traffic. A waking up among some people in the county, such as occurred in the province a week ago, would do no harm. Neither would the purchase of an additional set of road-making machinery be a useless or extravagant one. This county could run three outfits with economy during the short season of construction. Speaking of good roads, a suggestion is put forward for the consideration of the local authorities during the winter. Would it pay to cement Main Street from Amaranth to Mill St. or further? It is estimated that about $1500 would do the work. Of course the grade from Richardson's Bank Block to the corner might have to be bricked owing to cement making too smooth a footing for horses, and this might vary the estimated cost. The road will need to be macadamized soon and oiled again next season, and it might be economy to put down a permanent roadway. The system is being followed in cities, and many larger towns as Listowel, Mitchell and Stratford, while New Hamburg, a place similar to Grand Valley, has quite a stretch of cement roadway. It certainly vastly improves the appearance of a community.—Star and Vidette.

VICTORY LOAN CAMPAIGN.

Grand Valley the First Municipality in Dufferin to Win the Prince of Wales Honour Flag.

Headquarters for Dufferin County, Orangeville, report that the Campaign is progressing fairly well, but that it will be necessary for the people to respond much more freely during the balance of the Campaign in order to reach the high objective which has been set for the County. The bad weather has been a severe handicap to the Canvassers in the rural sections but with an improvement in the condition of the roads better returns are looked for. There are many people in the County who have been content to keep their money in the Banks at 3 p.c. interest. Victory Bonds yield the investor a full 5½ p.c. and have behind them all the Assets of all the Banks, Industries, resources, etc. in the Dominion. One thousand dollars earning 3 p.c. compounded half yearly for 15 years would amount to $1563.20. If invested at 5½ p.c. it would amount to $2265.80. This shows very conclusively that from the purely selfish standpoint Victory Bonds are a very remunerative form of investment, and so far as security is concerned no true Canadian could wish for a better security than the pledge of Canada itself. A Victory Bond is such a pledge. Funds invested in these Bonds are by no means "tied up." Next to actual currency they are the most liquid form of asset one could possibly possess. They can be sold at a moment's notice and every War Loan and Victory Loan issue made in Canada is selling in advance of the issue price. Prior to the War, Canada was able to borrow money in London at from 3½ to 4 p.c. With a return to normal financial conditions Victory Bonds will appreciate in value very considerably, so that purchasers of the present issue will, in addition to receiving a handsome interest return for a number of years, be able to realize a considerable profit by re-selling their Bonds prior to maturity. Canada must have working capital in order to maintain her export trade, and this is obtainable by her people lending their money to the country. The more we can do and bigger export business we do upon this our prosperity depends, more than anything else, the financial application of our people.

Thanks to a substantial subscription from the Dods Knitting Co., Ltd. the County of Dufferin gained the distinction of being the first County Sub-division in Ontario to reach its Special Subscriptions objective of $25,000. The Dods Knitting Co. have gained the Prince of Wales Honour Banner by their employees taking Victory Bonds to the extent of 31 p.c. of the annual pay roll with 75 p.c. of the employees taking Bonds.

The Town of Orangeville has reached a total of $108,550 towards its objective of $130,000 and should gain its Prince of Wales Honour Flag by the end of the week.

The Village of Grand Valley distinguished itself on Saturday last by reaching its objective of $50,000, and is thus the first District in the County to win the Prince of Wales Honour Flag for Canvassing Districts attaining their objective.

To midnight Tuesday the County's total from Canvassers was $371,950, representing 41.33 p.c. of the objective of $900,000. Below are the figures covering the eight Canvassing Districts in the County:—

HOSPITAL NOTES

The members of Lord Dufferin Chapter, I.O.D.E., have been invited to attend a Memorial Service in St. Mark's Church, Sunday evening, November 9th. All members are asked to meet at Mrs. J. E. Smith's, at 6.30 p.m.

The regular monthly meeting of D.O.E. will be held at the home of Miss Kelly, Zina St., on Friday, Nov. 14th at 3.30 p.m.

The following donations to the hospital are gratefully acknowledged:—2 pr. pyjamas, Blount Woman's Institute, 1 bg. potatoes, Mr Alex. Scott, Camilla.

ST. MARK'S CHURCH.

On Sunday evening next, Nov. 9th, at 7 o'clock there will be a service in St. Mark's church in memory of those who have fallen in the late war. The new Roll of Honour will be seen for the first time. There will be a Special Service and appropriate music.

G. W. V. A. NOTES

Next regular meeting, Thursday, Nov. 13, a full attendance is requested to go fully into the question of suitable club-rooms.

The Branch will attend the Memorial Service in St. Mark's Church, Sunday, Nov. 9th at 7 p.m. Comrades are to meet at the club-room at 6.30 sharp.

At a recent meeting of the Executive, the following resolution was proposed and carried unanimously:— "That the Executive Committee of the Orangeville Branch of the G.W.V.A. regrets to learn that, with one exception, returned soldiers have not been appointed as officials or canvassers for the Victory Loan in Orangeville, and desires to respectfully protest against such discrimination by those in charge, when returned men are available for the work; and to submit that the officials of this Branch, which is the only soldiers' organization in the town, might at least have been consulted before returned men were passed over or turned down."

HEAD OFFICE - GEORGETOWN, ONT.

Autumn will soon be here and you will NEED new stylish clothes to wear. Come to us for them, we are the "Style Centre" of this Town. Come to us for them and the PRICE will be low.

We have built up our business by always telling the TRUTH to our customers. The confidence this community has in our store is constantly building our business bigger.

Never was buying clothing such a problem as right now. We have cut and made clothing for 25 years. It's our business, and if we don't know it we ought to and we think we DO. The three strong points in our store are SERVICE, STYLE and QUALITY, but we never sacrifice Quality. You are always sure of getting real goods at the closest prices they can be sold at. We never were in a better position to serve the public than right now. Overcoats, Suits, in Men's and Boys', Fur Coats, Sweater Coats. In fact everything but boots and shoes that men and boys wear will be found at this Store. Be sure you call on Show Fair Day and look over our big stock of goods.

HOW LIGHT WORKS TO INCREASE SALES

IN a well-lighted shop customers make their purchases quickly and with certainty. People like to trade where there's plenty of light.

A scientifically illuminated shop helps to make satisfied patrons. It doesn't experience the wrath of customers who return goods with the explanation that "it doesn't look the same in daylight."

Better illumination shows its real value in the daily sales record.

Finding the best light sometimes puzzles the merchant. But experiments are no longer necessary. Experts of the Hydro-Electric Power Commission of Ontario have found the best lamps for store illumination—HYDRO Gas Filled Lamps. These lamps give a brilliant light closely resembling daylight. This fact alone makes them desirable for store illumination.

HYDRO Gas Filled Lamps are truly economical. Ask the Hydro Shop for a demonstration.

Keep Baby's Woollens Soft and Sweet

Even little garments are dear now—you must make them last, and of course you want them always soft and comfy for the important wee person.

The little woollens need never shrink a thread—never stiffen or grow thick—not after repeated washings if you cleanse them in the pure, creamy Lux lather. It's so simple to whip the delicate Lux flakes into a rich suds—so simple to squeeze the suds through the little garments—then take them out absolutely sweet and clean and fresh.

Lux is on sale at all Grocers, Departmental Stores, &c.

A handy little recipe booklet entitled, "The Care of Dainty Clothes" will be gladly sent free on request.

HIS LIFE RUINED BY DYSPEPSIA

Until He Tried "FRUIT-A-TIVES" The Wonderful Fruit Medicine

MR. FRANK HALL

Wyevale, Ontario.

"For some two years, I was a sufferer from *Chronic Constipation and Dyspepsia.*

I tried every remedy I heard of without any success, until the *wife of a local merchant recommended 'Fruit-a-tives'.*

I procured a box of 'Fruit-a-tives' and began the treatment, and my condition commenced to improve immediately.

The Dyspepsia ceased to be the burden of my life as it had been, and I was freed of Constipation.

I feel that *I owe a great debt to 'Fruit-a-tives'* for the benefit I derived from them."

LOAN TO DECIDE WHEAT EXPORT.

If Victory Loan is a Great Success Canada May Export 113,000,000 Bushels of Wheat in 1919-20.

Canada may be able to export 113,000,000 bushels of wheat in 1919-20. This is the encouraging prospect based upon figures from official sources.

Canada requires for home consumptive purposes approximately 40,000,000 bushels of wheat and for seeding purposes about 35,000,000 according to authorities on this subject. The Government's estimate that the Dominion's yield will run about 319,000,000 bushels makes it appear possible for Canada to export about 113,000,000 bushels in 1919-20 or about 10,000,000 bushels more than last year, and keep a few million bushels for carry-over stock on August 1st, 1920.

Of course, Canada's export trade depends largely upon the success of the Victory Loan. Sir Thomas White, ex-Finance Minister for the Dominion, drew attention to the importance of this fact when he said that, in addition to other credits, $170,000,000 had been loaned to Great Britain in connection with the single commodity of wheat last year. This would have been impossible if the Victory Loan of 1918 had not been a great success. The circulation of this big sum meant prosperity to vast numbers of Canadians, and if good times are to be continued Canadians must lend of their profits and their savings with equal enthusiasm for the Victory Loan of this year.

John Dowling, a resident of Mansfield neighborhood for fifty years, died a week ago Friday morning. He was over 80 years of age and worked his farm until two months ago when the sickness he contracted was the cause of his death.

A. Hall, of Lindsay, lost a horse in a strange manner. He was driving from Little Britain with Mrs. Hall and daughter, when the horse became frightened and bolted for liberty. During the mix-up a sliver entered the animal's breast. Mr. Hall attempted to bring the horse to Lindsay, but it died on the way.

ALLEN-FINLEY.

A very pretty wedding took place at the home of Mr. and Mrs. J. C. Finley, Badjeros, when their youngest daughter, Vena, became the bride of Stanley Allen, eldest son of Mr. and Mrs. Frank Allen, of Laurel. Rev. Mr. Holmes, of Singhampton, officiated. Lohengrin's Wedding March was played by Miss Sadie Sprott, friend of the bride. The bride, who was given away by her father, was becomingly attired in her travelling suit of navy blue serge with white vest. She wore a large black velvet hat, trimmed with French blue ostrich tip. The groom's gift to the bride was a handsome black wolf stole and to the organist a pretty brooch set with pearls and amethyst. After partaking of a very dainty wedding breakfast the happy couple left for Toronto and Oshawa. After returning from their honeymoon they will reside near Laurel.—Free Press.

which opens to-day.

YOU are citizens of no mean country.

Canada is a fair, free land.

Canada is your country.

Canada—now—has need to borrow from you—Lend:

Lend without restraint of politics or fine distinctions of creed or party.

The leaders of the political parties endorse the Loan.

It is CANADA that asks:

And why—

To clean up the last of the War's commitments and expenses;

To establish beyond all question the capacity and credit of your country;

To care for the wounded and maimed soldier;

To finance the bonus of the returned soldier already paid;

To enable the fruits of Victory to be garnered;

To ensure the prosperity of you, her citizens.

The guns of war are silent—but they are not yet cool.

The Victory Loan 1919 is a War Loan.

Canada's book of war is gloriously written—make this, the closing chapter, a worthy one. The responsibility is yours. LEND!

RICHEY-WILLIAMSON.

A pretty autumn wedding took place at the home of the bride's parents, Whitfield, when Bessie, daughter of Mr. and Mrs. J. L. Williamson, became the bride of John W. Richey, son of Mr. and Mrs. Robt. Richey, Laurel. The ceremony was conducted by the Rev. J. A. Black of Hornings Mills. The bride, who was unattended, was given in marriage by her father and she were a gown of silver cloth with Brussels lace veil and orange blossoms. She wore also the groom's gift, her only ornament a ring set with diamonds. Mrs. Ross Pacey played the wedding music and Miss Jessie Williamson sang. After the wedding dinner Mr. and Mrs. Richey left on a trip to American points, via Niagara Falls, the bride wearing a navy blue velour suit with taupe hat and seal furs.—Free Press.

The Refinement of Purity

CAREFUL cooks know the value of purity. In the making of cakes or pastry they use those ingredients which they believe to be pure and wholesome.

To apply this "insistence on purity" to sugar, is no easy matter—for nearly all sugars look alike to those not expert in detecting variation. The safe course is to use a sugar that comes from refineries in which purity is a boast.

In the Dominion Sugar refineries the boast is backed by a standing invitation to the public to visit and inspect the plants in which Dominion Crystal Sugar is made.

In Dominion Crystal Sugar the housewives of Canada have one sugar that can be depended upon for that Purity which is so essential to successful culinary effort.

This is the only sugar that may be rightly termed "Canadian from the ground up." We do import the finest raw cane sugar and refine it—but our pride is in the product we make from Canadian sugar beets.

Her Message is to Everyone.

Those who have found relief are the people who want all sufferers to know what they gained from their experience.

Mrs. B. Walters, of Savona, B.C., writes, praising Gin Pills for the immediate relief given by these splendid Pills. Mrs. Walters says:—

"I advise people who have not used Gin Pills to try them. I have been troubled for years with weak kidneys, and one box of Gin Pills cured me. I recommend them as an absolute and reliable cure."

Derangement of kidneys or bladder is so very serious that, at the first sign of pain in side or back, treatment with Gin Pills should begin. The duty of the kidneys is to cleanse the blood. If weak or inactive, uric acid and other poisons and waste are carried to the joints and muscles, causing inflammation, rheumatism, sciatica, neuralgia, lumbago, constant headaches, dizziness, floating specks before the eyes, gravel or stone in the bladder, general debility and lassitude. If you have any of these symptoms, get Gin Pills at once. Free sample on request. At druggists or dealers, 50c a box. Money refunded if not relieved.

PLAY FAIR.

DON'T JUMP TO CONCLUSIONS.

What is the difference between remedy and cure? Any disease which is liable to recur cannot be indefinitely "cured." You may dispel the germs from the system—but that is simply remedying it.

A man suffers for years with Rheumatism. After trying numerous treatments without success, he takes Templeton' Rheumatic Capsules, and is restored to perfect health again.

A year or so later Rheumatic symptoms appear again. What does he immediately conclude? That it is his old trouble returned; that the medicine he took had only a temporary effect; that he will never again be well. This impression is the one we wish to eradicate—because it is entirely false. Whenever Templeton's Rheumatic Capsules are given a fair trial they remedy Rheumatism, Sciatica, Lumbago, Neuritis, Neuralgia, or any of their kindred diseases.

T.R.C.'s won't make you immune from the above diseases. They will remedy them and drive them from your system, but whenever you feel an attack coming on, start using T.R.C.'s again.

Ask your Druggist or write us for our new booklet; it's interesting and costs you nothing (Templetons, 142 King West, Toronto). We mail T.R.C.'s anywhere on receipt of $1.00.

The Ontario Railway and Municipal Board will hold a Sitting in the Court House here at 10.30 a.m. on Tuesday next, November 11th, for the purpose of hearing the evidence and argument re the application of the Township of East Garafraxa to be relieved from the obligation to rebuild a bridge over the Grand River on the road between lots 15 and 16 in the 14th Concession.

HALLOWE'EN PRANKS.

Orangeville had an oldtime Hallowe'en celebration on Friday night The juveniles of both sexes had a big night's fun. The older boys also cut loose and levelled fences, carried off gates and committed other pranks in different parts of the town. Under the influence of the excitement of the moment the lads carried their fun too far and there were a number of very irate citizens in town the next morning. The authorities have secured the names of about fifty of the boys and the pranksters are faced with the alternative of making good the damage they committed or appearing before the Police Magistrate.

BROADWAY ORANGEVILLE

A $24,000 SALE.

J. A. Reid sold his half section farm at Pleasant Valley last week to W. O. Ede, of Woodstock, Ont., for $24,000. The farm consists of the southeast of 14 and northeast of 11-44-19 and is considered one of the best farms in the district; with the exception of a few acres yet to break the whole of it can be cropped. Mr. Reid does not intend to give up farming operations here as he still owns a section of land four miles south of town.—Melfort, Sask., Journal.

The Mr. Reid referred to is Albert Reid, an old East Garry boy and a son of ex-Reeve J. B. Reid, of that township.

W. M. S. CONVENTION.

The New Motor Car

Overland

The Greatest Improvement In Riding Comfort Since the Introduction of Pneumatic Tires

HERE is a brand *new* type of car, built in Canada by Canadians, for Canadians. It solves the problem which has baffled automotive engineers—how to combine riding *comfort* with *light weight* and *economy*.

Our new *Three-Point* Cantilever Springs make this possible.

These are the first springs of their kind and they are made of chrome vanadium steel. They are exclusive with Overland.

Because of these springs, Overland 4 combines the riding qualities of large, heavy, expensive, long wheelbase cars, together with the advantages and economy of small, light cars.

With 100-inch wheelbase, Overland 4 has the luxurious riding ease of 130-inch Springbase.

The exclusive, Three-Point Cantilever Springs cushion the car so that it *rides well on all roads*: they reduce choppy rebounds and side swaying, protect the car from road shocks and *prolong* its life, minimize twisting or racking of frame and body, enable the car to hold the road better.

The car and passengers ride smoothly as though floating, free from road shocks.

But this *new* riding comfort, possible *only* with these Three-Point Cantilever Springs, is but one of the advantages of Overland 4.

Its light weight makes possible great economy of gasoline and tires.

High quality materials *insure* durability. All vital parts of the front axle and steering gear and all highly stressed driving gears and shafts are made of *alloy steel*.

The equipment list of Overland 4 is like that of expensive cars: Auto-Lite Starting and Lighting System, Electric Horn—Specially Resilient Upholstery Springs—Demountable Rims—Three Speed Transmission—Slanting Rain Vision Windshield—Tillotson Carburetor, and many other high quality conveniences.

In every respect Overland 4 is a quality car. The body is all steel, all enamel, the brightest, hardest, most lasting finish.

Overland 4 has been tested for two years and more than 250,000 miles over the Rocky Mountains, prairies, through deep mud and scorching deserts—through quick sharp climatic changes. As a result of these tests we were able to judge the car's performance under every condition and to perfect it before offering it to the public.

There is no previous car of any size or price to adequately compare with the character of service Overland 4 introduces.

The farther you *ride in it* the more you will appreciate it. Come in and get a Booklet. The demand for Overland 4 will be greater than the supply for some time. Overland 4 Touring, $1195; Roadster, $1195; Coupe, $1845; Sedan, $1995. Prices f. o. b. Toronto, War Tax included.

SPECIFIC FOR BRONCHITIS

The turpentine used in Dr. Chase's Syrup of Linseed and Turpentine is not the ordinary commercial article, which is little used because of the unpleasantness of taste, but is specially extracted from tamarac and spruce gum and so combined with other valuable ingredients as to be at the same time pleasant to use and wonderfully effective in the cure of affections of the throat, bronchial tubes and lungs. Recommending the Nerve Food to others."

CROMBIE-BAILEY.

The marriage took place at Rosemont on Wednesday, Oct. 22nd, of Miss Edna Bailey, daughter of Mr. and Mrs. Robt. Bailey, of Violet Hill, to Samuel Crombie, son of Mr. and Mrs. John Crombie, of William St., Shelburne. The ceremony was performed by Rev. G. W. Lynd, Methodist pastor of that place. The bride's dress was of pearl grey satin with touches of pink. The bridesmaid, wearing a smart suit of navy serge with black hat and large maribou stole. The numerous and beautiful gifts were tokens of the good wishes for the happiness of the young couple in their home near Shelburne.—Free Press.

evening train for Toronto, the bride Miss Beatrice Isaac, of Corbetton, cousin of the bride, wore burgundy, trimmed with maize. The best man was Norman Harper, of Honeywood. The groom's gift to the bride was a sunburst of pearls, to the bridesmaid a gold crescent brooch and to the groomsman a set of cuff links. After the ceremony the wedding party returned to the home of the bride's parents, where a reception was held. Mr. and Mrs. Crombie left on the

MRS. M. PECK HAS GAINED 25 POUNDS.

Nine Years Trouble Ends And She Is Well And Happy, Now.

"I have gained twenty-five pounds since I commenced taking Tanlac, and the troubles that have been making life miserable for me for nine years have been completely overcome," said Mrs. Minnie Peck, who lives at 9874-82nd Ave., Edmonton, the other day.

"When I commenced taking Tanlac," continued Mrs. Peck, "I was so weak and run down that I was hardly able to get about. Everything I ate disagreed with me, and I would suffer for two or three hours after every meal on account of gas forming and bloating me up, I would have severe cramping pains in the pit of my stomach. I was very nervous, so much that the slamming of a door would upset me terribly, and a good night's sleep was out of the question for me. I would actually get out of bed every morning feeling more tired and worn out than I did the night before. This condition just kept getting worse all the time until I got to where I was compelled to stay in bed most of the time.

"Then I decided to give Tanlac a trial, and it's the honest truth, I commenced to feel better before I had finished my first bottle of this wonderful medicine, and my condition just kept getting better until I am now as well as I ever was in my life. I never have a sign of stomach trouble now, and I have a fine appetite and eat just anything I want. I have gotten back all my strength and can easily do all my housework. My nerves are in perfect condition, and I sleep like a child every night. It is simply wonderful the way I have gained in weight, and in fact, I just feel fine all the time. Yes, Sir, Tanlac is a wonderful medicine and as long as I live I will never lose an opportunity to say a good word for it."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

The plowing match and tractor demonstration held at Arthur proved to be a grand success. Over 1500 people attended the event.

August Bauer, hotelman, of Mitchell, was sentenced to serve three months in Stratford jail for having intoxicating liquor for sale in his hotel. It is stated that this is his fifth offence.

Rev. Mr. Taylor in leaving Metz and Dracon congregations was presented with a purse, from the congregation; Mrs. Taylor with a casserole from the Ladies' Aid, and Miss Dorothy a ring from the Sunday School.

Judge Widdifield awarded William H. Gee, of Mimico, $300 and costs in his suit against Peter Staynog for $500 damages for injuries received when he was knocked off his bicycle by the defendant's auto on the Lake Shore road.

A shocking accident occurred at the farm of Mr. Geo. Wright, Vandeleur, when Thomas Gilray, a thresher, had his right arm cut off about two inches below the elbow by having his hand caught in the strawcutter belonging to the machine.

LAUGH AND GROW FAT.

"Laugh and grow fat," is an old saying laden with value for nervous people in particular. Drop the worry habit and use Dr. Chase's Nerve Food and you will soon get the nervous system restored to good condition. Digestion will improve, appetite will return, and you will find such symptoms as headache and sleeplessness fast disappearing.

The firm of Dunbar and Chester, drygoods merchants, of Owen Sound, has been dissolved, Mr. Chester retiring. His place will be taken by Mr. R. C. Dunbar, of Detroit, a brother of Mr. S. C. Dunbar; and the new firm will be known as Dunbar and Dunbar.

Rev. D. J. Lane, B.A., an old Walkerton High School student and formerly pastor of Knox Church, Grand Valley, has accepted an unanimous call to the pastorate of the Presbyterian Church, Walkerton, at a salary of $1750, free manse and holidays.

A bronze tablet to the memory of Lieut. Lowell Wallace Wood has been placed in Christ church, Woodbridge, by Mrs. Thomas F. Wallace. Lieut. Wood died of wounds on October 17, 1918, which he received while serving with the 4th Canadian Infantry Battalion, having enlisted with the 220th York Battalion.

Mrs. Morrison, an aged lady of over seventy years, living on the 11th Con. of Arthur, sustained a serious accident recently. She was going up a ladder into a mow to hunt for eggs and when about ten feet up, a round of the ladder broke and she fell heavily to the floor, breaking a collar bone and some ribs and receiving other injuries.

At Port Arthur Assizes Stanislaus Shycock was found not guilty of murdering, in August last, Constable Geo. Armstrong of Nipigon, but formerly a C.P.R. constable at Owen Sound. Armstrong, while following two men accused of theft, was shot. Provincial officers later encountered the two men and killed one in a gun battle. Shycock was captured, but claimed the other man shot Constable Armstrong, the jury accepting that plea. He is now to be tried for attempted murder of the Provincial officers in the second gun-battle.

BANK SAVINGS $150 PER HEAD.

Canada in Position to Lend 4 Times More Than Victory Loan Objective.

The success of the Victory Loan should be overwhelming. With savings bank deposits totalling $1,227,000,000 and the co-operation of depositors and bankers Victory Loan workers have good material upon which to work.

The figures are taken from the official statement of the Canadian chartered banks issued at Ottawa. They show another good increase in savings bank deposits, amounting to $30,000,000 over the August figures and of $189,000,000 over September 1918.

The savings of the people are quite apart from the commercial balances. They represent the thrift and economy which Canadians are practising in view of the Loan campaign, and it is eminently satisfactory to find that they work out at over $150 for every Canadian man, woman and child on over $750 per family.

As indices to prosperity and industry $1,227,000,000 in savings banks deposits are eloquent, indeed.

George Bros. have sold their livery and also the bus line in Walkerton, to Mr. Alex. Ernest.

L. D. Walker, Ottawa, has been appointed junior engineer on the Welland Canal construction.

H. F. Sharp, St. Mary's, 60 years a member of the Masons, was presented with an illuminated address.

The Tara Leader says F. T. Hill & Company intend remodelling their store next spring, and when completed it will be one of the most up-to-date stores in the district.

Matthew J. McCarron, most prominent criminal lawyer of the district, died at his home in St. Catharines, last week, aged 59. He was one of Ontario's leading lawn bowlers.

Tom Sandlos, of Hanover, was injured through an alleged defective culvert on the 30th Sideroad and is billing the township of Brant for damages to his car and also for his doctor's account.

When you use country and city schools as food supply centres—a practical plan that is working and giving higher prices to producers and lower prices to consumers. Read about it in RURAL CANADA, November.

Acres of land was recently purchased on the Lake Shore Toronto and Hamilton Highway. On closing the deal scores of men were immediately employed clearing for the erection of Canadian Photoplay Production Limited studios. The cost of buildings is estimated close on $200,000.

A very quiet but pretty wedding was solemnized in Inglewood Methodist Church, on Wednesday, October 29th, when Edith Mary, second daughter of Mr. and Mrs. John Berry of Snelgrove, became the bride of Douglas Fraser Modeland, youngest son of Mrs. Margaret Modeland, of Inglewood, the Rev. J. R. Wilkinson officiating.

A solemn ceremony was performed at the Dundalk High School when a beautiful memorial tablet of brass on oak base was unveiled. The tablet bore the names of the three former pupils who gave their lives in the great war, namely: D. D. Gillies, D. Pallister and A. R. Simmons. The motto at the top is "Lest We Forget" and at the foot "Their Name Liveth For Evermore."

5TH. OF NOV. SOCIAL.

The Fowl Supper given by the brethren of Prince of Wales L.O.L. No. 320 on Wednesday night, Nov. 5th, was well attended and a very enjoyable evening was spent. The speeches were listened to with interest, but we were unable to agree with the views of one speaker, who when trying to explain why a certain man had voted against conscription stated that there were millions and millions of men in England and France and that they did not need any more. In our opinion this statement was very incorrect. Had the speaker been at Passchendaele and Mons he would have known differently. Any man who voted against conscription voted to prolong the war thereby endangering the lives of his countrymen. If this is the kind of inside information that this gentleman got, he had better go and preach it on the back fifty where nobody will hear him.

VICTORY LOAN CAMPAIGN.

Headquarters for Dufferin County report a total up till Tuesday midnight of $762,300. The total official objective, exclusive of Special Subscriptions, for the County is $900,000. The Campaign cannot be looked upon as a success unless Dufferin County reaches a total of at least $1,150,000 and with four remaining days it will be necessary to raise almost $400,000 or an average of $100,000 per day. Many people have been thinking the matter over since the Campaign opened on October 27th, and the lists positively close at midnight, Saturday, the 15th inst.

Orangeville added a Crest to its Prince of Wales Honour Flag on Monday, having exceeded its Objective of $130,000 by 25 p.c. The Town has done splendidly and with a supreme effort during the remaining days should exceed $200,000.

Shelburne got into its stride on Monday and its returns for that day raised its total to $120,000, thus winning its Honour Flag and two Crests.

Grand Valley has added another Crest to its Flag, making two in all.

The rural sections are in most cases behind their objectives, but should make the grade during the balance of the week.

There are a great many people in the County who have not yet purchased Victory Bonds and if they do not do so by the 15th inst., they will live to regret it. This is probably the last opportunity they will have of buying Dominion of Canada Bonds to yield as high a rate as 5½ per cent. It would take no less than $183.33 of savings in the Bank to earn the same annual interest as a $100 Victory Bond, in addition to which there is the certainty of appreciation in value of Victory Bonds as financial conditions become normal. Just prior to the war, Dominion of Canada Bonds were selling at a 4½ p.c. rate to the investor. On this basis a $1000.00, 5½ p.c. Victory Bond, due Nov. 1st, 1934, is worth $1108.23.

If you have bought Bonds and paid in full for them, figure out how much additional available cash you have, add to it what you can save between now and March next and buy to the limit. You can pay 10 p.c. down, 20 p.c. on Dec. 9th, 20 p.c. on Jan. 9th, 20 p.c. on Feb. 10th and 30 p.c. on Mar. 9th, or you can pay 10 p.c. down and 10 p.c. each month up till August 1920.

Dufferin County is in the Georgian Bay Division which leads the whole Province in percentage of Objective attained. Help our Division keep this lead by bringing Dufferin County's total up to the other Counties in the Division—namely Grey, Bruce, Simcoe East and Simcoe West.

NEED NOT REBUILD.

After hearing considerable evidence at a special sitting in the Court House here on Tuesday the Ontario Railway and Municipal Board made an order relieving the Township of East Garafraxa from the statutory necessity of rebuilding a bridge over the Grand River on a road between lots 15 and 16 in the 12th concession. The Board directed, however, that persons whose children were required to go to other schools owing to the lack of a bridge should be indemnified by the township against the payment of possible school fees. Engineer C. R. Wheelock estimated the cost of a new bridge at $12,250 and the Board's engineer stated that it would take an additional $14,000 to cut down the hills on each side of the river and put the approaches to the bridge in proper shape. A. A. Hughson appeared for the municipality and C. R. McKeown for the ratepayers living adjacent to the bridge.

INTER-CHURCH FORWARD MOVEMENT.

The Anglicans, Baptists, Methodists and Presbyterians of Orangeville will hold Union Meetings in the Town Hall, on Sunday evening, Nov. 30th and every afternoon and evening during the following week in the same place. On Monday evening there will be a "Young Peoples' Rally." On Tuesday afternoon there will be a School Children's Rally and on Wednesday afternoon there will be a special gathering of the women of the town. Both afternoon and evening meetings will be addressed by the strongest leaders of the different denominations. Let everyone in town plan to attend as many of these meetings as possible. A full announcement of these meetings will be given next week. Committee of Management, Rev. W. M. Morris, Chairman; Rev. E. R. Young, Secretary; Mr. E. M. Still, Tressurer; Other members, Rev. John Dodds, Rev. Capt. T. H. Stewart; Messrs. W. C. McMillan, Dr. W. J. Price, Principal Hackett and Mr. Peavoy.

THEFT CHARGE HEARD.

Last Friday Gordon Hammond and Ernest Raeburn, two lads aged 16 and 14 years, appeared before P.M. Pattullo on the charge of stealing the coulter and beam of a plow from Jonas Lee, a farmer living in the north end of Mono, a short distance from Primrose. It appears that Lee has been subjected to a good deal of annoyance from the youths of the neighborhood. When his plow was rendered useless by the removal of the parts mentioned Lee lost no time in seeking the aid and protection of the Court. A great deal of evidence was heard on both sides. The Magistrate found Hammond guilty, but let him off on probationary sentence. The charge against Raeburn was adjourned to allow the Inspector of the Children's Aid Society opportunity to investigate and report to the Court.

Mr. John McEachern, Erin, has taken over Mr. Gorelik's share of the business of Dilman & Gorelik, merchants. The business will be carried on under the name of Dilman and McEachern, at the same stand.

HEALTH FOR THE BABY.

The baby of to-day is the man or woman of to-morrow. Thus the success of the future man or woman depends upon the baby's present welfare. If the baby is sickly and ill nourished it is not to be expected that he will grow into a strong, active man who will hold his own in the business world a few years hence. Mothers it is a duty you owe the future to keep your little ones well now. This can be easily done if Baby's Own Tablets are kept in the house. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach and thus make baby healthy and strong. Concerning them Mrs. W. Orser, Elginburg, Ont., writes:—"I have a fine healthy boy three years and have used Baby's Own Tablets for him ever since he was a small baby. I certainly think them a splendid medicine." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

PRINCE OF WALES SOUVENIR.

The beautiful portrait of the Prince of Wales presented by The Family Herald and Weekly Star of Montreal is in great demand. It is certainly a souvenir that is worth while securing and retaining. The portrait is 16 x 22 inches, and is the best that has been seen. The Family Herald and Weekly Star always does the right thing at the right time, and the people of Canada owe a debt of gratitude to that great paper for providing this beautiful souvenir of the Prince's visit. The Family Herald is indeed Canada's greatest family and farm paper and should be in every home. $1.25 pays a full year's subscription including the portrait of the Prince of Wales.

CALEDON.

Mr. Thos. Harrison is considered to be very seriously ill and slight hopes are now entertained for his recovery.

Rev. Hugh Matheson, of Toronto, preached in Knox Church last Sunday, the pastor, Rev. J. Burkholder, being engaged elsewhere on the Forward Movement.

Rev. J. F. G. Morris has called a meeting of the young people of the community to organize a Young Peoples' Society for Thursday night, November 13th. This is something that is much needed here and we wish the project every success.

ALTON.

The boys of the village had a big time on Hallowe'en night. About one hundred and twenty five of the fellows journeyed to J. C. Limebeer's about a mile from town for the purpose of holding a charivari in honor of Mr. Limebeer's son, Lloyd, who was recently married. On their arrival the crowd met with a decidedly cold reception from the senior Limebeer, who hit one of the boys on the back with a piece of gas pipe and knocked another lad over with a block of wood. This treatment angered the crowd, who set out to make a night of it and remained about the place until about 3 a.m. The outcome of the affair was that Limebeer had about twenty of the lads summoned to appear before P.M. Crawford in Brampton on a charge of assault. Before the time for the trial arrived an amicable settlement was arrived at between Mr. Limebeer and the boys and the Court proceedings were called off. We are glad all concerned showed their good sense by settling the affair out of court and hope there will not be any ill-will between Mr. Limebeer and the lads.

We are glad to hear that Mrs. Leonard Lovell is on the mend again after her serious injury from a fall. We sincerely hope that it will not be long before she will be sufficiently recovered to be back in our midst again.

The boys of the town have formed a Dance committee under the name of the Bachelors of Alton and intend to hold a Dance every two weeks. They have taken a lot of pains in the matter of arrangements and can assure every person that the Dance on Friday evening, Nov. 14th, will be the best of the season.

Everybody will be glad to know that Jack Beer, one of our well-known citizens, is on the mend again after a long confinement to his bed through illness.

GLENCROSS.

One of the most successful Box Socials of the season took place in Purple Valley Orange Hall, on Hallowe'en Night. The hall was neatly decorated for the occasion. The Rev. Mr. Coutts, of Camilla, made an excellent chairman. The program consisted of songs, drills and dialogues by the school children, also a reading by Miss Wanless. Miss Cooledge, the teacher of Glencross school, is to be congratulated on the way in which she had the pupils trained and dressed for the occasion. Violin selections were given by the Moffitt Bros., also Mrs. Taylor and Mrs. Moffitt. Mr. Samuel Roney made a fine auctioneer, the boxes realizing the neat sum of about $75.00, which is for school and church purposes. After everyone had enjoyed the contents of the boxes, they had the pleasure of having their fortunes told by Mrs. Alex. Still. The National Anthem was then sung, after which everyone went home well pleased with the evening's entertainment.

A. S. says he is very lonely these times.

E. M. says there is a very steep hill on the 2nd line.

NO BETTER INVESTMENT THAN CANADA'S BONDS.

Hon. T. A. Crerar Says Canadians Must Save, Produce and Trade.

That Canada must save, produce and trade, is emphasized in a letter written recently by Hon. T. A. Crerar to Sir Augustus Nanton of Winnipeg, in connection with the Victory Loan campaign. After stating that the loan should be supported throughout Canada in the strongest possible way by every section of the people, Mr. Crerar says:

"Unfortunately, it was impossible at the time of the signing of the armistice to stop the expenditures caused by the war. Even yet our soldiers are not all back and demobilized. Much money is required for soldiers' land settlement, for pensions, for vocational training of returned men and for the special care of thousands of the boys who came back shattered in health of body and mind. The Canadian people must provide the means to do so. I have no fear that they will.

"Our country has heavy financial burdens to face; as a nation we must meet them in the same way as would an individual; we must save, produce and trade. To the person who saves there is no better investment than Canada's bonds."

TONIC TREATMENT FOR THE NERVES.

Neuralgia and Other Severe Nervous Disorders Cured Through the Blood.

In many severe nervous disorders the best remedy is often a tonic. The most active tonic treatment is recommended by the highest medical authority to arrest the progress of such disease. Dr. Williams Pink Pills are a tonic that acts on the nerves through the blood, which carries to the nerves the elements needed to build them up and restore them to a normal condition.

Neuralgia, sciatica, nervous headaches and a number of more severe nervous troubles are properly treated by building up the blood with Dr. Williams Pink Pills and are often entirely cured in this way. If you are nervous you can help yourself by refusing to worry, by taking proper rest and sleep, by avoiding excesses and by taking out-of-door exercise. For medicine take Dr. Williams Pink Pills and you will soon notice the beneficial effect of this tonic in every part of the system. Miss Annie L. Johnston, R.R. No. 1, Listowel, Ont., is one of the numerous sufferers from nervous troubles who has found a cure through Dr. Williams Pink Pills. Miss Johnston says:—"For a long time I was a severe sufferer from nervous troubles, with the result that I grew very pale and weak. Medical treatment did not help me, and various medicines had no beneficial effect, until finally a friend advised me to try Dr. Williams Pink Pills. I began their use and took the pills regularly for several months, with the result that I not only gained in weight, but have recovered my full health and strength. I cannot praise Dr. Williams Pink Pills too highly for what they have done for me."

To build up the blood there is one remedy that has been a household word for a generation, Dr. Williams Pink Pills for Pale People. They tone up the entire system, make the blood rich and red, strengthen the nerves, increase the appetite, put color in the cheeks and lips and drive away that unnatural, tired feeling. Plenty of sunlight, good wholesome food and fresh air will do the rest. You can get Dr. Williams Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

MRS. WM. WRIGHT.

The death of Mrs. Mary Wright, widow of the late William Wright, who formerly lived on lot 2, 3rd line, east, Mono, took place at her home, 163 Wallace Ave., Toronto, on Thursday morning last at the ripe age of 82 years. Mrs. Wright had been in poor health since last spring, but was confined to her bed only a month prior to her demise. The late Mr. Wright died in Mono about 23 years ago and his widow and family left the farm and moved to Toronto about 14 years ago. Deceased was highly respected by her old neighbors and friends here and was also well thought of by her circle of Toronto friends. She is survived by a family of two sons and three daughters, namely Robert and William Wright, of Toronto, Mrs. Moffitt, wife of Reeve T. H. Moffitt, of Mono, Mrs. Alex. Fraser, of Mulmur, and Mrs. T. Fraser, in Saskatchewan. The remains were brought to Orangeville for burial. The funeral, which was by motor, was held from the C. P. R. station to St. John's Church cemetery 7th line, Mono, on Saturday afternoon. Rev. A. C. McCollum conducted the burial service and Messrs T. H. Moffitt, Alex. Fraser, James McKibben, R. E. Moffitt, of Toronto, J. E. Smith and Fred Dennis were the pallbearers. Rev. C. W. Watch held service at the home in Toronto on Sunday night.

FUNERAL OF THOS. BRYAN.

The funeral of the late Thomas Bryan, of Laurel, whose death was reported in last week's issue of The Banner, was held from his late home to Greenwood cemetery on Wednesday afternoon, Nov. 5th, and was one of the largest ever witnessed in this section. Deceased was W. M. of Laurel L. O. L. No. 330 at the time of his death and the funeral was under the auspices of the Order. The services at the house and grave were conducted by Rev. J. A. Reddon, the family pastor, and were followed by the impressive burial ritual of the Orange Order. The high and general respect in which the deceased was held was amply shown by the large number of floral tributes, which bore mute testimony to the sorrow of the friends of the stricken family. These included a pillow from the family, a broken wheel from the brothers and sister, an anchor from the Brown family, a broken pillar from Laurel L. O. L., and sprays from Miss Hemsworth, Mr. and Mrs. W. S. Golden, Mr. and Mrs. W. R. Grosskurth, Mr. and Mrs. J. A. Hughes and the Laurel Presbyterian Sunday School. The pallbearers were Messrs Will, George and James Brown and Robert, Richard and Hugh Bryan. The profound sympathy of the whole community is extended to Mrs. Bryan and her family in the loss of one, who had always filled the part of a kind and loving husband and father.

MRS. A. B. GALBRAITH.

Her Orangeville friends were deeply grieved by the sad news of the death in Toronto on Saturday of Mrs. A. B. Galbraith, perhaps better known to her friends here as Miss Coral Littlejohn. Deceased, who was only 28 years of age, had been in delicate health for the last three years, but had been very much better for the last year or so. Her death followed shortly after the birth of a baby boy, who was less than a week old when the young mother was called away. Mrs. Galbraith was the only daughter of the late Gavin Littlejohn and Mrs. Littlejohn, Church St. She taught school for some time prior to her marriage some five years ago. She was a well-educated, cultivated young woman, whose charm of manner and personality won her many warm friends. She leaves to mourn her loss her mother, the young husband, a daughter, Ada, four years of age, and the babe already referred to. Profound sympathy is felt for the mother and husband in their great sorrow. The funeral was held from the C.P.R. station to the Forest Lawn cemetery on Monday morning and was attended by quite a large number of the friends of both families. Rev. E. R. Young conducted the services at the grave.

MRS. THOS. W. WALKER.

The death of Margaret Selina Lackey, beloved wife of Thos. W. Walker, and second daughter of Mr. Samuel Lackey, of this town, occurred at her late residence, 81 Ellerbeck Avenue, Toronto, on Wednesday, Nov. 5th. Service was held by Rev. F. E. Powell, pastor of St. Barnabas church, Friday evening, after which a short service was conducted by Leona Rebekah Lodge, of which the late Mrs. Walker was a member. The remains were taken to Markdale for burial last Saturday and were laid at rest in the family burying plot. The funeral was largely attended and amongst the floral tributes were a wreath from the husband, a pillow from the father and family, wreaths from the Canadian Kodak Co., Mr. and Mrs. Jas. Walker, Markdale, Mr. and Mrs. A. Hannah, Markdale, and Miss Pate and Miss Rowe, Toronto, a sheaf from Leona Rebekah Lodge and sprays from Mrs. A. Gillespie, Berkeley, Miss Matson and Mrs. F. Stratton, Orangeville, Mr. and Mrs. Muir, Mr. and Mrs. Iredale, Mr. and Mrs. J. Hamilton, Mr. and Mrs. McKechnie, Mr. and Mrs. W. Twible, Mr. and Mrs. Devine, Dr. and Mrs. H. J. Culp, Mrs. Aiken, Miss A. Arnold, Mr. and Mrs. Dean, Mr. Stoneman, the Misses Ferguson, Dr. and Mrs. Brett and Miss Jordan, Toronto, and Associates of A2 Dept., Eaton's. Besides the family in town Mrs. Walker leaves a husband and infant son to mourn her loss. Deceased was well known here and heartfelt sympathy is felt for the sorrowing husband, the father and other relatives.

THE LATE JOHN BAILEY.

Another of the few links that still remain to connect the Orangeville of the present day with the Orangeville of a half century ago was sundered last week by the death at his home on West Broadway of Mr. John Bailey, one of our oldest citizens. The end came peacefully after a long period of poor health, the natural result of the growing infirmities of advancing years. The late Mr. Bailey, who was 81 years and 7 months of age, was a native of County Tyrone, Ireland, where he first saw the light of day on April 27th, 1838. He came to Canada when a lad of fifteen years. A few years later he settled on lot 2, Mono and Amaranth townline, where he resided until 45 years ago, when he disposed of his farm and moved to Orangeville. Mr. Bailey followed the trade of carpenter and builder for many years and was well and favorably known as a skilful and honest workman, who gave his best to any task he undertook. On April 16th, 1867, he was married to Miss Nancy May, a daughter of the late James May, of Amaranth. Mrs. May survives her husband, but has been in ill-health for the last two years or longer. Of a family of four, one son Mr. Jas. S. Bailey, of Port Arthur, is the only one still living. There is also one grandchild, Mrs. John McArthur, of Erin. The late Mr. Bailey was until late years a rugged, vigorous man, and was a good representative of the hardy pioneer stock, with which this part of Ontario was first settled. He was a member of the Anglican church, a staunch Conservative and an enthusiastic member of the Orange Order, with which he had been identified for about 62 years. He was one of the oldest members of Aaron L.O.L. No. 427 and at one time or another had filled almost every office in the Lodge, including that of Worshipful Master. He was also a member of the Black Knights, being one of the charter members of the Orangeville Preceptory. He was buried with full honors of the two Orders, members of the two Orange Lodges and the Black Preceptory and a number of visiting brethren attending the funeral in full regalia. Rev. Capt. Stewart, rector of St. Mark's, was the officiating clergyman and the burial service of the Black was read over the open grave by Sir Knights H. A. Duke and Rev. W. M. Morris. The pallbearers, who were all members of the Black and Orange Orders, were H. A. Duke, Thos. Dawson, J. L. Island, Jas. Langtree, Jas. Montgomery and A. D. McKitrick. The many friends of the family extend their sincere sympathy to the bereaved in their time of sorrow.

Make Your Dreams Come True

Fond parents dream of a bright future for their children.

They dream of the literary and musical education they are going to give their daughter, and of the high position she will take in her sphere of womanhood.

They dream of the education they are going to give their son and vision him some day as a clergyman, a famous lawyer, an eminent physician, a prominent financier, or a captain of industry.

But to make these dreams come true—or even partly true—requires foresight, planning and money.

To provide the money what plan so wise as to buy Victory Bonds for each child?

Thousands of parents bought Victory Bonds for their children in 1917 and 1918.

Surely you will be among the thousands of loving parents who will buy Victory Bonds for their children—this year?

Mr. R. J. Sproule, of Flesherton, received word recently that his son, Maj. Fred R. Sproule, was in a hospital in London, England, with a bad fracture of the leg sustained by a fall. Major Sproule had been in the hospital for a few weeks with rheumatism contracted during his war service and was out for a walk when he met with the mishap.

Mrs. Mary Pettman died in Nanaimo, B.C., a few days ago and her death recalls considerable early history of the Bruce Peninsula and of Wiarton. Mrs. Pettman was a daughter of the late Wm. JOURNEY TO LONDON.

Peel County's Prize Canning Team Attend the Western Convention of Women's Institutes There.

The week before last Misses Louise Laughlin, Margaret Hillock, Bessie McQuarrie and Mrs. McMillan (nee Miss Lizzie McDonald), the Caledon Canning Team, chaperoned by Miss Ethel Chapman, of Toronto, left on their prize trip to London and while there attended the Western Convention of Women's Institutes, the girls appearing in their "Victory Uniforms" at the evening session Oct. 28th.

Delegates Discuss Vital Questions.

A closer relationship between city and country was the theme of addresses. "Your influence in National life will be judged by your success in dealing with community problems," declared Geo. A. Putnam, Superintendent of Institutes in Ontario, at the afternoon session on Tuesday.

"You, as a people, have been chosen by public opinion as custodians of National importance, and not only by the people of rural districts, but by many of the broad-minded men of the cities and towns as well, and in your hands lies the responsibility of giving a good Government to the people."

"We believe that the Women's Institute are now at a period of rapid expansion, unifying work and the undertaking of large plans for the whole people."

"During the war no organization was more active than the Women's Institutes, and since the war, you were weary and wanted a rest and you did take a rest and I believe you are ready now to take up the great work again."

"Through the Women's Institute the health of the children in the public and especially in the rural schools must be safeguarded, women and girls are given an opportunity to meet and discuss topics of mutual interest and to enjoy that real social intercourse that means betterment of social conditions."

"The various departments of the Government will co-operate with you, Mr. Putnam concluded, We need Provincial specialists to direct such problems as those relating to Food, Housing, Health, Girls' Work, Business Methods and community undertakings. "You may think I am bold to make suggestions at this time of political upheaval in the Province, but, although I may go, or the Government may go, the Institutes will remain."

Dr. Mary McKenzie-Smith, member of the Medical School Inspection Staff, was another speaker of the afternoon, urging on the assembled delegates the supreme importance of medical inspection of schools in rural districts.

"Already in Ontario 20,000 children have been examined and of these 1200 to 1500 were operated on in the clinics... The health of the growing children is of national importance said Dr. Smith.

"At the time of enlistment for war 50 per cent. of our men were found unfit for service, and the doctors who examined them, say that this might have been prevented if they had been looked after in childhood."

"Take care of their schools," the speaker urged, the light and the heating, the ventilation and the sanitation, the teeth and the tonsils, and give us men and women for the future."

"Since the time of the "flu," I have found a very large percentage of defective hearts and lungs among the children, which would otherwise not have been discovered, rural physicians being often too rushed at the time of the epidemic to make a thorough examination."

Following her address, Dr. Smith gave a very instructive demonstration on "Home Nursing."

Civic Luncheon.

At half past four the delegates were entertained by the civic authorities at a banquet in Smallman's Tearooms, where many small tables were lovely with their decorations of oak leaves and bar-berries, a big basket of yellow button Chrysanthemums adorning the longer table.

Tells Why Boys Leave the Farms.

Dr. Creelman, president of Ontario Agricultural College, in his address at the evening meeting, told why the boys leave the farm, blamed meagerness of social life. "The bright lights are not what are attracting the boys away from the farms," he said. The narrowness and meagerness of the social life of rural districts are accountable in his estimation, for the fact that many lads are forsaking the farms and going to the cities."

There ought to be more regularity in social life of the rural districts.

Dr. Creelman caused much amusement among the delegates, telling of the various comments made on the many U.F.O. members elected, the farmers being referred to as "pro-

fiteers" and "bunches of hayseeds."

"People in general have a poor opinion of farmers. They never pause to think what would happen if crops failed. To be a farmer these days a man requires a thorough general knowledge. He has to know how to mix seeds and obtain more bushels per acre than in the farming days of the past. Some of the best educated men of the day are farmers, said Dr. Creelman.

Because farmers were elected to the Government of the country, he saw no reason for the opinion commonly expressed, that the country was going to the dogs, but, on the otherhand believed that as they were quite capable of governing themselves, the farmers had sufficient intelligence to assist in the government of the country.

Dr. Creelman expressed the opinion that the farmers would give Ontario a strong Government and also believed that with the re-adjustment of transportation facilities the prices of food stuffs would be lower. He said the women of the country had not tackled the problem of the Fall Fair as they should. He was confident that they would solve it and urged that the women should participate in the Fairs more, and by taking a real interest, apart from that of spectator. "What I would like to see is a great long building with demonstrations of the best way in which to do things, the best way to cook and the best way to laundry, representing the Women's Institutes of the district in which the Fair is held.

Great Work in England.

Mrs. Alfred Watt, M.A., O.B.E., a Canadian and founder of the Women's Institutes in Great Britain, told of the great work done in England by the Institutes.

Mrs. Watt went to England during the war, where her two sons were being educated, and during the shortage of food started to teach cooking. This work grew until it finally developed into the first Women's Institute in England. There are now 1400 Institutes in Great Britain.

Difficulty was experienced at first in securing teachers for these numerous Institutes, but a plan was evolved by the Government whereby a school for training teachers was established. Now the people of England are most enthusiastic over the Institutes.

In her address she laid additional emphasis on the fact that Canadian women should fight against being Americanized which is the trend today.

Hard Work and Achievement.

Another interesting speaker was Miss A. H. Clayton, of Listowel. She made a strong plea for better understanding between people of town and country and urged the practise of thrift in every home, so as to meet the great war debt, which is hanging over the heads of the world. "Is the future of our country to be mortgaged because of the extravagance of our people now?" she asked. "Are we making work a dignified thing or are we paying our respect to idle people, who say they do not have to work? When we talk of 'high cost of living,' are we actually practising thrift to reduce it? Do we realize that only 1 in 6 of the population is a worker and that the others are substituting on his endeavor? Are we taking our manners and literature from the U.S. or are the French Canadians the only true Canadians, who have a distinctive individuality? Do the stories, which we read, even the war ones, have to be about American soldiers, when our boys were the greatest heroes? Are we going to be real Canadians or only an imitation of the people across the border? Are we holding high the torch flung by dying hands from Flanders field, The torch, which is Service for humanity?"

"The Institutes could do no better work than cultivate a taste in Canada for things Canadian.

Hot School Lunch Proves Its Value.

The demonstration of hot lunches, such as might be served in rural schools was the feature of the Wednesday morning session, held in the Normal School. 300 delegates and 200 Normal students were served by the Department of Agriculture. The lunch consisting of hot chocolate, sandwiches, cake and a banana, all neatly tied up in oiled paper and served in boxes.

The demonstration was preceded by an address from A. H. Leake, of Toronto, director of Household Science in rural schools. "We know now that many of the defects of children are caused by malnutrition, which in many cases in rural districts is due to the inadequate school lunch," declared Mr. Leake.

"Rural Education is a big thing, and should be a Provincial Problem." Education has become a passion with us in these days. Already the hot lunch is being successfully carried on in 100 schools in the Province and should be carried on everywhere." "The rural school is important," Mr. Leake said, "though public opinion does not always recognize the fact, and the press likes an advertisement for cigarettes, or a murder, or a divorce case, better than a comment on the little red schoolhouse, that has, nevertheless, fostered some of the foremost brains in the Dominion and will foster still better if our children have hot lunches."

The afternoon meeting included a trip to the Byron Sanatorium.

WHEN a child starts coughing mother's duty is to give the little sufferer a Peps tablet, and thus prevent any weakening of the lungs. As the tablet dissolves in the child's mouth, the soothing medicinal fumes given off pass through the tender breathing passages straight to the lungs and bring immediate comfort and relief.

Peps contain no opium or other harmful drugs, and can be given to a child (either whole or crushed to a powder) with the assurance of absolute benefit.

One little Pep at night will clear the breathing passages and let the little one's sleep be unbroken by coughing fits. A Pep before starting for school in bad weather is also an invaluable safeguard for the children's throats and chests. All dealers, 50c. box.

Tested 250,000 Miles
Three-Point Suspension Springs
Greatest Improvement Since
Pneumatic Tires

OVERLAND 4 has been tested as no car has ever been tested before. 250,000 miles of mountain trails, desert sand, heat, cold, mud and dust, demonstrated the quality of every part of the car long before we began manufacturing.

This remarkable test showed conclusively that Three-Point Suspension Springs, exclusive with Overland, are the greatest improvement in riding comfort since the introduction of pneumatic tires.

Diagonal attachment of the Three-Point Springs at both ends of a 130-inch Springbase gives the road steadiness of the heavy car of long wheelbase.

Equipment is complete from Auto-Lite Starting and Lighting System to Demountable Rims.

The longer you ride in this car the better you will like it. Come and see this car. Ask for Booklet.

Overland 4 Touring, $1195; Roadster, 1195; Coupe, 1845; Sedan, $1995. Prices f. o. b. Toronto, War Tax included.

FARMERS MUST WAKE UP.

During the early stages of the present Victory Loan campaign seemed that one class of the community which was showing reluctance in subscribing for Victory Bonds was the farming community, but it is hoped that before the subscription sheets close, this reproach will have been removed. There were similar indications last year out during the last few days of the drive, farmers' subscriptions came in very rapidly.

Anyone would be loath to believe that the farmers, who of all classes of the community are most directly interested in a heavy over-subscription to the present Loan, are apathetic. More than one-third of proceeds of the last Loan was spent directly in the purchase of Canadian wheat and other foodstuffs, and re-sold to Great Britain and Allied countries on credit. That is to say $207,500,000 of the money subscribed a year ago went into the pockets of the farmer; and without these heavy purchases the farmer would have been obliged to dispose of his surplus product at a considerable loss. The amount that will be spent during the coming year in financing credits to overseas purchasers of Canada's agricultural products is wholly contingent on the extent of the over-subscription to this year's Loan. Therefore if any former is desirous of seeing the present overseas market for his products maintained he will help pile up the total of Bond subscriptions.

ST. MARK'S CHURCH.

A very pleasant evening was spent at the Old Hallowe'en Social given by the A. Y. P. A. of St. Mark's church on Monday night. The meeting next week will be held on Monday night at 8 o'clock and will take the form of a debate on the following subject: "Resolved that Aircraft will play a greater part in the future development of the world than Automobiles and Auto Trucks."

CHILDREN MUST BE PROTECTED

The children must be safeguarded, for, if they do survive the frequent coughs and colds, it is often with the lungs so weakened that they become chronic sufferers from bronchitis or consumption. Being composed of simple ingredients of undoubted value, Dr. Chase's Syrup of Linseed and Turpentine is admirably suited as a treatment for children. It is pleasant to the taste. So much so that children delight to take it on this account, as well as because of the quick relief it affords them.

LOCAL NEWS

—The Orangeville Creamery will open for business on or about Dec. 1st.

—The Dods Knitting Co. is very busy on Canadian orders at the present time.

—The Beaver Knitting Mills, of Alton, is opening a branch factory in Erin village.

—Send a Dominion Express Money Order. They are payable everywhere.

—Orangeville Presbytery held quite an important business meeting in St. Andrew's church on Tuesday.

—Sandy McVannel has disposed of his 160-acre farm, lot 32, con. 4, Amaranth, to Frank Snider, of Mulmur.

—"Mickey" will be shown in Alton on Friday night and in Erin on Saturday night. The performance will draw capacity houses in both places.

—Mr. Wm. Clowes has purchased the dwelling house and property on William St., formerly occupied by Mr. A. Clowes from Mrs. John Moffatt, of Mono. The lot is quite a large one and runs through to John St.

—1918 Chevrolet Car for sale, in perfect condition, apply Paisley House Garage.

—Orangeville lost a valued citizen this week in the person of Mrs. C. Dods, Zina St., who moved to Guelph on Monday. Mrs. Dods was an earnest worker in St. Andrew's church and will be much missed in the various ladies' societies.

—The Orangeville Choral Society will give The Messiah in St. Andrew's church on the evening of Dec. 12th. This will be a rare treat for local music lovers. The Society has been practising for some months under the leadership of Mr. J. E. Jessop.

—Western potatoes have it on the Ontario product in the matter of size if one may judge from a pair of specimens which Mr. J. J. White brought home with him last week. The pair were grown in Saskatchewan and tip the scales at a good five pounds. They may be seen in the window of The Banner Office.

—Mr. R. E. Gallant has sold his Auto Tire and Vulcanizing equipment and business to Mr. Geo. Leader, who took over the business this week. Mr. Leader intends to continue the business and will be in first-class shape for next spring's trade. Mr. Gallant has gone to Toronto. His wife will remain in Orangeville for the present.

—Mrs. A. M. Harkness has sold her fine dwelling house on W. Broadway to Mr. Andrew Dods, of the Dods Knitting Co. We understand that Mr. Dods paid $3500 for the property. He will get possession on Dec. 1st. Her many friends will regret to learn that the sale will probably be followed by Mrs. Harkness' removal from town in the near future.

—Mrs. C. Suggett, West Broadway, who sold her dwelling house on that street to Mrs. Bryan, of Amaranth, a couple of months ago, moved to Toronto last week. Mrs. Suggett has been an esteemed resident of Orangeville for many years and her departure from town is regretted by her many friends here, who unite in wishing her happiness and prosperity in her new home.

ONLY THREE DAYS MORE.

Saturday, November 15, is the closing day of the Victory Loan campaign. There are still many Canadians who have neglected to become possessors of Victory Bonds.

They are grateful for Victory, which crowned the valiant efforts of Canadian arms. They have shared in the good fortune of Canadians in the period following the war. They wish prosperity to continue; but they have omitted to do their part in insuring that there will be jobs and prosperity for all in days to come.

They should not let another day pass—or another hour—without discharging their debt to the soldiers who died that they might live; to the warriors who are being restored to civil life.

Let the slogan of the last days of the campaign be "Clean up the war job once for all."

The most you can scrape together is the least you can afford to subscribe to the Victory Loan.

PERSONALS.

Mrs. John Park is visiting Grand Valley friends.

Mrs. Geo. D. Lewis is visiting her daughter, Mrs. Head, of Jersey City, N.J.

Mr. Bill McKinnon is spending a short vacation with friends at Hillsburg.

Messrs. Fred. and Harry Neil, of Toronto, were the guests of Miss Jean Atkinson over Sunday.

Mrs. R. W. Ritchie, of Dundalk, formerly of Orangeville, has gone to California for the winter.

Mr. Jas. Watson, of Havelock, a son of Mr. and Mrs. David Watson, Second Ave., is visiting relatives here and in Caledon.

Messrs Robt. Wright and Reuben E. Moffitt, of Toronto, were in town on Monday attending the funeral of the late Mrs. Wm. Wright.

Miss Edna Coulson, Centre Road, Caledon, gave a party on Friday evening of last week to a number of her friends. A very enjoyable evening was spent.

Mrs. J. C. Steele and little daughter, of Mimico Beach, are visiting the former's mother, Mrs. J. H. Simpson, West Broadway, and other relatives for a couple of weeks.

Mr. and Mrs. S. T. Still, 47 Laws St., Toronto, announce the engagement of their daughter, Zona Helen, to Capt. J. N. Ellah, of Brampton, the marriage to take place the latter part of November.

Mr. and Mrs. John Patterson, 731 St. Clarens Ave., Toronto, announce the engagement of their daughter, Hazel, to Mr. S. Stewart Hughes, of Toronto, son of Mr. J. H. Hughes, and the late Mrs. Hughes, of Orangeville, Ont. The marriage will take place very quietly the latter part of November.

Mr. and Mrs. Walter Yokom arrived home from the West on Friday night. Both are looking well and report a delightful summer on the prairies. They called on Mr. and Mrs. W. A. Island, Mr. and Mrs. G. A. Hillock and other former Ontario friends before coming home and found them all well and prospering.

—Dufferin County Council will meet on Tuesday next, Nov. 18th.

—Mr. C. L. Pownall, the hustling proprietor of the Gem Theatre, has secured exclusive rights for 'Mickey' from now until Christmas for the whole of Ontario outside of the larger cities.

DECORATED BY PRINCE.

Driver H. L. Patterson, son of Mr. and Mrs. John Patterson, 731 St. Clarens Ave., Toronto, was amongst those soldiers who received the Distinguished Conduct Medal presented by the Prince of Wales at the Parliament Buildings on Tuesday, the 4th inst.

SERVICE FOR FALLEN.

St. Mark's Church was filled to the doors on Sunday evening, when a special service was held in memory of the soldiers belonging to the congregation, who had fallen in the recent war. The front pews were occupied by the members of the Orangeville Branch of the Great War Veterans, who attended the service in a body. Behind the Veterans were seated the members of Lord Dufferin Chapter, Daughters of the Empire, who were also present in a body. The sacred edince was beautifully decorated with flowers which were contributed for the occasion. Very impressive and appropriate music was rendered by the church choir. An eloquent sermon was preached by the rector, Rev. Capt. Stewart, who paid an impressive tribute to the gallantry and the unselfish sacrifices of the Canadian soldiers and made a touching reference to those who had laid down their lives for the sake of the ideals and liberties so dearly cherished by every true Britisher. After the benediction and before the recessional hymn, the entire congregation stood with bowed heads while the Last Post was sounded. It was indeed an impressive tribute to the memory of the brave lads who made the supreme sacrifice.

Radial Tether for Animals.

To tether his cow so as to admit of its having a large feeding range, and yet so as to be perfectly secure and require no attention, a Pennsylvania man adopts the following method: He took a pole, 20 or 30 ft. in length, pivoted at one end and fitted with an iron ring large enough to slip along from end to end. The small end of the pole was supported by a light metal wheel from some old farm implement, or a wooden one cut from a piece of plank. The animal was fastened with a halter chain, too short to get tangled up with the animal's legs.

Mr. Richards, ledger keeper in the Standard Bank, in Flesherton, has been transferred to Sunderland and Mr. Hagerman, of Midland, has succeeded him at Flesherton.

Above is shown the new, made-in-Canada Overland 4. It is being manufactured at Toronto by Willys-Overland Limited, who announce that production on a quantity basis has now been reached.

The chassis is illustrated along with the finished touring car model because of its radical departure in spring suspension. It will be seen from the drawing that the "springbase" exceeds the wheelbase by 30 inches. This exclusive "three-point" principle is the basis of the manufacturers claim that the springs of Overland 4 give it a riding comfort hitherto not realized in a light car of the economical short wheelbase.

Willys-Overland Limited claim that this new Spring Suspension has been subjected to the most rigorous, mechanical, laboratory, and road tests that engineers have ever devised, including 250,000 miles of road testing. The hill-climbing scene above was taken in Hell Canyon, near Alvuquerque, New Mexico.

SUFFERED DAY AND NIGHT

The Tortures of Dyspepsia Relieved By "Fruit-a-tives"

LITTLE BRAS D'OR, C. B.

"I was a terrible sufferer from *Dyspepsia and Constipation* for years. I had pain after eating, belching gas, constant headaches and did not sleep well at night. Finally, *a friend told me to try "Fruit-a-tives"*. In a week, the Constipation was corrected and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous". ROBERT NEWTON.

50c. a box, 6 for $2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

CANADA'S FINE RATING.

At the present time Canada's rating on the New York money market stands higher than that of any foreign nation; and it is possible for her to obtain funds on that market on more favorable terms tha nany other country. The reason for this, as any financier will vouch, is Canada's increased production and the prosperity she has enjoyed by the sale of her surplus products at favorable prices in Great Britain and Europe. This vast system of marketing was effected through credits for which Victory Loan subscriptions provide the working capital. If for instance the public should turn an indifferent ear to the Victory Bond salesmen now at work, our prosperity and credit would be impaired, our production dwindle and everyone would feel the menace of poverty. There is good reason to hope that Canadians are awake to their responsibility and opportunity.

The allusion to Canada's high rating on Wall St. brings up another phase of the Loan question. While Canada can borrow abroad on more favorable terms than any other nation, it is not desirable that she should do so: for that would take large sums out of the country in annual interest payments. It would help to build up the prosperity of the United States at our expense. It is much more expedient that Canadians should themselves be the lenders and that the interest should stay in the pockets of her own people. If it is profitable for Wall St. to loan money to Canada it is equally profitable for Canadians to loan money to their country.

DEER HUNTING.

The Ontario government decided that this year the deer hunters would have to go back to the old rule of one hunter, one deer. Last year as a "war measure," and to ensure the public a little meat in Ontario, the law was changed to allow two deer per hunter. Another change that has been made this year is that deer hunting does not start until November 5th, instead of October 15th.

CHILDREN MUST BE PROTECTED

The children must be safeguarded, for, if they do survive the frequent coughs and colds it is often with the lungs so weakened that they become chronic sufferers from bronchitis or consumption. Being composed of simple ingredients of unlimited value, Dr. Chase's Syrup of Linseed and Turpentine is admirably suited as a treatment for children. It is pleasant to the taste. So much so that children delight to take it on this account as well as because of the quick relief it affords them.

LIFTING THE MANTLE OF DARKNESS

MANY towns and villages in Ontario that were not provided the advantages of electricity previous to 1912, now enjoy the comforts and conveniences of Hydro Power.

Electricity generated in individual plants was not available for these places. Hydro development placed electricity within their means.—

In numerous Ontario towns and villages old-fashioned, unsatisfactory lighting gave way to modern, economical electric light.

Now that electricity is no longer a luxury, it is the aim of Hydro to help the people of this Province secure the best results from the current they use. For the most satisfactory service in home lighting the Commission recommends HYDRO Quality Lamps.

HYDRO Quality Lamps are tested in the Commission's electrical laboratories—the most complete in Canada. The brilliancy, long usefulness and low current consumption of HYDRO Quality Lamps are assured. HYDRO Quality Lamps may be had at the Hydro Shop.

AN IDEAL TONIC FOR WEAK PEOPLE.

Dr. Williams' Pink Pills Act Directly On the Blood and Nerves.

Food is as important to the sick person as medicine, more so in most cases. A badly chosen diet may retard recovery. In health the natural appetite is the best guide to follow; in sickness the appetite is often fickle and depraved.

Proper food and a good tonic will keep most people in good health. Dr. Williams Pink Pills are the most popular tonic medicine in the world, harmless and certain in their action, which is to build up the blood and restore the vitality to the run-down system. For growing girls who become thin and pale, for pale, tired women, and for old people who fail in strength Dr. Williams' Pink Pills are an ideal tonic. Thousands of people have testified to the health-giving qualities of Dr. Williams' Pink Pills, and in many homes they are the only medicine used. Among the homes in which the benefit of this medicine has been proved is that of Mr. E. A. Underwood, Kingston, Ont., who says:—"I have used Dr. Williams' Pink Pills with the most beneficial results. As the result of hard work I was very much run down, and my appetite was very poor. I got a supply of the pills which I used regularly for some weeks with the result that they restored me to my old time strength. They also proved a blessing to my daughter, who was in a very anaemic condition, and who seemed not to get more than temporary relief from any medicine until she took Dr. Williams' Pink Pills. She took the pills for about three months, and is now enjoying the best of health. For these reasons I can strongly recommend Dr. Williams' Pink Pills."

At the first sign that the blood is out of order take Dr. Williams' Pink Pills, and note the speedy improvement they make in the appetite, health and spirits. You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Sarah A. Horsley, beloved wife of Thos. A. Neely, a former well-known Shelburne merchant, died at her home at Pangman, Sask., on Tuesday, Nov. 4th, at the early age of 38 years.

Mr. Norman Hollinger was the victim of a nasty accident on Saturday last. He was putting a board through a machine in W. G. Gorvett's planing mill when it flew back, striking him in the face and inflicting a wound which required six stitches to close. He also lost a couple of teeth.

Nothing Can Compare with It

Mr. Fred Adams, New Rose, N. S., writes:—"I have tried many medicines for coughs and colds but never found anything to compare to Dr. Chase's Syrup of Linseed and Turpentine. We have had the greatest satisfaction with this medicine for it never fails to relieve a cough and loosen it up."

The auction sale of the stock and chattels of the late John Wallace held at Shelburne on Wednesday of last week was a decided success. Everything offered brought satisfactory prices, especially the cattle and horses; spring calves sold up to $52.50 per head and yearlings up to $75.00. The sale has not been totalled up yet but the administrators inform us that it will exceed $13,000.

Major G. F. Gabriel on Saturday last disposed of his 200-acre farm east of town, being lot 1, con. 1, W. H. S., Mulmur, to William Hawkins, the present tenant. The price paid was $13,000. Mr. Hawkins has disposed of the farm he recently purchased in Mulmur township, known as the Richard Lennox farm, lot 30, con 9, E.H.S., to Samuel Dolson, of the Fifth line, Melancthon, for $7,000.

Said Charles E. Barrett at the Washington Industrial Conference: The farmer is still the greatest stabilizer of society and is willing to be a sort of ballast to hold down the ship of state. But he is not content to receive mere praise in return for his service. He wants recognition and material results. And he is going to get it. We know how labor and capital get what they want. We are going to use our combined strength to obtain our demands. I do not mean that the farmers will form a political party. We do not have to. We can make ourselves felt if we hold together. And we will. Mind my word: The farmers are going to elect the next president of the United States.

VICTORY LOAN CAMPAIGN.

The Campaign in Dufferin County came to a whirlwind finish on the night of Saturday last and the Canvassers' total for the County, with a few outstanding returns yet to be received, amounts to no less than $1,308,750.00. The Official Objective set for the County was $900,000 which means that 145 p.c. of this was obtained. In addition to this total an application was received from the Dods Knitting Co. Ltd. for $25,000, making the combined total $1,333,-750 equal to a per capita subscription for the County of almost $90. This is a remarkably fine showing and reflects great credit on the Official Canvassers whose work was of the most arduous character, especially in the rural sections.

Below will be found the results for the various Canvassing Districts in the County:—

District.	Objective	Returns
Orangeville,...	$150,000—	$292,550
418 Applications—5 Crests.		
Mono	130,000—	159,400
232 Applications.		
Mulmur	130,000—	133,200
206 Applications.		
Melancthon ...	130,000—	121,800
209 Applications.		
Shelburne	80,000—	171,050
262 Applications—4 Crests.		
Amaranth	100,000—	81,900
175 Applications.		
Grand Valley ..	50,000—	150,450
141 Applications—8 Crests.		
East Luther ...	65,000—	81,400
105 Applications—1 Crest.		
E. Garafraxa ..	85,000—	117,000
133 Applications—1 Crest.		
		$1,308,750

Applications,—1880.

It will be seen that with the exception of Amaranth and Melanethon Townships, all Canvassing Districts reached their objectives and in many cases added Crests to their Prince of Wales Honour Flags, each Crest representing 25 p.c. over the objective. Grand Valley turned in the remarkable total of $150,450 and thereby trebled their original objective and added no less than eight Crests to their Flag. Orangeville added five Crests and Shelburne added four Crests to their Flag.

Dufferin County, together with Grey, Bruce, Simcoe East and Simcoe West, constitute the Georgian Bay Division and this Division earned the proud distinction of securing the highest percentage of Team Members Objective in the whole Province. The Province of Ontario by taking over $350,000,000 of the Loan made good its challenge to equal the total secured from the rest of Canada—a remarkable achievement indeed.

The Dufferin County Campaign was handled by Mr. H. J. Birkett as Organizer, with Mr. F. E. Hall in charge of the publicity work of the Campaign. Mr. Birkett is regularly engaged in the Bond business in Toronto and his services, together with other Bond Dealers, were commandeered by the Government for the purpose of floating the Loan. This is Mr. Birkett's third Victory Loan Campaign. He handled two Campaigns in Ontario County successfully.

Mr. C. R. McKeown, as County Chairman, rendered valuable services and helped materially to make the Campaign the great success it has been.

Mr. A. E. Annis made a very efficient Secretary and his intimate knowledge of the County was of great assistance. The recording work in a Campaign of this kind is no light task, entailing as it does the scrutinizing of each individual application and their proper distribution among the various Banks.

Dufferin County may well be proud of its record in this Campaign and the people are to be congratulated on the wonderful response they have made to the Government's call for funds to complete Canada's War effort and to maintain the national prosperity.

ADJOURNED.

Preliminary Hearing of Charge Against Geo. Duke Will Be Continued on Friday Afternoon.

The preliminary hearing of the manslaughter charge against George Duke, Mono Mills, commenced in the Public Library Auditorium at eleven o'clock last Friday. After spending between five and six hours hearing evidence Magistrate Pattullo and Mayor Lewis, who occupied a seat on the Bench, adjourned the case until Friday afternoon of this week, when further evidence will be heard. County Crown Attorney J. L. Island represented the Crown and Mr. A. A. Hughson appeared for the defendant.

The charge against Duke is based on his alleged neglect to provide proper medical attendance and nursing for his housekeeper, Amelia Hambly, who died on September 11th last, under circumstances which indicated that an attempt had been made to procure an abortion. The witnesses examined on Friday were Mr. W. A. Henry, clerk of Mono township, who produced the certificate of death and burial, Drs. Dunning and Allison, the physicians who were called in to see the unfortunate woman during her last illness, and Mrs. Sanderson, who was with her at the time of her death. The evidence showed that the woman became ill on Saturday and that the two doctors were sent for on Monday morning. After seeing the sick woman they advised Duke of the gravity of her condition and urged him to procure a nurse. Notwithstanding this the patient was left without attendance until Tuesday evening, when Mrs. Sanderson was taken to the place by Duke. Shortly after she arrived Duke left the house on some business. A couple of hours later Mrs. Sanderson left and returned home. Duke had not then returned so that the dying woman was again left without any person to care for her. Wednesday evening Duke again brought Mrs. Sanderson to the house and she remained in attendance until the Hambly woman's death on the following morning. The evidence of Mrs. Sanderson went to show that the deceased spent her last hours on earth amid pitiable conditions.

MAPLE LEAF QUARTETTE.

The popular Maple Leaf Quartette from Galt will give one of their superb programmes in Alton on Friday evening, November 28th, under the auspices of the Ladies Aid Society of Alton Presbyterian church. The people of Alton and neighborhood will welcome this opportunity to hear these splendid entertainers, who will undoubtedly be greeted by a bumper house. The admission has been fixed at 50 and 35 cents for adults and 20 cents for children. Reserve seat plan at D. C. Worts drug store.

PRAISED BY THE PRESS.

One enthusiastic newspaper critic who saw The Darktown Swells this season, pronounced it "The Napoleon of laugh-makers." This was candid of the critic, but it was purely the outcome of his experience and satisfaction in having had a really enjoyable time. A good laughing show means a saving of doctor's bills and the Darktown Swells affords amusement that invigorates with the vital warmth of a series of sun baths.

This jingling, joyous musical comedy with its bevy of chorus girls, radiant with form and figure, will be the attraction at the Orangeville Opera House, next Friday night, Nov. 21st.

A FAMILY TREAT.

A real good treat for every member of one's family would be a year's subscription to the Family Herald and Weekly Star of Montreal. It costs only $1.25 and each subscriber receives a handsome souvenir portrait of the Prince of Wales, 16x22 inches. The portrait alone is well worth the money. The Family Herald and Weekly Star is a credit to Canada. It has over three quarters of a million readers and thousands more are being added each week. It it a wonderful combination of a newspaper, family magazine and agricultural journal, the best of its kind in America. It is well worth a trial for a year. Every member of your family would be benefitted by the weekly visit of that great paper.

THE FORWARD MOVEMENT

Anglican Forward Movement meetings for the Deanery of South Simcoe will be held in St. Paul's church, Mono, on Wednesday, Nov. 26th.

10.30 a.m.—Women's Meeting—Mrs. A. H. Cuttle, Diocesan Organizer.

12.15—Luncheon.

1.30 p.m.—Joint Meeting, Rev. Dr. Seager, M.A., Diocesan Organizer, and two former speakers.

All are invited.

SIMCOE FARM SALES.

Mr. Jos. Howard, formerly of Camilla, has sold his fine 200 acre farm at Clover Hill near Cookstown, to Mr. Hector Armstrong, Stayner, for $21,000.

Mrs. Jas. Bruce, of Cookstown, has sold her 200 acre farm to Mr. Dickinson, of Stayner, for $15,500.

Mr. Sproule, of Elmgrove, has sold his 100 acre farm to Mr. Cole, of Mary Island, for $11,000.

The above sales were made by W. J. Wilson, real estate agent, Alliston.

SHORTER HOURS.

Mr. E. Schnurr, plant chief of area 44, Bell Telephone Co., held another Conference of the plant employees under his charge at Orangeville on the 17th inst.

The Company has again granted another voluntary increase to all their permanent plant employees in this area and have also voluntarily reduced the weekly working hours from 54 hrs. per week to 50 hrs. per week. Thus the men have Saturday afternoon off with no decrease in pay.

HOSPITAL NOTES

A New Hospital in Orangeville a Possibility.

Lord Dufferin Hospital, now in its eighth year, is not large enough to supply the ever increasing demands, winter and summer, being made on this splendid institution. The ladies, who seven years ago established an Hospital in Orangeville, little thought that in so short a time the increasing work would require a building double the size, with possibly three times the equipment of the present institution to meet the ever increasing demands. Must Lord Dufferin Hospital close its doors because of its inability to answer the calls made upon it? Will an appeal to the people of Orangeville and vicinity for funds sufficient to build and equip an uptodate Hospital meet with a ready response? Will a County that can contribute between one and two million dollars annually by way of an investment in a Victory Loan offer twenty or twenty-five thousand dollars to meet the cry of suffering humanity. Business men and others are urging upon the Daughters of the Empire the necessity, as well as the desirability of extension, and already one of the prominent business men of Orangeville has offered a splendid building lot as a contribution for a new building. This great question will probably be shortly before the people of Orangeville and vicinity, and your answer will determine the action of those who have worked so energetically to keep going what has become an absolute necessity.

Full particulars regarding collection of tin cans, mentioned some days ago, will be given in next week's paper. In the meantime the ladies are again urged to save, thoroughly rinse, and dry all tin cans.

The following donations have been received, and are thankfully acknowledged:—

Cash donation from Mrs. Ling; 10 Hospital gowns from Caledon Woman's Institute.

W. M. S. MEETING.

The November meeting of the W. M. S. of Bethel Church, Price's Corners, was held at the home of Mrs. Robt. Mann, Marsville. The members were well represented. A letter was read from the Rev. W. John Cook, of Barwani, Central India, thanking the Society for the financial aid sent him. After the usual Bible study and business the members gave a little surprise to their Vice-President, Mrs. Silas Cook, who will shortly move to Orangeville. Mrs. Geo. Haws read the following address, while Mrs. D. Jestin made the presentation:—

Dear Mrs. Cook,—

We, the members of the W. M. S., having learned that you are about to remove from our midst, could not let this opportunity pass without in some degree showing you the respect this community holds for you. You have always been a faithful member in the church and also in the Society which we represent. As a neighbor we will miss you very much. On account of your Christian and benevolent character your life among us has made you dear to us all. In view of the foregoing we ask you to accept this pin, not on account of its intrinsic value, but as a slight token of our respect for you. We trust you will be interested as ever in this neighborhood and able to visit us from time to time. Our prayer is that your life may be spared long in continued usefulness and prosperity.

Signed on behalf of the W. M. S.
Mrs. A. Oliver, President.

Mrs. Cook made a suitable reply and later closed the meeting with prayer. The Rev. W. John Cook, of India, is a son.

I SUPPOSE everyone knows where Happy Party got his name. It might be John Smith or Frank Brown or anybody for all you know, but they simply call him Happy Party because he is.

A SUCCESSFUL SOCIAL.

The Box Social held on Friday evening, Nov. 7, under the auspices of Relessey L.O.L. No. 1083 proved a great success. The hall was filled to the doors and everybody was greatly pleased with the fine programme provided by Mr. Duncan R. Cowan, the well-known entertainer. Rev. P. C. Howard occupied the chair and Mr. Jas. A. Patterson, of Orangeville, excelled himself in the role of auctioneer. The receipts of the evening were $157.

CAMILLA.

Mr. Noble and family, of Whitfield, spent Sunday as the guests of Mr. and Mrs. Josiah Marshall.

Mr. Harold Gemmell left last week to spend the winter in Toronto. Harold will be much missed by his many friends.

Miss Annie South was the guest of Orangeville friends over the week end.

Mr. John Lanktree has rented his farm to Mr. Lester Stinson, of Relmsey.

Rev. George Ross, a missionary in China, and who has been for three years in France in charge of a Chinese Labor Battalion, gave an especially fine lecture in St. Andrew's Church last Wednesday evening. Despite the inclemency of the weather a good sized audience was in attendance. Rev. Mr. Ross was the guest of Mr. and Mrs. Gemmill for several days.

Rev. Mr. Burkholder, of Caledon, spoke very forcibly here Sunday afternoon in the interests of the Forward Movement. A strong committee was organized to further the cause under the direction of our pastor, Rev. Mr. Coutts.

The Young People held a well attended meeting last Friday night. Miss Kate Brett gave a fine paper. The Junior meeting was taken by Miss Annie Parks.

Mr. and Mrs. Alex. Lundy and family have moved into Miss Belle Buchanan's house recently vacated by Mr. and Mrs. McDade.

Mr. Herbert Christian has completed building a commodious addition to his residence.

MELANCTHON STATION.

Thus far the farmers have had a beautiful fall for raising their roots and doing other fall work. What a satisfaction it is to have the threshing completed during the fine weather instead of having to tote the threshing machine through the rain and mud as on former occasions. Monday morning came in so warm and pleasant that the writer was reminded of the "sunny season" once spent near Lansing, the capital of Michigan, where we could enjoy a bath in the refreshing waters of the Grand or Shiawassee Rivers during the sultry evenings after the hot midday sun had gone to rest.

Mr. Joseph Dean, having purchased a farm near Corbetton, has moved thither.

Mr. James Sawden has just about completed extensive improvements to his residence, having built a solid cement wall around it and put on a new roof and a new coat of paint.

Considerable grain is coming into Melancthon grain market these days and several cars of potatoes were shipped to Toronto recently.

Mr. T. K. Slack, M.P.P., had a trip to Toronto.

It is surprising how utterly unreliable are the statements of politicians during a campaign. At the recent Conservative convention held in Shelburne, the principal speaker told us that Mr. Slack need not worry about his recall, for he would never be elected to the legislature, and Hon. W. D. Macpherson, ex-provincial Secretary, in his nomination speech in his usual thundering voice declared: "Sir William Hearst will sweep this province from one end to the other." We saw on the 20th ult. how little each of the above speakers knew about the matter.

MARSVILLE.

On Friday morning, Nov. 7, there passed away at his home, 10th line, East Garafraxa, a well known resident of the community in the person of James McBride. The deceased had enjoyed good health till some four years ago when he became affected with lung trouble and was forced to dispose of his farm. He spent a summer in Saskatchewan but the change proved of little avail. He was able to go around till a few days previous to his demise. Deceased, who was in his 58th year, was born on lot 6, con. 11, the old homestead, and on this farm he died. He was of a quiet and obliging disposition and was highly respected by all his neighbors. In the spring of 1895 he married Lucy Cook who is left to mourn the loss of a true and faithful husband. He is also survived by four brothers, Daniel, of Fergus, William of Proton, Samuel, of East Luther, and Joseph, of East Garafraxa. The surviving sisters are: Mrs. Jas. Moffit, of West Garafraxa; Mrs. Atcheson, Hamilton; Mrs. Sam Depew and Mrs. Thos. May, 10th line, East Garafraxa. The funeral took place the following Monday to McKee's cemetery and was largely attended. The services were conducted at the house and the grave by the deceased's pastor, Rev. R. H. Smith, of the Methodist Church, and Rev. Mr. Truax, of Grand Valley, and were followed by the impressive burial ritual of the A.O.F., the members of which turned out in a body to pay their last tribute of respect to the departed brother.

G. W. V. A. NOTES

Two new members were enrolled, Arthur Winterton and C. F. Strickland, and also one member by transfer, Harry Glover.

The Veterans are indebted to the Soldiers Club for two fine chairs which were presented to them formally by Mr. A. A. Hughson and Dr. Campbell, who represented the Ladies of the Club. The Veterans passed a unanimous vote of thanks to the Ladies and instructed their Secretary to communicate the same to them.

Mr. John Best, M.P., has accepted the invitation of the Association to address the Special Meeting which will be held on November 27th. The address will be on questions of interest to all soldiers.

The question of entering politics and qualification for membership will also be discussed at this meeting.

It was decided to hold an At Home at an early date.

A full attendance is requested.

THE FALL WEATHER HARD ON LITTLE ONES.

Canadian fall weather is extremely hard on little ones. One day is warm and bright and the next wet and cold. These sudden changes bring on colds, cramps and colic and unless baby's little stomach is kept right the result may be serious. There is nothing to equal Baby's Own Tablets in keeping the little ones well. They sweeten the stomach, regulate the bowels, break up colds and make baby thrive. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

—The new County Bridge at Grand Valley was formally opened yesterday afternoon. Following the opening Warden Hilborn gave the customary Warden's Banquet in the Commercial Hotel, commencing at 7 o'clock.

—Police Court proceedings arising out of the Hallowe'en depredations of a number of Orangeville youths have been adjourned until next Monday. The hearing was staged for Monday last. We understand the boys have agreed to pony up for the damage done to fences, etc. This is the manly course.

—At Monday night's meeting the Town Council passed a motion instructing the Town Engineer to revert to the former practice of ringing the town bell at 6 as well as 7 o'clock in the morning. A few weeks ago the Engineer was instructed that he need not ring the bell at six o'clock during the winter months. The change did not meet with the approval of some of our citizens and a petition to Council to re-establish the old order was the outcome.

SARAH WILCOX HARKNESS.

Mrs. William Harkness, who died in Detroit, Mich., November 5th last, was the daughter of the late Mr. Abiathar Wilcox, of Orangeville, and the sister of Mrs. F. H. Arkell, of this town. Sarah Wilcox Harkness was born in Orangeville and here spent her girlhood. After marrying Mr. Harkness, her husband bought out a jewelry business in Meaford and removed to that town. Succeeding in that place they sought a larger field of operation and went to Orillia. Thence they moved to Toronto and finally to Detroit, Mich., where they were living when Mrs. Harkness died.

Mrs. Harkness was an exceptionally bright woman and a beautiful, Christian character. She was always interested in church work and every other good cause. There are many who are ready to rise to bear testimony to her kindliness, cheerfulness and helpfulness. She will not only be missed by her husband and children, but by a large circle of friends. Besides her husband, Mr. William Harkness, of Detroit, Mich., and her sister, Mrs. Arkell, of this town, Mrs. Harkness leaves two brothers and five children to mourn her loss. Her brothers are: Rev. Isaac Wilcox of Dexter, Mich.; Mr. E. D. Wilcox, of Uxbridge, Ont. Her children are: Mr. E. C. Harkness, London, England; Mrs. W. Seeley, overseas; Mrs. G. P. Hamilton, Guelph, Ont.; Mrs. B. Garnett, Chicago, Ill.; and Mr. F. A. Harkness, London, England.

MRS. JOHN SYDIE.

A long life of useful and unselfish service came to a peaceful close at 10 o'clock on Sunday night with the death of Mrs. Ann Sydie, widow of the late John Sydie, Tottenham and Orangeville. The end came at the home of her son-in-law S. A. McCartney, Wellington St., following an illness of less than ten days duration. Possessed of an unusually strong and vigorous constitution, Mrs. Sydie retained much of her oldtime health and vitality almost to the last. Deceased, whose maiden name was Ann Martin, was born and spent her girlhood in Caradoc township, Middlesex County. The greater part of her life was spent in Tottenham, where her husband was a successful and highly respected business man. Over twenty-five years ago they retired and came to Orangeville, where Mr. Sydie died a couple of years later. She is survived by two sons, Messrs. H. A. Sydie, of Dundalk, and C. W. Sydie, of Chipman, Alta., and two daughters, Mrs. J. Semple, of Toronto, and Mrs. McCartney, of Orangeville. Deceased was a devoted mother and the memory of her splendid life will be tenderly cherished by the members of the family circle. She was a staunch and consistent member of the Methodist church and a true Christian woman in her everyday life and practice. The funeral was held from the home of Mr. and Mrs. McCartney to the Forest Lawn cemetery Tuesday afternoon, Rev. E. R. Young conducting the services at the house and grave. The pallbearers were her son, Mr. H. A. Sydie, two sons-in-law, Messrs. S. A. McCartney and A. D. McKitrick, and three grandsons, Dr. H. A. Semple, of Toronto, Ross McCartney and Murray McKitrick.

Barber on the evening of Thursday, Nov. 20th, at 8 o'clock. Mrs. Graham and Miss McIntosh, Brampton, will address the meeting and Mrs. A. C. Wilson, also of Brampton, will sing. Good local talent will assist with the programme.

CAMILLA

(Intended for last week.)

Mrs. Galbraith left this week for her home in Detroit after spending the summer with her daughter, Mrs. John Buchanan. She was accompanied to Toronto by Mrs. Buchanan.

Mr. and Miss Parker and Miss Eva Gallaugher, of Relessey, spent Sunday at the latter's home here.

Miss Clara Wilson and Miss Buchanan, of Primrose, spent the week-end with Mrs. Fred Thompson.

Miss Teresa Bench, of St. Catharines, is the guest of Mrs. Lemon.

The moving picture under Victory Loan auspices was well attended on Monday night.

Rev. Mr. McFaul, of Toronto, assisted Rev. Mr. Coutts at the service here Sunday afternoon, preaching a splendid sermon to a full church.

The Young People's Society held a most successful social last Friday night in the basement of the church. The meeting to be held next Friday night will be taken by Miss Katie Brett.

Miss Janet Moore has returned to her home after a pleasant visit with Corbetton friends.

GROSSKURTH-HOAR.

"Loland," the home of Mr. Sid. T. Hoar, Bowmanville, Ontario, was the scene of a pretty wedding on Saturday, Nov. 9th, when Olga Mary, the daughter of Mrs. T. R. Hoar, became the bride of Mr. Louis Elmer Grosskurth, of Amaranth, Ont. The ceremony was performed by Rev. W. T. Wickett, Tyrone. The bride was attired in a gown of white silk crepe de chine with bead trimming and carried a bouquet of bride's roses. Lohengrin's wedding march was played by Miss Effa Wight, Providence, cousin of the bride, and during the signing of the register, Miss Ella Wight, Toronto, sang sweetly "All Joy Be Thine." The house was prettily decorated with autumn leaves, smilax and chrysanthemums, the arch under which the bridal party stood being decorated with tinted Boston Ivy, leaves and 'mums. The groom's gift to the bride was a pendant of pearls and amethyst and to the pianist and soloist pearl pins. After the wedding dinner Mr. and Mrs. Grosskurth left for a short trip to Bradford, Walkerville and Detroit, the bride travelling in a tailored suit of nigger brown broadcloth with hat to match and mink furs. Upon their return they will reside at Amaranth. Guests from a distance were; Mr. and Mrs. G. Grosskurth, Misses Ida and Rowene Grosskurth, Rev. H. S. Cobb, Mr. and Mrs. T. A. Anderson, Miss Ella Wight, Toronto, and Mr. Harry Philip, Nestleton.—Bowmanville Statesman.

SMITH-POTTER.

"Elmview Farm," the home of Mr. and Mrs. Willis Potter, of Bowling Green, was the scene of a very pretty event on Wednesday afternoon, November 5th, when their youngest daughter, Elsie May, became the bride of Mr. Roy Smith, son of Mr. and Mrs. Walter Smith, The Maples. Rev. J. Truax conducted the marriage service, which took place at the hour of 2 o'clock in the presence of a number of the immediate friends. The bridal couple took their place beneath a beautiful arch of evergreens and white carnations. The bride, who was given away by her father, looked very winsome in her wedding gown of white satin with georgette and bead trimming. Her wedding veil of embroidered net was caught up with orange blossoms and she carried a beautiful bouquet of bridal roses. The only attendants were two little ribbon bearers, the bride's little niece, Kathleen Stewart, who looked very dainty in a dress of rose pink silk with georgette and bead trimming and carried pink and white carnations, and her little nephew, Norman Pratt, who was very becomingly dressed in a black velvet suit and carried a white lily in which was placed the wedding ring. Miss B. Rounding, of Toronto, presided at the piano and also sang "O Perfect Love" during the signing of the register. After receiving the congratulations of the assembled friends, the bride and groom led the way to the dining room, which was beautifully decorated for the occasion. Here a dainty wedding breakfast was served under the supervision of Miss Ingraham, of Orangeville. The groom's gift to the bride was a set of black fox furs, to the pianiste a ruby ring, to Miss Kathleen Stewart a gold locket and chain and to Master Norman Pratt a signet ring. The bride received a large number of beautiful and costly wedding presents, all going to show the high esteem in which the young couple are held by their friends. Mr. and Mrs. Smith left on the evening train for Toronto and Niagara Falls, the bride wearing a navy blue suit and black hat with ostrich trimming. On their return they will reside in East Garafraxa, a short distance from The Maples. The Banner joins their numerous friends in extending its hearty congratulations and good wishes.

SUNLIGHT IN THE NIGHT HOURS

EFFICIENT factory lighting is of greater importance now than ever before.

The high price of material and the pay of factory workers are such that spoilage and wasted effort must be reduced to a minimum.

Every factory manager knows that daylight is the best light to work by. But there are working hours in the day when artificial light is necessary, even in the most modern plant. An artificial light approximating daylight simplifies the problem of maintaining a high standard of production.

HYDRO Gas Filled Lamps flood your factory with an easy-to-work-by light. Furthermore, they are economical. HYDRO Gas Filled Lamps have greater brilliancy and long life. The Hydro-Electric Power Commission of Ontario recommends HYDRO Gas Filled Lamps for factory lighting.

We will gladly demonstrate their great brilliancy and low current consumption at the Hydro Shop. Call at your convenience.

CAPTAIN COOKE FEELS FINE, NOW.

Veteran Conductor Praises Tanlac For Overcoming His Troubles.

"A few bottles of Tanlac have made me me feel just like a new man," was the statement made by Capt. F. M. Cooke, residing at 144 East Winifred St., St. Paul, Minn., recently. Captain Cooke has been a conductor on the Great Northern Railroad for fifteen years, and is one of the most popular men in the service of the Company.

"For years," continued Captain Cooke, "I suffered from stomach trouble and had scarcely any appetite and what little I ate disagreed with me so that I would become terribly nauseated. Gas would form on my stomach and affect my heart so I coud hardly breathe. I had terrible headaches that would last for two or three weeks at a time and nearly drive me wild, and I would become so dizzy at times that I would have to grab hold of something to keep from falling. My nerves got in such bad shape I could sleep very little, and I would get up in the morning feeling dull and heavy and all run down.

"Nothing I tried seemed to do me any good, and I kept getting worse all the time. A few weeks ago some one suggested that I try Tanlac and I got a bottle and began taking it, and after taking two bottles I felt a great deal better. I have a fine appetite now, and what I eat agrees with me perfectly. Gas has quit forming in my stomach and I am not troubled with shortness of breath. I never have any more headaches or dizzy spells and can sleep fine, and get up in the morning feeling full of life and energy. I never felt better in my life, and feel at least ten years younger. I am very grateful for what this Tanlac has done for me."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

DEATH OF WM. GOZZARD.

Wm. Gozzard, a well-known and respected resident of Melancthon township, departed this life at his home at Glencairn, on Friday, Nov. 7th, at the advanced age of 80 years. The late Mr. Gozzard was born at Sherkston, on the shore of Lake Erie, in the year 1840. After living there until he was 14 years of age, he came with his parents and settled on the 4th line, Melancthon, on lot 18, the farm now owned by Wm. Higgins. He continued to reside in that neighborhood till within a year ago, when he and his wife went to reside at Glencairn. Deceased is survived by his widow and a grown-up family. The daughters are: Mrs. H. Clifford, Toronto; Miss M. Gozzard, Toronto, and Mrs. Isaac Lightheart, Hornings Mills. The sons are Messrs. Wm. J. Gozzard, Glencairn; Robert J. Gozzard, Moose Jaw, Sask., and Bert Gozzard, Shelburne. The remains were brought to the home of his daughter, Mrs. Isaac Lightheart, lot 21, townline Melancthon and Mulmur, and the funeral was held on Monday afternoon of this week to Hornings Mills cemetery.

Power Problem in England.

In its reconstruction thinking, the question of electric power development in Great Britain is engaging the minds of many experts, and it is probable that the government will take some part in the movement. It is proposed to utilize the great mineral resources of the country for production of electric power on a huge scale, and for the conservation and more economic use of the country's coal resources. The idea is to divide the country into large areas for power distribution.

EVERY MAN TO HIS TRADE

In Siberian Prison Camps Each Unfortunate Exile Followed His Vocation.

Far more popular than the church were the library and the school, a regular organized high school-college, where law, mathematics, chemistry, ten languages and many other subjects were taught. Again, this part of our work rose out of a very humble beginning. The first school was held, almost secretly, in an old washroom, and ambitious Russian guards confiscated logarithm tables and French dictionaries because they looked so suspicious. And the teacher of geometry, who made those peculiar drawings, was arrested and taken for a spy, who taught how to escape with a plan of the camp. The library was born when the first Y. M. C. A. secretary arrived and gave six or eight books which he found in his trunk to members of the head committee to read, Johan W. Prinz writes in Asia magazine. The sport committee was in charge of the socker field and tennis courts and in some camps there was even a gymnasium. A small bank was established for the convenience of those who wanted to borrow a few rubles on their official announcements from banks in Petrograd that money had been received from relatives in the central countries (by way of Sweden) and was on the way. Work shops were organized so that the tradesmen, the carpenter, the shoemaker, the barber, might turn to his trade and work for the benefit of his comrades. But the pride of the Y. M. C. A. was the American kitchen. This welfare kitchen was necessary because the Russians never gave the men enough to eat. Here they had a chance, once in a while, to get a hearty meal for a few kopeks; here a certain number of sick and poor could eat every day without cost. How many favorable comments have I heard upon those kitchens which really became a blessing to the prisoners!

ANOTHER VICTIM OF RHEUMATISM

Entirely Well After Six Weeks' Treatment With "FRUIT-A-TIVES"

MR. AMEDEE GARCEAU

32 Hickory St., Ottawa, Ont.

"I was for many years *a victim of that terrible disease, Rheumatism.* In 1913, I was laid up for four months with Rheumatism in the joints of the knees, hips and shoulders and was prevented from following my work, that of Electrician.

I tried many remedies and was under the care of a physician; but nothing did me any good. Then I began to take 'Fruit-a-tives' and in a week I was easier, and in six weeks I was so well I went to work again.

I look upon this fruit medicine, *'Fruit-a-tives', as simply marvellous in the cure of Rheumatism,* and strongly advise everyone suffering with Rheumatism to give 'Fruit-a-tives' a trial."

DEATH OF MRS. M'MILLAN.

Died, in Hillsburg, on Thursday, Nov. 6th, 1919, Margaret McKinnon, wife of C. J. McMillan, daughter of the late Neil McKinnon; born in February 1850; married to C. J. McMillan, on March 27th, 1871.

She leaves to mourn her loss her husband, four sons and one daughter, A. D., of St. Catharines, in the Oil business; Albert, of the Canada Carbide Co., Shawanigan Falls, Quebec; Frederick, junior partner of the firm of C. J. McMillan & Son, Hillsburg; Emerson, who is at present an officer with the Royal Engineers, Russia; and Margaret, the youngest, who is attending the University in Toronto; two brothers, Daniel, of Guelph; Alexander, Erin Township; and three sisters, Mrs. Samuel Young, Guelph; Mrs. J. W. Burt, Erin; and Mrs. Robert Reid, Erin Tp., besides a host of sorrowing relatives and friends.

The funeral which took place from the family residence on Saturday, Nov. 8th, to Huxley's Cemetery, was largely attended.

Sergt. C. F. Nutting has been officially appointed postmaster at Walkerton.

There is at present between five and seven feet of snow in the highlands of Beauce county, Quebec, and lumbering operations are in full swing.

The throat, breathing passages and lungs are the weak spots at which colds strike. And these are the very organs most difficult to treat, because only a breatheable remedy is capable of reaching the trouble lodged there.

Peps provide a breatheable remedy, and their superiority over remedies which are swallowed into the stomach is therefore obvious. For convenience, this breatheable remedy is condensed into tablet form. To take the treatment, merely dissolve Peps in your mouth, and the medicinal vapor that is released is carried by the breath to the remotest parts of the breathing passages and lungs, healing, soothing and strengthening every part with which it comes in contact. At the same time, by destroying all disease germs, these medicinal fumes prevent the development of colds, coughs and serious chest trouble.

Carry Peps with you, and when you go from an overheated building to the bitter cold of outdoors, put a pastille in your mouth. Also as a protection against germs, keep a Pep in your mouth, when breathing the impure air of a crowded theatre or store.

For colds, asthma, or chest troubles, which have already developed, Peps are equally invaluable; also for bronchitis, sore throat, laryngitis, etc. All dealers, 50c. box.

WHAT IS A CURE?

IS IT A TEMPORARY OR PERMANENT CONDITION?

Let us get down to brass tacks. Is there is any such thing as a cure? You may eradicate every trace of disease from your system and be restored to your former state of health—but you haven't attained a cure. Why? Because as long as disease germs are prevalent in the universe you may be afflicted again.

Take for example: a man has a terrible headache for days. It has driven him almost insane, sapping his energies and making him incapable of working. He tries doctors, takes prescriptions, and finally finds a preparation that makes him fit again. Immediately he says, "I'm cured."

Six months later his head begins to ache. What does he say, "Here's my old headache back again, that medicine was a fake"—or does he say, "Another attack! we'll soon knock that out!" and commences the use of the remedy that relieved him before.

This happens in many cases of Rheumatism, Lumbago, Neuritis, Neuralgia. That is why we say "Templeton's Rheumatic Capsules" remedy these diseases. They are 99% effective by actual record.

Ask your Druggist or write us for our new booklet; it is interesting and costs you nothing (Templetons, 142 King West, Toronto). We mail T.R.C.'s anywhere on receipt of $1.00.

NONOGENARIAN DEAD.

Andrew Murphy Was One of First Settlers in Tossorontio.

A long, active and useful career came to a close on Wednesday last when Andrew Murphy died at his residence on the second line of Tossorontio. Mr. Murphy was 93 years of age and bade fair to round out the century. An accident, however, befell him, and owing to his great age he was unable to recover. Hale and hearty with all his faculties preserved to a marked degree, and his mind as clear as that of a young man, Mr. Murphy was around as usual until three weeks before his death. On the night of the 9th of October he fell down cellar and broke a leg. It was apparent from the outset that recovery could not be expected, but the rapidity with which Mr. Murphy failed was a surprise to his friends. He was conscious up to a few hours before his death and conversed quite rationally with those about him. With the passing of Mr. Murphy the oldest settler and one of the very first to take up residence in Tossorontio has crossed the divide. Mr. Murphy was born in Londonderry, Ireland, in 1826, and came to Canada with his parents in 1831. The young son was but four years old, not having reached his fifth birthday, when his parents set out from Muddy York for Mono Mills and from Mono Mills they penetrated into the primeval forest in the direction of Rosemont, on reaching which the father took up land along a surveyor's rude line which afterwards became the second concession of Tossorontio. Here Andrew Murphy, small as he was, helped his father make a home and on this same farm Mr. Murphy spent nearly ninety years, never having lived in any other locality and never having become desirous of disposing of the farm he inherited from his father. Other old settlers have died recently and some of their experiences have been recounted, but none of these had seen the progress of civilization and passed through as many changes of custom and method as Mr. Murphy had to his credit. In his boyhood days there were no settlers at all in the northern part of Tossorontio and very few in the south-eastern part. Farming was crudely carried on, the forest being so dense and the settlers so few that a single man with possibly the help of one neighbor had to undertake the work of clearing his acres and cultivating them with hand tools or if he was an aristocrat of those days he had a yoke of oxen and some crude implements of domestic manufacture. There were absolutely no railways at all and the bush trail was too narrow for oxen to travel yoked together. Horses not being available the settler had to travel afoot and Mr. Murphy when he matured to manhood many times carried a bag of grist on his back down to Keenansville where a mill was located. Getting it ground there and securing some scanty necessaries he made the return journey afoot. When anything special was wanted it was necessary to walk down to Hog's Hollow which was a thriving settlement of those days located on Yonge street a few miles out of the town of Muddy York. Mr. Murphy lived to see railroads built and the country opened up from one end to the other. Long before the first settler put foot on the site of Alliston he was farming north of Rosemont and instead of having to walk to Toronto he lived to see the day when he could come into Alliston by automobile. He always enjoyed coming in with his son and calling to see his son-in-law, Mr. Jethro Swaffield. The evolution of harvesting machinery was as familiar to him as the light of day. He had used everything from the sickle to the self-binder fitted with sheaf carriers. Steam vessels had not yet crossed the Atlantic when he came over and the locomotive was but in its primitive stage in England. Public buildings, churches, theatres and homes were lighted by tallow candles and if a man bought a new suit of clothes oftener than once every five or six years he was arrantly extravagant. Most men wore home spuns made by the women folk at home. Manufacturing establishments did not exist in Mr. Murphy's early days. Tradesmen in the settlements made everything, but most men were able to turn a hand to almost anything and produce their own essentials from moccasins to furniture. Through all these vicissitudes Mr. Murphy developed in body and mind and when he commenced to farm he prospered. On July 10, 1855, he married Frances Little who predeceased him by two years. They lived to celebrate both their golden and diamond jubilees. In the community in which he lived Mr. Murphy always exerted a powerful influence. He was looked on as a man of progressive yet sound ideas and his judgment was regarded as unerring. Though his schooling was acquired in about three months he was possessed of an immense amount of information acquired by his own efforts thro' reading. Frequently sought as a candidate for municipal positions he would never consent to act, but was always active in securing men whom he thought capable of filling these positions. His political affiliations were Conservative having been led to think along Conservative lines in the days when the absence of the National Policy was responsible for a sadly depressed community in Upper Canada. His religious tenets were those of the Anglican church, imbibed from the teaching of the clergyman before he left Ireland, fostered by his parents, and retained inviolate by him throughout his long life. Mr. Murphy is survived by a family of five sons and three daughters. They are Rev. Arthur Murphy, of Edmonton; Rev. R. J. Murphy, of Wardsville, Ont., J. F. Murphy, of Star City, Sask., W. E. Murphy, of Tossorontio, A. R. Murphy, on the homestead. Mrs. W. J. Armstrong, Mono, Mrs. Charles McMillan, of Erin, and Mrs. T. J. Gilmore, of Tossorontio. A son died in infancy and a fourth daughter died a few years ago, but for the long period of fifty-four years there was not a break in the Murphy family. The funeral was held on Sunday last, the body being taken to the church, St. Luke's, which Mr. Murphy had known all his life. Rev. G. L. Gray, conducted the funeral service. In his sermon Mr. Gray laid emphasis on the influence for good which Mr. Murphy had always fearlessly exerted throughout his long life. The remains adjoining the church.—Alliston Herald.

Rev. Wm. Blankley, a McMaster student, has accepted a call to the Baptist Church, St. Mary's.

X-RAY FAILED

Mechanic Gives Evidence

There are cases where science in its most profound phases is absolutely balked, yet other help is at hand.

This is proved by the testimony of a mechanic, 35 years of age, who suffered, at times, positive torture from stone in the bladder. After trying many remedies without result, he had an X-Ray photograph taken, which also failed to show where the trouble was. Fortunately, just at this juncture, when he almost had given up hope of any relief, Gin Pills were brought to his notice. These famous Pills in a very short time enabled him to pass the stone which was the cause of his trouble. We will give the name of this man on request.

Kidney and Bladder troubles should not be neglected. The first symptoms should be sufficient warning. Pain in the sides or back, constant headaches, neuralgic and sciatic pains, rheumatism, dizziness, constipation, gravel, highly-colored urine, specks before the eyes, all point to derangement. Gin Pills should be obtained without delay. Druggists and dealers carry them—50c —your money refunded if not satisfied. Free sample on request.

Have You Discovered

the importance of asking for sugar by brand name? Do you realize that to have a sugar which will give unfailing satisfaction in preserving, in baking, and for all sweetening purposes, you should ask for—and insist on getting Dominion Crystal Sugar.

Women who use this brand have found it to be all that a sugar *should* be—pure, sparkling, finely granulated. And it is with satisfaction they realize that this finest of sugar is "Canadian from the ground up." A large part of the output of our three modern refineries, is obtained from raw cane sugar —but our pride is in that increasing proportion of our output which is made from Canadian sugar beets.

Try a 20-Pound Bag

Most grocers have Dominion Crystal Sugar in 20-pound bags as well as in barrels. They take pride in selling this superior Canadian product. Ask your grocer for it.

With Three-Point Suspension Springs New Overland 4 Seems to "Sail Over the Roads"

THE new Three-Point Suspension Springs of Overland 4 permit the wheels to go up and down but protect car and passengers from ordinary road jolts.

Bumping, twisting, swaying and vibrating are wonderfully lessened.

The springs of Overland 4, attached at the ends of a 130-inch Springbase, give the riding comfort and road steadiness heretofore possible only with cars of long wheelbase and great weight, yet Overland 4 retains the light weight and economy advantages of 100-inch wheelbase.

Three-Point Suspension Springs protect the car from the hammering and wear of road blows. They lengthen its life and reduce upkeep costs.

Equipment of Overland 4 is dependable and complete from Auto-Lite Starting and Lighting to Demountable Rims.

250,000 miles of test have made the strength and endurance of this car a matter of record.

See Overland 4 at the first opportunity. Ask for Booklet. Overland 4 Touring, $1195; Roadster, $1195; Coupe, $1845; Sedan, $1995. Prices f. o. b. Toronto, War Tax included.

THE METHODIST CHURCH.

Last Sunday, the Rev. A. Phillip Brace, B.D., of Toronto, one of the organizers of the Methodist National Campaign of Toronto Conference, paid a surprise visit to Orangeville. His bright and inspiring addresses were greatly appreciated by the congregations present. Mr. Brace spoke of the enthusiasm with which the movement is taking hold of the people generally and was glad that the people of Orangeville were getting into line. This was a day of unprecedented opportunity and it was for us to take full advantage of the same.

Rev. E. R. Young will preach (D. V.) next Sunday. His subjects will be: In the morning: "What is the Good of Being Good and Doing Good?" In the evening: "What is the Meaning of this New Crusade?"

At the Epworth League last Monday night, Mr. Graham Kearns was chairman. Mr. Will Porter gave a special paper on "The Other Wise Man." The young men brightened the evening with vocal and instrumental duets.

The Epworth League Missionary Anniversary will be held on Dec. 8. The Rev. J. M. Would, B.A., a Missionary from China on furlough, is expected. Keep the date open and look for an inspiring meeting.

The next Thursday evening Reception will be on Nov. 27th.

Those who can secure tickets should attend the great Inter-Church Convention in Toronto next Monday and Tuesday. Anyway everybody who loves his Master and his fellow citizens should boost the Inter-Church Meetings to be held in this town.

The operations were performed by Dr. Howitt, of Guelph, and Dr. Macleod, Orangeville.

BURNED TO DEATH.

Sad Occurrence in Adjala last Thursday Night.

David Tortington, a farmer aged 50 years, residing on lot 8, con. 2, Adjala, was burned to death in his home about midnight last Thursday. The other inmates of the house, Hugh Tortington, a brother of the unfortunate man, Mrs. Geo. Bagnell, who kept house for the two brothers, and Claude Tortington, a son of Hugh Tortington, had the good fortune to escape from the burning house.

Hugh Tortington was the last one of the household to retire for the night. He went to bed about ten o'clock leaving everything in good shape and very little fire in the kitchen stove. A couple of hours later he awakened in his room upstairs to find the house filled with smoke. When he attempted to go downstairs to investigate he found the kitchen a mass of flames and was forced to beat a hasty retreat. He quickly awakened his son and brother and then made a second attempt to descend the stairs, but finding this impossible the father and son made their escape through an upstairs window expecting that David would follow them. Mrs. Bagnell slept in a downstairs room and they assisted her to get out of the house through a downstairs window and then made the startling discovery that David was not to be found. When the fire had died out sufficiently to permit the neighbors to explore the ruins the charred remains of the unfortunate victim were discovered in the cellar near the foot of the stairway. He had evidently partly dressed and then attempted to escape by the stairway, but was overcome by the heat and smoke. His watch was recovered and had stopped at ten minutes after midnight.

The heartrending occurrence caused widespread gloom and consternation in the Connor neighborhood, where the family has resided for many years. Deceased was unmarried and was a very quiet, inoffensive man. There was a very large attendance at the funeral, which was held from the home of Mr. Wm. Lee, on the adjoining farm, to St. John's church cemetery, 7th line, Mono, on Saturday afternoon. Rev. A. C. McCollum conducted the services at the house and grave.

It is thought that the fire must have been started by a spark from the kitchen stove. The house was burned to the ground.

PERSONALS.

Miss Cassie McFadden, who has been ill with tonsilitis, is well again.

Mr. and Mrs. G. A. Grosskurth, of Amaranth Station, moved to Toronto recently.

Miss Muriel Elliott, who is going to College here, spent the week end with Miss Emily McCutcheon, of Releasey.

HOLMES-GALBRAITH.

A quiet and pretty wedding took place at the home of Mr. and Mrs. George Holmes, East Broadway, at 8.30 o'clock on Wednesday morning, Nov. 12th, when their youngest daughter, Fannie Irene, became the bride of Mr. A. H. Galbraith, of Shelburne, son of Mr. A. V. Galbraith, of that town. The marriage ceremony was performed by Rev. A. C. McCallum, of Mono Mills. The happy couple left shortly afterwards by motor on a honeymoon trip to Toronto and Hamilton. On their return they will reside in Shelburne. The Banner joins in extending its hearty congratulations.

ADMIRAL EARL BEATTY:—"If half the zeal and passion, half the outpouring of life and treasure, of organization and efficiency, that the State has put into this war could be thrown into the cause of the Kingdom and the eternal verities, the world would soon be won."

BARON BYNG OF VIMY, Former Commander of the Canadian Corps:—"What is concerning me, is the task before the Church of God. That is what is concerning me. I trust that you will go back to your country and go to your own people, and, in every way that you can, urge upon them that in the days, the terrible days ahead of us, the days after the war, the Church shall fail not."

THE ARCHBISHOP OF CANTERBURY:—"We ought to be able to make more of the real oneness, which, thank God, is already ours, the oneness, both in faith and potential action, of all who can and do kneel to Christ as their living Lord."

LOCAL MARKETS ARE ESSENTIAL

EQUAL RESPONSIBILITY FOR THEIR SUPPORT RESTS UPON THE FARMERS AND MERCHANTS.

MUST ASSIST EACH OTHER

PROSPERITY OF COMMUNITY DEPENDS UPON EACH OF THESE TWO CLASSES BUYING PRODUCTS AND GOODS OF EACH OTHER.

(Copyright, 1917, Western Newspaper Union.)

The first essential in the development of any business is the possession of a market. The manufacturer must have a market for his products or he cannot succeed, no matter how valuable those products may be or how efficiently his plant may be operated. The wholesale merchant and the retail merchant may have the choicest stocks of goods, but they may as well go out of business if they have not a market where they can dispose of their stocks. The farmer may produce bumper crops, but they will rot upon the ground if he cannot find a market for them. The wage earner's skill and muscle bring him no returns unless there is a market for his labor.

The question of markets is the big one in every line of business and in every community the question is a vital one. In each community, which must be taken to include not only all the people who live in the town but the farmers who live in the surrounding country as well, there are two sides to the market question. The business men of the town must have a market for the things which they have to sell. Otherwise they cannot continue in business. At the same time the farmers must have a market for the things which they raise or they may as well go out of business.

WHEN EITHER FALLS BOTH SUFFER.

The merchants of the town can provide a market for the products of the farmers and the farmers can provide a market for the goods which the merchants have to sell. As long as each class of citizens provides a market for the other class all is well and the goose hangs high, but when either class fails to provide a market for the other the goose is cooked, not only for the class which is deprived of the market but for the other as well.

The farmer has a right to expect the town which is his natural trading point to provide a market for his products, and the town is not performing its proper function as the trading center of its community if it does not see that such a market is provided. The responsibility of looking after the fulfilment of this obligation rests largely upon the merchants of the town. The farmer is a producer and he must dispose of his products before he can become a consumer. It is, therefore, not only right but necessary from a business standpoint that the merchants should aid the farmer in turning his products into money. Otherwise the farmer naturally will have no money to spend in the stores of the town.

OBLIGATION ON FARMERS.

On the other hand, the merchants of the town have a right to expect the farmers to provide a market for the merchandise which they have to sell, and the farmers are not doing their duty to their community if they do not provide such a market. In this case, also, it is not only right but it is necessary to the prosperity of the farmers that they should aid the merchants in turning their merchandise into cash. Othewise it is obvious that the merchants will have no money with which to buy the products of the farmers.

This is a double-barreled proposition and the obligation rests equally upon both the merchants and the farmers to maintain the markets which are essential to both classes of citizens. Any town which would import from points hundreds of miles distant the farm products which it could buy at home would be pursuing a very short-sighted policy, for it would be making it impossible for the farmers in its territory to buy the goods of its merchants. As a matter of fact no town does this unless it is forced by unusual conditions to do so. A town may be located in a community which is not productive enough to meet the local demands, and in that case it is forced to import farm products but the town which is compelled to do this is at a disadvantage from a commercial standpoint unless it is essentially a manufacturing town, in which case its products are sold to other communities and bring in enough cash to offset that which is sent away to purchase farm products.

MUST HAVE OUTSIDE BUSINESS.

In the average community, however, the town is dependent for its prosperity upon the money received from the farmers in the ordinary channels of trade, rather than upon that obtained from the sale of its own products. In the average town the merchants cannot make money and continue in business if they are dependent solely upon the people of the town for their business.

No business can last long with "everything going out and nothing coming in," and it is equally true that no business can be operated on the principle of "everything coming in and nothing going out." To maintain the balance which is necessary to the maintenance of prosperity in a community there must be an even trade between the business men of the town.

PRESENTATION.

On Tuesday evening last, the citizens of the Village and Township assembled at the Town Hall, to make a presentation and say farewell to Mr. and Mrs. J. J. Carroll, Miss Laura and Mr. Dalton Carroll, on the eve of their departure for Toronto, where they have purchased property and will in future make their home. The family have resided here for some time and made many friends, Mr. Carroll having served as Reeve and Councillor at different periods. Dr. Abbott was called upon to read the address, which was suitable to the occasion and Messrs. J. T. Austin and R. Fines and Mrs. R. Fines and Miss Austin made the presentation, to each, in cash. Messrs. J. J. and Dalton Carroll made very suitable replies, followed by numerous speeches, interspersed by selections on the bagpipes by Mr. Donaldson, Mr. Carroll's nephew, and violin and piano selections by various talented artists; then came the real amusement, when the hall was cleared and the dance began which carried on till the wee sma' hours.

TORTURING, ITCHING ECZEMA.

Mrs. J. B. Horth, Paspedias, Bonaventure Co., Que. writes:—"Thanks to Dr. Chase's Ointment I have been completely cured of that horrid disease, eczema. I was held as if in prison from going among other people, for I was ashamed of the raw, flaming sores. Doctors could do nothing for me, and I was almost desperate with suffering when I began to use Dr. Chase's Ointment. In one month I was completely cured and think that this was little short of a miracle.

ST. JOHN MAN HAS GAINED 28 POUNDS.

H. F. Rollings Is Surprised By Rapid Improvement—Troubles End.

"The best proof I can give that Tanlac is the right thing for me is the way it is building me up," said H. F. Rollings, of 62 Flower Hill, St. Johns, Newfoundland, recently. Mr. Rollings has been employed as carpenter by Reed's Newfoundland Railway Company for ten years.

"At the time I began taking Tanlac," he continued, "I only weighed one hundred and twenty-two pounds, but now I weigh one hundred and fifty pounds—have actually gained twenty-eight pounds—and am picking up, both in weight and strength.

"I had been in the worst kind of a fix for some time and could get nothing to do me much good, if any. My appetite went back on me and my stomach was in such a bad fix that I could not eat meats or any of the more substantial foods at all. I had severe headaches and was so run down and weak that I couldn't do justice to my work. I would get so weak, faint and dizzy that I was actually afraid to mount the scaffold. I was very nervous and nearly all my strength just seemed to be gone. One day while crossing the railroad track I felt one of those dizzy spells coming on me. I managed to call for help, but I fainted away, and the next thing I knew I was home. I could never get a good night's sleep and that tired, worn out feeling was with me all the time.

"My improvement since I began using Tanlac has certainly surprised me. My appetite returned after the first few doses and by the time my first bottle was gone I could eat and digest anything. Then I commenced to pick up my lost weight and strength and get rid of that tired, worn out feeling. The headaches, dizziness and nervousness have all left me and I sleep so soundly that I have to be woke up in the mornings. My appetite is so big that I can hardly get enough to eat and I never have the least trouble with my stomach any more, and when it comes to work I can keep up my end with the best of them. I am convinced that Tanlac will help anyone who tries it and I am glad to make this statement for what it may be worth to others."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

Postmaster Plewes of Markdale, has been seriously ill for a couple of weeks. He is now in the hospital in Owen Sound where he underwent an operation.

Mr. Albert Hubbard, who has been with Mr. Robert Kirkwood, of Erin, for the past six years, has gone on an extended trip to England, where he will visit his mother.

Mr. Peter Hodgson, a well known resident of Sarawak, was the victim of a most distressing accident when a colt which he was leading ran away and dragged him over the stony field, causing him instant death.

The funeral took place in Guelph of Pte. Thos. Sutherland, a full-blooded Cree Indian, born at Moose Factory, James Bay, who in the winter of 1916 tramped on snow shoes from Moose Factory to Cochrane to enlist.

The family of the late Lieut.-Col. John McCrae, author of the immortal "In Flanders' Fields," has placed a memorial tablet in the Collegiate Institute at Guelph. The ceremony of unveiling was a public one and took place one afternoon recently.

Edward McCann, of Omagh, got a yield of 63 bus., 10 lbs. of alsike clover seed off 8 acres, which he sold without cleaning, from Russell Johnson's machine, at $27 a bushel. He received a cheque from J. C. Bell, of Milton, amounting to over $1,700.

TIRED AND DISCOURAGED

Mrs. Warren Randles, Rothesay, Kings County, N. B., writes: "I have three small children and had to stay in the house all winter. So when the spring came I was all run down doing all my work and looking after the children. Felt all tired out, and looked on the gloomy side all the time. I decided to try Dr. Chase's Nerve Food and the results were most satisfactory. I feel fine now, and am recommending it."

Wiarton Town Council has about come to the conclusion that the best is the cheapest in the end, and will lay three blocks of permanent pavement on Berford street. The work will be done on the local improvement plan, the property-owners paying 75 per cent. of the cost.

At Eganville an airplane which was being used to distribute Victory Loan literature throughout Renfrew County dashed to the ground, instantly killing Lieut. H. C. Dobbin, pilot, of Ottawa, and Jas. F. Munro, a prominent business man of Pembroke, who was a passenger on the flight.

Mr. Wm. McElvaney, a well-known resident of the Lockton district of Albion, died suddenly a week ago Monday. Mr. McElvaney was employed by Mr. Joseph Horan and was on his way to the field with his team and had stopped to open a gate when he suddenly collapsed. His body was found sometime later close to the horses' heels.

Robt. Menzies has sold his farm on the 4th line, Osprey, to W. Ring, a neighbor. J. McRobb has sold his 116-acre farm just west of Dundalk to Wm. Hodgkinson, of Bethel, for $7000. Wm. Hendry of the Gravel Road, Melancthon, has purchased the 200-acre farm of his brother, R. J. Hendry, on the 12th con., Proton, to get possession a year from next spring.

ORANGEVILLE PRESBYTERY

The Presbytery of Orangeville met in St. Andrew's church on Tuesday afternoon of last week, when a large docket was disposed of. The session of Knox Church, Caledon, has generously acceded to the request of the Presbytery to allow Mr. Burkholder to devote the whole of his time to Forward Movement work for six weeks or more if necessary. Mr. Burkholder will visit as many of the congregations as possible during this time to interest them in this great cause and organize them for more effective service. Dr. Spence, interim Moderator of the Caledon East vacancy, presented a Call from this charge in favor of Rev. E. H. Lockhart of Hillsdale, in the Presbytery of Barrie. Representatives from the congregation were present, testifying to the unanimity of the Call. The stipend promised is $1500 per annum with manse and glebe and three weeks holidays. The Call was sustained and the following provisional arrangements made for the Induction:—Induction to be in Caledon East church, the date to be decided later; Dr. Spence to preside, Mr. Dodds, of Cheltenham, to preach, Mr. Matheson, of Mono Mills, to address the minister, and Mr. Milne, of Everett, to address the people. The congratulations of the Presbytery were extended to this field on its liberality in coming up to the new minimum. There are only sixty families in the congregation. Presbytery was also glad to hear that Keldon and Levendale, its smallest charge, have increased their givings for self support from $850 to $1100. The Presbytery's share of the Budget for 1920 is $13,000. This amount has been allocated to the various congregations.

The county of Wentworth was one of the first counties in Ontario to establish a county road system, and it has at present under its control about 200 miles of highways. At one period in the history of this county 75 per cent of the roads were privately owned. But in 1902 all these toll roads were absorbed by the county from the private concerns for $98,000. This year $90,000 was appropriated for the improvement of roads in this locality. Actual construction of new roads has not been undertaken to any great extent this season, but the greater part of the expenditure has been devoted to the upkeep and repair of the existing roadbed.

Mr. Wm. Patterson has sold his fine 150-acre farm on the 2nd of West Luther to Mr. E. E. Sykes, of Gadsby, Alberta, who will take possession in the spring.

Guelph city invested $15,000 in Victory bonds the last payment of its patriotic fund grant, which was not paid over. The city altogether has $30,000 in Victory bonds.

"The New Fairbanks-Morse Type Z Engine"
YOU simply cannot get more engine value per dollar than you get when you buy either of these engines. They are oil engines built to use kerosene and other cheaper fuel as well as gasoline.
Here's where you get your economy—these engines use kerosene so successfully that you get the same power from a gallon of kerosene as from a gallon of gasoline—and you save the a difference in cost!
POWER? All you want and more. These Type 'Z' engines are built to serve.
Every distinctive feature of these wonderful engines does its part to develop maximum power from least fuel. Results are the test we ask. They are the most practical, money-saving and all-round satisfactory engines that your money can buy. Adopted for General farm work such as Grinding, Ensilage Cutting, Wood Sawing, pumping electric lighting etc.

Everybody welcome.

A GOLDEN WEDDING.

A very joyful and happy function was held at "Maple Heights" Farm, Mono Mills, on Monday, November 10th, the occasion being the celebration of the golden wedding of Mr. and Mrs. Wm. Jackson, sr., who were married fifty years ago Sunday, November 9th. Some fifty-two invited guests consisting of relatives and friends of the bride and groom were present in the afternoon and sat down with them to partake of a very sumptuous wedding luncheon, which was very daintily served. The tables were beautifully decorated with yellow chrysanthemums and were lit up by candles placed in brass candlesticks. The wedding cake, which was made by the bride, was decorated with golden leaves and almonds. Rev. A. C. McCollum acted as toastmaster and Rev. A. Laycock very ably proposed the toast to the King and Empire, which was suitably responded to by Mr. G. Holdsworth. The Rev. C. W. Holdsworth very heartily proposed the toast to the bride and groom, which was responded to on their behalf by Rev. J. A. Matheson. The company was particularly fortunate in having with them Mr. Miller Hamilton, of Tottenham, the groomsman of fifty years ago. In reply to a toast to himself Mr. Hamilton gave some very interesting and amusing reminiscences of the wedding as he remembered it. Mr. and Mrs. Jackson were the recipients of a large number of beautiful gifts in token of the congratulations and hearty good wishes of their numerous friends.

Among those present in the afternoon were Mr. Miller Hamilton, of Tottenham, the groomsman, and Mrs. Hamilton; Mrs. Drummond, of Adjala, the groom's sister; Mr. Alex. Jackson, the groom's brother, and Mrs. Jackson; of the relatives of the bride, Mr. and Mrs. W. J. Mills, Mr. and Mrs. Stephen Mills, Miss Mills, Mr. R. J. Mills and Mr. Albert Mills, all of Orangeville, and Mr. and Mrs. Alfred Mills, of Mono Mills; of the children of the bride and groom, Mr. and Mrs. G. Holdsworth, of Cobourg, Rev. C. W. and Mrs. Holdsworth and family, of Islington, Mr. and Mrs. Selwyn Jackson and family, of Moosomin, Sask., Mr. and Mrs. Geo. Jackson and family, of CaledonEast Mr. and Mrs. Wm. Jackson jr., Mr. Ernest Jackson and Mr. Reginald Jackson. Other guests present were Mr. and Mrs. Wm. Faulkner, of Inglewood, Rev. J. A. and Mrs. Matheson, Rev. A. and Mrs. Laycock, and their son, Rev. A. C. and Mrs. McCollum and Mrs. M. M. McCollum, all of Mono Mills.

In the evening the neighbors and friends of Mr. and Mrs. Jackson to the number of seventy gathered at "Maple Heights" to wish them heartiest congratulations and that they might be spared to see yet many more years of happy wedded life.

WELL SATISFIED WITH BABY'S OWN TABLETS.

Mrs. Emile Malette, Montpelier, Que., writes:—"I have used Baby's Own Tablets for some time and am well satisfied with them. They are surely the best medicine I know of for little ones." What Mrs. Malette says thousands of other mothers say. Once they have used the Tablets for their children they would use nothing else. The Tablets are a mild but thorough laxative; are absolutely free from opiates, narcotics or other harmful drugs and may be given to the youngest baby with perfect safety and good results. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

COUNTY COUNCIL NOTES.

The Council declined to take any action on the claim preferred by Roy Smith for damages to his buggy thro' his horse taking fright at a defective culvert on the 5th line, Amaranth. The claim of Hugh Robinson for damages caused by his horse going over the bank of the Grand River in East Luther was referred to the County Solicitor for advice on the question of liability.

Messrs. E. H. Glenn, of Grand Valley, and R. E. Mortimer, of Honeywood, were appointed County Auditors. They will each receive $30 for their services.

After hearing Rev. W. M. Morris, Mr. R. A. Riky and Mr. W. A. Wansbrough on the matter, the Council decided to pay $15 per pupil for all pupils who attend any of the High or Continuation Schools of the County for four months of the year. This will be paid in addition to the equivalent to the Government grant. The amount heretofore paid has been $10 per pupil.

A request from the Matron of the Gaol for an increase of salary was left over until the January sitting of the Council.

The Council instructed the Clerk to send a memorial to other Counties asking them to join in petitioning the Legislature to increase the Government grant for County roads to 50 per cent for both construction and maintenance and the grant to Provincial roads to 70 per cent.

Council declined to make a grant to the Navy League on the ground that the League had already made a canvass of parts of the county.

Warden Hilborn was granted the usual honorarium of $100 for his services during the year. Mr. Hilborn was also tendered the hearty thanks of the Council for the courtesy and efficiency he has exhibited in the discharge of his official duties.

The Clerk was instructed to write the Clerks of the different municipalities in the County asking them to bring before their respective Councils the question of erecting a memorial or memorials to the Dufferin County soldiers who served and gave their lives in the recent war. The matter will then be discussed at the January meeting of the County Council.

Reeve Jeffers, of Orangeville, occupied the chair while the motion thanking the Warden for his services was before the Council.

The Legislation Committee reported in favor of the plan to have a union County Gaol for the counties of Dufferin, Peel and Halton. On the recommendation of the Committee Warden Hilborn, Reeve Jeffers and Reeve Hepton were appointed a Committee to endeavor to come to a working arrangement whereby the Dufferin county gaol would be used as a gaol for the three counties. If this arrangement is carried into effect Dufferin will agree to contribute to the Maintenance of the Peel and Halton County House of Refuge at Brampton, which would then serve as a Home for the indigent poor of this county.

The Property Committee recommended that the Council accept the tenders of Thos. Wright & Son and F. T. Hill & Co. for gaol supplies.

The Council decided to purchase four steel document cases including one special case for the Registry Office at a cost of $796.25. The County will also buy three office chairs at a cost of $63 and recommended that the incoming Council take steps to have a proper wooden floor laid in the building. The present stone floor is considered too wet and cold.

The allowance to cover Inspector W. R. Liddy's travelling expenses was increased from $400 to $550 a year, the increase to take effect from Jan. 1st, 1920.

The Committee on Roads and Bridges reported the construction of 3 24-ft. span concrete bridges on boundary lines. The cost figures are:—Bridge opp. con. 13, East and West Luther, concrete, $1185.50, reinforcing steel, $206.63, engineering, $70. Inspector, $38., John Holborn, drawing steel, $20.00, approaches let to M Manion for bulk sum of $400.00; bridge opp. lot 19, Amaranth and East Luther, concrete, $1272.00, reinforcing steel, $209.81, engineering, $70.00, Inspector, $40.00, approaches being built by day labor; bridge opp. lot 24, Amaranth and Mono, concrete, $1272.00, reinforcing steel, $206.69, engineering, $70.00, Inspector, $36.00, approaches let to James Billings for $100.00. The County of Wellington will of course bear half the cost of the bridge on the East and West Luther townline.

The Committee reported that the 160 ft. span bridge over the Grand River at Grand Valley has been opened for traffic. The finishing coat of the bridge and the filling have not been completed. The total amount paid to the contractor so far is $15,523.41. The approaches are being built by day labor.

A by-law was passed assuming certain additional roads as County Roads. Among the roads taken over are, the Hockley Road from the 4th line to the east townline, the Mono-Adjala townline from the Hockley Road north to the deviation between lots 15 and 16, Adjala, the Mono-Albion townline about one mile in length, the 14th line in East Garafraxa and 20 Sideroad, Amaranth, from the 5th line to the Amaranth-East Luther townline.

HIGH MAN.

Former Orangeville Boy Scores in Victory Loan Drive.

On the "Always Win" army, hearty congratulations are being extended to Captain George M. Endacott, who led his side as well as the Reds in point of amount collected by his team, which has $1,033,950 to its credit. Captain W. F. Penwell was the leading captain on the "Never Lose" team, his total being $855,050. —Vancouver Daily Province.

THE OVERLAND 4.

A car that is attracting much favorable attention just now is the new, made-in-Canada Overland 4. It is being manufactured at Toronto by Willys-Overland Limited, who announce that production on a quantity basis has now been reached.

The chassis is illustrated along with the finished touring car model because of its radical departure in spring suspension. It will be seen from the drawing that the "springbase" exceeds the wheelbase by 30 inches. This exclusive "three-point" principle is the basis of the manufacturers' claim that the springs of Overland 4 give it a riding comfort hitherto not realized in a light car of the economical short wheelbase.

Willys-Overland Limited claim that this new Spring Suspension has been subjected to the most rigorous, mechanical, laboratory, and road tests that engineers have ever devised, including 250,000 miles of road testing. The hill-climbing scene above was taken in Hell Canyon, near Albuquerque, New Mexico.

FAMOUS SINGERS COMING.

In reporting the appearance of Fred Peters, A. R. M. C. M., the famous English tenor, and Miss Richardson, L. T. C. M., operatic soprano, at a recent concert in St. Catharines, the Toronto Globe states that at a big concert in St. Catharines Mr. Peters showed his ability as a singer when he sang that famous song "My Dreams" by Tosti; also Miss Richardson in her great hit "Smiles of Spring." Both were cheered to the uttermost.

During the war Mr. Peters raised over $2,000 for the soldiers in England. He also served in the British army until wounded.

MRS. J. F. SWITZER.

Another old and very much respected citizen passed away last week in the person of Mrs. Switzer, widow of the late J. Fletcher Switzer, whose death took place at the home of her daughter, Mrs. W. J. Gordon, Margaret St. on Friday last. Deceased, whose maiden name was Mary Elizabeth Kenney, was born in Trafalgar township a short distance from Oakville 74 years ago. After her marriage to Mr. Switzer she lived on the Switzer homestead in Toronto township until her husband retired from farming and went to live in Streetsville. Eighteen years ago Mr. and Mrs. Switzer moved from Streetsville to Orangeville, where the husband died some eight years ago. Since then his widow has resided with her daughter. Deceased was a consistent member of the Methodist church and a woman of fine Christian character. She had made many warm friends in Orangeville since coming here and by these her demise will be keenly regretted. The funeral was held from her late residence at 11 a.m. on Sunday by motor to Eden cemetery near Meadowvale, where the interment took place at 2.30 in the afternoon. Rev. E. R. Young, the family pastor, conducted a short service at the house here and Rev. E. A. Lunan, pastor of the Streetsville circuit, officiated at the grave. The pallbearers here were Messrs. Elmer Still, Wm. McConnell, Thos. Arnott, M. Varcoe, Geo. Beswick and M. McPherson. Mrs. Gordon and Mr. S. Kenney, of Hamilton, are the only surviving members of the family. The sympathy of the Orangeville friends of the family is extended to the daughter and other relatives.

THOMAS TILT.

Orangeville friends of Mr. Thomas Tilt, who has visited his son, Mr. W. T. Tilt of this town on a number of occasions, were very sorry to learn of the demise of the old gentleman on Wednesday, Nov. 12th. The end came at his home, 54 Albany Ave., Toronto. Deceased, who was in his 80th year, had resided nearly the whole of his life in Goderich, where he conducted the British Exchange hotel for a number of years. He took a lively interest in municipal and other public affairs and was at one time Mayor of the town. The remains were interred in Maitland cemetery, Goderich. Deceased is survived by a widow and a family of five sons and two daughters. The latter are Wm. T., of Orangeville, Bert, of Chicago, Ill., Ed., of Madrid, Spain, Harvey, Joe and Mrs. Littlejohn, of Detroit, and Mrs. L. A. Maxwell, of Calgary, Alta.

CHILDREN'S AID.

The annual meeting of the Dufferin County Children's Aid Society will be held in the Library Auditorium on Thursday, November 27th, at 8.30 p.m. All citizens are cordially invited to attend.

IN MEMORIAM.

In kind and loving memory of our beloved Emily (Mrs. Jenkins) who passed away in Lord Dufferin Hospital on November 26th, 1918:—

She has entered Life Eternal,
We shall see here here no more;
One by one we'll join her number,
When our pilgrimage is o'er.

Mother, Sister and Brother.

Mossop—In loving memory of our darling Mary, who departed to be with Jesus, November 23rd, 1918:—

Oh, darling Mary, how we miss you
Only God can tell.
But we know that you are happy,
In your heavenly home to dwell.

Oh, the days are long and lonely,
And it's such a weary wait,
But you will be there to meet us,
Standing at the golden gate.

Sadly missed by Father, Mother, Sisters and Brothers.

In loving memory of Emily Isabel Jenkins, beloved wife of Munson Jenkins, who departed this life on Nov. 26th, 1918, from dreadful pain and sickness:—

The midnight stars are gleaming
On a lone and silent grave;
Beneath sleeps one we love,
But one we could not save.

Her weary hours and weeks of pain
Her troubled nights are past.
Her ever patient, worn-out frame
Has found rest at last.

Her cheery ways, her smiling face,
Are a pleasure to recall;
She had a kindly word for each
And died beloved by all.

Sorrowfully and sadly missed by husband and three darling children—Isabell, Beatrice and Gladys.

Lines written in loving memory of John Haddock, of Relessey, who departed this life, May 30th, 1919:—

But ere the evening had appeared,
The white winged angel came,
And touched that frail and gentle form,
And bore him safely home.

A kind wife he left behind,
Who the sting of sorrow felt;
And the love of him who was so dear,
From her heart shall never melt.

But still we miss our loving father,
We see his empty chair.
We sadly miss him from our home,
We miss him everywhere.

Ten children he has left behind,
And one had gone before
To welcome our dear father home
To heaven where she has gone.

'Twas hard we know to leave behind,
His wife and children dear;
But when his Master called him home,
He could not linger here.

Sunlight does it

MRS. WALTER CHRISTIAN

It is with deep regret that we record the death of Mrs. Walter Christian, which took place at her late home on Amanda St., on Wednesday of last week after a long and very trying illness. Deceased had been in delicate health for several years and became seriously ill about a year ago with neuritis and pernicious anaemia. About six months ago her husband disposed of his property at Camilla and came to Orangeville in the hope that rest and a change of scene would result in her restoration to better health. Unfortunately the hope was not realized. Mrs. Christian, who was 52 years and 2 months of age, was a daughter of Mr. Thos. French, of Amaranth, where she was born and spent the early part of her life. She was a warm-hearted, kindly woman, a devoted wife and a good neighbor, who enjoyed the good-will and regard of her home community. Besides the sorrowing husband she is survived by a brother, Mr. Albert French, of Melancthon, and a sister, Mrs. Chas. Cooke, of Maple Grove. There are also living two half-brothers and two half-sisters, namely, William Jackson, Fergus, Thos. Jackson, Woodstock, Mrs. Alexander, Laurel, and Mrs. Thompson, of Woodstock. The floral offerings included beautiful wreaths from the Women's Institute and the Ladies' Aid of Orangeville Methodist church. Rev. E. R. Young conducted the services at the funeral, which was held from her late home to the Forest Lawn cemetery on Friday afternoon. The pallbearers were Messrs. M. Varcoe, E. H. Sproule, Harry and Herbert Christian, Wm. Alexander and W. T. Johnston. General sympathy is felt for Mr. Christian in his trying loss.

POOR THIN BLOOD BRINGS INDIGESTION.

Make the Blood Rich and Red by Using Dr. Williams' Pink Pills.

Thin-blooded people generally have stomach trouble. They seldom recognize the fact that thin blood is the cause of indigestion, but it is. Thin blood, weak, watery blood, is one of the most common causes of stomach trouble. The glands that furnish the digestive fluids are diminished in their activity, the stomach muscles are weakened and there is a loss of nerve force. In this state nothing will more quickly restore appetite, digestion and a normal nutrition than good, rich, red blood.

Dr. Williams' Pink Pills act directly on the blood, making it rich and red, and this enriched blood strengthens weak nerves, stimulates tired muscles, and awakens to normal activity the glands that supply the digestive fluids. The first sign of returning health is an improved appetite, and soon the effect of these blood improving pills is felt throughout the whole system. You find that what you eat does not distress you and that you are daily growing stronger and more vigorous. Mr. J. J. Murray, Regent street, Toronto, bears testimony to the value of Dr. Williams' Pink Pills in cases of this kind. He says:—"During the latter part of 1918 I was a sick man. My stomach seemed simply down and out. I had no desire for food, and when I ate it distressed me. I was pale, did not sleep well, naturally got up in the morning feeling grouchy. My wife was worried over my condition and urged me to try Dr. Williams' Pink Pills, reminding me of the good they had done our eldest daughter when she was in a somewhat similar condition. I decided to follow her advice and got a supply and here is the story in a nutshell: I have got my appetite back, sleep soundly at night, enjoy my meals and am so gratified with what the pills have done for me that I strongly advise their use for all pale, sick people."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

A GREAT IMPROVEMENT.

One humorous woman, writing to her father, declared that already there had been a great improvement in farm conditions, since the women got the vote. The cows were giving more and richer milk, the hens were laying larger eggs, the pigs were cutting down on the squeal and adding to their avoirdupois, the hired man was acquiring the habit of getting up at the first call instead of sleeping half the morning away and not being on deck until 4 a.m., the rats in the bin were sorting over the grain and eating only the cull stuff, the windmill runs with a less amount of wind, it takes fewer apples to make a barrel of cider, listeners on the rural telephone find the gossip juicier, the water in the creek doesn't get so muddy after a rain and so on right through one concession after another. —Southampton Beacon.

Armistice Day was observed in Meaford by a special service in Christ Church and the unveiling of a Memorial Shield installed by the Sunday school of the Church.

Mr. and Mrs. James S. Irwin, of Proton, announce the engagement of their daughter, Ida Pearl Irwin, to George R. Laybourne, of Riverview. The marriage to take place early in December.

Meaford Town Hall is without heat owing to a break in the boiler, caused by putting a fire under it when the water was too low. Two sections were cracked, and the repairs may cost several hundred dollars.

JAPANESE JUSTICE.

How the Law Is Enforced In the Far East.

A Japanese criminal court is almost as difficult to get into as a spectator as it is difficult to get out of as a prisoner, but there are enough unusual points to make at least one visit instructive, if not profitable. Criminal trials in Japan are public, but not blatantly so, and idle curiosity is not encouraged. To be permitted to even enter the grounds surrounding the court buildings one must secure the formal permission of the stern police official at the gate, and that permission is only secured through the presentation of some good reason why the solicitor should be permitted to pass.

Once past the guardian of the gate, however, one may proceed into the courtroom itself without trouble, provided always that he removes his hat immediately he enters the building, removes his overcoat if he happens to be wearing one, walks quietly and holds his remarks and questions down to a faint whisper. In the main courthouse in Tokio, which houses the Supreme Court, and the various local courts, the corridors are lined during the sessions by besworded gendarmes, between the rows of which the one with business before the judges warily walks. No chance is lost to impress upon everyone the fact that the dignity of the law in Japan is something which must not be trifled with.

Ordinary police court cases in Japan are disposed of in the police stations themselves and the police inspectors in charge have the power to exercise a wide discretion. Ordinary drunks, of whom there are very few considering that almost every corner grocery store and every tea house and restaurant sells intoxicants, and there are saki shops every hundred yards on almost every street, are simply kept long enough to sober up and are discharged with a stern warning.

Domestic squabbles are settled by the policemen on the beats. Street brawls are rare, and offenders are usually made to perform profound apologies to each other and the police and are let go, and other minor offenders are punished by the scare the inspectors are always able to throw into them, while the more serious violators of law are passed on to the headquarters of the metropolitan police and thence into the local courts.

Once he has been sent to headquarters a prisoner's troubles commence. As a preliminary to all else he is photographed and finger-printed, a decided reversal of the principle which bars a man from the Rogues' Gallery until he has been convicted of a felony. A suggestion that a prisoner be "mugged" in America before conviction would set every syllable of the constitution quivering, but in Japan "it is an order" and as such goes. To question a police order is neither according to etiquette nor the dictates of prudence, and the records contain no instances of any one ever doing so. From the photograph room and the ink pad the prisoner passes on for his "examination," a legalized third degree, held in an underground room where, without benefit of counsel, he is sweated, perhaps for several days in succession, although the law prohibits the holding of a man without a definite charge for more than twenty-four hours.

A similar law is evaded in the United States by re-arresting the prisoner at the end of each day, but the process is simpler in Japan. Here they keep the fact of a suspect's arrest a secret, and there is no booking to help enquiring friends, if any are foolish enough to run their own necks in a noose by making enquiries. The examinations are legal, however, and are always held in camera, following which the prisoner is either released or committed for trial. There is nothing else corresponding in any way to the Canadian grand jury system.

Then after waiting his turn the prisoner goes to the local court, where he faces a bench of usually four judges, one of whom is head judge and who does all the questioning of the witnesses. On the bench also sits the prosecuting lawyer, with the lawyer for the defence occupying a desk and seat immediately facing the head judge, but on a level about four feet below that of the bench. Judges and lawyers are all crowned, with stiff black crepe costumes and the collars and chests liberally decorated with embroidery, the judges and prosecuting officer in red and the members of the bar in white. All wear caps of black crepe, somewhat resembling a Scotch bonnet without the tall ribbons.

Everything is solemn, everything is decorous and, without a jury to impress, there are none of those flights of oratory with which the lawyers call upon heaven to witness either the scandalous nature of the prisoner's crime nor the halo of innocence so plain to the attorney for the defence.

The handling of the prisoners is pure Japanese, however. Delivered at the court house for trial, the prisoners are marched from the police wagon in single file, handcuffed and tied together by a stout rope that circles each man's waist and is twisted through his obi. Their jail kimonos are of a dull drab and on their sockless feet are grass sandals, in which they flop through the corridors.

The most unusual feature of all to a stranger is the fact that each prisoner has his head covered by a wicker mask, more like an inverted waste-paper basket than anything else, the object of which is to prevent recognition of the prisoner, to permit him to hide his shame under the disguise, and, very possibly, to prevent the whole file from making a bolt for liberty. The sight of a prisoner so arrayed is ghastly, the mask bringing up the suggestion of the hangman's cap. Once in the prisoner's box, however, the masks are removed, while the prisoners sit with deeply bowed heads in an attitude of the utmost humility.

THE TORTURES OF RHEUMATISM

Happily Stopped When He Began To Take "Fruit-a-tives"

3 OTTAWA ST., HULL, P. Q.

"For a year, I suffered with *Rheumatism*, being forced to stay in bed for five months. I tried all kinds of medicine without relief and thought I would never be able to walk again.

One day while lying in bed, *I read about "Fruit-a-tives"* the great fruit medicine; and it seemed just what I needed, so I decided to try it.

The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me."

THE BOYS' SIDE.

To the Editor of The Banner,

Dear Sir,—Allow me through your paper to say a few words concerning the actions of the boys on Hallowe'en night.

For the past three years one of our prominent citizens has endeavored to supply amusement to the young people of the town during the winter months by running a skating rink at loss of time and money to himself. This shows that he understands the needs of the coming generation and has their interests at heart. This they appreciate very much, but, I am sorry to state, sir, there are other people in the town who take no interest at all in the young people. When the question of building a rink in town came up lately it was put aside while other less important matters took up the attention of our town fathers.

Our fathers can bowl all summer, and curl all winter, and have all the pleasure they desire while their sons have no amusement at all. If they make a move in defence of their rights they are reproved for it. Now, is this fair?

When our townsmen will not give the boys a respectable place to spend their leisure time while they are enjoying themselves, it is high time something was done. Taking it all around the only place for the boys at night is on the street corner, and so they decided to show the people on Hallowe'en night that they needed some kind of amusement.

Accordingly the youth of our town, bubbling over with life and vigor, went forth to enjoy themselves. This, I believe, they did, but some of our citizens did not see things in the same light as the boys and decided to have them punished, whether for personal gain or just pleasure I do not know. However, they got their heads together and are now trying to "make it hot" for the boys.

Although I do not approve of all that happened, it was evidently the way the boys took of showing the citizens of Orangeville that they are not giving the rising generation a square deal.

Hoping that this will meet with your approval and will help to bring about a better understanding between the Youth and Age of our town I remain,

Yours respectfully,
A High School Student.

Orangeville, Nov. 3rd, 1919.

The Blacker They Turn.

A letter received in this city from Roy Schultz, a Danville colored man, now in military service in France, tells of a good joke the colored boys had at the expense of the Huns. A colored division had relieved a white division during the night, when the Germans were sending over a regular shower of gas shells. The heavy fighting continued the next day, and a German prisoner taken by the colored boys was heard to remark: "We can't whip these Yanks, and there is no use trying. The more gas we send over on them the blacker they turn and the harder they fight."—Indianapolis News.

A WADE does 10 mens work Saws 25 cords a day!

Saws wood for 3 cents a cord

A MONEY-MAKER and hard work saver wherever the cross cut saw is used. Works equally well on the smallest or largest timber and will operate under any condition. There are thousands of these wonderful WADE Saws in successful operation, sawing wood ten times faster and cheaper than man power. One man can move the machine from cut to cut and it can be used as a Portable 4 H. P. Power Plant for running light machinery when not cutting wood.

"It costs me 3 cents to cut a rick of wood with my WADE."
"L. W. STEARNS, Atkins, Ark."

"I am more than pleased with my WADE. It works perfectly on both large and small trees."
"Fred W. HILLER, Vernon, N. Y."

"I have cut as much as 85 cords an hour."
"Wm. C. MERRAM, Deer Island, Or."

"I use my WADE to run a line shaft when not cutting wood, to run mill separator, cream wheel, etc."
"Chas. G. DAY, Bridesville, B. C."

What the WADE is doing for these men it will do for you. Come in and see this wonderful machine, or send for free booklets and low prices. We recommend the WADE highly.

BANQUET TO MISS YATES

Miss Ruby Yates, who left for her home in Orangeville, Ont., last Saturday, on account of the illness of her mother, was honored by a number of girl friends at a banquet at the Commercial Cafe on Friday evening last.

Among those present were Miss Ruth Harrop, presiding; Miss Ruby Yates, the guest of the evening; Miss Myrl Kenzie, Miss Pearl Reinholt, Miss Lois Rutledge, Miss Evelyn Brumpton, Miss Crowle, Miss Lenore Brumpton, Mrs. Long, Miss Cardwell, Miss Russell, Miss Annie White, Miss Muriel Proctor, and Miss Corman.

After the good things provided had been disposed of by the company, the following toasts were made and responded to by the ladies:

"Prince of Wales," Miss Crowle and Miss Cardwell.

"Our Guest," was proposed by Miss Corman in a happy little speech, wherein she expressed the regret of all present and numerous young gentlemen friends at her departure from Red Deer, and the hope that she would return at an early date. Miss Yates responded, thanking all present for their kindness and assuring them that it was quite a wrench for her to leave so many friends for whom she would always have the most kindly feeling.

Miss Yates entertained a party of young people at the home of her sister, Mrs. Long, on Thursday evening last, when a very enjoyable time was spent.—Red Deer Times.

Miss Yates is a daughter of Mr. and Mrs. A. Yates, West Broadway.

BE READY FOR EMERGENCIES.

The best way is to always keep a bottle of Dr. Chase's Syrup of Linseed and Turpentine in the house, ready for emergencies. Then when croup, or colds, come suddenly they can be promptly cured before they have time to reach an acute and dangerous stage. To meet this requirement we have put the syrup up in family size bottles which contain nearly three times as much as the 25-cent bottle and sell at 60 cents.

BAZAAR AT CALEDON.

The Ladies Aid of Knox Church, Caledon, purpose holding a donated Bazaar on Thursday, Dec. 4th, afternoon and evening. A variety of useful and fancy articles will be offered for sale, as well as homemade, candy, and baking, ice cream etc. Two cosy comforters will be sold by auction. Lunch will be served during the evening. Contributions gratefully received. 21-2t.

Mr. Joe Thomson, 3rd line, Erin, while breaking in a colt recently, had the misfortune to be thrown out of the rig and was badly shaken up. He was rendered unconscious and has been confined to his bed ever since.

Mr. Charles F. Nutting, a returned soldier, has been appointed Postmaster at Walkerton, succeeding the late John Tolton, who died about two months ago.

Principal E. H. Glenn, of Grand Valley, wth the support of the school board, is having a medical examination of the scholars made by the medical officer of health, Dr. Bracken taking the dental part, and Nursing Sister Mabel Nodwell assisting.

The Flesherton Advance states that the Henderson oil well on McTavish's farm was shot last week and the drillers have decided that they have not yet reached the granite and will continue the drilling operations at once. The well on the Lever farm is still being worked and good results from both these wells are expected shortly.

What are Peps

Peps provide a new treatment for coughs, colds and lung troubles. They are little tablets made up from Pine extracts and medicinal essences. When put into the mouth these medicinal ingredients turn into healing vapors, which are breathed down direct to the lungs, throat and bronchial tubes. The Peps treatment is direct. Swallowing cough mixtures into the stomach, to cure ailments and disorders in throat and lungs, is indirect. Peps are revolutionizing the treatment of colds and their price is within the reach of all. All dealers, 50c. box. Send 1c. stamp for FREE TRIAL PACKAGE.

LANDSBOROUGH-M'CALLUM

On Wednesday, November 12th, at 3 p.m. a quiet wedding took place at the home of Mr. and Mrs. D. McCallum, Main street, Shelburne, when their only daughter, Mary, was united in marriage to James L. Landsborough, only son of Mr. and Mrs. Alex. Landsborough of First avenue. The bride, who was unattended, wore her travelling suit of navy blue serge with large black hat and carried a bouquet of white chrysanthemums and maiden hair fern. She was given away by her father. The ceremony was performed by the Rev. A. E. Thornley, pastor of Knox church, while the wedding march was played by Mrs. Clara Matthews. After a dainty luncheon Mr. and Mrs. Landsborough left for Toronto, the bride wearing the gift of the groom, a set of oppossum furs.—Free Press.

MAPLE LEAF QUARTETTE.

The popular Maple Leaf Quartette from Galt will give one of their superb programmes in Alton on Friday evening, November 28th, under the auspices of the Ladies Aid Society of Alton Presbyterian church. The people of Alton and neighborhood will welcome this opportunity to hear these splendid entertainers, who will undoubtedly be greeted by a bumper house. The admission has been fixed at 50 and 35 cents for adults and 20 cents for children. Reserve seat plan at D. C. Worts drug store.

Frank Cowan, of Mansfield, had a fine deer visit his premises recently. It was a three-year-old, with a good pair of antlers.

The total amount on Shelburne tax roll this year was $20,477.43. Of this amount $18,256.37 was paid on or before the date fixed for the two per cent addition leaving a balance unpaid of only $2,221.06.

The Refinement of Purity

CAREFUL cooks know the value of purity. In the making of cakes or pastry they use those ingredients which they believe to be pure and wholesome.

To apply this "insistence on purity" to sugar, is no easy matter—for nearly all sugars look alike to those not expert in detecting variation. The safe course is to use a sugar that comes from refineries in which purity is a boast.

In the Dominion Sugar refineries the boast is backed by a standing invitation to the public to visit and inspect the plants in which Dominion Crystal Sugar is made.

In Dominion Crystal Sugar the housewives of Canada have one sugar that can be depended upon for that Purity which is so essential to successful culinary effort.

This is the only sugar that may be rightly termed "Canadian from the ground up." We do import the finest raw cane sugar and refine it—but our pride is in the product we make from Canadian sugar beets.

The Road—As It *Is* and As It *Seems* In Overland 4 on Three-Point Suspension Springs

OVERLAND 4 does *not* change the road, but it *does* change the *manner* in which you can ride on it. This comfort achievement, the greatest since the introduction of pneumatic tires, is made possible by the wonderful cushioning ability of Three-Point Suspension Springs—exclusive with Overland.

The Diagonal attachment of the Three-Point Suspension Springs at the ends of a 130-inch frame gives the road steadiness achieved by a car of long wheelbase.

Yet Overland 4 retains all the advantages—lightness, economy, and ease of handling, of 100-inch wheelbase.

Overland 4's equipment is no less admirable than its construction. The list is complete from Auto-Lite Starting and Lighting to Demountable Rims.

Come in and see this remarkable car. Ask for Booklet. Overland 4 Touring, $1195; Roadster, $1195; Coupe, $1845; Sedan, $1995. Prices f. o. b. Toronto, War Tax included.

LAUREL.

The Banquet given by the Front Line Bible Class was a great success.

We are glad to see Miss Cassie McGowan home again.

Miss Mida Hamilton spent a few days with Shelburne friends.

Miss Bella Morrison spent the week-end here.

Rev. T. Scott and Miss Lulu have gone to Moncton for a visit.

Don't forget to save December the 12th for the Chicken Pie Supper.

The Laurel Branch of the Women's Institute will hold its next regular meeting at the home of Mrs. J. A. Hughes on Thursday afternoon, Dec. 4th. The programme will include Papers by Mrs. W. M. Curry on "Discipline as a Character Builder" and Mrs. Walter Gray on "How to Raise Funds for Our Institute." The delegates will give their reports on the recent Toronto Convention. A full attendance of the members is requested.

KEEP YOUR TINS.

The Daughters of the Empire desire citizens to save used Tin Cans, which will be collected by the Boy Scouts. Parties saving Cans are asked to rinse and thoroughly dry them to prevent them from rusting. The Boy Scouts will call for them at private houses once a month and at hotels and restaurants once every two weeks. 22-tf.

CARD OF THANKS.

Mr. Walter Christian desires to thank his many friends and neighbors for their great kindness and help and also the Ladies' Aid and Women's Institute for the beautiful floral wreaths and kindly expressions of sympathy in his recent sad bereavement. Mr. Christian also wishes to express his heartfelt thanks to the nurse, Miss Arthurs, for her faithful, untiring and self-denying efforts to relieve the suffering of his wife during her last illness. Again thanking all, I am

Yours Sincerely,
Walter Christian.

Supplement to The Banner, Nov. 27, 1919

CAMILLA

Mrs. J. J. Marshall, of Toronto, was the guest of Mr. and Mrs. J. A. Marshall last week.

Mrs. Tweedy, of Mulmur, is the guest of her daughter, Mrs. Gallaugher.

Mr. Will Parks has returned from an enjoyable and successful hunting trip in Muskoka.

Mr. Charles Curtis, of Toronto, is visiting his brother here.

Many friends attended the funeral of the late Mrs. Walter Christian in Orangeville last week. Mrs. Christian was very highly thought of and is much missed in our community.

Miss Margaret McNaughton has been visiting relatives in Orangeville for several weeks.

Rev. Mr. Coutts has organized a Singing Class under the leadership of Mr. J. E. Jessop, of Orangeville. We understand that about twenty-five of the young people will take lessons.

MARSVILLE.

A very serious accident occurred on Saturday afternoon when Mr. Robt. Mann had a very narrow escape from death. He and a number of others were out hunting in Mr. Geo. Manley's swamp, in the 15th concession. Mr. Mann was standing on a log and Holly Nodwell was about 15 or 20 yards distant carrying an old-fashioned shot gun which was discharged in some unaccountable way, Mr. Mann receiving the contents of the charge in his right side, arm and shoulder. The charge was heavy enough to knock the man to the ground. Mr. Mann was hurriedly removed to his home and Dr. Gibson was summoned who extracted about 24 of the grains. There are a large number of the shot still in the flesh. Mr. Mann suffered severely for a time, but at present is doing well and there are good hopes for a speedy recovery.

Mr. W. R. Liddy, P.S.I., on the invitation of the council, addressed the ratepayers of the township on Consolidated Schools, on Monday evening of last week in Armstrong's Hall. There was a good crowd present and all appeared to enjoy the address. As a result of the meeting a more favorable feeling now exists towards Consolidated Schools.

Mr. Henry Hanna has sold his farm lot 4, con. 16, to Mr. Barbour, of Erin, and intends to have a clearing sale in January.

A SUCCESSFUL DANCE.

One of the most enjoyable Dances of the season was given in L. O. L. No. 22 Hall, East Garafraxa, on Friday night under the direction of the Amusement Committee of the Lodge. A large crowd of young people attended the event and were most hospitably entertained by the brethren of the Lodge. The Committee in charge was composed of Bros. Reginald Hoare, J. Scott Hunter, Lewis Reid and Earl Cook.

MONO COLLEGE W. I.

The November meeting of the Mono College Institute was held at the home of Mrs. W. N. Baker, Centre Road, on November 6th and was largely attended. The Secretary gave a report of the District Convention in Shelburne and Mrs. J. H. Anderson gave quite an interesting Paper on the subject, "Women after the War." Mrs. I. J. Murphy gave a very instructive five minute Talk on the "Value of Eggs." The musical part of the programme consisted of vocal solos by Mrs. P. C. Howard and Mrs. R. E. Jackson, and a solo and encore recitation by Miss Mona Shirley. There was thus a pleasing variety to the programme. At the close lunch was served by the hostess and all left for home feeling that they had spent a very enjoyable afternoon.

The next meeting will be held at the home of Mrs. W. E. Island, Centre Road, on Thursday, Dec. 4th, at 2.30 p.m. Members and any others desiring to contribute are requested to bring their donation (a jar of either fruit or pickles) toward a gift to the Hospital.

GLENCROSS.

Glencross U. F. O. will hold a Social Evening in Purple Valley Orange Hall on Monday evening, Dec. 1st. A programme of music, speeches, recitations, etc, will be provided. Admission free. Everybody welcome. Ladies specially invited.

FALSE ECONOMY HAS NO VALUE

BUYING CHEAP GOODS JUST BECAUSE THEY ARE CHEAP DOES NOT PAY.

QUALITY OFTEN OVERLOOKED

INSTANCE SEEN IN CASE OF MAIL ORDER HOUSES WHICH MAKE THEIR APPEAL ON BASIS OF PRICE.

(Copyright, 1917, Western Newspaper Union.)

Economy is one of the greatest of virtues but false economy is no more a virtue than anything else that is false. To be able to economize wisely is one of the greatest blessings that one can have, for it is the pererequisite to thrift and well-being. Too many persons, however, who think they have found the secret of true economy are practising a false economy which is worse than wilful waste.

For instance, the man who buys a stove from a mail order house for $9 because he thinks he would have to pay $10 for one if he purchased it from his home merchant, is practicing a false economy, for the chances are that he would save more than $1 in the end if he purchased the $10 stove from the local hardware dealer.

There are several reasons why this is false economy. The first one is that dollar for dollar, the greater part of the merchandise sold by the mail order houses is of less value than that sold by the retail merchants of the smaller communities. The mail order business, as a whole, is built upon cheapness. In order to attract customers the catalogue houses must sell goods cheaply and in order to do that they must sell cheap goods. Their business is built up on price and not on quality. The retail hardware dealer, like retail dealers in other lines, probably can match the prices of the mail order houses. He probably has a $9 stove which he can sell to the man who wants to get a stove for $9. The trouble is that the man who buys from the mail order house does not distinguish between price and quality.

THINKS HE IS ECONOMIZING.

The man who buys the $9 stove from the mail order house probably would not buy a $9 stove from his local merchant for in the latter case he would see just what he was buying and might realize that the $9 stove would not meet his needs. He orders a $9 stove from the mail order house, however, just because the price is $9 and not because he has any assurance that the stove will meet his needs. He thinks he is saving a dollar or two by buying this stove instead of paying $10 or $11 to the home merchant for one that he has seen and knows will give him satisfaction. The chances are that when the stove arrives and he has used it for a short time he will realize that he has practiced false economy—that it would have been more economical in the end for him to pay a dollar or two more to his home merchant and get an article that was gudranteed by the dealer.

The patron of the mail order houses, also, often fails to take the matter of transportation charges into consideration when making his purchase. He sees only the price of the article as listed in the mail order catalogue and does not think of the express or freight charges, which with the cost of a money order and postage often make the total cost of the article greater than the price at which the same thing could have been purchased at the local store. Another case of false economy.

Buying merchandise of poor quality because the price is low is often false economy when the purchase is made at the home stores but it is doubly so when the merchandise is bought from a mail order house. When buying at home one can be reasonably sure of the article purchased at a low price, while there is no such assurance when it is bought by mail on the "sight unseen" plan.

IDEA IS EXPLODED.

The idea that the mail order houses sell the same quality of goods at lower prices than the home merchants is quickly exploded when one learns of the large profits that are made by the majority of the mail order houses and the large selling expense to which they are subjected. The large mail order houses spend hundreds of thousands of dollars annually for advertising and the selling expenses of the smaller concerns are proportionately as large. Their other expenses, such as rent, taxes and labor, are also higher than those of the local retail merchants, in proportion to the business which they do. In spite of these heavy expenses the mail order houses distribute millions of dollars in dividends among their stock holders. In one large mail order concern the profits of the stockholders, in cash and stock dividends, have aggregated as much as 1,000 per cent on the capital invested in the short period of nine years. This does not indicate that the mail order houses are in business for their health and are giving away merchandise to their customers.

The mail order houses have capitalized the desire to economize that is inherent in almost every one. By placing price above quality and making cheapness the fundamental element in their business they have inculcated in the minds of their patrons the idea that they are economizing when they buy cheap goods at cheap prices.

BLOUNT.

The Blount Women's Institute held its last monthly meeting at the home of Mrs. Lorne Dodds. The meeting opened with the singing of The Maple Leaf, after which the following business was transacted:—3 pairs socks and one suit of pyjamas were sold. It was then decided by the members present at the meeting to hold the annual social evening at the home of Mrs. W. J. Dodds on December 3rd, 1919. The programme for the meeting consisted of a Paper on Democracy by Mrs. Alex. Still, and a reading by Miss S. Rayburn. A very dainty lunch was then served, after which the meeting closed in the usual manner.

SHELBURNE.

Mrs. Charles Reburn and Mrs. A. E. Wrigglesworth are representing the Shelburne Women's Institute at the Convention of Central Ontario in session in Toronto.

Mrs. George Marlatt is in Toronto this week attending her son, Mr. Jos. Marlatt, who is seriously ill at his home on Ontario Street.

Evangelist F. W. Cordiner, Hamilton, and others are conducting Pentecostal meetings in the mission in the rear of Blumenthal's store every evening, which are being well attended.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and as certainly cure you. 60c. a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto. Sample box free if you mention this paper and enclose 2c. stamp to pay postage.

John Adams, an employee in Corbett's Foundry, Owen Sound, met with a painful accident the other day. A 1500-lb. box of sand dropped and crushed his leg so badly that it had to be amputated below the knee.

While working on his garage a week or so ago Mr. Robert Down, of Flesherton, fell from some scaffolding to the floor, a distance of some 12 feet and badly sprained both wrists, and also sustained some very painful bruises.

Mr. and Mrs. W. A. Irwin, of Palgrave, had a close call while in Toronto a few days ago. Mr. Irwin turned out of a garage on Dundas street when his car was struck by a street car. His auto was thrown against another automobile standing beside the curb. But for this fact Mr. Irwin's car would have been overturned and a serious accident would probably have been the result.

ALL GOOD DRUGGISTS RECOMMEND HACKING'S

Good Health Knows No Aches or Pains!

Every organ in the body must be strong, healthy and full of life if you wish to enjoy perfect health.

Every organ in the body depends upon a healthy condition of the Nerves. The Heart and Nerves form a combination that can either make the whole body healthy and vigorous or can destroy the fabric of the body thru disorders of the Nervous System.

The Nerves are the telegraph system of the body, if they are in a healthy condition the Heart will respond quickly and naturally.

Hacking's Heart and Nerve Remedy

is recommended and guaranteed for Anæmia, Neurasthenia, High Blood Pressure, Nervous Dyspepsia, Blood Disorders, Neuritis, Paralysis, Stomach and Bowel Spasms, Hysterical Affections, Nervous Disorders, Heart Troubles, Nervous Headache, Sleeplessness, and all Diseases of the Heart, Nerves, Brain and Body. It is a great Tonic and Builder and you should not be discouraged because other medicines have failed to help you. Be sure you get HACKING'S, as no other kind will do.

You will get good results from Hacking's Heart and Nerve Remedy if you will but give it a trial.

Price $2a a box, or 6 for $5.00. Don't take "something just as good", you will only be disappointed, insist on Hacking's.

Sold by all dealers or by mail postpaid.

HACKING'S LIMITED Listowel

If you are troubled with Constipation take HACKING'S KIDNEY AND LIVER PILLS. Price 25c, or 5 boxes for $1.00. They do not Gripe, Purge or Irritate. These two preparations make an ideal combination for all who desire good health. 84.

GOLDEN WEDDING

The home of Mr. and Mrs. T. R. Foster, 4th line, Caledon West, was the scene of a very happy event on Thursday, Nov. 6th, when they celebrated the fiftieth anniversary of their marriage. Mrs. Foster was Katherine McDonald, of Ballinafad. Since their marriage Mr. and Mrs. Foster have always lived at his old home.

To this union there were born five children, all of whom are living and were present at the anniversary; Mrs. D. Gibson, Terra Cotta; William R., and Thomas at home; Alex., of Milton, and Rev. D. E., of Simcoe. The grand children were all present except one. During the afternoon a host of invited relatives from far and near gathered for the occasion and after a six o'clock dinner departed for their homes, after which the doors were opened to the young people of the neighborhood, and a merry evening was spent. During the evening a dainty lunch was served, and in the wee sma' hours of the morning they too departed, wishing their kind host and hostess many more happy years of wedded life.

Mr. and Mrs. Foster are well known throughout this neighborhood and many people young and old can recall many pleasant associations with them. Mr. Foster is an elder in the Melville Church and Mrs. Foster is an active member.—Advocate.

The Standard Bank of Canada are opening a branch in South Oshawa.

A death of shocking suddenness to his family and friends was that of Mr. Wm. Sharp at his home a mile and a quarter south of Flesherton on Wednesday, Nov. 5th. Mr. Sharp went to the barn to do some chores about 11 o'clock and a few minutes before he had been talking to a neighbor, apparently in his usual health. About half an hour later his son came in from work in the field and was shocked to find his father dead on the barn floor.

SUFFERED NEARLY HALF OF HER LIFE.

Mrs. Simpson Tried To Find Relief From Trouble of 25 Years' Standing.

"I spent about half of my life in a useless search for something that would relieve my stomach trouble and at last found what I needed in Tanlac," said Mrs. Abigail Simpson, of 64 Uxbridge St., West Toronto, Ontario.

"My appetite was poor," she continued, "and I just had to force down enough to keep going. Most everything disagreed with me and often the least little thing would upset me and I would be sick with nausea for a week at a time, too weak and lifeless to do a thing. My nerves were in such a bad condition that I could hardly sleep and I would get up in the morning feeling heavy and stupid. My liver was sluggish, my skin yellow and I had a dull, mean headache most all the time. This went on, in spite of all I could do, for twenty-five or thirty years and I lost all of thirty pounds in weight.

"Hearing so much about Tanlac I decided to try it and before I had finished my first bottle I felt greatly improved. I kept on and never have nausea or any other trouble. My liver is active, that dull, sluggish feeling is gone, and I sleep like a baby and am getting back my strength and energy and am now able to do all my housework without getting the least bit tired."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

Dr. N. G. Bailey and family, of Shelburne, have removed to Collingwood, where Dr. Bailey has purchased a residence and started practice.

To prepare for possible contingen- H. A. Harrington has asked all municies, Provincial Fuel Administrator cipalities to appoint local fuel commissioners again.

Mr. J. W. G. Armytage, of Fergus, left last week with his daughter and grand-daughter, for Winnipeg, where all will visit his son, prior to leaving for England, where all will in future reside.

Mr.. Wm. Uttley, of Kitchener, who for many years was editor of the Kitchener News-Record, has purchased the Elmira Signet printing establishment from Mr. G. Klinck and expects to take charge the beginning of December.

Three whiskey stills were unearthed a few days ago within 5 miles of Teeswater. Freidburger Bros., John Gillespie and Andrew Campbell were each fined $300 and costs for manufacturing "mountain dew" on their farms. More violaters are expected to be captured in the vicinity.

Fergus Board of Education will have erected in the High School a suitable memorial tablet with the names of all the pupils and ex-pupils who enlisted in the late war. The tablet will cost around $500, and subscriptions will be solicited from students and graduates of the school to help defray expense.

A well known farmer of Flesherton district was up before J. McMullen and D. McTavish, J.P's. charged by Mr. Oliver Turner, of Eugenia, with stealing a sheep. Mr. Turner swore to the loss of his sheep and identified the skin, which in the meantime had been sold to a butcher. The magistrates sent the accused up for trial but granted bail of $1000.

PILES ENTIRELY CURED

Mr. Wm. Woodell, 107 St. John St. Carlton, St. John, N.B., writes:— "I have used Dr. Chase's Ointment for itching, bleeding piles, and as a result have been entirely cured. For years I was a great sufferer from this distressing ailment and can say that three boxes of Dr. Chase's Ointment cured me. You may use this letter for the benefit of others."

On July 31st, 1919, there were 10,751 widows; 17,043 children of widows; 4,276 dependent mothers; 1,133 dependent fathers; 41 grand-parents; 788 orphans; 140 brothers and sisters; 6 orphan brothers and sisters, in receipt of pensions from the Canadian government.

According to the Clarksburg Review about $2,000,000 has been realized from sweet clover crops in South Grey during the past season. It looks a pretty big figure, yet it is wonderful what returns have been secured from this clover, which a few years ago was regarded as a weed.

There is a story current according to the Alliston Herald to the effect that the game warden apprehended a party of hunters illegally taking deer on the Pine Plains where deer may not be taken at all. Among the list of victims who are said to have been heavily fined and their firearms confiscated was a Rosemont farmer and a prominent Shelburne citizen.

One of the outstanding veterans among the teachers of Ontario is Dr. W. E. Tilley, M.A., of Bowmanville. After 35 years' service as Inspector in Durham County Dr. Tilley has retired, and at the annual meeting of the Teachers' Institute of his inspectorate in Bowmanville, Dr. Tillec was honored with the presentation of an address and a well-filled purse.

W. S. Bowes has disposed of the two business buildings and land on the south side of Main street, the one occupied as the Overland garage, the other the harness shop of W. W. Graham, to Richard Fife. He in turn sold the property to J. H. Little, Overland agent. On Thursday last Mr. Little sold the repair end of the business to Wm. Louden and will conduct a sales agency in the shop now occupied by Mr. Graham.—Shelburne Free Press.

Five hundred business men of Chatham were entertained at lunch by the Wilson Packing Co., who have recently taken over the abattoir.

Barrie is having a campaign to raise funds for a Y.M.C.A. building. The scheme is being laid out so as to include Bradford, Alliston, Elmvale, Cookstown and all outlying villages.

John Hillis, of East Garafraxa, got his legs and feet badly crushed when one of the heavy sliding doors on a stable shed fell, owing to balancing weights coming off. It was thought at first the bones were broken.

Knox church, Grand Valley, remembered in a very suitable way the valued services of Miss Hazel Watson as organist for five years and leader of the young girls' Mission Circle for nine years with a cabinet of silver.

While splitting some wood Mr. M. Wilson, jr., of Flesherton, had a narrow escape from serious injury to his eye, when a splinter off the block of wood flew up and struck him just below the left eye, making two nasty cuts.

Miss Hazel Byam, a popular soloist of the Port Hope Methodist Church choir, who is leaving to reside in Regina, was presented by the choir with a beautiful gold wrist watch and complete manicure set, and by the congregation with a purse of gold and handsomely bound copy of the Methodist hymn book.

The burial of the late Charles C. Barber, treasurer of the Grain Growers' Export Company, member of the Grain Exchange and of the Canadian Association of New York, took place in Milton, Ont., last week. Mr. Barber died suddenly in New York last Sunday of acute nephritis. He was born in Milton in 1885.

Earl Richm, a young man employed by Mr. Thos. Bertram, of Maryborough, was found guilty and sentenced on a charge of forgery in the Drayton police court. Richm, it seems, had bought a horse from Tom Miller, Jr., and had paid for the same by issuing a cheque on which he signed the name of Thos. Bertram.

An exchange says that when you talk about there being a better place than Ontario, every potato winks its eye, every cabbage shakes its head, every beet gets red in the face, every onion feels stronger, every wheat field is shocked, barley strokes its beard, corn sticks up its ears, and every foot of land kicks. The horses even denounce the statement with a neigh.

Mr. John S. Strangways, a well known farmer of the Middlebrook vicinity, Pilkington, met a fatal accident while a threshing was in progress at his place. Mr. Strangways had gone out on a scaffolding above the barn floor, when in some way he fell, landing on the floor some thirteen or more feet below. He passed away shortly after the accident without regaining consciousness.

"The New Fairbanks-Morse Type Z Engine"

YOU simply cannot get more engine value per dollar than you get when you buy either of these engines. They are oil engines built to use kerosene and other cheaper fuel as well as gasoline.

Here's where you get your economy—these engines use kerosene so successfully that you get the same power from a gallon of kerosene as from a gallon of gasoline- and you save the difference in cost!

POWER! All you want and more. These Type 'Z' engines are built to serve.

Every distinctive feature of these wonderful engines does its part to develop maximum power from least fuel. Results are the test we ask. They are the most practical, money-saving and all-round satisfactory engines that your money can buy. Adopted for General farm work such as Grinding, Ensilage Cutting, Wood Sawing, pumping electric lighting etc.

MONO FARM SALES.

Mr. Arthur Reid has sold his 100 acre farm, the e½ lot 7, con. 1, west, Mono, to Mr. Jos. Dermott, of Orangeville, who will get possession next spring. The farm has good buildings and is considered a good property. Mr. Reid has purchased Mr. J. H. Anderson's fine 100 acre property, part of lot 10, Prince of Wales Road, Mono, and will get possession next spring. We understand that the price paid in this case is $9,000. Mr. Anderson is giving up farming and will move to town.

Mr. M. Varcoe, West Broadway, has sold his 100 acre farm, the e½ lot 5, Prince of Wales Road, to Mr. T. J. Brett. Mr. Thos. Holmes occupies the farm and Mr. Brett buys subject to his tenancy.

The above sales were put through by Geo. Wilkin, real estate and insurance agent.

G. W. V. A. NOTES

A special meeting was held on November 27th inst. for the purpose of hearing an address by John Bert, M.P. The chief subject discussed was that of gratuities and the speaker made the statement that the Government had not closed the door altogether on this matter. The meeting was the largest in the history of the Branch. At the close a hearty vote of thanks was tendered the speaker.

The question of an At Home and Dance was brought up during the meeting. At an Executive meeting held later it was decided to hold the Dance on Dec. 10th and the At Home early in the New Year.

One new member was enrolled in the person of Mr. A. Hoare.

A regular caretaker has been secured and in future the Club Rooms will be open every evening.

A 70 MILE GALE.

A 70 mile an hour gale raged over Western Ontario from 7.30 until about 8.30 on Saturday night, and left a trail of destruction in its wake. In Orangeville the storm was accompanied by a torrential downpour of rain. The spires on the Presbyterian and Methodist churches were blown [illegible] and the latter crashed down on J. E. Smith's living house immediately east of the church. The mass of falling brick and timber fell across the roof near the front of the house crushing the roof like an eggshell and even breaking through the ceiling of the lower floor into the parlor. Mrs. Smith, who was alone in the house, happened to be in the upstairs hall close to the door of the front room. The impact of the mass forced the room door from its fastening and it struck her as it was blown open. Fortunately she was not injured, but was naturally badly frightened. Making her way downstairs to the telephone she sent word of the unfortunate occurrence to her husband's store. A dresser and other furniture in the bedroom was badly smashed. Volunteer workers assisted Mr. Smith to put on a temporary roof and by midnight the interior of the wrecked house was fairly well protected from the elements. Mr. Smith's loss will be at least $500. This is the second time he has suffered loss from windstorm. A couple of years ago part of the J. E. Smith & Co. warerooms on Broadway was unroofed during a severe storm. A brick dwelling house near the C. P. R. station occupied by Dan Adams and family was also unroofed. The barn on the Ryan farm, recently purchased by Arthur Winterton, a returned soldier, was levelled to the foundation. The brick stable on the Simpson property close to Springbrook was wrecked and in the surrounding townships possibly a score of barns were either wholly or partly unroofed. A few of those who suffered in this way were W. J. McKitrick, Prince of Wales Road, G. D. Ledlow & Son, Herbert Christian, Cameron Lemon, Robt. Patterson, Jno. J. Bryan, whose barn was levelled, John Cowan, J. Bradley, E. Turner. Windows were blown out of numerous houses, windmills were demolished and fences levelled in all directions. Altogether it was probably the most destructive storm ever experienced in this district.

JOHN M'EACHERN

Mr. John McEachern, of North Erin, died at the home of his daughter, Mrs. Thomas McLelland, on Saturday, Nov. 22nd, in his 88th year. Deceased was born in Tilsry, Argyleshire, Scotland, and came to Canada when about 41 years of age, settling in Erin township. His wife predeceased him by six years. There was a large attendance at the funeral, which was held on Monday [illegible] his death. Rev. Mr. Carr, pastor of the Erin Presbyterian church, conducted the service. Deceased is survived by one daughter, Mrs. McLelland, and a grandson, John McLelland, in Manitoba. The sympathy of the community goes out to Mrs. McLelland in her loss.

MRS. HERMAN HAYWARD

The many friends of the family learned with deep sorrow on Monday of the sad death of Mrs. Annie Mabel Wright, beloved wife of Mr. Herman Hayward, of Purple Hill. The sad event took place in Lord Dufferin Hospital late on Sunday night. On Friday Mrs. Hayward underwent a serious but necessary operation, the shock of which proved too severe for her system. The deceased was the eldest daughter of Mr. and Mrs. James Wright, of Arthur township, where she was born a little over 38 years ago. About thirteen years ago she was married to Mr. Hayward and had since resided on their beautiful farm on Purple Hill. Mrs. Hayward was the possessor of many excellent qualities of head and heart, and had made a large number of warm friends besides winning the good will and esteem of the community in which she resided. These unite in sorrowing over her early demise and in extending their heartfelt sympathy to the sorely bereaved husband and children. Besides her husband her death is mourned by a family of three, one son, Ralph, and two daughters, Elva and Jean. She is also survived by her father and mother, five brothers and two sisters, Wesley, Ottis, Norman, Earl and Lizzie, of Arthur, Jennie, of Grimsby, and Fred, of Toronto. There was a large attendance of sorrowing friends and neighbors at the funeral, which was held to the Forest Lawn Cemetery on Tuesday afternoon. Deceased was a consistent member of the Baptist church, and the family pastor, Rev. John Dodds, conducted the services at the house and grave. A number of beautiful floral tributes bore mute testimony to the sorrow of friends of the departed woman. The pallbearers were the five brothers and a cousin, Oscar Wright.

Among the friends present from a distance were Mr. and Mrs. H. Little, Mr. Jas. Little, Mr. D. McNabb, Mr. and Mrs. R. Batho, Mr. and Mrs. O. Wright, Mr. and Mrs. John Langdon, Mr. and Mrs. Ernest Stevenson, Mrs. A. Hallyer, Mr. O. Langdon, and Mrs. A. Blythe from Kenilworth, Mr. Jas. Stevenson and Miss Mabel Stevenson, of Toronto, Mr. Wm. Wright, of Mount Forest, and Mr. and Mrs. Walter Hayward, of Hamilton.

MARTIN-BRADLEY.

The home of Mr. and Mrs. Isaac Bradley, lot 27, con. 5, west, Caledon, was the scene of a very pretty event on Wednesday, Nov. 26th, when their eldest daughter, Amy Luella, became the bride of Mr. W. George Martin, son of Mr. and Mrs. W. S. Martin, late of West Caledon. Rev. W. N. Carr, of Alton, conducted the marrage service, which took place at 3 o'clock in the presence of the members of both families. The bride, who was given away by her father, looked very winsome in her wedding gown of pale blue crepe de chene with silver trimmings. The groom's two brothers, Leslie, of St. Thomas, and Stanley, of Weston, were present for the occasion. The groom was attended by his brother, Stanley, and the bride by her sister, Eva. It was interesting to note that the groom and his two brothers each wore the returned soldier's service button, all three having served in France during the war.

GERRIE-LANGFORD

A very quiet but pretty wedding was solemnized in St. Andrew's church, Moose Jaw, on Wednesday, Nov. 19th, at 5 o'clock p.m., when Ada Maud Gladys, youngest daughter of Mr. Chas. W. Langford, of Moose Jaw, formerly of Mono, was united in marriage to Frederick George Gerrie, eldest son of Mr. and Mrs. Alex. Gerrie, formerly of Fergus, Ont., the nuptial knot being tied by Rev. W. G. Wilson. The bride, who was unattended, was given away by her father. She looked charming in an African brown suit opening over a shell pink waist of georgette with picture hat to match. She wore black fox furs and a corsage bouquet of cream roses. The interesting ceremony took place in the presence of a number of the immediate friends of the contracting parties. Immediately after the service the happy couple left for their home on the groom's farm northeast of Moose Jaw, amid showers of confetti and the good wishes of their many friends. Amongst those present from a distance were Mr. and Mrs. A. N. Logan, of Keystone.

FARMERS CLUB MEETING.

A meeting of the Orangeville Farmers Club will be held in the Office of the Orangeville Co-operative Marketing Co., north of the Bank of Hamilton, at 2.30 o'clock on Saturday afternoon, Dec. 6th, for the purpose of electing new officers and winding up the business of the past year. A full attendance of the members is requested.

PRIMROSE

FREE OF TERRIBLE KIDNEY TROUBLE

After Three Years of Suffering, "FRUIT-A-TIVES" Brought Relief

MADAME HORMIDAS FOISY

624 Champlain St., Montreal.

"For three years, I was ill and exhausted and I suffered constantly from *Kidney Trouble and Liver Disease.*

My health was miserable and nothing in the way of medicine did me any good. Then I started to use 'Fruit-a-tives' and the effect was remarkable.

I began to improve immediately and *this wonderful fruit medicine entirely restored me to health.* All the old pains, headaches, indigestion and constipation were relieved and once more I was well.

To all who suffer from Indigestion, Constipation, Rheumatic Pains or great Fatigue, I advise the use of 'Fruit-a-tives'."

HORSLEY–SMALL.

The home of Mr. and Mrs. William Small, Amaranth, was the scene of a very pretty wedding on Wednesday afternoon, Nov. 9, when their daughter, Jean, was united in marriage to Albert Roy Horsley, youngest son of Mr. and Mrs. Richard Horsley, Amaranth. The Rev. W. W. Wallace, B.D., conducted the ceremony in the parlor beneath an arch of evergreens and white bells. The bride, who was given away by her brother, was dressed in white satin with an overdress of georgette with pearl trimmings. She carried a bouquet of white chrysanthemums and was attended by Miss Watson, of Priceville, and the groom was attended by Morris Small, while little Miss Mary Small was the flower girl and ring bearer. The wedding march was played by Miss Watson and while the register was being signed Miss Kathleen Burnette of Weston sang very sweetly "Because I love you dear." After the wedding dinner was served, after which a toast was proposed to the bride by Mr. Wallace and responded to by the groom and Alex. McDonald. The groom's gift to the bride was a set of furs, to the bridesmaid a pearl necklace, to the groomsman a ring, and to the little flower girl a ring. The young couple left on the evening train for Toronto and other places and on their return they will reside on the 2nd line of Amaranth, where they will be at home to their friends. Our best wishes to them for a prosperous and happy life.—Free Press.

THE WARDEN'S BANQUET.

County Council and Officials Entertained at Grand Valley Following Opening of the New County Bridge.

On Wednesday afternoon of last week, Dufferin County Council paid a formal visit to this centre, and formally declared open the magnificent new steel-truss bridge over the Grand river. Arriving at the bridge the barriers were taken down, the stream of autos passed over, and once more the village is linked up with the East, this time by a structure unique and substantial in its making. The bridge is not only the largest and most expensive in the county, costing around $23,000 with two 80-foot arches, but it is one of the largest of its kind on the continent. This type of bridge was first built in France in 1904, there being perhaps 300 in Canada, but only 30 are over 60-foot span. It is quite within reason to believe the Grand Valley bridge is exceeded in length by only one of this class in the continent, down in the States. There is a further matter of local pride in the structure, in that the plans and specifications were prepared by Wheelock and Christie, engineers of the County, and the structure erected by Mr. Tilker, of Harriston, whose ability has been amply demonstrated here.

That evening the Council, the county officials, and a few others were guests of Warden Hilborn at a banquet in the Commercial Hotel. In all about seventy sat around the tables and thoroughly enjoyed the menu prepared by Mr. McKenzie, an added pleasure being the excellent service.

County Treasurer, C. R. Wheelock, acted as toastmaster, and in proposing "The King," first congratulated the Warden on happily following the example set by his predecessor in re-establishing the Warden's Banquet, and also the success attending the county's experience this year. Quite properly he directed most of his time towards good roads. This year Dufferin had spent $70,000 on better roads, one half of which went into machinery and yet the county rate will be 1½ mills lower than last year, and there is no county debenture debt, besides providing for all contingencies. During the two years this system had been in force, fair good progress had been made, but better could be done with new organization. He maintained that Ontario had the best rounded out road legislation of any country—one fair and workable. It first provides for purely township roads, on which a government grant of 40% is made. These enable the farmer to reach a county road, leading from one market centre to another, on which a grant of 60% is made. Then there is the Provincial Highways to take care of through traffic, and also, all the traffic originating on the two other systems. Each system is built to take care of the expected traffic for it can readily be seen that the township road over which passes perhaps five rigs a day, need not be the same as the Provincial highway, where ten ton trucks move fast in addition to perhaps 1000 other rigs a day. Of 55,000 miles of township roads in the province about 600 have been assumed. In building the Hamilton-Toronto cement highway, these cities contributed perhaps $200,000, the farmers were assessed a frontage tax and are pleased with the investment. A large per centage of the traffic is trucks with trailers taking farm produce to market.

The gathering lustily honored the toast by singing the National Anthem.

Lieut.-Col. Preston proposed "The Navy and Army" coupling the names of Capt. D. J. Lane and Rev. S. Lundie. These gentlemen referred to the invaluable services rendered the world by Britain's navy, not so much in defeating the enemy navy, but in keeping open lanes of communication whereby men, provisions and munitions were transferred from one country to another. To the sailors came the dreadful anxious watching expectancy not knowing at what moment danger would appear from below or above. They deserved to share with the army the honors of the war.

Judge Fisher proposed "The Dominion of Canada," which was responded to by John Best, M. P., and A. A. Hughson in addresses which reviewed the immensity of our area, the richness of our heritage and the honor of being a part of the British Empire. Mr. Best dwelt at some length on the present advantageous system of good road construction, to build first a through road of sufficient strength to stand the traffic poured on it from the feeders. The Dominion government had set aside some millions of dollars to assist in this.

In responding to "The Provinces" proposed by Dr. G. H. Campbell, Mr. T. K. Slack, M. L. A. made perhaps his first public speech since election, and created a good impression. He intimated that the Legislature would likely make provision for a two year term of Reeve and Councillors looking towards permanence of policy; and also favored provincial assistance to structures such as the new bridge. He also favored extending the franchise to women on municipal elections. Mr. Liddy, Public School Inspector, in speaking, advocated very strongly and impressively, a system of Consolidated Schools. They were more in keeping with the times than the old system. Pupils would have the advantage of competitive rivalry of other pupils of similar age. Teachers could devote their energy in direction best adapted. Primary teachers would have primary work, and advanced work attended to by teachers inclined that way. Pupils would then be trained fit for life's work. The speaker emphatically stated that the boys and girls were of greater importance than good roads, and yet less money or consideration is spent on them.

Warden Hilborn proposed "The County of Dufferin" which was responded to by R. W. Brett, of Shelburne, J. J. Reith and W. L. Craig, of Grand Valley, Carson Jeffers and U. W. Christie, of Orangeville, and J. A. Marshall, of Mono.

Sanitary King Cream Separators

Governments and agricultural societies find with pleasure that the use of cream separators is becoming general on farms.

And this is much better, since dairy products bring farmers the most attractive profits, at the same time aiding in the fertilization of the soil.

But if the centrifugal separator has become a necessit on the farm, it is necessary to understand also that there are separators of all sorts and prices.

Mr. Farmer, we ask a few minutes of your attention. Ask for our catalog of Sanitary King Separators, read it, judge of the ideal construction of this separator and you will then decide if it merits your confidence.

The Sanitary King Centrifugal Cream Separator has points which it is impossible to find in other makes.

Note the following characteristics:

Low reservoir—Special gearing which assures easy starting and operation—Cleaning facilities—Clean and perfect skimming.

The Sanitary King Cream Separator will assure you cream of quality, good butter and, in consequence, nice profits.

What are Peps

Peps provide a new treatment for coughs, colds and lung troubles. They are little tablets made up from Pine extracts and medicinal essences. When put into the mouth these medicinal ingredients turn into healing vapors, which are breathed down direct to the lungs, throat and bronchial tubes. The Peps treatment is direct. Swallowing cough mixtures into the stomach, to cure ailments and disorders in throat and lungs, is indirect. Peps are revolutionizing the treatment of colds and their price is within the reach of all. All dealers, 50c. box. Send 1c. stamp for FREE TRIAL PACKAGE.

al career, six years of which he has been Reeve of East Luther. He favored a change in the present method of road construction, advocating a strictly county system the work to be done by foremen with a permanent staff of workmen. He wanted a continuous stretch of better roads from one point to another, and built so the present people will be able to enjoy and use them.

Fitting reference was made by many speakers to the splendid response by the people to the Victory Loan, the county raising one of the largest per centages in the Province. Star and Vidette.

Eugene Quesnel, of Montreal, was suffering from kidney trouble—and had suffered for five long years. This is his letter:—

"I could not sleep nights and on some occasions could hardly walk. I had been treated by some of our best physicians but without relief. I lost over 15 pounds and was very weak, and friends who knew me before were astonished. One day I met one of our leading hotelkeepers, who had been cured by your famous Gin Pills. He advised me to try them. I bought two boxes and before I had used one box I felt a big change. Before I finished the second one I was completely cured, and I can assure you if I had only known what I know now, I would not have spent one hundred dollars for nothing—when two boxes of Gin Pills cured me."

Gin Pills are the finest preparation for kidney and bladder trouble ever produced. At the first warning pain in back or side, get Gin Pills. They work like magic, reducing congestion, soothing, healing inflamed, emaciated tissues, building them into normal and active condition and relieving pain. At all druggists and dealers, 50c. A SUCCESSFUL YEAR.

Lord Dufferin Hospital Makes Excellent Financial Showing.

After reading the article in The Banner of two weeks ago, and the Annual Report from Lord Dufferin Hospital in this issue, the Lord Dufferin Chapter, I. O. D. E., who manage the hospital, feel sure that the public must wonder how so many patients were cared for so efficiently during the year in an institution so overcrowded. It has meant much extra work for the staff and why should it be overcrowded? Why do we not have an up-to-date Hospital, large enough to accomodate patients who want to come and be near home? Surely this town and surrounding country can afford one.

An extensive campaign to raise funds is being planned for. Save up and be ready to do your part.

Patients admitted during year 240; Births 19; Deaths 16; Patients from Dufferin 78, from town 103; other counties 59.

Fire, believed to have been started by a spark from a train, did $26,000 damage to Gerry's planing mill and Daly's coal yard, London.

James Carroll, London, fell between the cars of a C.P.R. freight train at Puslinch, and was instantly killed.

PEEL'S GOOD SHOWING.

The neighboring County of Peel made a fine showing in the recent Victory Loan campaign. The County objective was fixed at $1,600,000, but this was exceeded by upwards of a million dollars, the amount actually subscribed being $2,641,000. Every municipality in the County exceeded the amount assigned to it. The totals are as follows:—

Brampton	$ 250,000	$ 494,750
Chinguacousy	352,000	381,450
Toronto Twp.	466,000	682,650
Caledon	177,000	332,150
Albion	175,000	329,200
Toronto Gore	80,000	121,900
	$1,600,000	$2,641,100

Every municipality won the Prince of Wales Flag, Brampton, Caledon and Albion securing three crests, Toronto Gore two and Toronto Tp. one.

In special subscriptions Peel also scored, standing second highest in the Province outside large cities.

BATTALION ASSOCIATION.

Organization of 164th Halton and Dufferin Battalion Contemplated.

Lieut. Col. Domville and Officers of the 164th Halton and Dufferin Overseas Battalion, Canadian Expeditionary Force, have under contemplation the formation of a Battalion Association for the mutual benefit of all who served with the corps from its inception, and keeping alive the spirit of friendship which prevailed throughout all ranks during the period of organization, training and war service overseas.

Notice of a meeting will shortly be given, when it is hoped a representative gathering of all ranks will attend, express their views and elect committees for the completion of details.

It is not expected that a full attendance of all ranks of the Battalion can be assembled at one point, therefore, it is suggested that local meetings, in the various towns in the counties of Halton and Dufferin in which the Battalion was recruited, be called by the senior officer or non-commissioned officer in these places.

At these meetings local members of the Battalion may have an opportunity of discussing the preliminary details of the object of the Association, which will be laid before them and delegates can be elected to carry any expression of opinion, which may be made, to the central meeting.

Any member of the Battalion, however, will be at liberty, and welcome to attend the central meeting and it is hoped that all who are able to do so, will be present.

A few of the suggested points for discussion are as follows:—

(a) The forming of an association as suggested and eligibility for membership therein.

(b) Consideration of ways and means for assisting in adversity, dependents of members of the battalion who paid the supreme sacrifice, or others who may be in need of help.

(c) The compiling of local and central records for the purpose of keeping in touch with all ranks in order to assist members of the battalion who may be in need of employment, etc.

(d) The consideration of the erection of suitable memorials in the various recruiting centres to those who fell in active service.

(e) The advisability of holding reunions of all ranks and their families from time to time for the purpose of keeping alive the association and good fellowship so pleasantly formed during the active period of the Battalion's existence.

(f) The publication of the history of the Battalion and war records of those who were actively engaged.

(g) Ways and means of providing necessary funds for carrying on the work.

These, together with any other matters which may be brought up, will be thoroughly discussed. An enthusiastic meeting is looked for and it is trusted that all ranks will enter heartily into the proposition and that the result will be an organization worthy of the name and traditions of the 164th Battalion, and of the counties of Halton and Dufferin in which it was raised.

REPORT OF YEAR'S WORK.

In the course of a comprehensive report of the past year's work, laid before the County Council at its meeting last week, Mr. H. A. Dorrance, Agricultural Representative, stated that his Department had held six Rural School Fairs during the year. Owing to the generous assistance of the County it had been possible to make the prize lists larger and more attractive than in former years. In addition to these Fairs helpful work was carried on amongst the children on the farms by means of Home Garden contests. Fifty Home Gardens were sent out and in many cases excellent results were secured. The number of entries at the School Fairs were:—Laurel, 316, Horning's Mills, 336, Corbetton, 484, East Luther, 350, Marsville, 343, Mono Centre, 390. All of the Fairs were well attended despite the busy time and the general scarcity of help on the farms. Part of Dufferin County was included in the Farm Management survey conducted by the Department of Agriculture. Records were procured from a large number of farmers in the townships of Mono, Amaranth, East Garafraxa and East Luther. The reports will be made public during the coming summer. The report was an able review of the numerous activities of the Department and we regret that lack of space prevents us from giving our readers a more extended report of its contents.

FAMOUS SINGERS COMING.

In reporting the appearance of Fred Peters, A. R. M. C. M., the famous English tenor, and Miss Richardson, L. T. C. M., operatic soprano, at a recent concert in St. Catharines, the Toronto Globe states that at a big concert in St. Catharines Mr. Peters showed his ability as a singer when he sang that famous song "My Dreams" by Tosti; also Miss Richardson in her great hit "Smiles of Spring." Both were cheered to the uttermost.

During the war Mr. Peters raised over $2,000 for the soldiers in England. He also served in the British army until wounded.

The Pathephone

THE Pathephone represents a big advance in the phonographic art. It possesses distinct and exclusive improvements, such as reproduction by means of the genuine sapphire ball, instead of the antiquated, destructive and inconvenient steel needle. Aside from the vastly improved tone secured through the sapphire ball, there is real economy, for the sapphire does not have to be changed, and ***there is no wear on the records.***

Then, the Pathephone plays ALL records. There are no extra attachments to buy.

Unlike most phonographs, in addition to being a supreme musical instrument, the Pathephone is a beautiful and correct piece of furniture.

Every Pathe' record is guaranteed to play at least one thousand times, which means that you may build up a permanent library of the world's best music.

The Pathephone is the ideal instrument for children to play, as there are no dangerous steel needles to injure either children or records—the round, smooth Pathe' sapphire ball is harmless.

Four Popular Pathe' Designs are shown herewith Other Models, not here illustrated, are

TYPE "A" In mahogany or oak. A genuine Pathephone in a small compass. Plays all records. **$70.00**

TYPE "C" Made in mahogany, fumed oak, or American walnut. Simple and chaste in design. Plays all records. **$132.00**

"GEORGIAN" A true Period design, of exquisite finish, in mahogany, fumed oak, or American walnut. Plays all records. **$225.00**

TYPE "B" Another compact model, in mahogany or fumed oak. Plays all records. **$98.00**

Most Pathe' Dealers are prepared to offer exceptionally easy terms of payment if you so desire. For complete Pathe' catalogue—full of interesting data regarding "Period" Furniture—address:

—Writing to The Banner to renew his subscription, Mr. Fred McCartney, of Emerson, Man., reports fine winter weather in the West. He says that thousands of bushels of wheat are going over the line every day at $2.70 a bushel, and adds enigmatically that "Geo. E. will have to go some to make that up."

—Mr. Reuben West has sold 150 acres of his farm, the e½ lot 7, con. 9, Amaranth, to Mr. Albert Richardson, for $11,250. The purchaser will get possession on Feb. 15th. The farm is nearly all underdrained and is reputed to be one of the finest properties in the west of Amaranth. Mr. West is still the owner of 300 acres close to the place he has sold.

"THE MESSIAH"

Lovers of really good music have a rich treat in store on Friday evening, Dec. 12th, when the Orangeville Choral Society will present Handel's great Oratorio, "The Messiah" in the auditorium of St. Andrew's Presbyterian church. There will be a chorus of forty five voices under the leadership of Mr. J. E. Jessop. The soloists are Mrs. Dr. Bowles Mrs. R. E. Jackson, Miss L. Bell, Miss Vera Hogg and Messrs. W. Clowes, E. C. Connop, G. B. Hayes and J. E. Jessop. Miss Dorothea Browne will officiate as organist. Programme at 8 o'clock sharp. Admission, 50 cents.

—Laurel L. O. L. No. 330 will hold its annual election of officers on Friday night of this week.

—Our stock of Christmas stationery is the best we have even handled and that's saying something. The Banner Bookstore.

—About 200 people attended the Masonic At Home on Wednesday evening of last week. The function was a brilliant success.

—Our readers are reminded that the North Erin Ladies' Aid Bazaar and Social will be held on Friday evening, Dec. 5th, instead of Saturday evening, Dec. 6th, as stated in last week's Banner.

—Mr. Ernest Penelton, formerly of Sheldon, has moved from La Fleche to Lumsden, Sask. Mr. Penelton reported very cold weather and sleighing for the last three weeks when he wrote on November 21st.

—Mr. J. S. Wallace has sold a 100 acre farm, e½ lot 13, con. 6, Amaranth, and the entire stock, implements, grain, etc., on the place to Mr. Roy D. Bryan. We understand that the price paid is about $9,000.

—Rev. J. M. Would, B.A., on furlough from China, will tour the Orangeville District of the Methodist church in the interest of E. L. Missionary work. He will speak in Orangeville on Dec. 8th, in Alton on Dec. 9th, Shelburne Dec. 10th, Caledon East Dec. 11th and Mono Mills on Dec. 12th.

—A fairly large audience heard Mr. W. E. Turley, secretary of the Ontario Command of the G. W. V. A., speak on the subject "Mopping Up" in the public library on Friday night. Mr. Turley is an eloquent speaker and gave a very fine address. He spoke under the auspices of the Canadian Club and Dr. Campbell, the President, occupied the chair. The hearty thanks of the gathering was tendered Mr. Turley on motion of Mr. C. R. McKeown, seconded by Lt.-Col. Preston.

THE FORWARD MOVEMENT.

In spite of accidents to two of the churches and the lack of electric lighting, the Inter-Church Forward Movement made a good start last Sunday. Rev. J. Burkholder, organizer for the Presbytery of Orangeville, and Rev. J. Cooper Robnson, a missionary of the Anglican church, were the speakers. They delivered splendid addresses in the different churches and at night spoke at the Inter-Church Rally in the Anglican church. Mr. W. R. Liddy did the honors as chairman at this last meeting.

On Monday evening there was a large rally of people to hear the Rev. Manson Doyle, one of the leaders of the Young People of the Methodist church, who spoke of the necessity of getting the young people in line for church work while they are young. Dr. Kyles was chairman and Rev. J. Dodds conducted the opening religious exercises. On Tuesday there was a Rally of the school children in the afternoon and a good meeting at night, when Rev. A. P. Brace, B.D., of Toronto, spoke. Mr. Jas. Wise performed the duties of chairman.

On Wednesday the women of the churches held a rally, of which we hope to give a report next week.

To-night (Thursday) Rev. William Cooper, Moderator of the Synod of Toronto and Kingston, will be the chief speaker and on Friday evening Rev. John Linton, of Toronto, noted as one of the greatest football players in Canada, will address the concluding meeting of the series.

The meetings are attracting large audiences and should do much to quicken and deepen the spiritual life of Orangeville. The speakers to-night and Friday night will have splendid messages and no citizen, who can possibly attend, should miss hearing them.

PERSONALS.

Mrs. Geo. Beswick has been visiting friends in Toronto for the past week.

Mrs. T. H. Coulter has returned home after a two weeks' visit in Toronto and Weston.

Mr. and Mrs. C. W. Connop, of Georgetown, visited the former's parents, Mr. and Mrs. E. C. Connop, over Sunday.

Mrs. Leonard Greenard, daughter of Mr. and Mrs. Ed. McKibben, arrived home last week after undergoing two serious operations in the Toronto General Hospital.

Mrs. E. Tilt has returned to Toronto after spending a couple of weeks with Mr. and Mrs. W. T. Tilt. She was accompanied by Miss Edna Tilt, who will spend a week in the city.

Mr. H. A. Dorrance, District Representative, left last week for Chicago, where he is attending the International Live Stock Show. Mr. Dorrance will visit Leamington and also attend the Winter Stock Show in Guelph before returning home.

"BUNTY PULLS THE STRINGS" IS COMING.

"BUNTY PULLS THE STRINGS" is one of those plays which cannot be analyzed or described in appropriate terms. Its appeal is in its simplicity and its wholesome philosophy, in its refreshing originality, and to those who have not seen it, words can convey little of its true spirit. Its character types are all drawn with cameo-like distinctness; each one stands out in bas-relief against Scottish background. First of all, there is "Bunty," who takes upon herself the task of straightening out the tangles which have come into the lives of those around her. A level headed and warm hearted lassie is "Bunty," and when the father, a stern unbending, puritanical, figure of Scotch pride, is brought face to face with the results of a shady financial deal in which he was involved some time before, she determines to save him from Susie Simpson, a disgruntled spinster, who was the victim of the transaction.

So she gives him the money which she had saved up as a nest egg for her marriage with Wellum Sprunt, and this enables him to make reparation. The father had another unfortunate circumstance in his past, having left the promised bride at the church many years before and run away with another girl. Now the deserted one appears on the scene, and again the tact of "Bunty" is required to smooth out the strained relations and eventually to bring about the completion of the ceremony that had been unfinished for so many years. In attending to those matters and in keeping an eye on her restless brother, who is anxious to seek his fortune in Glasgow, "Bunty" almost loses her own happiness, but when the afore-mentioned Susie Simpson relents to the extent of settling a generous sum on Wellum Sprunt, that worthy is enabled to lead "Bunty" to that marriage altar. . . . . .

But after all the plot is the least important thing about the play. The characters and the things they say and the customs they reveal provide the deepest interest. . . . This Play will be shown at the Opera House, Orangeville, one night only, Monday, December 8th. Seats on sale now at The Banner Office.

MONEY WELL SPENT.

In these days of expensive living the question with most people is to get the best value for one's money. In the case of newspapers or magazines there can be no doubt about The Family Herald and Weekly Star of Montreal giving the greatest value for the money on the continent. The Family Herald and Weekly Star is a wonderful combination of newspaper, magazine, and agricultural paper. It costs only $1.25 a year and each subscriber receives a handsome souvenir portrait of the Prince of Wales, 16x 22 inches. We learn the subscription price will be $1.50 after December 31st. No better value can be had than a year's trial of the big Montreal Weekly. It consists of 64 pages each week and every page interesting and instructive.

HOSPITAL NOTES

"Here They Come!"

It is the cry of the children when a band is heard far down the street. Nearer and nearer it draws until each note becomes clearer and clearer.

To those in the city this is a familiar picture. But to those residing in suburban towns stirring strains of band music are more rare.

The NEW EDISON

"The Phonograph with a Soul"

in your home makes it possible for you and your children to have at all times the wonderful march music that has inspired the world.

Wherever you live—on the farm or in town—let the New Edison bring the parade, with all its glamour, into your living room, every instrument, every note as clear as a real band—thanks to the genius of Thomas A. Edison.

We tell a wonderful story about the New Edison in a beautiful book that you should have. It is called "Edison and Music". Ask for it; and also for "What the Critics Say". 245

THE ADAMSON HARDWARE CO., ORANGEVILLE, Ont.

The death of O. D. White, who for years was one of Arthur's best known business men, occurred in the Western Hospital, Toronto, a week ago Monday afternoon. Mr. White was in his fifty-ninth year.

Kent County police have a warrant for the arrest of Railude Loverez, A Mexican, who is wanted on a charge of shooting another Mexican named Remy near a camp in Dover Township.

Mrs. W. M. Logan, wife of the Grand Secretary of the Masonic Lodge of Ontario, died suddenly in Hamilton.

Paul Cedar, a cripple, was arrested in Chatham on a year-old charge of stealing a quantity of oats and some clothing.

An oil well of the Bothwell Oil Co. near Chatham, was shot, and Gas Commissioner Estlin states that it is a splendid well.

FACTORY LIGHTING THAT PAYS BIG DIVIDENDS

YOUR lighting charge becomes a profit-maker instead of a profit-taker when you screw HYDRO Gas Filled Lamps into every lamp socket in your factory.

More light for the same money is one reason. *Better light*—More like daylight—is the BIG reason.

HYDRO Gas Filled Lamps enable your employees to work better and faster without straining their eyes. You get less "rejects." Consequently there's less material wasted and less time spent in unproductive labor.

Even if HYDRO Gas Filled Lamps used more electricity they'd be worth the extra cost. They actually consume but little current.

You should investigate HYDRO Gas Filled Lamps if the responsibility of factory production rests on you. We can show you how to increase results without a proportionate increase in cost. Call at the Hydro Shop for a demonstration that proves the merits of HYDRO Gas Filled Lamps.

Newspapers a Big Factor in Making Victory Loan Campaign a Success.

The following communication acknowledges the great part the newspapers of Canada played in making a success of the recent Victory Loan:

When the Canadian Government requires money the people do not respond with a stone. In this year's Victory Loan Campaign, the Finance Minister asked for $300,000,000, and the public has subscribed $673,000,000. When the returns are complete the total will probably exceed $700,000,000. Of this sum Toronto has raised $146,000,000, and Ontario $354,000,000, or more than one dollar for every dollar subscribed by all the rest of Canada. Every one of the units, into which the province was divided, has exceeded the objective assigned to it. Some of them have subscribed their objective many times over.

The character of this achievement is best realized when it is compared with what has been accomplished in other countries. The last Liberty Loan in the United States was a comparative failure. The last British Loan was far from successful. The last two loans issued in Australia were forced flotations. That is to say, the people were compelled to purchase according to their ability.

In more than doubly subscribing the Victory Loan, 1919, our people have once more demonstrated the economic soundness and potential wealth of the nation. They have advertised the Dominion throughout the world as a country which readily raises great sums of money even under difficult post-war conditions.

The press has had a great part in this year's overwhelming success. Sir Henry Drayton, Minister of Finance, places it first amongst the factors which made the campaign such a complete triumph. Without the cordial co-operation of the newspapers throughout the length and breadth of the land the public could not have been aroused to the need and virtues of the loan.

The editors of Ontario have done particularly well. The sales organization is of the opinion that the service rendered by the press this year has been more generous and more effective than that given in connection with any previous loan. For this we have to thank the newspaper proprietors and editors all over the Province. Not once during the campaign have they fallen short of the demands made upon them. They have responded to every fresh call from Headquarters.

Our belief is that the work done by the Press in supporting this and previous war loans will prove to be bread cast upon the waters. It will return to them in the shape of new advertising. The financial world has at last learned the value of newspaper publicity. In the future, as never before, brokers will resort to press publicity in the sale of Government, municipal and company securities.

Mr. W. J. Taylor, President of the Canadian Press Association, and Chairman of the Dominion Press News and Feature Committee, joins me in thanking the newspapers of Ontario most heartily for the splendid manner in which they have supported this year's campaign.

Yours sincerely,
F. D. L. SMITH,
Chairman, Ontario Press News and Feature Committee.

McCRIMMON'S MOUTH WASH

Soothes Sore Mouths
Hardens Soft Spongy Gums
Kills Disease Germs
Prevents Pyorrhoea

Disease germs enter your system through the mouth. If the mucous membrane of the mouth becomes sore and inflamed it may be the beginning of Trench Mouth. Soft spongy gums are the fore-runners of Pyorrhoea, which is caused by tartar deposits and germs. McCrimmon's Mouth Wash relieves soreness, hardens soft spongy gums, and kills the germs that attack the mucous membrane. McCrimmon's Mouth Wash penetrates into the tiny openings of the gums around the tooth base, and leaves a clean wholesome feeling and a refreshing taste in the mouth.

THE STERLING BANK OF CANADA

"ASK OUR MANAGER"

To be really successful farmers must keep in touch with outside business affairs which indirectly affect them.

There is no better method of doing this than by regularly consulting your bank manager.

The local manager of the Sterling Bank welcomes such discussions at all times. He is thoroughly acquainted with financial matters affecting farmers and can give valuable advice, especially if you are thinking of enlarging your operations.

IS NOW ABLE TO STRAIGHTEN UP

Norman Had Rheumatism So Bad He Was Almost Helpless.

"Tanlac has done me more good than all the other medicines I have ever taken put together," said James M. Norman, living at 1802 Virginia Place, N.E., Canton, O. Mr. Norman is an expert machinist formerly with the John Inglis Co., Ltd., Toronto, Ont., where he lived before removing to Canton.

"For three years," he continued, "I had rheumatism so bad that I was obliged to give up a job I had held for ten years. My back would feel so sore and stiff when I woke up in the morning that I could hardly raise up to get out of bed. I was all drawn over and if I tried to bend over to tie my shoe or try to straighten up I would feel like a knife was sticking in my back. After going to bed at night I would often be in so much misery it was impossible for me to sleep.

"I tried all kinds of medicines and treatments but could get no relief. Then I decided to try Tanlac and I began to improve with my first bottle. I never have a bit of trouble now with my back, all pain and stiffness are gone, I never feel any rheumatism and am supple as I ever was. It is no trouble for me to bend over or straighten up and I feel fine in every way."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

It is estimated that the recent wind storm did $100,000 damage in the Sarnia district.

Thieves entered the home of W. J. Clark, London, while the family were out and stole $50 in American money and $700 worth of jewelry.

Gladys Coulter, aged 3, of Chatham Township, was badly scalded when she fell into a pail of boiling water while playing in the kitchen.

Lizzie Goodland, who was charged in London with abandoning her babe, was discharged, and accused the man who laid the charge with being the father.

Jas. McLeary, London, a C.P.R. fireman, was seriously injured while leaning out of the cab window by striking the roof of a box car which had been displaced by the wind.

Clinton Davis, of Schomberg, has purchased the 200 acre farm of Albert Thompson, of Mayfield, and Mr. Thompson has purchased the McCauley homestead on the Centre Road near Cooksville.

David Henderson, Official Canvasser in the recent Victory Loan campaign, was presented with a lovely tapestry arm chair by the committee of returned soldiers who were in charge of the campaign in Shelburne.

Miss Jessie McIntyre, of Grand Valley, who has been spending some weeks in Detroit with her sister, had her arm broken between the wrist and elbow besides a severe shaking up a week ago Saturday evening. She had just stepped from a street car when a motor ran into her.

HOW TO LIVE LONG

Many ailments find their beginning in a torpid sluggish condition of the liver, kidneys and bowels. As a matter of fact you can add years to the length of your life as well as comfort and happiness by using Dr. Chase's Kidney-Liver Pills to keep these organs regular and active.

The gale a week ago Saturday night hit Dundalk and knocked out a plate glass window in E. H. Stephens' furniture store, took a portion of the livery stable roof down, took away the barn doors of John Ritchie, knocked off Taos. Johnston's chimney from his house, and did several other minor mishaps.

Frank Cowan, of Mansfield, had an unusual visitor on his place recently. As Mr. Cowan was walking from his barn to the house a couple of his sheep came running up and with them a fine big three-year-old buck deer, carrying a beautiful pair of antlers and a body heavy enough to dress at about two hundred pounds.

Trustee Stothers reports having invested the funds of the West Shore Railway in Victory Bonds bearing 5½ per cent., by order of the Railway Commission. Goderich's share is approximately $50,625; Ashfield, $42,187.50; Huron, $25,312.50; Kincardine, $16,875. Each municipality was credited with its share.

Mr. Finlay Haugh, who so mysteriously disappeared from his home on Glasgow street, Guelph, several weeks ago, has been located. A telegram was received from him from Detroit, where he is a patient in a hospital. He explained that he lost his memory and did not know where he was or where he had been until he came to his senses in the Detroit hospital.

A very pleasant time was spent at the home of Mr. and Mrs. Thomas Greer, Violet Hill, on Friday evening, Nov. 21st, when a large number of their neighbors and friends gathered to say good-bye. At eleven p.m. the gathering was called to order by Mr. Geo. Hand, who called on Jas. Mitchell to read the address, while Messrs. Herman Thompson and Richard Cotton, on behalf of their neighbors and friends, presented Mr. and Mrs. Greer with two handsome chairs.

W. C. T. U. NOTES

The regular monthly meeting of the W.C.T.U. was held on Thursday, Nov. 27th, at the home of Mrs. R. Pattullo, Zina Street, the President, Mrs. (Rev.) Young, presiding.

After the opening exercises, Mrs. Young spoke briefly on the gratifying result of the Referendum vote but said, that while we had good cause to be encouraged by the result, we must not think there is no need for further effort. The Victory for Prohibition is by no means won. There will probably soon be another Referendum called for, this time Dominion-wide, and we must prepare for the struggle. Mrs. Henderson read a report of the W.C.T.U. Convention in Guelph and Mrs. Annis read a paper on the various uses of alcohol. This was a revelation to many and is one more argument in favor of Prohibition, that alcohol used merely as a beverage may be put to better use. The W. C. T. U. meets on the fourth Thursday of the month, but the December meeting will be held on the third Thursday at the home of Mrs. B. McGuire, West Broadway. All Temperance workers will be gladly welcomed to its membership.

"THE MESSIAH"

"The New Fairbanks-Morse Type Z Engine"

YOU simply cannot get more engine value per dollar than you get when you buy either of these engines. They are oil engines built to use kerosene and other cheaper fuel as well as gasoline.

Here's where you get your economy—these engines use kerosene so successfully that you get the same power from a gallon of kerosene as from a gallon of gasoline—and you save the a difference in cost!

POWER? All you want and more. These Type "Z" engines are built to serve.

Every distinctive feature of these wonderful engines does its part to develop maximum power from least fuel. Results are the test we ask. They are the most practical, money-saving and all-round satisfactory engines that your money can buy. Adopted for General farm work such as Grinding, Ensilage Cutting, Wood Sawing, pumping electric lighting etc.

MARRIED.

ARMBRUST-DOWSWELL—On Wednesday, December 3rd, 1919, in College St. Presbyterian Church, Toronto, by Rev. R. B. Cochrane, Laura Dowswell, daughter of Mr. and Mrs. Wm. Dowswell, of Alton, to Henry G. Armbrust, of Toronto.

HUGHES-PATTERSON — In Westminster Presbyterian Church, Weston, on Saturday evening, November 29th, 1919, by Rev. J. Forbes Robertson, S. Stewart Hughes, only son of J. H. Hughes and the late Mrs. Hughes, Orangeville, and Miss Hazel Patterson, daughter of Mr. and Mrs. John Patterson, of Toronto, formerly of Orangeville.

DIED.

SMITH—On Sunday, December 7th, 1919, at the home of his son-in-law, W. J. Galvin, 350 Sunnyside Ave., Toronto, Nelson Smith, formerly of Alton, in his 76th year.

HUGHES-PATTERSON.

Westminster Presbyterian Church, Weston, was on Saturday evening, Nov. 29th, the scene of an exceptionally pretty wedding when the Rev. J. Forbes Robertson united in marriage Miss Hazel Patterson, of Toronto, to Mr. S. Stewart Hughes. The church was very strikingly decorated with "mums" and fernery, the effect being enhanced by the candle light in which the service was held. Owing to recent bereavement in the groom's family no invitations had been issued but the church was, nevertheless, filled with the many friends of the bride and groom. The bride, who was attended by Miss Grace Patterson, daughter of Mr. and Mrs. T. G. Patterson, Toronto, was very attractive in her beaver velour suit with French hat and seal scarf. During the signing of the register, witnessed by the ushers, Messrs. H. Lloyd Patterson and W. Curtis Patterson, Mrs. Arnold Raymond, of Toronto, accompanied Miss Dorothy Mills, of Philadelphia, who sang "Because." After an informal reception tendered by the bride's sister, Mrs. H. G. Bell, of Weston, the young couple left for the Clifton Inn, Niagara Falls, Ontario.

A CORRECTION.

To the Editor of The Banner,—

Sir,—Sometime ago after the September meeting of the Mono Council, I made a statement that I found out afterwards was not correct. I understood the Township Clerk, when reading the minutes of the Council, to say that a bill for wire fence had been paid to George Moffitt for $35.40 and I stated to some persons that, if I had not made a mistake, Mr. Moffitt was not entitled to the money. Later I found out that the account was for Moice Moffitt, who had built 118 rods of wire fence. In case my statement might injure any person, including myself, I make the above explanation.

Yours truly,
James Morton.

P.S.—Regarding the statements made by Geo. Nicholson about my son, Fred Morton, and myself, I can prove that they are false. I also wish to say that I would have issued a writ against Nicholson only I find upon searching the Registry Office that he is not worth a cent.

THE CANADIAN CLUB

Dr. Coleman, Dean of the Faculty of Education of Queen's University, will address the members of the Orangeville Canadian Club at a midday luncheon in the Grand Central Hotel at 12.15 o'clock on Wednesday, Dec. 17th. Dr. Coleman attended High School in Orangeville and is very well-known to a number of the members of the Club. His address will on that account have an additional interest. Tickets may be procured from Mr. T. S. Little, the Secretary, at the Bank of Commerce, or from Mr. C. A. Lamon, Treasurer of the Club, at the Bank of Hamilton.

FAREWELL PRESENTATION

The W. M. S. of the Methodist Church met at the Parsonage one evening recently to bid farewell to Mrs. Harkness and Mrs. Wilcox both of whom are leaving town and will make their future home in Toronto. Both will be missed very much as they were two of the best workers in the society. In the course of the evening Mrs. Harkness was presented with a Life Membership Certificate and Pin and Mrs. Wilcox, who is already a Life Member, was presented with a beautiful hymnal. Both ladies were taken completely by surprise and both expressed their deep appreciation of the gifts and their sorrow at parting with so many friends in Orangeville. We pray that God's richest blessing may attend them in their new home.

A GIFT ENJOYED THE Year Around.

Extend the good cheer of Christmas to every wash day of the year!

To one who would give thoughtfully we suggest an

ELECTRIC WASHER

as a Christmas Gift. The enjoyment of it never fades. Every wash day of the year it makes the wife or mother happy. Verily, it changes her outlook upon the coming year, for it clears away her dread of wash day. It cuts the hardest of the work right out and she isn't fagged at the end of the day. It saves two whole hours of time so she can get the other work done as well as the washing. She doesn't need to hire a washer woman and she doesn't have to send the washing out to be done.

MONO MILLS.

The Bazaar held in the village under the auspices of the Ladies' Aid of the Methodist Church on Thursday evening of last week was a very successful affair indeed. A large assortment of very beautiful and useful articles were sold. Everything offered for sale was made by the members for that purpose and reflected a great deal of credit on their skill. A programme of vocal and instrumental music, speeches, dialogues, etc., was presented and thoroughly enjoyed by the large gathering, who were present. The net proceeds amounted to about $140.00.

The next event of more than ordinary interest in the village will be the Entertainment and Christmas Tree to be held in the Anglican Parish Hall on the evening of the 19th. A splendid programme is being prepared for this by the pupils and teachers of the Union Sunday School, including choruses, drills, dialogues, songs and recitations. Programme to commence at 8 p.m.

Mr. Geo. McManus who recently sold his fine farm on lot 3, Sixth line, Mono, to Mr. R. J. Donaldson, is holding a Credit Auction sale on Tuesday afternoon, December 16th. A long list of valuable stock, farm implements and other articles will be sold without reserve. See bills for list of articles and terms.

Rev. J. Burkholder, of Caledon, gave a splendid address on the Interdenominational Forward Movement on Sunday evening last. A committee of five was appointed to take up the work in the Presbyterian Church. It was advised that a series of Union Meetings be held as soon as can be arranged.

ALTON.

Last Monday evening our Epworth Leaguers were much interested in a debate on the subject, "Resolved that Religion has done more for Humanity than Education."

On Monday evening, Dec. 15th, there will be given in the Methodist church under the auspices of the Epworth League, a Lantern Lecture with slides, on the Life of Christ.

A PIE SOCIAL.

The teacher and pupils of S. S. No. 7, Mono, will hold a Pie Social in the school on Wednesday evening, Dec. 17th. An entertaining programme is being prepared. Admission, 35 cents; ladies bringing Pies, free.

RELESSEY.

Relessey Sabbath School is planning to hold a Christmas Tree and Concert in Ebenezer Methodist church on New Year's Eve. A good programme will be provided, consisting of speeches, songs, recitations, dialogues and instrumental music. Admission, 35 and 20 cents. All will be made welcome.

WM. McKELVEY, Supt.
JOS. ANDERSON, Sec.-Treas.

A MONO SCHOOL CONCERT.

The teacher and pupils of S. S. No. 11, Mono, will hold a Concert in the school house on Wednesday evening, Dec. 17th, commencing at 8 o'clock. The programme will consist of dialogues, recitations, readings and songs. Admission, 35 and 20 cents. Everybody come. Miss A. Harbison, teacher.

—On Wednesday night of last week the members of the Orangeville Choral Society presented Mr. J. E. Jessop with a purse containing $50.00 as a slight token of their appreciation of his services as Conductor.

CLEAN—yes and disinfected too!

CARD OF THANKS.

The Committee in charge of the Inter-Church Forward Movement in Orangeville desire to express their thanks to the pianists, ushers, and others, whose voluntary and efficient services aided so materially in the success of the meetings and also for the generous support received which enabled the Committee to meet all the expenses for the hall, printing and travelling expenses of the outside speakers.

ST. MARK'S A. Y. P. A.

St. Mark's A. Y. P. A. will meet on Monday evening, Dec. 15th, as usual. The programme will take the form of a Mock Trial. Special musical programme. A cordial invitation is extended to all.

HOSPITAL NOTES.

The regular monthly meeting of the Daughters of the Empire will be held at the home of Mrs. J. Z. Henry, Zina St., Friday, Dec. 12th at 3 p.m.

The following donations to the Hospital are thankfully acknowledged:—12 jars of fruit and pickles from Mono College Women's Institute.

XMAS. ENTERTAINMENT

Miss Alice Parks, the teacher of Mono College school and her pupils are planning to hold a Box Social and Entertainment in the Orange Hall near the school on Friday evening, December 19th, commencing at 7.30 o'clock. A good programme is being arranged. Further particulars next week.

WALDEMAR.

The Waldemar Presbyterian Sabbath School will hold their annual Xmas Concert on Monday evening, Dec. 22nd, at 8 o'clock.

The Waldemar Branch of the Bible Society will hold their annual meeting on Thursday, Dec. 18th, when Rev. Jesse Gibson will speak on from "The Cape to Cairo," illustrating his address with lantern slides.

Mrs. Jenkins is visiting her sister in Arthur.

Mr. Peter MacGregor, of Waterdown, Ontario, and Mrs. M. Foster, of Redvers, Sask., are visitors at The Manse.

Mr. Melvin Patton has returned from the West.

Miss Zillah McLeod, of Alton, visited at her home here on Sunday.

The Waldemar school is now being held in the basement of the Presbyterian church, owing to the roof having been lifted off the school during the recent windstorm.

I SAY, TRY IT

YOU VICTIMS OF BRONCHITIS, COUGHS, COLDS, BRONCHIAL ASTHMA AND HOARSENESS

Why do you struggle along beneath your terrible affliction? When medical science at last offers you a sure and lasting remedy. A real cure that will lift the blighting shadow from your life fully and finally, once and for all. Maybe you have tried many so-called Cough Cures and been disappointed in the things that you expected of them. So perhaps it is only natural you should feel discouraged. But I bring you renewed hope that will surely materialize into priceless benefit of good health. Friend, get a bottle of

Buckley's White Bronchitis Mixture

from your dealer today, use it for five days, and if it doesn't prove to be the wonder medicine of the world take it back and get your money. Can one do more than this to prove to you what a marvellous remedy it is? I back my claims, too, by the evidence of the people I have restored to health. And I will only be too pleased to furnish you with hundreds of voluntary testimonials of praise that I receive each day. 60 cents is the price that stands between you and the road to health. Take no substitute; fear the man that dares say he has a remedy just as good.

Wash Day and Backache

WASH day is the least welcome day of the week in most homes, though sweeping day is not much better. Both days are most trying on the back.

The strain of washing, ironing and sweeping frequently deranges the kidneys. The system is poisoned and backaches, rheumatism, pains in the limbs result.

Kidney action must be aroused—the liver awakened to action and the bowels regulated by such treatment as Dr. Chase's Kidney-Liver Pills. This favorite prescription of the well-known Receipt Book author will not fail you in the hour of need.

One pill a dose, 25c a box at all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

HOSPITAL NOTES.

The idea of a new hospital is still uppermost in the minds of those who feel its present needs.

Will Orangeville and the surrounding country respond to this demand? The present building, almost continually crowded beyond its capacity, cries out for more room, more room.

What form of campaign would get best returns?

Would the different municipal councils make grants sufficient to meet this crying necessity?

Could private individuals, or should private individuals, be personally appealed to?

Is there still time for bazaars, concerts, etc., as a means of raising money, or is this means too slow a method to secure the amount required?

All these questions keep springing up, and very shortly the Daughters of the Empire are going to face, as they have faced before, these big and pressing questions.

Can they depend on the men and on the municipalities to stand behind them?

The work must be done, and it must be done by those having power to do it. Let everyone consider these questions as they apply to him or her personally and be prepared in due time to come forward with their work, with their influence, with their money, with their votes (if need be), in support of a cause that has become in our midst an absolute necessity.

McCRIMMON'S MOUTH WASH

Soothes Sore Mouths
Hardens Soft Spongy Gums
Kills Disease Germs
Prevents Pyorrhoea

Disease germs enter your system through the mouth. If the mucous membrane of the mouth becomes sore and inflamed it may be the beginning of Trench Mouth. Soft spongy gums are the fore-runners of Pyorrhoea, which is caused by tartar deposits and germs. McCrimmon's Mouth Wash relieves soreness, hardens soft spongy gums, and kills the germs that attack the mucous membrane. McCrimmon's Mouth Wash penetrates into the tiny openings of the gums around the tooth base, and leaves a clean wholesome feeling and a refreshing taste in the mouth.

NOTICE TO CREDITORS

IN THE MATTER OF THE ESTATE of John Bailey, late of the Town of Orangeville, in the County of Dufferin, Gentleman, deceased.

NOTICE is hereby given pursuant to Section 56 of the Trustee Act, R. S. O. 1914, Chapter 121 and Amendments thereto, that all creditors and others having claims or demands against the Estate of the said John Bailey who died on or about the 4th day of November A. D. 1919 at the Town of Orangeville in the County of Dufferin are required on or before the **26th day of December, 1919,** to send by post prepaid or to deliver to J. L. Island, Orangeville, Ontario, Solicitor for James Bailey, Joseph Henry Hulse and James Montgomery, the Executors of the last Will and Testament of the said deceased, their Christian names and surnames, addresses and descriptions, the full particulars in writing of their claims, a statement of their accounts and the nature of the security, if any, held by them.

AND take notice that after the said 26th day of December, 1919, the said Executors will proceed to distribute the assets of the said deceased among the parties entitled thereto, having regard only to the claims of which they shall then have notice, and that the said Executors will not be liable for the said assets, or any part thereof, to any person or persons of whose claim notice shall not have been received by them at the time of such distribution.

Dated at Orangeville, this 26th day of November, A. D., 1919.

J. L. ISLAND,
Orangeville, Ont.
Solicitor for the said Executors.

It is time to buy a Pathephone

THERE is just nice TIME before Christmas for you to plan to have this gift that overshadows all others in your home on Christmas morning.

There is a TIME, gladly arranged by your dealer to suit your convenience, in the matter of extended payments.

And, surely, the TIME has arrived when the buyer of a phonograph should only be satisfied with the up-to-date instrument possessing the very latest improvements in the phonographic art —a TIME when the scratchy needle of other makes must give place to the smooth-gliding jewelled sapphire ball by which all Pathe' records are played

There is TIME expressed in the Pathe' Cabinets, for they are of Period design, being faithful copies of beautiful old masterpieces.

There is, in the great Pathe' library of Music, a tune to satisfy every TIME and mood.

There is TIME unlimited in the life of Pathé records, which, by reason of the Pathé Sapphire Ball may be played *at least a thousand times* without any sign of wear.

The undying music of *old times* by the old world artists, and the seasonable hits of *modern times*, are available to the owners of the Pathephone through the library of Pathé Records.

It is TIME now to go to your nearest Pathe' dealer and see—hear—and compare the Pathephone — to judge absolutely for yourself its tone, construction and beauty, and prove that from every angle, the Pathephone is a logical choice.

—Alton's village constable has resigned on account of the insufficient salary offered him at the last meeting of the police trustees of the village.

—There will be a royal good time at the Chicken Pie Supper at Laurel on Friday evening, Dec. 12th.

—Our stock of Christmas stationery is the best we have even handled and that's saying something. The Banner Bookstore.

—When ordering goods by mail send a Dominion Express Money Order.

—No business man nor pioneer in any community can make a better investment than in the support of a home paper. It is the Bradstreet report of the community.

—Mr. and Mrs. Silas Cook, of East Garafraxa, moved to town last week and are now getting comfortably settled in their new home on Wellington St. We extend them a hearty welcome.

—S. C. W. Hughson, of East Garafraxa, sold a Shorthorn calf to Jas. R. Hillyard, of Caledon, which made the remarkable gain of 115 lbs. in weight in 30 days, between 6½ and 7½ months of age.

—Mr. and Mrs. Wm. Guest and family, of Ballycroy, moved to town last week and are now domiciled in their fine home on West Broadway. Our citizens bid them a hearty welcome to Orangeville.

—A special meeting of Prince of Wales L. O. L. No. 320 will be held on Wednesday evening, Dec. 17th, for the election of officers and the transaction of general business. All members are urged to attend.

—Chicken Pie Supper at Laurel on Friday evening, Dec. 12th. Do not miss it.

—Mrs. A. Steele, of Toronto, has sold her fine dwelling house on the north side of Zina St. to Mr. Geo. H. McLean. We understand that the price paid is $4,000. The sale was made by Geo. Wilkins, real estate agent.

—Mr. Amos Fuller has sold his fine brick residence and seven lots in the West Ward to Mr. Alvin Simpson, of Springbrook, who will get possession in the spring. Mr. Fuller received $5,000 for the property. The sale was made by Geo. Wilkins, real estate agent.

—Mr. John Johnston, who moved to town from The Maples a short time ago, met with a very serious accident on Saturday afternoon. He was on the roof of his house in the South Ward plastering a chimney, when he slipped and fell to the ground a distance of upwards of 20 feet. He had several ribs broken in his right side and also suffered severe internal injuries. His injuries were attended to by Dr. Rooney and he was subsequently taken to Lord Dufferin Hospital, where he is doing about as well as can be expected.

—Two weeks from today will be Christmas.

—"The Messiah" in St. Andrew's church on Friday night.

—To The Banner Bookstore for neat, dainty Christmas stationery.

—Do not miss hearing the Orangeville Choral Society of forty-five voices give Handel's great oratorio "The Messiah" in St. Andrew's Presbyterian Church on Friday night.

—St. Andrew's Church, Orangeville, will hold Anniversary Services on Sunday, Dec. 21st. Major the Rev. A. L. Burch, a former pastor, will occupy the pulpit morning and evening.

Mr. J. E. Smith and his son, Master Gordon, went to the city yesterday to attend the funeral of the former's uncle, Mr. Nelson Smith, who passed away on Sunday aged 76 years. Deceased was formerly a resident of Alton.

—Friends of Mr. Harry Shaw will regret to learn that he has been confined to the house for the last week. We are pleased to be able to add that he is now recovering and expects to be going about again in a few days.

—The rendering of "The Messiah" is inspiring and never fails to make a profound impression on an audience. The Orangeville Choral Society will essay to interpret the great masterpiece in St. Andrew's church on Friday night.

—Orangeville High School will hold its annual Commencement Exercises in the Opera House on Wednesday night, Dec 17th. Prof. Coleman, Dean of the Faculty of Education in Queen's University, will deliver an address. Dr. Coleman is a former student of the School.

—R. H. Halbert, the U. F. O. candidate, carried the North Ontario bye-election on Tuesday by a comfortable majority. Incomplete returns indicate that the majority will be somewhere between 130 and 300. Considerable local interest was manifested owing to the fact that Halbert is President of the U. F. O. and also a former Dufferin man.

—Four election protests were lodged last week against members elected to the Ontario Legislature. The members, whose seats are protested, are Hon. G. Howard Ferguson, Grenville, T. K. Slack, Dufferin, J. B. Johnston, East Simcoe, and G. H. Murdoch, Centre Simcoe. The protests, which were entered at Toronto, are all based on the usual general charges of irregularities.

—Shortly before the noon hour yesterday an auto driven by Harold Dowling, of Moore Mills, swerved on some ice on Broadway and getting out of control headed across the sidewalk on the north side of the street. It stopped when it struck the brick front between McLean's barber shop and Wild's boot and shoe store. The plate glass front in McLean's was smashed and the car suffered considerable damage.

PERSONALS.

Mrs. John W. Gibson, of Ceylon, spent yesterday with her sister, Mrs. G. A. Hanrahson, of Mono.

Mr. and Mrs. Wilson Duke, of Burlington have returned home after spending a few days with Mr. and Mrs. A. Clarridge.

Mr. Richard Thompson, of Caledon, announces the engagement of his only daughter, Maria Pearl, to Mr. Norman Wesley Widdis, of Caledon. The marriage will take place quietly this month.

Mr. J. E. Sutherland, accountant in the Bank of Commerce, left on Tuesday for a month's vacation, which he will spend with relatives in New York city. Mr. Sutherland will return to duty about January 4th.

Mr. and Mrs. S. Stewart Hughes, of Toronto, were the guests of the former's father, Mr. J. Hughes, over the week-end. The young couple received the hearty congratulations of many Orangeville friends on their recent marriage.

Mr. and Mrs. Wm. Tosh, of Damascus, announce the engagement of their only daughter, Elizabeth J., to Mr. Joseph Spencer Carney, son of Mr. and Mrs. Joseph Carney, of East Garafraxa. The marriage will take place the middle of December.

NATHANIEL THOMPSON

Orangeville lost a well-known citizen last week by the death of Nathaniel Thompson, who passed away at his late residence on Second St. about 8 o'clock on Thursday morning after two months illness from an internal malady. Mr. Thompson, who was 6 years and 9 months of age, was a native of the County of Dufferin. He was born and spent his boyhood on the 12th line, East Garafraxa, being a son of the late James Thompson, one of the early settlers of the township. 39 years ago the subject of our sketch married Miss Eliza Robinson, a daughter of the late George Robinson, of East Garafraxa. About the same time he moved to Mono, settling on lot 13, 3rd line, east. He subsequently moved to lot 6, 2nd line, east, where he farmed successfully until he retired and came to live in Orangeville about 7 years ago. Deceased had a fine farm in Mono and was one of the most successful farmers and stockbreeders in his district. His specialty was horses and few men could equal him in picking out a good horse or discovering the defects in a poor one. He is survived by his widow and a family of three sons. The latter are Deputy-Reeve J. E. Thompson, of Orangeville, Geo. Thompson, on the homestead in Mono, and Albert, at home. There were also three daughters, none of whom are living. Mrs. W. J. Johnston, of Toronto, John Thompson, of Orangeville, David Thompson, of Grand Valley, William Thompson, of Los Angeles, Cal., and Peter Thompson, in Mexico, are the surviving sister and brothers. Deceased was a member and supporter of St. Mark's church and a staunch Conservative in politics. There was an unusually large attendance at the funeral, which was held from his late home to Greenwood cemetery on Saturday afternoon. Rev. Capt. Stewart, the family pastor, conducted the services and two of the brothers, David and John Thompson, and four brothers-in-law, Messrs. Michael, Andrew, George and E. A. Robinson, were the pallbearers. The floral tributes included a pillow and wreath from the family; anchor, W. J. Bailey and children; wreath, Mr. and Mrs. M. Robinson; wreath, Mr. and Mrs. E. A. Robinson; a spray, the brothers; a spray, the sister; and spray, Miss Reid, Toronto. The sympathy of the many friends of the family and of our citizens generally goes out to the widow and sons in their time of sorrow.

Among the friends here from a distance were Mr. W. J. Bailey and children, of Turaske, Sask.; Mrs. W. J. Johnston, of Toronto; Jas. and Wm. Thompson, of Belwood; Thos. Mara, of Brampton; John Best, M.P. and E. J. Reaburn, of Shelburne, and John Reaburn, John Bailey and Rice Hill, of Whitfield.

FIFTIETH ANNIVESARY.

Special services to commemorate the fiftieth anniversary of the opening of the church will be held (D. V.) in St. Mark's church on Sunday, Dec. 21st, at 11 a. m. and 7 p. m. Rev. Prof. E. A. McIntyre, M. A., B. D., who has been at St. Paul's church, Toronto, in the absence of Rev. Dr. Cody, will preach at both services.

WALDEMAR.

(Intended for last week.)

Business is flourishing in our little burg. Every person is in their proper place and all are feeling happy.

Mr. John McLeod sr., is home nursing a very sore leg. We hope to see him around again shortly.

A short time ago Mr. T. H. McDowell, our village shoemaker, sold his house and lot to Mr. Richard Manley, of East Garafraxa, with the intention of retiring from business, on account of ill-health. Since making the sale Mr. McDowell's health has improved so much that he has decided to re-open his business in the village as soon as he can secure a suitable location.

Rev. Mr. and Mrs. Ross attended the marriage of Miss McGregor, sister of Mrs. Ross, at Waterdown recently. Miss McGregor was married to Mr. Marshal A. Wothy, a farmer in the Waterdown district. Rev. Mr. Ross tied the nuptial knot.

Messrs. Jas. McConachie & Sons, the widely known threshers, have pulled in after a big season's work.

Mr. and Mrs. Thos. Reid were the guests of Mr. and Mrs. Will McConachie, 9th line, North Amaranth, on Sunday.

ALTON.

(Crowded out of last issue)

A very successful joint meeting of Alton Junior and Women's Institutes was held at the home of Mrs. E. D. Barber last week. The next meeting will be at the home of Mrs. A. Mason on Wednesday, Dec. 10th at 3 o'clock.

As the Public Library has purchased a number of new books, readers are requested to bring in the books they have out not later than Saturday, Dec. 13th, so that books can be passed out again the following week. All money owing the Library should be paid to Miss Tone Gibbs by the same date.

The Presbyterian Ladies' Aid Society concert was certainly a great success. A very fine programme was provided by the Galt Quartette and Miss Browne, of Orangeville, who acted as accompanist.

The Young Girls Class of the Presbyterian S. S. are holding a Bazaar in Mr. D. C. Worts' ice cream parlor on Saturday, Dec. 13th, when a variety of useful and fancy articles suitable for Christmas gifts will be on sale. The Bazaar will open at 6.30 p.m. Young ladies in nice white caps and aprons will wait on all visitors.

MONO MILLS.

The Rev. A. P. Brace, B.D., of Toronto, will visit Mono Mills Epworth League on Tuesday evening, Dec. 9. The chair will be taken by Mr. Bert Lindsey, District President, at 8 p.m. Special music by the church choir and solos by Mr. Lindsey. Subject: "The League and the National Campaign." Collection to be taken at the close.

Rev. Jenkins Burkholder, who has been relieved from the work of his own congregation for a couple of months to enable him to visit all the congregations of the Orangeville Presbytery in connection with the Forward Movement, will be in the Mono Mills charge on Sunday, Dec. 7th. Mr. Matheson will speak at Adjala at 11 a.m., Mono East at 3 p.m. and at Mono Mills at 7 p.m. All are invited to be present.

NOTICE TO CANADIAN FUR SHIPPERS "SHUBERT" — A Canadian House

For the convenience of Canadian Fur Shippers, "SHUBERT" is operating a Canadian Fur House—A. B. SHUBERT, LTD., 324 Donald Street, Winnipeg, Manitoba, Canada.

This procedure (says Mr. A. B. SHUBERT, President of A. B. SHUBERT, LTD., Winnipeg, Canada) was due to an increasingly large amount of new Canadian Shippers each season and since "SHUBERT" has always had "THE SHIPPERS INTEREST" at heart, we make these connections so that we may be closer to "THE CANADIAN FUR SHIPPER" thereby giving him advantages which could not very well be applied such as RETURNS—"QUICKER," "BETTER SERVICE," CLOSER CO-OPERATION and always LIBERAL GRADING—HIGHEST MARKET PRICES.

"SHUBERT" requires no introduction to the CANADIAN FUR SHIPPER, having been in the field satisfying Fur Shippers for over thirty-six years. "SHUBERT" is now prepared to give CANADIAN FUR SHIPPERS —"BETTER SERVICE" than ever before.

CANADIAN FUR SHIPPERS are kindly requested to address all inquiries or communications to A B. SHUBERT, LTD., 324 Donald Street, Winnipeg, Canada.

ALTON HOCKEYISTS.

Alton Hockey Club was organized for the season at a well-attended meeting on Monday night. The officers are: —

Hon.-President, J. M. Dods; President, J. A. Lovell; Vice-President, Everton Barber; Manager, W. O. Chantler; Secretary-Treasurer, Art. McLachlan.

The Club will be pleased to hear from the hockey clubs in the neighboring towns and villages and would welcome any move to organize a local League, including Orangeville, Shelburne, Grand Valley, Erin and possibly other places.

SPECIFIC FOR BRONCHITIS

The turpentine used in Dr. Chase's Syrup of Linseed and Turpentine is not the ordinary commercial article, which is little used because of the unpleasantness of taste, but is specially extracted from tamarac and spruce gum and so combined with other valuable ingredients as to be at the same time pleasant to use and wonderfully effective in the cure of affections of the throat, bronchial tubes and lungs. mending the Nerve Food to others.'

H. S. COMMENCEMENT.

Orangeville High School Commencement

I wish to tender my heartfelt thanks to our friends and neighbors for their great kindness during the illness and since the death of my father, the late John McEachern.

NEARLY 3,400 KILLED.

In Ontario last year, the lives of 3,380 persons were claimed by consumption. This is all the more terrible because most of them might have been saved had they been helped in time.

Here is a case in point. Several years ago a man came to the Muskoka Free Hospital for Consumptives. He had been on Active Service in Africa, where hardship and exposure had broken down his health. Suspicious of his symptoms he sought our aid. A short time ago he wrote:

"Through your Hospital a soldier of the South African War regained his health and a family a happy home."

This is not an isolated case, for many others have been restored to health and anxious families, it takes much money to carry on the work. Your gift, for whatever amount, will be gratefully received.

Contributions may be sent to Sir William Gage, 84 Spadina avenue, or George A. Reid, 223 College street, Toronto.

—You may procure the new Presbyterian hymnals at The Banner book store.

What Everywoman Knows

Every year, dress fabrics are becoming sheerer and sheerer—the colors more dainty. The ordeal of trusting the delicate garments to "soap and water", however, is done away with by the use of Lux.

Lux will not harm any garment, however delicate or dainty, that pure water itself will not injure.

You can wash any garment with Lux without fear of having it spoiled. The whole secret lies in the matchless purity of the little satiny Lux flakes.

There is no substitute for Lux. There is nothing like Lux. Lux is in a class by itself.

Lux is on sale at all Grocers, Departmental Stores, &c.

A handy little recipe booklet, entitled, "The Care of Dainty Clothes" will be gladly sent free on request.

Home, Sweet Home

A wanderer stood in the darkened street, looking through the window at a happy family within. The scene pictured the longing in his soul for the home he did not have.

The man slipped away unseen, and one day wrote a song—the song of his soul. And this song became immortal; the most beautiful and pathetic heart-song that the world has ever known.

The man was John Howard Payne, and the song is "Home, Sweet Home."

You may RE-CREATE in your own home this immortal song if you own

REPORT OF CHILDREN'S AID SOCIETY INSPECTOR.

Mr. President, officers and members of the Children's Aid Society of the County of Dufferin. It is again my privilege to make our annual report, a record of another year's service on behalf of neglected, dependent, and delinquent children. To a superficial observer, the matter of statistics counts for little, but to those actually engaged in Children's Aid work, who realise that each case and each visit involves the welfare of some child suffering from cruelty, want, or neglect, it gives a better idea of the scope of work accomplished. The very nature of this work requires that it be done quietly, confidentially, yet effectively, that names and particulars be witheld from the Press. Often, no one, except the inspector and his assistant, hears of the case.

Thus with a spirit of helpfulness and friendly advice the offender is protected as well as encouraged to better things.

Before proceeding with the report, I feel that I should first direct your attention to the loss we have sustained during the past year, by the death of one of the active members of our Board, Rev. Father Finegan, whose assistance was at all times needed and appreciated.

We can only hope that the example of his many kind deeds and his deep interest in the children of this community will always serve as an inspiration to us to carry on the work in which he so ably assisted.

May I also digress for a moment to explain in a general way something of the nature of this work and the conditions affecting child-life in our County?

From observation only, one might think there was little need for work of this kind, but we find here, as elsewhere, the usual percentage of juvenile delinquents together with a few defectives.

We have others who have gone so far in the ways of wrong-doing that they might be considered moral degenerates. All of these are elements of danger to the community and each calls for special treatment.

There are also cases where parents are devoid of all sense of parental duty, who escape responsibility by imposing their children upon the general public. There are homes, the sanctity of which is defiled by parents who have charge of children of tender age; if such practise is allowed to prevail, estrangement of the parents invariably follows, resulting in neglect and abandonment of the children.

In the cases cited, the parents are amendable to the law governing social service work, and are subject to the machinery provided by this Society for its enforcement.

The greater part of our work is done through advice and intercession at the office of Inspector or Police Magistrate and by frequent visits to homes.

In certain cases, such as estrangement of parents, desertion, adultery, etc., our policy has been solely one of mediation, to deal directly with the parties concerned without recourse to the courts.

Complaints of immorality in children were quite numerous, as were charges of infidelity of parents.

These latter unfortunately are most difficult to deal with on account of lack of proper legislation, though some cases can now be more effectually dealt with than others under a recent amendment to the criminal code. A number of cases of immoral conduct in children were successfully dealt with during the year. Our aim is to establish in every district throughout the County, committees of devoted women—mothers, who will act as probation officers, to advise with the inspector, and who will be willing to cope with these cases by direct personal touch and by appeal to their better natures.

I might say here that the Judges, Police Magistrates, and other administrators of the law throughout the county, are quite in sympathy, and realize that in this way much good can be accomplished.

The conditions surrounding our children to-day are not what they should be.

This is an age of the over-indulgent parent and the self-indulgent child. The extravagant expenditure of money by both sexes is far too prevalent.

Self restraint and self denial are virtues that are rapidly becoming obsolete.

May I submit for your consideration the following matters concerning the welfare of children that have come under my observation.

Proper provision should be made for the instruction and care of feeble-minded children. Boys and girls of tender years mentally deficient are permitted to associate with normal children. This should not be.

The prevailing methods of enforcing the Truancy Act are not satisfactory.

The law compelling parents to send children of from eight to fourteen years to school is openly violated.

Steps should be taken to compel negligent parents to obey this law.

Profanity is altogether too prevalent among the youths of our county. Public sentiment must be aroused to condemn swearing in public places, especially in skating rinks, poolrooms, bowling alleys, and other places of recreation.

The custom of allowing children to sell papers and distribute bills etc., on our streets and to waste their earings on cigarettes, candies, chewing gum, and other indulgences, should be largely curtailed.

The far too common practice of certain business men of encouraging children to open accounts for ice cream, candies and other sweet meats is open to censure. In some of the cases investigated, accounts have been found to include firearms, ammunition, cigarettes and tobacco, all of which are sold contrary to law.

A check should be put on the sale of cigarettes and tobacco to minors. The tobacco habit is working havoc with our children. Loafing on street corners, at store entrances, and alleyways, especially on Sundays, should be eliminated.

Children should not be allowed to frequent vacant houses and lots, play with toy pistols, or use catapults on our streets.

Play grounds under proper supervision should be provided by our municipality.

There is a lamentable need of enforcement of a curfew-law in our towns, villages, and hamlets. Too much license is given children to play up to late hours, frequent public places of amusement and to roam the streets at night, unattended; all of which result in neglect of studies and in their general undoing.

There seems to be no public sentiment in our county demanding municipal action against these evils, though each one is a serious offence in the eyes of the law.

Much of the depravity we have to deal with, is traceable to this lack of parental authority.

Where our homes are so lacking in discipline, is it too much to expect of our municipalities that they enact such ordinances as will protect and care for our youth by providing suitable places of amusement and recreation under proper direction and control. In submitting these suggestions for your earnest consideration, may I remind you, that the work of your Inspector in dealing with children is largely along lines of prevention, not only to save them from neglect, but to save them from themselves and their indulgences.

It is only through the earnest co-operation of parents and administrators of the law in disciplining our homes, that this can be accomplished.

The principle on which this organization was founded in 1893: "That a child has an equal right to justic, and fair treatment with an adult," is just as applicable to-day as it ever was. At no time of the world's existence has the conservation of child-life been of such importance as at the present. As we build now, so shall our future be.

The following summary of our work is submitted:

Applications for children	26
Children placed in foster homes	4

LUMBERMEN MEET.

The annual meeting of District No. 6, of the Ontario Retail Lumber Dealers Association was held in the Council Chamber on Friday, Dec. 5th. Mr. J. A. Matthews, of Orangeville, was re-elected Chairman and Mr. J. B. Mackenzie, of Georgetown, was re-elected Secretary. Among those present at the meeting were W. G. Gorvet, of Arthur, John Howes, of Harriston, Udney Richardson, of Elora, Robert Dixon, of Gd. Valley, A. Henderson, of Cheltenham, Horace Boultbee, of Toronto, Secretary of the Ontario Retail Lumber Dealers Association, and G. B. Van Blaricom, of Toronto, Editor of the Canada Lumberman. The Association was formed about a year ago for purposes of co-operation, the standardising of accounting systems, order forms etc. Everyone of the dealers present at the meeting reported an abnormal demand for shingles as a result of the recent windstorm, which seems to have been quite general in its destructive effects. Lumber stocks were also reported very low.

W. R. Bocking, Principal of St. Mary's Collegiate Institute, has accepted a position as mathematical master on the St. Thomas Collegiate staff, at a salary of $2000.

After band practice Shelburne Citizens' Band serenaded two recently married couples, Mr. and Mrs. Harry Galbraith and Mr. and Mrs. James Landsborough. Messrs. Galbraith and Landsborough are both members of the band.

CHILDREN MUST BE PROTECTED
The children must be safeguarded, for, if they do survive the frequent coughs and colds, it is often with the lungs so weakened that they become chronic sufferers from bronchitis or consumption, Being composed of simple ingredients of undoubted value, Dr. Chase's Syrup of Linseed and Turpentine is admirably suited as a treatment for children. It is pleasant to the taste. So much so that children delight to take it on this account, as well as because of the quick relief it affords them.

MOTHER HAD TO PROP HER SON UP IN BED

Could Hardly Get His Breath At Times—Is Now the Picture of Health.

"My son Francis is the picture of health since his recovery through the use of Tanlac," said Mrs. Annie Haxby, living at 12 Walker St., Kingston Road, North Beach, Toronto, Ontario.

"My boy had been suffering for several years," she continued, "with all the symptoms of asthma and catarrh and couldn't stand the least exposure without catching cold. His bronchial tubes and nasal passages seemed to be completely stopped up and at times he would have such awful spells of coughing that I would have to prop him up in bed at night before he could get a good breath. I had him treated for years but he only found a little temporary relief.

"As everything else had failed to help him I thought I would give him Tanlac and it is simply wonderful the way it helped him. His catarrh is about gone and every symptom of asthma also and his health is better than it has been in years. In fact he is just like a different boy, is going to school regularly and is feeling fine."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

"The New Fairbanks-Morse Type Z Engine"
YOU simply cannot get more engine value per dollar than you get when you buy either of these engines. They are oil engines built to use kerosene and other cheaper fuel as well as gasoline.
Here's where you get your economy—these engines use kerosene so successfully that you get the same power from a gallon of kerosene as from a gallon of gasoline—and you save the difference in cost!
POWER? All you want and more. These Type "Z" engines are built to serve.
Every distinctive feature of these wonderful engines does its part to develop maximum power from least fuel. Results are the test we ask. They are the most practical, money-saving and all-round satisfactory engines that your money can buy. Adopted for General farm work such as Grinding, Ensilage Cutting, Wood Sawing, pumping electric lighting etc.

ORANGEVILLE, DEC. 18, 1919

THE TOWN COUNCIL.

Orangeville Council held the usual statutory meeting on Monday night for the purpose of winding up the business of the year. After the business of the meeting had been transacted Mayor Lewis was asked to vacate the chair and Reeve Jeffers was appointed chairman pro tem. A motion was then passed voting the Mayor an honorarium of $50 as a slight recognition of his services to the municipality during the year. Upon resuming the chair His Worship thanked the members of the Council for their gift and for the courtesy and consideration with which they had treated him during the year.

Applications from Messrs. Jos. Pattullo and D. B. Brown for remission of taxes on properties owned by Mr. Pattullo and Mr. C. E. Ireson, were referred to the Court of Revision for consideration.

Council agreed to cancel Jos. Snowden's water rates for the current half year.

Payment of the following accounts was authorized:—Robert Lawson, $5.00; Armstrong & Robinson, $5.40; Fuller, Allen & Holmes, $32.00; E. C. Clark, $6.65; Robt. Allen, $10.65; Sarah King, $15.00; W. J. Thomas, $1.05; Geo. Eadie, $1.20; James Graham, $2.70; Orangeville Hydro Commission, $34.38; McGuire and McKitrick, $24.50; Sun Printing Co., $27.50; Richard Young, $1.00; J. M. Bennett, $32.00; J. H. Hughes, $32.00; A. A. Hughson, postage and stationery, $21.80; A. A. Hughson, law costs, $10.00; John Norris, $20.00; D. A. Hone, $26.50 and $6.50.

MUNICIPAL NOTES.

Reeve C. V. Jeffers, of Orangeville, will stand for a second term and will be a candidate for Warden if elected.

Reeve Kannawin and Deputy-Reeve Thos. Smith are probable candidates for the Caledon reeveship. Geo. Giles is talked of for Deputy-Reeve and Coun. Sutton may also be a candidate for the position.

Mr. T. S. Parkinson has definitely announced that he is a candidate for the Mayoralty of Orangeville for 1920. Mr. Parkinson has been a member of the Council for the last four years and has rendered useful service in the responsible position of Chairman of the Finance Committee. He has held this Chairmanship for four years and has therefore had an excellent opportunity to become thoroughly familiar with the financial problems of the municipality. He is a level-headed business man, progressive in his ideas and an admirable platform speaker. If he is elected he will fill the Mayor's chair acceptably and worthily.

Amaranth is likely to have an oldtime municipal fight this year. Reeve Hepton is retiring and Mr. W. J. Hamilton, who was defeated for the Reeveship a year ago, and Councillor T. F. Reid are slated to enter the lists for the vacant position. The municipality will have a Deputy-Reeve next year and Councillors Robt. Curry and Thos. F. Simpson, of the 1919 Council, are likely to oppose each other for the new office. Walter Gray, of Laurel, and Fred Hammond, of Hisel's Corners, are among the new men mentioned for the council. Councillor Thos. Whaley will run again and there may be a number of new aspirants in addition to Messrs. Gray and Hammond.

CHRISTMAS TREE.

The teacher and pupils of S.S. No. 16, East Garafraxa will hold a Christmas Tree and Concert in the schoolhouse on Friday evening, Dec. 19th. A good programme of dialogues, recitations, etc., will be provided. Admission, 15 and 25 cents.

Anniversary services in St. Andrew's church next Sunday. Major the Rev. A. L. Burch, a former pastor, will occupy the pulpit morning and evening.

PEEL UNITED FARMERS.

At a representative meeting of Peel Cunty United Farmers in the Concert Hall in Brampton a week ago Saturday, Mr. J. G. Hassard, of Ballycroy, was elected to the position of County President and county representative on the Provincial organization. Mr. Hiram Caslor, R. R. 2, Cheltenham, was chosen Secretary-Treasurer. The Executive will consist of a Director from each township as follows:—Caledon, W. J. McKinley, Caledon East; Albion, Cecil Gott; Chinguacousy, H. J. W. Taylor, Cheltenham; Toronto Gore, James Duncan, Malton; Toronto Township, Thos. Andrews, Meadowvale.

SEEK EXPERIENCES OF SETTLERS IN CANADA.

Department of Immigration Offers Prize for Best Accounts of Successful Ones.

In order that the department of immigration and colonization may have at its command authentic accounts of the experiences of successful settlers in various parts of Canada it has decided to offer cash prizes for letters or articles not exceeding two thousand words written by settlers written in each of the nine provinces. The articles will be judged by a committee to be appointed by Hon. J. A. Calder, minister of immigration and colonization, and should be mailed not later than February 14th, 1920, to the director of publicity for the department. Three cash prizes will be given, one of seventy-five dollars, one of fifty dollars and one of twenty-five dollars, in each of the nine provinces.

It is explained that the competition is not a literary contest, the official announcement stating that:—"Literary style, correct spelling, etc., will not be considered essential. Tell your story in your own words." It is believed that the procuring of a number of graphic and truthful stories of how success has been won from the soil in all parts of the Dominion will do much to contribute to a future movement to Canada of the right class of settlers.

Full details of the competition are given on a poster hanging up in every post office throughout Canada.

A CORRECTION.

To the Editor of The Banner:

SIR,—Some time ago after the September meeting of the Mono council I made a statement that T. H. Moffitt, reeve of Mono, paid Geo. Moffitt for 120 rods of wire fences, which I sometime afterwards found was not correct. I understood the township clerk, when reading the minutes of the council, to say that a bill for wire fence had been paid to George Moffitt for $35.40 and I stated to some persons that, if I had not made a mistake, Mr. Moffitt was not entitled to the money. Later I found out that the account was for Neice Moffitt, who had built 118 rods of wire fence. In case my statements might injure any person, including myself, I make the above explanation, which I hope will be satisfactory to Mr. Moffitt.

Yours truly,
JAMES MORTON.

Mono, Dec. 8th, 1919.

LEAP YEAR IN TWO WEEKS

The year 1920 will be leap year, consequently February will have 29 days. Spring will commence March 20. Summer on June 21, autumn on September 23, and winter December 21. There will be four eclipses, two of the sun and two of the moon. Two of them will be visible in Canada, one of the moon on May 2 and a partial eclipse of the sun on November 10. New Year's day and Christmas day come on Thursday and Saturday respectively. Easter Sunday falls on April 4 and Dominion Day on Thursday. To give people unusual opportunities for getting to church February, May, August and October will have five Sundays each. Many marriages are assured as the ladies do the proposing next year and get the man or a silk dress. Perhaps both.

"THE MESSIAH"

A large and deeply gratified audience heard the Orangeville Choral Society render Handel's great oratorio "The Messiah" in the auditorium of St. Andrew's church on Friday night. From the standpoint of the music lover the performance was most satisfactory and furnished convincing evidence of the standing and ability of Mr. J. E. Jessop as a conductor. The Society was remarkably well-balanced and the singing was marked by precision and an appreciation of the spirit of the theme that bespoke careful and intelligent preparation on the part of the members of the choir. The chorus work was all of a very high order, particularly so in the Hallelujah and Amen numbers, which may be described as the climax numbers of the performance. Exacting as there two choruses were on the singers they were given with excellent effect and apparently without a flaw. The entire audience rose and remained standing during the singing of the inspiring and deeply stirring Hallelujah chorus. Too much praise cannot be given the soloists of the evening. Without exception their numbers were well sustained and of a very high order. They were Mr. W. Clowes in "Comfort Ye My People" Mr. Jessop in the song "Thus Saith the Lord" an aria "But Who May Abide" and the recitatives, "For Behold Darkness" and "Behold I Tell You a Mystery," Miss L. Bell, "O, Thou That Tellest," Mrs. Dr. Bowles, Miss Vera Hogg, Mr. E. C. Connop and Mrs. R. E. Jackson. The work of the organist, Miss D. Browne, was also of a high order and elicited very favorable comment. Rev. W. M. Morris, who acted as chairman, led in the opening prayer and Rev. E. R. Young pronounced the benediction at the close.

The members of the chorus were:

Soprano—Mrs. (Dr.) Bowles, Mrs. R. E. Jackson, Mrs. A. D. McKitrick, Mrs. R. H. Robinson and Misses M. Anderson, A. Clark, N. Darraugh, G. Ewing, B. Harshaw, M. Harshaw, A. McConnell, M. Rowan, D. Wright and S. Watson.

Contralto—Mesdames J. B. Adamson, G. B. Bull, W. M. Green, J. S. Robertson, G. Wilcox and W. R. Liddy and Misses L. Bell, V. Hogg and H. Hewat.

Tenor—Messrs. G. Bull, E. C. Connop, W. Clowes, F. A. Falconer, G. Kearns, Dr. W. J. Price, C. B. Robinson, T. Wright and R. Fairbairn.

Bass—Messrs. A. M. Ellis, A. Firth, G. B. Hayes, J. E. Jessop, E. Liddy, A. Macpherson, W. Porter and A. Walker.

A SUCCESSFUL DANCE.

The Orangeville Branch of the Great War Veterans held a highly successful Dance in the Queen's hotel on Wednesday night of last week. Five hundred invitations had been issued for the affair and the attendance of guests was the largest at any local social function for many years. Quite a number were present from outside points. The floor was in excellent shape for dancing and lovers of this form of amusement were able to indulge themselves under the most favorable conditions. Delightful music was provided by a local orchestra, consisting of Miss Vera Hogg, pianiste, Mr. C. B. Robinson, cornetist, Mr. W. Haslam, violinist, and Mr. C. McConnell, traps. The Committee in charge of the Dance was composed of Messrs. J. M. Aiken, A. E. Fleming, T. J. Dawson, Earl Stevenson and W. A. Lewis, the latter acting as Secretary-Treasurer. The patroneses were Mesdames (Dr.) Campbell, Hackett, Hulse, Hopkins, Smith, Little, McKeown, McMillan and Preston.

A STARTLING DEATH.

The startling death of Mr. John Betteson, an elderly Adjala farmer, on Thursday morning last, was a great shock to the members of his family and the people of the community in which he resided. Mr. Betteson, who was a very healthy, active man, left his home on lot 3, 1st line, Adjala, about 9 o'clock on Thursday morning leading a horse, which he intended selling at the Orangeville fair. His son left a little later with a rig and some produce, expecting to overtake his father before he had gone far and have him accompany him in the rig with the horse leading behind. A short distance west of Mono Mills Mr. Betteson had a fatal heart seizure and dropped on the road, where it is supposed he died instantly. A few minutes later he was discovered by Messrs. D. Young and James Lott, who were driving east from Orangeville in an auto. They hurriedly summoned Dr. Dunning from Mono Mills. The physician found the body quite warm, but life extinct. The remains were placed in an auto, but the party had only well started when they met the son driving to Orangeville. Needless to say he was almost overcome with grief by reason of the heart-rending occurrence. The late Mr. Betteson, who was about 65 years of age, was born in Chinguacousy, but had spent the greater part of his life near Macville in the lower end of Albion. The family moved to Adjala six years ago and are highly respected residents of the Connor district. Mr. Betteson was an excellent neighbor, and an industrious, law-abiding citizen and as such enjoyed the esteem and goodwill of his home community. He is survived by his wife and a family of two sons and two daughters, namely: Mrs. Geo. Westlake, of Mono Road, Jno. J., Will and Miss Mabel, at home. These have the heartfelt sympathy of all friends of the family in their terribly sudden bereavement. There was a large attendance at the funeral, which was held to the Union Cemetery, Caledon East, on Saturday afternoon. Rev. J. A. Matheson conducted the services, assisted by Rev. A. Laycock and Rev. A. C. McCollum. The pallbearers were Messrs. Geo. Lee, Geo. Patterson, Wellington Darraugh, Enoch Snell, Vernet Armstrong and Isaiah Hammond.

MRS. SAMUEL COURTNEY

Death is always sad, but it was doubly sad in the case of Mrs. Courtney, the girl wife of Mr. Samuel Courtney, 13th line, East Garafraxa, who passed away in Dr. Campbell's hospital in Grand Valley on Tuesday morning shortly after undergoing an operation for appendicitis. Mr. and Mrs. Courtney were married on September 3rd last and had only got well settled in their new home. The young wife, who was only 18 years and 1 month of age, was a daughter of Mr. and Mrs. John Porterfield, 4th line, Amaranth. She was a winsome, attractive girl, who had a host of friends and well-wishers. Her sudden and unexpected death has created a feeling of consternation and calls forth profound sympathy for the grief-stricken husband and parents. The funeral will take place from the home of her parents to Greenwood cemetery at 2.30 o'clock this (Thursday) afternoon.

MRS. LEONARD LOVELL

Mrs. Leonard Lovell, of Alton, died in Lord Dufferin hospital about eight o'clock on Saturday night after a long illness from some internal trouble. She had been in the hospital for the last six months. Deceased, who was 45 years and 6 months of age, is survived by her husband and two daughters, Mrs. Wm. McDermott, of Orangeville, and Miss Mildred Lovell, of Alton. The funeral was held from the home of her daughter, Mrs. Wm. McDermott, West Broadway, to Greenwood cemetery on Tuesday afternoon. Rev. W. N. Carr, of Alton, conducted the services at the house and grave. The pallbearers were Messrs. Robt., J. A., Arthur and Chas. Lovell, Ted Marsh and Wm. McDermott. The sympathy of all friends of the family is extended to the sorrowing husband and daughters.

RETURNED SOLDIERS.

who enlisted under the age of eighteen years and who were not A1. when discharged, are given a free course and $60.00 per month while attending Orangeville Business College, which is an approved school by the Department of Soldiers' Civil Re-Establishment. All applications by returned men must be made before February 1st at which date no further courses will be granted.

Stay With Reeveship.

To the Editor of The Banner:

A great deal of prosperity that comes to a town is dependent largely on the leading citizens of the place. In former days a number of our citizens were lacking in faith as to the future, but now, there is a more hopeful outlook. Property has become more valuable and is eagerly sought after. Owners of good houses are afraid to put a price on for fear that it will be accepted. Our Council has given very good satisfaction this year but, owing to the retirement of Mayor Lewis we might expect that Reeve Jeffers will accept the position of Chief Magistrate of the Town. With due deference to the honor it will bring him, I trust that he will not accept the position but again be satisfied with the Reeveship in which position he has served only one year. From a close following of his workings in the County Council during the year I feel he is too valuable a man there for the town to lose his services. He is able to express his opinions clearly and is listened to by his fellow councillors with respect. His general work for the County and particularly for the Town is good. As a member of the Good Roads Committee he was instrumental in having a start made in the Town of a permanent highway but the best work he has done for the town is in obtaining larger county grants to our High School. Early in the year our High School grant was increased from $5.00 to $10.00 per pupil making a difference to the Town of Orangeville for this year of $345. and at the last session this grant was again increased to $15.00 per pupil, which with the same attendance will mean an increase of almost $1700. He is a valuable man to the town in the County Council. We can obtain a good Mayor from old Councillors of the experience of Messrs. White, Fairbairn or Parkinson, and while it is a distinctive honor to be Mayor if he foregoes that, he has an opportunity to be rewarded with the Wardenship which has not been conferred on an Orangeville man since 1907. I trust that the citizens will induce Mr. Jeffers to remain as Reeve for 1920.

Yours truly,
A VOTER.

as a Christmas Gift. The enjoyment of it never fades. Every wash day of the year it makes the wife or mother happy. Verily, it changes her outlook upon the coming year, for it clears away her dread of wash day. It cuts the hardest of the work right out and she isn't fagged at the end of the day. It saves two whole hours of time so she can get the other work done as well as the washing. She doesn't need to hire a washer woman and she doesn't have to send the washing out to be done.

HOPTROUGH–KEEBLE

On Thursday, September 25th, at Manor in England, the marriage of Edward J. Hoptrough, formerly of Laurel, and Florence E. Keeble was solemnized in the presence of a large number of friends. The service was most impressive, the address of the pastor to the bride and bridegroom embracing kindly words of advice. The bride is the youngest daughter of Mr. and Mrs. G. A. Keeble, who are long standing and greatly respected residents of the district, and the bridegroom, recently demobilized from H.M. Canadian Field Artillery, is the brother of Warrant Officer W. Harris, of Tower Bridge Police Court. Later in the day the happy pair left for Hintlesham, Suffolk, for their honeymoon. The presents were numerous and costly.

SELLORS–BLACK.

On Saturday, November 29th, a very quiet wedding was solemnized at the home of Rev. John Locke, pastor of St. Paul's Methodist Church, Brampton, when Myrtle Ruth, oldest daughter of Mr. and Mrs. Henry Black, of Brampton, became the wife of Joseph Sellors, of Brampton, youngest son of Mrs. K. Sellors, of Toronto. The bride wore a navy blue broadcloth suit and was attended by the groom's sister, Miss Dorothy Sellors, of Toronto, while Mr. Alex. Black, the bride's brother, supported the groom. After a wedding repast served at the home of the bride's parents, the young couple went to their new home on Clarence Street, Brampton.

M'DONALD–WATSON.

The home of Mr and Mrs. Thomas Watson, of Grand Valley, was the scene of a very pretty wedding on Wednesday, Dec. 3rd, when their only daughter, Hazel Letishe, was united in marriage to Douglas Grant McDonald, son of Mr. and Mrs. D. P. McDonald, of Grand Valley, Rev. D. J. Lane, of Hanover, officiating. The bride was given away by her father. Mr. Wilbert McDonald, brother of the groom, received the bride's bouquet of pink and white Ophelia roses and Miss Arlon Campbell played the wedding music. The guests numbered about fifty. After a dainty wedding breakfast Mr. and Mrs. McDonald left on the evening train.

'XMAS ENTERTAINMENT.

A Christmas Entertainment and Box Social will be held in L. O. L. No. 320 Hall on the Prince of Wales Road, Mono, on Friday evening, Dec. 19th, at 7.30 o'clock under the auspices of the Mono College school. The programme will consist of songs, drills and recitations by the pupils and speeches and music by local talent. Gentlemen, 50 cents; ladies bringing boxes, free. Everybody come.

THE SALVATION ARMY.

Special services will be conducted by Staff Capt. Knight, of Toronto headquarters, on Saturday and Sunday, Dec. 20 and 21. There will be a Holiness meeting at 11 a.m. and a Salvation meeting at 8 p.m. A special invitation is given to all friends to come after the regular church services on Sunday evening. On Monday evening, Dec. 22nd, there will be a Christmas Tree and Entertainment at 8 o'clock. A good programme will be given and Santa Claus will distribute the presents. Friends are invited to send gifts for their friends and the children. Admission, 15 cents; all children free. Refreshments will be served. Don't miss this treat.

MONO MILLS.

Christmas services will be held on the Mono Mills circuit next Sunday, Dec. 21st, as follows: Mitchell's, 11 a.m.; Raney's, 8 p.m.; Mono Mills, 7 p.m. Special Christmas music at each service.

The committee in charge of the 'Xmas Tree and Entertainment in connection with the Union Sunday School are making preparations for a splendid programme by the children and young people of the school. In addition to the list of Dialogues, Drills and Recitations announced in last week's issue of the Banner, some selections in vocal music will be presented by local talent. All children of the community will be admitted free of charge and a cordial invitation is issued to them to be present. Admission for adults, 25c. Programme to commence at 8.30.

The Union 'Xmas Day service will be held in the Presbyterian church at 10.30 a.m. Rev. Alfred Laycock will preach the sermon.

A death of remarkable suddenness took place on Thursday morning last when Mr. John Bottesom, a prosperous and highly respected farmer of Adjala, dropped dead on Campbell's hill just west of the village while leading a horse to Orangeville Fair. Deceased had been in good health and his death was evidently caused by heart trouble.

Miss Marietta Newhouse, of Snelgrove, spent Sunday with friends here.

IN MEMORIAM.

SMITH—In loving memory of John Andrew Smith, who departed this life on Dec. 12, 1918.

One year has come and still we miss him,
A voice we loved is stilled,
A place is vacant in our hearts,
Which never can be filled.
God in His wisdom has recalled,
The boon his love had given,
And though the body moulders here,
His soul is safe in Heaven.
'Tis hard to break the tender cord,
When love has bound the heart,
'Tis hard, so hard, to speak the word,
We must for a while part.
He was the sunshine of the home,
He brightened care and pain,
With his brave, kindly spirit,
But our loss is his great gain.
How much his hand is missed to-day,
From the gentle ministry of love,
And the strong, true heart we laid away
In only known to God above.
Just to think of that reunion,
Over on the Heavenly shore:
When dear parents met their Andy,
And his sufferings all were o'er.
And as we wait our summons,
Whether soon or late it come,
May we each prepare to gather,
And meet in that Heavenly home.

Sisters.

LAUREL.

There will be a Christmas service in the Presbyterian church at Laurel, next Sabbath at 3 p.m. All are cordially invited. There will also be a Christmas Tree and Entertainment in the Hall on Tuesday evening, the 23rd inst. Admission, 25 cents.

ALTON.

A Juvenile Cantata entitled "The Happy Family of Father Time" will be rendered by the Alton Methodist S. S. in the Alton Town Hall on Monday evening, Dec. 22nd. Silver collection at the door.

The regular monthly meeting of the Methodist W. M. S. was held on Thursday afternoon, Dec. 11th, as usual. We had with us the Rev. J. M. Would, B. A., of China, who gave a very interesting Talk on the women and girls of China. Among other things he said that even supposing we could not read and write we have the privilege of getting out to hear the Gospel preached and that was why the Call was so urgent to send missionaries to preach to those in heathen darkness. In the evening Mr. Would also gave a Lecture which was very interesting and helpful.

CALEDON.

Miss H. Rayfield is visiting at Bowling Green.

News was received last week of the marriage in Minneapolis, U. S. A., of Harold Gemmill and Miss Myrtle Neil. Both are well known and popular young people of this community. The best wishes of all go with them.

The play "Tom Thumb's Wedding" will be given by the children in St. Andrew's church, on Christmas night. A good time is assured.

Most of the men, who were unfortunate enough to have their property damaged by the recent wind storm, have succeeded in replacing windmills, roofs etc.

Mrs. Wm. Curry's sale held last Wednesday was very successful. A good crowd was in attendance and good prices prevailed.

A number of the men around here purpose attending the U.F.O. Convention, in Toronto, this week.

The ratepayers who signed the telephone petition held a rather lively meeting here on Wednesday last and it is expected that the telephone situation will again be a bone of contention at the coming nomination.

Miss Irene McArthur and her mother left for Detroit on Tuesday last where they will spend the winter with Mr. and Mrs. McKenzie.

Rev. (Capt.) J. F. G. Morris will deliver a very interesting illustrated lecture on Christmas Eve in the Methodist Church. Some of the very latest and most beautiful slides have been procured for this Lecture which promises to be intensely interesting and very instructive. Don't miss this event. There will also be a short programme by the children of the Sunday School and a Christmas tree will also be an attractive feature.

The anniversary services in connection with this Church will be held next Sunday when an appropriate sermon will be preached and special music rendered by the choir. An appeal is also being made to make the annual free-will offering larger than ever.

LAUGH AND GROW FAT.

"Laugh and grow fat," is an old saying laden with value for nervous people in particular. Drop the worry habit and use Dr. Chase's Nerve Food and you will soon get the nervous system restored to good condition. Digestion will improve, appetite will return, and you will find such symptoms as headache and sleeplessness fast disappearing.

Mr. Roy Leslie has sold his fine 150-acre farm, known as the A. P. Gerrie farm on the Orangeville Road to Mr. Albert Mighton, of Peel.

Mr. Robert Plantt, one of Eugenia's most highly respected citizens, was waited on by a number of his friends and presented with an address and Bible and hymn book. Mr. Plantt has been a worker in church and Sunday School for over forty years.

How to get rid of Coughs, Colds, Bronchitis, Hoarseness and Bronchial Asthma.

The quickest way is to use

Buckley's Bronchitis Mixture

Don't put off until tonight what you can do today. Step into your Druggist and buy a bottle of Buckley's Mixture, use it for five days and if it don't prove to be the wonder medicine of the world take it back and get your money. Can one do more than this to prove to the public what a marvellous Mixture it is. And I back my claims too by the 100,000 Canadians that I have restored to health and happiness, that are only too willing to tell their fellow citizens the great curative power it contains. It has conquered coughs of 35 years standing. The question is what will it do for me, well you have everything to gain and nothing to lose, as it is sold under a cast iron money back guarantee to banish any of the above ailments. Not a Syrup but a Scientific Mixture 20 times stronger than any known Cough Cure. Acts like Magic. One dose gives instant relief, and a night's rest without a bark. Price 60 cents, mailed for 75 cents. 3 bottles for $1.75. Take no substitute. None genuine without my signature. W. K. Buckley, Manufacturing Chemist, 97 Dundas St East, Toronto.

Hospital for Sick Children

TORONTO

Upkeep of Big Charity Requires Fifty Cents a Minute.

Dear Mr. Editor:

The 44th annual report of the Hospital for Sick Children, Toronto, shows a notable advance in every department of its service to the suffering and crippled youngsters of this province. The ward accommodation has been taxed to its capacity, and the summer annex, the Lakeside Home, was opened for the first time since the outbreak of war.

The daily average of cot patients has increased during the year from 192 to 223, including children from practically every county in Ontario. Even had the cost of supplies and labor remained stationary, the substantial increase in the number of patients would alone account for the addition to the charity's debt, which at the close of the fiscal year was $208,808. This debt has become an embarrassing burden. Further increase must threaten impairment of an enviable efficiency.

The Hospital is in the forefront of all institutions upon this continent devoted to the care of sick children. It cost $235,599 to maintain last year. This great sum not only puts at the service of the children of Ontario all the resources of medical science, but, in addition, provides for a training school for 120 nurses and for unsurpassed clinical facilities for the University students who are preparing to engage in their profession throughout the province.

The income which must be forthcoming to finance this absolutely essential work figures out at seven hundred dollars a day; and, as there is no endowment fund, all but a fraction of that amount has to be derived from individual benevolence. Therefore the Trustees are making a Christmas appeal to every lover of children to foot the bills for some period of time, no matter how short it may be. A minute of mercy costs fifty cents.

For churches, societies, lodges, etc., who have more ample funds wherewith to assist the youngsters to a fair start in life, the naming of cots is suggested. A number of memorial cots have been thus dedicated in honor of the overseas service of fellow-members. This privilege is extended in recognition of gifts of $2,000 to the Main Hospital or $500 to the Lakeside Home, which can be paid in annual instalments if so desired.

Literature, illustrative of all branches of the past year's work, together with any other information desired, will be gladly furnished on application to the Secretary, the Hospital for Sick Children, College street, Toronto. Contributions should also be addressed to the secretary.

Chairman of Appeal Committee

McCRIMMON'S MOUTH WASH

Soothes Sore Mouths
Hardens Soft Spongy Gums
Kills Disease Germs
Prevents Pyorrhoea

Disease germs enter your system through the mouth. If the mucous membrane of the mouth becomes sore and inflamed it may be the beginning of Trench Mouth. Soft spongy gums are the fore-runners of Pyorrhoea, which is caused by tartar deposits and germs. McCrimmon's Mouth Wash relieves soreness, hardens soft spongy gums, and kills the germs that attack the mucous membrane. McCrimmon's Mouth Wash penetrates into the tiny openings of the gums around the tooth base, and leaves a clean wholesome feeling and a refreshing taste in the mouth.

IN MEMORIAM.

McKIBBON—In loving memory of our dear boy, George Wallace McKibbon, who died in Tugaske, Sask., of influenza, followed by pneumonia, on December 3rd, 1918:—

One year has passed since that sad day,
God called the one we loved away;
Forget him, No, We never will,
As years roll on we love him still.

Never a day but his name is spoken,
Never an hour but he is in our thoughts;
A link in our family chain is broken,
He is gone from our home, but not from our hearts.

Friends may think we have forgotten him
When at times they see us smile,
But they little know the heartache,
That our smile has all the while.

Often we think of you, dear George,
And our hearts are sad with pain;
Oh, this earth would be a heaven
Could we but hear your voice again.

But peaceful be thy rest, dear George,
'Tis sweet to breathe your name;
In life we loved you dearly,
In death we do the same.

The blow was great, the shock severe,
We little thought your death so near;
Only those who are left can tell
The pain of parting without a last farewell.

Lonely Parents, Sisters and Brothers.

Very interesting and instructive addresses were delivered by Miss McIntosh, Lady Dis't. Representative for the County, and Rev. J. Burkholder. Mrs. D. McKim, the President, made a very acceptable chairman.

Dr. D. McFayden, of Toronto, visited our village this week and received the glad hand on all sides.

Mr. Irvine Dodds is not making the progress toward recovery which his many friends would like to see. We hope he will soon get a change for the better.

Municipal elections are again being discussed and while nothing definite can be stated as to the candidates—yet one thing is certain and that is "that there will be a run."

IN MEMORIAM.

JESSOP—Lines written in loving memory of Mrs. Whitfield Jessop, of Camilla, who departed this life on Dec. 11th, 1918:—

One year has gone, our hearts still sore;
As time goes on, we miss her more;
Her loving smile, her cheerful face,
No one can fill that vacant place.

An angel came, we ask not why;
And took our Ettie dear;
God saw she was too fair on earth;
He could not leave her here

But there has come a sorrow,
Into a happy home;
It seems to us the saddest,
That to a home could come.

It was hard for our dear mother
To stand beside her dying bed,
And hear her ask for husband and children dear,
Whom she has left behind.

Dear mother, wipe away those tears;
She is only gone before;
'Twill not be long till you shall meet her,
Upon that shining shore.
